Traverse City took the tip off but failed to score. Nearly a minute had passed before Vandenberg dumped in the first field goal of the game. Dwain Walker added another before Drinan added a lay-up shot and Belonger scored two free throws to knot the score 4-4. LaBlance put Charlevoix ahead on a field goal but Saunders connected on two free throws to again tie the score before Charlevoix went ahead 11-9 on field goals by Quint Walker and Swanson before Ghastin and Saunders dropped in two buckets as the period ended.

Dwain Walker connected for a bucket to open the second period. Belonger scored a free throw and Drinan a field goal to make the score 13-12 before Vandenberg added two charity shots. Dwain Walker one free throw and Quint Walker a field goal before Saunders finally hit on a long shot from the key for a field goal. Dwain Walker hit

Hunting Group Plans Potluck

Members of the Norwood-Banks Hunting association will hold a potluck dinner Friday evening at the Norwood townhall. It was announced by Floyd Wagner, president of the group.

Following the supper which will be served at seven o'clock, there will be a business meeting to determine what action the club will take this year in its program of further restocking the area with pheasant. Representatives of both the Ellsworth Sportsmans club and the Charlevoix Rod and Gun club have been asked to attend the meeting.

The restocking program of the Norwood-Banks club is going into its third year. Observers believe the program has attained better than average success and that the birds already released are more than holding their own against the hazards of the territory.

Wagner says it may be possible for the three clubs to pool their resources and increase the number of birds released this year.

On two free throw attempts and Drinan and Ghastin each scored two free throws apiece before Swanson hit from outside for a field goal followed by one by Saunders to make the score 22-20 as the half ended.

In spurt of action Belonger, Harvey and Saunders dumped in three quick field goals to open the second half. They were matched, however, by baskets by Quint Walker, Swanson and Vandenberg and a free throw by the latter to put the Charlevoix five ahead 29-26.

Harvey's two free throws were countered by a pair by Quint Walker and Drinan's field goal was matched by one by Quint Walker before Ghastin scored a field goal followed by one by LaBlance, to give the Rayders a 35-31 edge. Drinan tallied a field goal and Vandenberg came back with two free throws before Saunders and Harvey tied the score 37-37 on quick buckets to end the period.

Saunders put the visitors ahead 39-37 to open the final quarter but the advantage was short-lived as Vandenberg scored a free throw, followed by two buckets by LaBlance, one by Dwain Walker and a free throw by Quint Walker to put the Rayders back in the game 45-39.

Saunders scored a field goal but Vandenberg and Swanson came back to score one apiece before Saunders was fouled and scored the first of two free throw attempts. Vandenberg went in to score a field goal and was matched by one by Ghastin who also connected for two charity shots to make the score 51-46 as less than two minutes remained. LaBlance was fouled when the Gladiators tried to break up a last minute stall put on by the Rayders. He connected on the first of two attempts. Traverse City intercepted a Rayder pass in the last 30 seconds and Belonger, alone in his own court took a long pass to go in to score but Vandenberg countered with one final bucket as the final horn sounded.

Charlevoix outscored Traverse City 20 to 18 in the field goal department while connecting on 14 of 22 free throw attempts. The Gladiators hit on 16 of 25. The Rayders collected 15 personal fouls and Traverse City 13.

Vandenberg paced the scoring for the game with 10 points. Saunders had 15 for Traverse City.

Charlevoix Wins Over Manton In Semi-Finals By 66-55 Score

In the Class 'C' Regional semi-finals Friday night, Coach Terrill started the two Walkers, Vandenberg, Swanson and LaBlance with Poquette, Ikens, Balch, Joe Etienne and Joel Arvilla also seeing action.

The Rayders went into a 15-11 first period lead, increased it to 30-24 at the half before Manton came back to outscore the Rayders 15-14 in the third period to make the score 44-39 as the game went into the last period.

The tall rangy Manton Rangers took the tip off and scored the first field goal before Swanson and LaBlance scored field goals and Quint Walker added a free throw to put the Rayders ahead.

Two Manton field goals again put the Rangers ahead 6-5 before Dwain Walker with two free throws followed by a field goal and Swanson with a field goal gave the Rayders an 11-6 advantage. Vandenberg and Quint Walker each added a field goal and Manton connected for two field goals and a free throw as the period ended 15-11.

The Rangers scored two field goals and five free throws to five free throws by the Rayders to go ahead 20-19 early in the period before the Rayders snapped back with a 30-24 halftime advantage. Quint Walker scored six points on a field goal and four free throws; Vandenberg and Swanson added three apiece; Balch one field goal and LaBlance a free throw. Manton had three field goals and seven free throws for the period.

In the third quarter Charlevoix held its lead as LaBlance scored six points; Balch two field goals and Vandenberg and Ikens two points each for a 44-39 third period edge. Manton scored four field goals and seven free throws as they outscored the Rayders 15-14.

Manton dumped in two quick baskets to cut the Rayders' lead to one point 44-43 to open the final period but the Rayders, on six points scored by Quint Walker, pulled out of danger and in the final four minutes took an 11 point advantage and the game.

Several times in the game the Rayders put on a full court press which seemed to rattle the Rangers and which finally tired them to a point where the Rayders were in complete control of the game and scored at will.

Quint Walker, who paced the scoring with 25 points for the game, scored 14 of his total points in the last period on five field goals and five free throws. Dwain Walker added four points on a field goal and two free throws and LaBlance had two field goals.

Manton scored six field goals and four free throws. Gary Gulleckson led the scoring for the Rangers with 16 points. Charlevoix outscored the Rangers 22 to 18 on field goals and scored 22 of 30 free throws while collecting 20 personal fouls. Manton scored 19 of 32 free throws and had 17 personal fouls.

New Packard Wins Awards

Schneider Motor Sales of Petoskey, Packard dealer, announced today that the development of the torsion suspension system in American production cars has won the Packard the New York Travel and Auto Sports Show's 1955 International Award for "the outstanding automotive advancement of the year."

In the ceremonies at Madison Square Garden Packard also was awarded the 1955 international gold cup for "individuality of styling in the luxury car field." The prize winning models are on display at Schneider Motor Sales Showroom.

In presenting the Packard engineering award, the auto show's committee of judges said the torsion suspension system was "an engineering achievement establishing new concepts of riding comfort and safety," comparable in importance to the introduction of automatic transmissions and front coil springing in the 1930's.

The new system provides a smoother, level ride, with increased car stability and greatly reduced driver fatigue. All coil and leaf springs are eliminated. Instead two steel bars run the length of the car on each side. Road shock is absorbed by the twisting of these bars. The shock of dips and bumps does not reach the frame of car passengers. A separate load compensator keeps the rear end of the car level with the front end, no matter what passenger or baggage weight there is in the rear.

The Packard dealer said the company's decision to bring out the new suspension for its 1955 models was made "in advance of the next automotive design trend to provide greater comfort for drivers and passengers." In recent years the design emphasis has been on devices aimed at greater ease of driving, such as automatic transmissions, higher horsepower and torque, power steering and power brakes.

Schneider said the 1955 Packards and Clippers were the first to be designed, engineered and produced under the Packard program launched two years ago which brought new management and new facilities to the company. The major styling advances and the introduction of the Torsion-Level suspension system have been responsible for the company's backlog of 20,000 orders for the new models, he said.

'King Winter' Hits Area With Another Blast

King Winter, reluctant to relinquish his reign to Spring, went on one last spree Tuesday.

From four to six inches of snow which started to fall about 10 a.m. Tuesday was whipped by northwest winds up to 50 miles an hour, closing all but major highways to traffic in the area Tuesday night and Wednesday morning.

T. B. Reynolds, Charlevoix county Road Commission engineer-superintendent, advised all school buses to remain off the highway until road crews could open regular bus routes.

In Charlevoix schools were open but the majority of students transported by bus were not present. This affected approximately one-third of the schools' enrollment of 875 students. Supt. R. G. Bennett said early Wednesday that buses would be dispatched as soon as roads were passable.

Elsewhere in the county schools were closed for the day.

Mr. Reynolds said that road crews devoted their efforts through the night to keeping only US 31 and US 131 and major county roads open to traffic.

Driving was hazardous and visibility very bad all night, he said.

Drifts up to five feet were found in some places and slush under the drifting snow made the task of plowing side roads very difficult.

At 1 p.m. Tuesday the barometer dropped to 28.04, the lowest in recent years, the U. S. Coast Guard reported.

M.S.C. Spartan Bell-Ringers To Perform Tuesday

The Michigan State Spartan Bell-ringers will make three appearances in Petoskey Tuesday under the sponsorship of the Petoskey P.T.A. Council.

The group will appear in a public concert at the Petoskey high school auditorium at 8 p.m. Tuesday following earlier appearances at the Kiwanis luncheon at the Perry Hotel at 1 p.m. and a concert for elementary students at 2:45 p.m.

The Bell-ringers include seven girls and two men who will present a varied program of music. The unique music is performed with sets of English hand bells purchased in London from the maker of the famous Liberty Bells. They are rung just as called for in the music.

The Spartan Bell-ringers group was organized last October and is part of the Cap and Gown series designed to provide entertainment for Michigan communities.

Michigan State Alumni are hosting the members of the group during their stay in northern Michigan which is one of 13 scheduled on a spring vacation tour to this area.

A vocalist and accompanist and the director of the group, Wendell Westcott, will also appear.

Sports Banquet Tickets Now On Sale For April 4

Tickets for the second annual All-Sports banquet honoring the Charlevoix high school Varsity athletes are now on sale. Dan W. Gencit, chairman of the ticket committee has announced.

The annual event sponsored by the V.F.W. and Knights of Pythias will be held at the V.F.W. post home at 6:30 p.m. April 4. Guests will be the Rayder Varsity football, basketball and track teams. Varsity coaches Del Terrill and S. E. Coleman and Varsity cheerleaders.

Plans for the program will be completed at a meeting of the V.F.W. and Knights of Pythias committees scheduled for Thursday night.

'Feeling Low?' To Appear Friday

Rev. Harold E. Kohn

"If these essays, like strong spring winds, drive dark and leaden clouds from shadowed minds and let a bright and warm radiance from above dispel low moods, my purpose in writing them will be served, and I shall be grateful."

Thus wrote the Rev. Harold E. Kohn, senior pastor of the First Congregational church here, in the preface of his book, "Feeling Low?" which will be published Friday by the William B. Eerdmans Publishing Co. of Grand Rapids.

This one paragraph aptly describes the book of inspiring essays written in the form of nature parables and illustrated by the author with black and white brush and ink drawings, many of which are scenes found near his cabin, "Hidden Brook," located on the north side of Lake Charlevoix.

But writing and illustrating are only two of the accomplishments of this remarkable man who is also an ordained minister, a commercial artist and student of nature.

In "Feeling Low?", he has combined these talents to present lessons of hope through nature parables, an ancient, proven and convenient way of making great

Young Questions Statement Made By Opposition

Drew E. Young, first ward supervisor, has issued a statement following the announcement last week by Ivan Phillips that he would oppose Young for the post in the April 4 election.

In his statement he said that "Ivan Phillips' statement in the Courier last week to the effect that he does not feel that one man is qualified to do the job of both assessor and supervisor and that no man could do justice to both offices" appeared to be very rash statements even from a novice seeking political office.

Mr. Young went on to say that "If it were just me personally, I wouldn't pay any attention to it, however, I understand that some of our County Supervisors have taken offense to the remarks, because by Michigan law every township supervisor is also the assessing officer and the city assessors in both Boyne City and East Jordan are also supervisors of Charlevoix county. Consequently, they may not feel too friendly toward Charlevoix for such statements."

"Therefore," Mr. Young continued "in order to correct these statements, I would like to say that I know every member of the County Board of Supervisors and in working with them have found that they are an intelligent and reasonable group of people quite capable of doing their dual jobs of supervisor and assessor."

The positions of assessor or supervisor in the first ward are of little importance in this situation for both jobs combined do not pay even half enough to support a family. Nevertheless, such statements in the newspaper should be of great concern to all of us for they can cause much ill feeling and misunderstanding on the County Board of Supervisors and subsequently lead to an increase in our tax valuation or loss of a new courthouse."

On the eve of the publication of his book "Feeling Low?", the author, the Rev. Harold E. Kohn, will appear on Kenn Haven's Limelight program over Station WPBN-TV at 8:15 p.m. Thursday. He will also appear on the Paul Bunyan radio network at 9:15 a.m. Friday.

truths clear. In explaining his choice of this method, Mr. Kohn said that the parable method localizes the universal and gives substance to the abstract.

There is a reason for every book coming into being and "Feeling Low?" is no exception. In commenting on the book whose title gives one an insight into its contents, Mr. Kohn relates that this book was born of need. "Often," he said, "when calling upon the discouraged and sick I have thought how small a proportion of their time they have visitors to distract or encourage and cheer them, and how many hours when they are alone with their problems and dark moods. I concluded there should be something helpful to leave in their hands... something that would speak for me when I am far away and say what I would like to say."

As a result of this thought "Feeling Low?" was written, first as a weekly column in the Charlevoix Courier which received such heartening and rewarding response that it has now been published as a book, which will make its first appearance this week.

Art and writing have always been a part of Mr. Kohn. As a child, he recalls, he loved the paintings of Rosa Bonheur, especially his "Deer in a Forest" and "Horse Fair". Although his parents neither sketched or painted, they had a profound appreciation of beauty and encouraged the young artist in his early efforts. (Continued on Page 10)

Local Students To Participate In Music Festival

Three Charlevoix high school music students will go to Ann Arbor this weekend to participate in the State Solo-Ensemble festival Saturday. C. A. Odmark, high school band director has announced.

The three are among those who received first division ratings in the district Solo-Ensemble festival in Gaylord last month. They are Barbara Smith, Connie Paul and Cora Paul. Other Charlevoix students who qualified for state competition have decided not to make the trip.

Barbara will enter two events, the flute solo and piccolo solo, accompanied by her mother, Mrs. Joseph Smith. Cora and Connie will enter the flute-clarinet duet division.

The festival, sponsored by the Michigan School Band and Orchestra Association, has drawn a total of 707 entries from all over the state. Solos and ensembles will be played in 16 different locations on the campus at the University of Michigan beginning at 8 a.m. and continuing through the day.

The first set of twins born in the new Charlevoix hospital arrived last Wednesday, March 16. Miss Ann Baumgartner, superintendent of the hospital, has announced.

They are Richard Melvin and Roger Marvin, who weighed in at five pounds and four ounces and four pounds and 10 ounces respectively. They are the sons of Mr. and Mrs. Richard J. Rebec of East Jordan.

The pair were presented with gifts from the Women's Guild of the Charlevoix Hospital. Each received a youth set of silverware. Mrs. Alan Macdonell, president of the Guild visited the hospital and presented the gifts to the mother.

Expect Korean Bonus Blanks Here This Week

Application blanks for the Korean War bonus are expected here today or Friday, spokesmen for the local veterans organizations said Wednesday in answer to many inquiries regarding the blanks.

When the applications arrive they will be available through the American Legion, V.F.W., Charles Hamlin and Kenneth Forbes of the American Legion, at the office of the county clerk and Fran Martin, local Red Cross home service worker.

Service men eligible for the bonus are advised that they must first record their discharge at the office of the county clerk in order to receive a certified photostatic copy of the discharge to send with the application for the bonus. Service men are urged to do this as soon as possible. Under no circumstances are they to send their original discharge with the application.

Service officers of local veterans groups and others will be available to assist servicemen with filling out the blanks. Any serviceman who does not have his application completed by Tuesday is invited to attend the regular meeting of the local American Legion post at the post home, where he will be given assistance in filling out the application. The meeting will open at 8:30 p.m.

Information may be obtained from Fenton R. Bulow and Fay Davis, post commanders of the American Legion and V.F.W. respectively, Mr. Forbes or Mr. Hamlin.

Road Association Names T. B. Reynolds President, Director

T. B. Reynolds, Charlevoix County Road Commission engineer-superintendent, was elected president of the County Road Association of Michigan at the annual meeting of the organization held last week in Grand Rapids. He succeeds James C. Hendley of the Washtenaw County Road Commission.

Martin G. Meyers, Houghton commissioner was named vice president of the association and L. E. Kaufman, secretary of the Kent county commission, was re-elected to serve his tenth consecutive term as secretary-treasurer.

Mr. Reynolds was re-elected to the Board of Directors and Mr. Meyers and Harold J. Rich, engineer-manager of the Kalamazoo commission, were chosen as new members of the board.

Rayders Journey To See State Finals

The Charlevoix Rayders, accompanied by their coach, Del Terrill, were in Lansing Friday and Saturday to attend the semifinals and finals of the state basketball tournament.

Thirteen members of the team and the student managers made the trip which was financed by contributions by local basketball fans.

Transportation was furnished by H. B. Schofield, Max Novak and I. E. Bingham. The party returned home Sunday afternoon.

Community Chest Plans Meeting To Discuss Program

Plans for an open meeting to be held next month to discuss the 1955 Community Chest program for Charlevoix were formulated at a meeting of the Community Chest board Thursday evening.

All 1954 Community Chest campaign workers as well as those who have participated in other fund-raising campaigns will be invited to attend this meeting. Robert Lieberman, president of the Chest board said. He went on to say that it is the desire of the Community Chest organization to express its appreciation to these workers and to tell them what is being accomplished through their contributions of time and money.

Mr. Lieberman continued "Many people in Charlevoix feel that it would be desirable to have only one major fund-raising campaign a year, and that such a program would greatly reduce the amount of time and effort extended locally if all organizations could be brought together under one annual fund campaign. For the individual contributor it would mean that more of his donation would go directly to the participating agencies and less to the cost of financing separate campaigns."

The board discussed ways and means of extending the Community Chest to include other agencies which at present conduct separate drives. The board feels that if the people of Charlevoix strongly favor a single campaign, it can eventually be accomplished.

Mr. and Mrs. Rodney Creede were appointed co-chairmen of the 1955 Community Chest campaign. Other committees named were: campaign committee, Mr. Creede, Mrs. Dean Davenport and Mrs. Herbert Campbell; public relations, J. Clark Dolliver, Mrs. Charles Duerr and Mrs. Gordon Freedman; budget and admissions, William Van Rapphorst, Lawrence Feindt and Mr. Lieberman.

South American To Visit Here On Cruise June 11

The Bay City Chamber of Commerce will visit Charlevoix early in June while on their annual cruise aboard the S. S. South American according to Commodore Carl H. Weber.

In addition to the stop here the cruisers will visit the twin cities of Menominee, Michigan and Marquette, Wis., and Harbor Springs-Petoskey.

The new longer itinerary was agreed upon recently when the Chicago, Duluth and Georgian Bay Transit Co. executed its contract with the Bay City group for chartering the S. S. South American for the three-day voyage.

The Chamber's eighth goodwill and trade promotion cruise will start at 3 p.m. Thursday, June 9 with the cruise ship arriving at the Menominee-Marquette port at 4 p.m. June 10.

Sailing from there shortly after midnight, the cruise ship will arrive at Charlevoix between 9 and 10 a.m. June 11 for a four-hour stop-over. The cruisers will be in Harbor Springs-Petoskey from 3 until 9:30 p.m. that day before sailing on the return to Bay City.

Services Held For Teresa Lee Ostrum

Teresa Lee Ostrum, 3-weeks old daughter of Mr. and Mrs. E. Franklin Ostrum, died Thursday at the Charlevoix Hospital where she had been a patient for a day.

Funeral services were held at St. Mary's church Friday morning with the Rev. E. F. Denay officiating. Burial was in St. Mary's cemetery.

Born at the Charlevoix Hospital Feb. 24, the daughter of E. Franklin and Marcella H. Kaskey Ostrum, she had been ill for several days prior to her death.

Surviving besides her parents are her paternal grandparents, Mr. and Mrs. D. Eldred Ostrum; her maternal grandparents, Edward Kaskey of Chicago and Mrs. Anna Grey of Charlevoix and her great-grandparents, Mr. and Mrs. John Krehak Sr.

Last Call For Minstrel Show Chorus Issued

The last call for minstrel chorus members for the third annual Northland Minstrel show has been issued by C. A. Odmark.

Any man who missed last Tuesday's first meeting of the group and wishes to participate in the annual fun-fest is urged to contact Mr. Odmark, director of the chorus. Information regarding the time and place may be obtained from Mr. Odmark.

In issuing the invitation to new members Mr. Odmark said that experience is not necessary, just a desire to sing.

The chorus is an important part of the annual show now being planned by the Charlevoix Band Parents Association for the benefit of the Charlevoix high school band.

Race Develops For Supervisor In Second Ward

Frank Oleksy announced Wednesday that he will be a 'sticker' candidate for the office of second ward supervisor to oppose Ted R. Miller in the April 4 general election.

Mr. Oleksy, who lost to Mr. Miller by 40 votes in the Feb. 21 primary election, said that in that election only 25 per cent of the second ward voters were at the polls so it was possible for a candidate to win with a well-organized minority.

In becoming a candidate, Mr. Oleksy went on to say that the majority of the voters should visit the polls April 4. Because he wishes to know the wishes of this anticipated majority, he has decided to become a sticker candidate.

Mr. Oleksy feels that he is 'better qualified for the supervisor's post as he is well acquainted with many people and problems of the past and future of the city and county.'

He has, he stated, constructively aided groups and individuals for the betterment of Charlevoix by participating in community projects such as the new Charlevoix Hospital, John Knight Memorial, served as chairman of the first annual Band Parents Minstrel Show, is a charter member and vice president of the Charlevoix County Humane Society, a charter member of the Charlevoix Association to Aid Retarded Children, a director of the Charlevoix Development Corporation, the Scouting program and others.

Services Held For Mrs. P. Andersen, Former Resident

News of the death of Mrs. Peter Andersen, 72, a former Charlevoix resident, at Sinai Hospital in Detroit March 17 has been received here.

Funeral services were held at the William Sullivan and Son funeral home in Pontiac Saturday with burial in Roseland Park cemetery.

Born in Norway June 5, 1882, Mrs. Lena Sofie Andersen resided in Charlevoix from 1910 to 1940. Since leaving here she has resided in Beverly Hills and Lake Orion.

She is survived by her husband, Peter; two daughters, Mrs. Tyler (Osa Ingrid) Kennedy of Southfield township, and Mrs. Channing (Lilly Vivian) Clarke of Lake Orion; two step-sons, George and Carl Andersen of Muskegon; a step-daughter, Mrs. Dagmar LaGongle of Chicago, Ill., eight grandchildren; two brothers, Lars Svendsen of Detroit and Gustave Larsen of Grover, Wyo. and two sisters in Norway.

Barbershoppers' Contest Will Be Held On Saturday

The Boyne City chapter No. 23 S.I.E.B.S.Q.S.A. will be host to the ninth annual Bush League contest for Barbershop quartets at the Boyne City high school auditorium at 8 p.m. Saturday.

The Mid-States Four of Chicago, well known in barbershop circles in northern Michigan, will lead the parade of quartets. Adding spice to this year's program will be the Pitch-Pipers of Grand Rapids who are real show stealers.

Two Industrial Prospects Will Inspect Sites

The Charlevoix city council, meeting Monday night, was advised that two industrial prospects seeking new locations for their plants would visit Charlevoix to see what the community had to offer before deciding on a definite location.

A copy of a letter from the state fire marshal addressed to the Charlevoix Board of Supervisors and sent to the Charlevoix fire department regarding the condition of the Charlevoix county courthouse building here was read. The letter advised numerous improvements and repairs which would have to be made if the building was to continue to be occupied by the county offices. Among these were the re-wiring of the entire building, installation of a fire escape, separating the heating plant from the remainder of the building and re-capping of the chimney to name a few.

A hearing on the re-zoning of the property in the Meadowlane addition east of May st. met with no objections. The property will be re-zoned from agricultural 1 to residential 1 with the exception of three lots on May st. which will become commercial 1.

Several citizens who were not billed until recently for water-heater timers purchased more than two years ago appeared before the council and questioned the price of the meters which at that time was approximately \$27. Since then the price has dropped to approximately \$10.00 and several felt they should not pay the (Continued on Page 10)

Text: Acts 9:5-6 "WHY ART THOU, LORD? . . . LORD, WHAT WILT THOU HAVE ME TO DO?"

Throughout one's lifetime there are many questions that arise. Some are easy to answer and some are not. Some are important questions and many are trivial ones. Here in this ninth chapter of the Acts of the Apostles, the Apostle Paul, who was then Saul the persecutor, asked what I feel are the two most vital questions in any person's life.

To paraphrase the first question that Paul uttered when struck down on the Damascus road, we come to grips with this solemn interrogative, WHO IS GOD? Since the beginning of time men have been seeking the answer to this question. Men have often failed in their search because they have sought in the wrong place. They have not read and studied the Book of Books, the Bible, or they would know the correct answer.

As we look in the Word of God, we see first of all that God is the Eternal Being. In Psalm 90:2 we read, "From eternity to eternity Thou art God." In reference to God, the prophet Isaiah declared, "Thus saith the High and Lofty One that inhabiteth eternity, whose name is Holy." God has always been in existence, even before that intangible thing called time.

The scripture also substantiates the fact that God is the Universal Creator. The first verse of the Bible declares without reservation that "In the beginning, God created the heaven and earth." Throughout the entirety of the Word of God we find ample proof that everything in the universe came into being as a result of God's purpose and power.

Before his conversion experience, I am confident that Paul knew that God was both an eternal being and the universal creator, but he was not aware that in the person of His Son, Jesus Christ, God is also the incarnate Redeemer. Paul later testified that God, "took upon Him the form of a servant and was made in the likeness of men." That He, "... became obedient unto death, even the death of the cross."

In other words, until the humbling incident on the road to Damascus, Paul did not know that Jesus died to save his soul. Do you know that He died for your redemption also?

Now observe the second question asked by Paul. Knowing who God was, this man who had been a persecutor of the Christians, sincerely asked, and we paraphrase the question, WHAT IS GOD'S WILL FOR ME? Briefly, this is the will of God for each of mankind according to the scriptures. First, Repent of Sin. Said the Lord to His disciples, "Except ye repent, ye shall all likewise perish." Second, Receive the Savior. In reference to Himself, Jesus declared, "But as many as received Him to them gave He the power to become the sons of God, even to them that believe on His name." Third, Render Him Service. Christ exhorted in John 12:26, "If any man serve me, let him follow me."

Have you been following the Lord and serving Him? May God help you to consider seriously these two most important questions and their answers as found in the Bible. Won't you believe the answer to the first, and I trust you will experience the answer of the second one!

ODDS 'N' ENDS

By Fran Martin

SPRING was scheduled to arrive at 2:35 a.m. Monday but somebody goofed. . . . At 5 a.m. the snows come accompanied by a blast out of the north and the voices of spring we'd been anticipating for lo, these many months, crawled back in for another few weeks. . . . It seems as tho' we've had winter forever. . . .

But spring or no, the brave little robins came north. . . . (They must have listened to the wrong weather man) . . . and their happy songs have been heard until Monday when they, too, found shelter from the wintry storm. . . . But with this first real sign of spring with us . . . even April showers and May flowers be far behind. . . .

OUR Weather man, Jake White, who spent some time out in Lake Michigan last week when his tug, the Gypsy, got itself caught in the ice outside the piers, was telling us about some real smart birds he'd noticed while waiting for the ice to move out. . . . The light in the blinker light on the north pier, it seems, is always on. He noticed a small flock of birds about the size of martins fly to the light and make their way inside the hood that protects the light from the elements. . . . Protected from the wind and heated by the lights, what more could one ask in the way of comforts. . . . Who says birds aren't smart. . . .

AND TO those of you who are interested in the lowly sparrow, Rev. Harold E. Kohn, a student of nature, has come up with this reasonable explanation. . . . We quote: Doubtless you refer to the common brown and black 'English sparrow or house sparrow that was so prevalent all over America a few years ago and is now seldom seen except on an occasional farm. . . . Actually this bird was no sparrow at all, but a weaver finch imported from England in 1850, when a small number was released in Brooklyn, N. Y. . . . A short time later an additional number was imported from England to Quebec and Halifax. The descendants of New York and Canadian "English sparrows" soon spread across the continent. . . .

What are the differences between true sparrows and "English sparrows"? . . . Many. One of the interesting contrasts is in their nest-building. . . . The true sparrows cover their nests, making a roof-like arrangement to fit the top. . . . but the "English sparrows" often leave their nests open at the top and are not nearly the architects you will find in the sparrow family. . . .

English sparrows are not so plentiful in towns and cities as they once were for the simple reason that horses are not so plentiful in these places as formerly. . . . Nuff said. . . .

IN A RECENT Sunday edition of a Grand Rapids paper was a picture of our own Joan Nelson who teaches at Lee high in Grand Rapids. . . . pictured with a number of souvenirs she brought back from Norway last summer. . . . Joanne, who made the trip with her mother, Mrs. Trina Nelson, also has some beautiful slides taken on the trip which we're looking forward to seeing this summer. . . . And in another issue of the same paper was a story

on a coyote hunt on Beaver Island in which Clare Staley participated. . . .

AND IN a Cincinnati newspaper was a story about the Acapulco home of Robert S. Marx which the Cincinnati attorney and Charlevoix summer resident forwarded to us. . . . The view from atop Watch Hill Mountain, the highest in the Acapulco area overlooking the Pacific ocean on one side and the city and harbor of Acapulco on the other, is said to be the most dramatic and spectacular in the world. . . . The white and green concrete house, two-stories, which clings to the mountain side has its own California-type swimming pool. . . . The climate is the finest anywhere, according to Judge Marx, with temperatures of 85 degrees in the daytime and 72 at night. . . . In the summer the temperatures reaches 90 degrees and for nine months there's no rain. . . . And the furnishings, 'tis said they belong in a museum. . . . Some are made of solid rosewood. . . . We hope that Judge Marx won't find this so attractive that he won't return to his farm on the north side of Lake Charlevoix and his beautiful boat, the Ponchara. . . .

A CLIPPING from a Royal Oak newspaper brings the news of the latest honors bestowed on that charming and gracious master photographer, Mrs. Allen E. Arnold. . . . who's connected with Charlevoix by marriage, according to Mrs. Andrew Fulton who sent it to us. . . . Mrs. Arnold, whose husband was born and raised here (A product of East Dixon ave.) is well known here. . . . The pair has had a studio in Birmingham for the past 31 years and, we believe, is the only husband and wife team of master photographers in the state. . . . Mrs. A. captured two trophies and six ribbons at the annual winter convention of the Professional Photographers Association of Michigan in Lansing recently. . . . Mrs. A., not to be outdone, brought home four ribbons. . . . Mrs. A. credits her love of people as the key to her success in the field of photography. . . .

FROM Stuart, Fla., a note from Mrs. A. A. Schaefer who sends her best regards to her friends here and tells of meeting a Beaver Island Gallagher (she didn't mention the first name) at the home of a non-Beaver Island Gallagher recently. . . . and what a fun she and Mr. S. had talking of mutual friends here. . . . And after reading the story we had earlier this winter about the prices at Alex's Cafe, she asked how we'd like a Rattlesnake salad at \$5.00 per plate as advertised at Daytona Beach. . . . Our answer? An emphatic No, thank you. . . .

FROM COACH Del Terrill and his Charlevoix Rayders a million thanks to the wonderful basketball fans of Charlevoix whose generous gesture sent the team to Lansing to see the state finals. . . . The wholehearted generosity of the entire community came at a time when it meant the most to a team that had tried so hard all season to bring the fans some super basketball including a league championship plus district and regional titles. . . . Coach Terrill has delegated to us the difficult task of relaying to you the gratitude of himself and the team. . . . After talking with the boys, we know how very much the trip meant to them. . . . it was a wonderful experience and they say basketball at its best almost to the strutting point. . . . But to them it was more than a trip to see the basketball games. . . . It was a vote of confidence by a

community when the kids needed it most. . . . All year we've done a bit of boasting about this team and. . . rightfully so. . . . Now these players are doing more than a bit of bragging about their town which thought enough of them that in a matter of 12 hours funds to finance the trip was in the hands of their coach. . . . One can't help but be proud that he's from such a community. . . . And from the parents of the team another "thank you for doing so much for our boys". . . . To Les Ball who took on the task of soliciting the funds for the trip the orchid of the week for a job well-done. . . . And might we conclude by saying that this is just another of the many reasons we're happy we are privileged to live in Charlevoix. . . .

And while expressions of gratitude are being handed out, Coach Terrill and his kids would like to thank Coach Lawrence Feindt for all his efforts in behalf of the team. . . . Without his words of encouragement, bushels of citrus fruit, countless bottles of aspirin, wrinkled brow and good advice we never could have made it. . . . Thanks, Coach. . . .

NEVER LET it be said that a little thing like the weather ever held up a show in Charlevoix. . . . Sunday night with temperatures hovering around 30 degrees and a gale (or so it seemed) blowing out of the northeast, Sally Gyer of Birmingham professional baton twirler par excellence, put on a terrific show on Burns st. . . . It was like this. . . . Sally just returned from Beaver Island where she'd celebrated St. Patrick's Day among the Irish on America's Emerald Isle. . . . She was spending some time with the Buck Dittlesens when someone came up with the idea of a show before she left for home. . . . So the Dittlesens called their friends who in turn called others and Viola! . . . an audience. . . . And what a performer. . . . Perhaps you've seen her in action on Ed Sullivan's Toast of the Town show or on other TV shows. . . . What she does with a baton or rather a pair of those things for most of her acts are done with two. . . . is beyond description. . . . And to top it off she performs with lighted gasoline torches. . . . and if you think that's easy. . . . Chum, you're crazy. . . . She made most of the most intricate tricks look like child's play. . . . Seems she's a gal who captured all awards available in the amateur field and is now in the professional field. . . . She'd just returned from a week's engagement in Toronto before coming to northern Michigan. . . . Note to Irish Coleman: she'd be great for Venetian Night. . . .

YOU KNOW, the other night when the Sundew worked its way through the ice field into the harbor it was like a bit of spring. . . . Sure the weather was cold but wasn't it good to hear a boat blow for the bridge after the long winter silence. . . . Gee, the things you miss without realizing what they are. . . . the sound of boat whistles is one. . . .

THE Charlevoix Rayders might well be called the maker of champions or some such name after last week's game with Houghton. . . . For the second time in three years the team that had beaten the Rayders has gone on to take the state Class C title. . . . Last week it was Houghton and in '53 it was St. Louis. . . . Everyone here, as well as throughout the north was rooting for the U. P. team, whether they knew it or not. . . . And everyone was happy when they came through to take the title. . . . After all, if we must

be beaten it's good to say that we lost to the champs. . . . And we think Houghton earned that right. . . . After all, it's the first Class C title to be won by an upper peninsula team since 1926 when Newberry won it. . . .

AND Speaking of other teams that have defeated the Rayders to go on to become title winners. . . . In '38 Kazoo St. Augustine defeated the first team we ever remember going into state competition. . . . at the Civic Auditorium in Grand Rapids. . . . to become champs. . . . In '46 Monton won the regional at Petoskey to advance to the top and that heart-breaker in '48 when Milan won in the semi-finals at Lansing. . . . Surely we'll get a crack at it sooner or later. . . . Well, maybe next year. . . . What's that about hope springing eternal in the human heart or words to that effect. . . . And with that we say "Amen" to the basketball season. . . .

EXCEPT to say many thanks to wonderful, wonderful Rayder

team that has given us all kinds of grand basketball, and a few bad moments we might add. . . . during the past season. . . . you deserve only the greatest of praise for your hard work and sportsmanship, for keeping training when it would have been a lot more fun to break it and for being your own sweet, unaffected selves. . . . To Tommy LaBlance, Dwain Walker and Jerry Schupert we'd like to say. . . . the best of everything in whatever work or study you might choose. . . . You're gonna be missed come next fall. . . .

And to Coach Del Terrill. . . . a low bow from the waist for a job well-done. . . . And maybe, next year. . . . who knows? . . . Til then. . . . everything good to all of you. . . .

Eastern Stars Schedule Many Activities For Spring Season

The Charlevoix chapter of the Order of the Eastern Star has been invited to attend the institution of a new chapter at Acme. The institution of the new chapter and the exemplification of the degrees will be held at Trovare City April 8 with grand officers in charge.

Mrs. Charles Pontius has been invited to be guest soloist at the meeting.

Mrs. James Hiller, worthy matron also announced that the installation of White Shrine officers will be held in Petoskey April 12. At the business session of the local chapter Wednesday night it was voted to send a liberal contribution to the Worthy Matron's annual project. Mrs. Lawrence Heise announced that Easter baskets, decorated and filled, would be displayed at Lieberman's. Orders will be accepted by Mrs. Heise or Mrs. Alfred (Bud) Gill.

The shower for Mrs. Flossie Bullock, whose home at Central

Lake was destroyed by fire earlier this winter, has been postponed until March 28 at the Central Lake chapter. Members wanted to ride to any of the meetings mentioned above may call Mrs. Hiller.

At the social hour which followed, Mrs. Leroy Plum and Mrs. Russell Lewis were in charge of the St. Patrick's program. Mrs. Pontius sang several Irish songs and was later awarded a prize for a contest conducted at the meeting. Mrs. Hiller was honored with a birthday cake and gift from the chapter. Refreshments were served by Mrs. Bert Beaudoin, Mrs. M. L. Hillon and Mrs. Clarence Rabach.

Church Circle To Sponsor Style Show Here April 1

Plans for a spring style show to be held at Friendship hall at 8 p.m. April 1 under the sponsorship of the Mary Burns circle of the Congregational church were announced this week by Mrs. William Lusk, president of the sponsoring organization.

Local shops cooperating in the showing of the newest spring fashions will be Mailhot's Outdoor Outfitters, the Fay Shoppe, Lieberman's and the Polly Kay Shop.

Kay Fitch of the Polly Kay shop will be the commentator.

Kiwanians Hear Book Review By Mrs. Kit Carson

The Charlevoix Kiwanis club held its regular dinner meeting at the high school cafeteria Monday night.

Mrs. Kit Carson presented a book review "Three Wishes of Jamie McRuin," an Irish story. She captivated her audience with a vivid portrayal of the characters as they carried the theme and her twinkling Irish brogue was capital.

H. E. Bingham reported on the aims of the forthcoming Charlevoix county White House Conference scheduled to be held in East Jordan tonight (Thursday) and urged that Kiwanis members attend the conference.

Project Exhibits By 4-H Clubs To Be Held April 20

According to K. C. Festerling, district 4-H club agent, the project exhibits of the winter 4-H club members will be held in the Boyne City Gym on Wednesday, April 20. Leaders and members will place their articles on display after school on Tuesday, April 19. The general public is invited to inspect the exhibits throughout the day on Wednesday, April 20 and then to attend the program that evening.

Members this winter are hurrying to complete projects of handicraft, clothing, tractor maintenance, conservation, knitting, foods, grooming, and home improvement.

A leaders judging team is being trained in each county to judge exhibits in an adjacent county. Key Charlevoix county leaders attended a school for this training at Gaylord on Wednesday, March 16.

Denise Pontius Has Birthday Party

Denise Pontius celebrated her second birthday anniversary Thursday of a party given by her mother, Mrs. Charles Pontius.

A St. Patrick's Day motif decorated the refreshment table and little guests enjoyed favors of green balloons and hats. A carousel birthday cake centered the table.

Invited guests were Bobby, Linda and Herby Schofield, Becky Hiller, Brad and Chris Carey, Lindo Gill, Bobby Greenway and Spooky Coleman.

Legion Auxiliary Plans Rummage Sale

The American Legion Auxiliary met Monday evening at the home of Mrs. John Zeitler with Mrs. J. Sidorowicz as co-hostess.

At the business meeting plans for a rummage sale to be held April 23 at the Legion Hall in cooperation with the American Legion post were completed.

The purchase of stainless steel silverware for the post home was also approved.

Mrs. Lloyd Barnett and Mrs. George Helm, co-chairmen of the annual Poppy sale reported that the poppies had been ordered.

A social hour and refreshments concluded the meeting which was attended by 17 members.

Widow grateful she doesn't have to lose home!

"I'd never have been able to keep my home and still pay for all the hospital and doctor care I've needed, too," says Mrs. Knickerbocker, of Highland Park, Mich. "That's why I thank my lucky stars I've got hospital bill protection that pays off in services. . . provides me with a fixed amount of money to pay toward that bed, the way other plans give you. I like the service way . . . the Blue Cross way! Just recently, my Blue Cross Comprehensive Contract covered \$624 worth of hospital services I needed, leaving only \$5 that I had to pay out of my own pocket. And my Blue Shield protection paid all but \$23 of my doctor bill!"

There's a 1 in 3 chance that your family will have an unexpected hospital bill within a year! Why risk your home, your life's savings . . . when for very little cost, you can have the wonderful protection that only Michigan's Blue Cross-Blue Shield Plans give you.

Find out about low-cost group coverage for your family. A company with as few as 5 employees may qualify as a group. Today, call or write: Blue Cross-Blue Shield, Mr. Frank G. Snyder, 408 State Bank Bldg., Traverse City, Michigan. Phone 526.

Athletic Banquet

This is just a reminder of the Annual Athletic Banquet which is to be this coming Friday night in Banks School. This is sponsored by the Ellsworth Community Chamber of Commerce and the public is welcome to attend.

Local 4-H Achievement Program

Local 4-H clubs of Ellsworth and Bentley Hill will have a local achievement program next Tuesday, March 29 in Banks School. Projects will be judged in the afternoon, and the program and style review will be held at 8 p.m. Families and friends are welcome to attend and see the works done in the sewing projects and the wood working clubs.

The county achievement day will be held Saturday, April 2 in Bellaire.

Clinic Success

Twenty-nine children attended the pre-school clinic held in the community hall Thursday morning, March 17. The extension club committee Mrs. Maynard Fielstra and Mrs. Richard Mitchell who made the arrangements are well pleased with the response and are hoping the next clinic to be held April 14 will be just as successful. Some who were ill and could not attend last week will have the opportunity at the later date.

Cow Rescued From Lake

The quiet of Sunday afternoon was shattered when the Ellsworth fire department was called to rescue a cow from the Ellsworth Lake.

The cow belonged to Archie Murphy of near East Jordan and had wandered away in December and had drifted around in the woods since that time. It was chased into the lake by a dog, belonging to James Campau.

About 70 people witnessed the rescue engineered by Bob Smalley and Andrew Kooyer.

Film To Be Shown

A film "They, Too, Need Christ" will be shown next Sunday evening, March 27 in the Atwood Reformed church, with the Christian Endeavorers as the sponsoring group. The public is invited to attend.

Missionary Tea

A reminder to you is this, check the date of March 31 on your calendar so you won't forget the Anna Petter Grundy birthday tea at the Atwood Reformed church.

Council Meets

Old and new members of Ellsworth village council met together for the first meeting last Thursday evening at the Community Hall. Following appointments were made by president James Elzinga.

Finance: Charles Edson, Walter Rood; streets: Charles Edson, Henry Elzinga; Fire and Building: Maynard Alward, Max Bolser; Lights and Water: Arthur Drenth, Henry Elzinga; Water Works Maintenance: Arthur Drenth and Peter Wieland; Marshall: Levi Donaldson; President Pro Tem: Charles Edson.

Panel Features at P.T.A. Meeting

A panel on discipline of the pupil and responsibility of parents and teachers in this problem was the feature of the program at Banks P.T.A. Tuesday, March 15 at the school. Mr. Richard Lather, Mr. Dean Fiedler, Mr. Henry Ruis, Mrs. Maynard Fielstra and Mrs. Fred Bolhuis were members on the panel.

Other program members included a reading by Larry Fielstra, pupil in Mrs. Ruis' room; accordion duet by Judy Torga and Bonnie Peebles from Mrs. Farrell's room; a song by Vicki Rood, Judy DeYoung, Linda Petter and Dianne Reenes from Mrs. Fiedler's room.

Mrs. Tom Butcher, Antrim county nurse, showed a film on T.B. and announced plans for the survey in April, also announced the tests to be made in Banks school Thursday of last week.

Announcement was made of the annual banquet in May, voted to be planned potluck.

A nominating committee to present a slate of officers for the April election was appointed: Henry Elzinga, Grant Hastings, Mrs. Hans DeYoung and Mrs. Earl Farrell.

The pupils in Mrs. Ruis' room won the kitty money for having the largest percentage of parents present.

The Cattail's Secret Strength

It is raining now. From the desk where I write, I see dimpled pools on the pavement of the street below, where raindrops driven by a moaning wind play a tat-too on the stretched skin of the water's surface tension. The early morning skies, aching with a load of rains as yet undischarged, are dark and troubled. Before the countenance of heaven can smile again, a great burden of water will drop upon the earth, sending all manner of earth's living creatures fleeing to their shelters. Whitefooted mice scamper for their remodeled bird's-nest home or the hole in a wall of an out-building. Chickadees and blue-jays fly to the thick foliage of an evergreen. Insects find safety under old logs, uplaid boards, and shredded bark. Each living thing either escapes or endures the storm in its own way.

On stormy days, when the wind rolls up a carpeting of clouds and the lightning's dance to the thunder's beat and the rain tinkles like Spanish castanets on every resounding thing, I think of the marshes and the swamps. Those moody, brooding places belong to the rain. They fit together, as do spruce woods and heavy snows, or white birch and the fronds of bracken, or golden sunlight and wide stretches of green pasture. In the deep South a marsh is called "a dismal", because of its somber and gloomy aspect. A dark day and "a dismal" naturally go together.

But not everything in a marsh is depressing, not even on a murky, rain-swept day. Frogs are not. They hop about as gleefully as ever. Mallard ducks are not. They greet the rain with the same tranquil disposition that marks their sunny hours. And cattails, some of my choicest plants, refuse to let the strength of a storm break them or the dreariness of a pelting rain penetrate them. Cattail foliage bends to the storm, then rallying, the long sword-like leaves stab at the assaulting winds. With gusto for the fight, the winds push and shove and bully, shaking the tall blades to their roots. But to no avail. Seldom does a cattail leaf break under pressure.

What is the secret of the cattail's strength? How was it engineered by the Creator so that although its leaf reaches a height sometimes more than one hundred times its width and over five hundred times its maximum thickness, it can bend double in a storm without breaking? In order for your house to perform a similar feat, a house forty-three feet wide would need to stand more than three quarters of a mile high. Then, in a high wind,

it would have to bend its roof down to the front sidewalk without breaking any part of the house! Within the cattail leaf girders have been developed, providing bracing throughout the leaf structure. These girders, though flexible, are strong. They bend, but they hold.

A strong character that can withstand life's stormy gusts and not break is made like a cattail leaf—braced from within by underlying convictions concerning God's goodness, the ultimate triumph of right over wrong, the belief that a dawning follows every dark night, that faith has a gift and a magic for turning every trouble into a triumph. When such strong bracing girds the soul, a person's inner strength is greater than outward stress, and he is ready for any storm life sends his way.

Houghton Wins State Class 'C' Title From Holt

The Houghton Gremlins coached by John Gaffney, who defeated the Charlevoix Rayders 52-49 in the quarter-finals at Traverse City last week, were crowned Class C state champions at East Lansing Saturday after defeating Wayland 65-62 in the Class C finals.

In the semi-finals Friday Houghton won over Holt 60-54 and Wayland defeated Detroit St. Bernard 64-54 to go into the finals.

In other tournament finals an underdog Jackson squad defeated favored Benton Harbor 74-61 to take the Class A title. River Rouge, the defending Class B titleholder, successfully defended its title by defeating Buchanan 61-48 and in Class D another upper peninsula squad, Mass. Ironclad, defeated Ashley 73-46.

In the Class C quarter-finals at Traverse City last week the title-bound Houghton five forged into a 6-0 lead before Quint Walker connected for one point from the free throw line. Only one minute and 15 seconds remained in the period before Tom LaBlance found the basket for the Rayders first field goal of the game. Quint Walker added another as the first period ended 18-5 in favor of the Gremlins who had scored eight field goals and two charity shots.

Charlevoix came back strong in the second period and outscored Houghton 16-10 as Guy Swanson

scored eight points on four field goals and Dwan Walker, Quint Walker, Gary Vandenberg, and LaBlance tallied two points each to cut Houghton's halftime advantage to 28-21. Houghton's scoring was limited to five field goals.

The Rayders, having found their stride, continued to outscore the upper peninsula five 17-6 in the third quarter to take a four-point 38-34 lead as the third period ended. Swanson continued to hit on long shots and connected for four. LaBlance scored three from outside and a gift shot and Quint Walker scored one lay-up shot. Houghton's six points were scored on one field goal and four free throws.

In the last period the Charle-

voix attack slowed down but the Rayders were still ahead 44-39 midway in the period. Their advantage soon disappeared, however, as the hard-playing Gremlins tied the score 44-all with two and a half minutes remaining and then, in a scoring spree followed by a last minute stall wrapped up the game which served as a step to a state title. LaBlance scored five points on a field goal and four free throws and Dwan Walker, Quint Walker and Swanson scored two points apiece as Houghton amassed 18 points on five field goals and eight free throws.

The game marked the final high school game for LaBlance and Dwan Walker as well as substitute center and forward, Jerry Schupert.

There are also eight students from Boyne City, three from East Jordan and one each from Bay Shore and Boyne Falls.

Wayne-Major Airport at Romulus, Michigan, is rated the second largest airfield in acreage in the world.

Offer Nursing Scholarship In State Contests

Michigan Blue Cross has announced the opening of the fifth annual Blue Cross Nursing Scholarships contest, continuing a program initiated in 1951.

Ten cash nursing scholarships of \$300.00 each will be awarded by Blue Cross on a competitive basis in the 1955 contest, William S. McNary, executive vice-president, has announced.

The contest is open to all high school seniors and graduates in Michigan and will run until April 15.

The competition will be conducted by the Michigan League for Nursing, official state-wide organization of the nursing profession with headquarters in Lansing.

Application blanks with rules and instructions for the 1955 com-

petition are now available through high school principals, schools of nursing, Blue Cross district offices or by writing directly to the Michigan League of Nursing, 557 Hollister Bldg. Lansing 8.

To be eligible for final judging, the contestant must complete the application and return it to the Michigan League of Nursing by April 15.

The Blue Cross established the first scholarship program in 1951 at a time when the demand for nurses was rising steadily but enrollment in nursing schools was declining. Freshman enrollment in Michigan nursing schools was 1,840 last year as compared to 1,398 in 1951, an increase of more than 30 per cent. Last year 388 applicants qualified for final judging in the Blue Cross competition, nearly triple the 178 who entered the initial contest in 1951.

Rosmary Nackerman of St. James, Beaver Island, one of the winners in 1952, is now completing her third year of training at Mount Carmel Hospital school of nursing in Detroit.

Four Rayders Win Positions On Northern All-Conference Team

Four members of the Charlevoix Rayders basketball squad were among the best ten players in the league named to the Northern Michigan Class C All-Conference basketball team announced this week by the coaches of the league.

East Jordan and Pellston each placed two players on the "dream team" while Grayling and Boyne City each placed one player on the honor team. Players from

Harbor Springs, Gaylord and Mancelona won honorable mention.

Rayder players named to the honor team were Tom LaBlance, hard-playing floor manager and guard who sparked this year's team in its outstanding season; Dwain Walker, best defensive player in the north; Quint Walker and Guy Swanson, listed among the top five scorers in the league this season. LaBlance and Dwain Walker are seniors. Swanson and Quint Walker are juniors.

Others who won berths on the All-Conference team were Bobby Danforth and Bob Darbee of East Jordan; Merlyn Davenport and Frank Durkalec of Pellston; Bob Fitzpatrick of Boyne City and Red Hamilton of Grayling, top scorers in the league this season.

All are seniors but Durkalec and Fitzpatrick who are juniors. Davenport was named to the 1953-54 honor team.

Honorable mentions were given to Tom Clarke of Harbor Springs; Floyd Cutler and Alan Somerville of East Jordan; Dale Pettigill of Grayling; Don Wilks of Mancelona and Dale Drier of Pellston. All are seniors but Drier who is a junior.

The selections were made by Jay Baysinger of Boyne City, Del Terrill of Charlevoix, Gayle Saxton of East Jordan, Paul Skitka of Gaylord, Bruce Smith of Grayling, Stan Wareck of Harbor Springs, Jake Schurmann of Mancelona and Al Griens of Pellston.

At the business meeting which was held at the same time the coaches choices were announced. Joseph Stripe of Grayling was named president to succeed William Aldridge of Charlevoix.

Max Hamilton of Harbor Springs was elected vice president and Ray L. Kipke of Charlevoix was re-elected secretary-treasurer.

The football and basketball schedule for next year were adopted.

The date for the annual Northern Michigan Class C track and field meet at Charlevoix was set for May 24. Preliminaries will be held from 4 to 6 p.m. with the

Two Fish Tugs Escape Ice Trap Entering Harbor

Two Charlevoix fishtugs, the LaBlance owned by Emerald LaBlance and the Gypsy owned by Jake White Sr., freed themselves from drift ice outside the piers in Lake Michigan early Friday morning and made their way safely into the harbor after being trapped in the ice for approximately 40 hours.

The U.S.C.G. cutter Sundew which had been called from Sturgeon Bay, Wis., to assist in the rescue returned to its base at 3:45 a.m. Friday.

Three tugs, the LaBlance, the Gypsy and a third owned by Bernie Ward, left the local harbor early Wednesday to pick up boats but when a storm blew up at mid-morning the first two tried to return to Charlevoix while the Ward tug sought shelter at Northport. The shifting wind brought drift ice into the bay outside the piers and the returning tugs found themselves trapped in the moving ice which carried them past the harbor entrance and directly south of the piers. When temperatures dropped to freezing and froze the drifting ice, Group Commander L. J. Auttersen called for the Sundew which arrived here at 5 p.m. Thursday. After a three-hour struggle it made its way through the quarter mile field of ice to the harbor where it was waiting until morning before beginning the task of releasing the tugs. A shift of wind from north-west to south, however, broke the ice and the LaBlance made its way out of the ice field at 2:30 a.m., followed by the Gypsy at 3:15 a.m.

The crews of the tugs were in no immediate danger and walked ashore on the ice from the stranded boats.

Tell Results Of Polio Fund County Drive

The results of the annual March of Dimes fund campaign in Charlevoix were announced this week by Mrs. Walter Davis of East Jordan, chairman of the Charlevoix county chapter of the National Foundation for Infantile Paralysis.

The report revealed that \$5,841.30 was contributed to the 1955 drive in the county. In 1954 the drive netted \$5,524.11.

In the Charlevoix area, \$1,993.27 including \$106.62 from Beaver Island, was contributed.

Elsewhere in the county \$1,920.98 was contributed in Boyne City, \$1,456.74 in East Jordan; \$1,625.60 at Ironston; \$52.00 at the Boyne Mountain Ski Lodge, \$207.41 at Boyne Falls and \$30. at Walloon Lake.

The Mothers March in the county netted \$1,116.47 which is included in the above figure.

At the election of officers which concluded the annual meeting at East Jordan Mrs. Davis was re-elected chairman, Mrs. Alan Macdonell was elected vice-chairman, Henry Lee of Boyne City, secretary and W. G. Boswell of East Jordan, treasurer.

Mrs. Macdonell who headed the recent March of Dimes in Charlevoix would like to express her appreciation to all those who cooperated in the recent drive. Only the generosity of the community and the cooperation of the corps of workers made the drive a success she concluded.

A new outlook for the driver Truck driving was never like this! The new Flite-Ride cab is

everything a driver could wish for, from its big Sweep-Sight windshield to its concealed Safety Step that keeps clear of mud or snow! The new instrument panel and controls are the last word in convenience!

Six new "high-voltage" engines

With a new 12-volt electrical system for quicker, surer cold-weather starting and increased generator capacity! Plus more efficient cooling and lubrication systems, an improved fuel system, and completely redesigned engine mountings.

And much more that's new Like new High-Level ventilation . . . tubeless tires, standard on 1/2-ton models . . . Power Brakes* for all models, standard in 2-ton models . . . new 18,000 lb. max. G.V.W. in 2-ton models. And there's a new choice of transmissions, including new Overdrive* and Hydra-Matic*. New Power Steering* for all models. Come in and see the newest things in trucks!

*Optional at extra cost. Overdrive available on 1/2-ton models. Hydra-Matic on 1/2-, 3/4- and 1-ton models.

"We need never feel alone"

Mrs. Hrabovsky and Michael John.

The five operators who worked to locate Mr. Hrabovsky: Shirley Petersen, Katherine Linderman, Theda Walter, Genevieve Jacobs, Marlene Chase.

These words appeared in a letter Michigan Bell received recently from Mrs. Michael Hrabovsky: "We need never feel alone as long as you have women on duty who are kind and helpful."

Here's why she wrote the letter: One day last summer as Mrs. Hrabovsky worked in the kitchen she heard her 6-year-old son, Michael John, scream in pain outside. He had caught his hand in the belt of the electric pump.

While a neighbor telephoned to alert the doctor and hospital, she sped Michael John to Greenville, where his badly injured hand was successfully treated.

Later, at home, Mrs. Hrabovsky

placed a person-to-person Long Distance call to her husband. She thought Mr. Hrabovsky was working that day in St. Paul, Minnesota.

He had left there, but the operator was told he might be in another Minnesota city. But he was not there either. And so it went until, thanks to the persistence and patience of five operators, who called 12 different places to locate him, Mrs. Hrabovsky finally heard her husband's reassuring voice from Wells, Minnesota. The cost to the Hrabovskys? Just \$2.42.

Can any words better describe the value of your telephone than:

"We need never feel alone..."

More Pheasant To Be Released By Sport Clubs

The program to re-establish the ring-necked pheasant in Charlevoix and Antrim counties will be continued this year by the Norwood-Banks Hunting association and the Community Sportsman's club of Ellsworth. Each club will release 15 hens and 3 cocks in its respective area this spring.

Plans for this year's release were completed at a potluck supper and business meeting sponsored by the Norwood-Banks group Friday night at the Norwood townhall and attended by representatives of the Ellsworth group.

Following the business meeting the 70 persons in attendance were entertained with a motion picture showing the progress of the state's deer population during the last half century. Charles A. Eagle, Conservation department regional director of eight counties in the northern lower peninsula, emphasized the fact that food shortage has become a serious threat to the deer population of the north. He pointed out that deer are now found in every county of the state and that these deer depend on an area one-tenth of the size of the state for their winter feed.

Eagle believes it is necessary to control the deer population in order to avoid extensive starvation and at the same time protect farm crops from destruction by hungry herds.

Gives Report On Results Of New License Tests

The results of the first 30 days operation of the new license examination for beginning drivers have been announced by Sheriff Glenn E. Rose.

According to the records ten persons took the examination which three or 30 per cent failed, Mr. Rose said in making the report. Most of the persons taking the examination were young drivers who had never had a driver's license before.

The high percentage of failures on the first try, Sheriff Rose continued, is due to the fact that the state of Michigan is now demanding that applicants for a license know more about safe driving than was previously required and the examination is therefore much more thorough. Undoubtedly, most of those who failed on the first try will pass on the second if they study more and practice more driving.

He went on to point out that as good as the new examination is, it only measures the fact that those who pass do know how to drive safely. It does not measure the attitude of the driver nor prove that he will drive safely if he passes the examination.

In conclusion Sheriff Rose said "By firmer examinations, re-examinations, more severe court penalties, warning letters and suspensions or revocations by the Department of State the traffic safety authorities are determined to award the license only as a privilege to drive safely and not a right to drive which anyone is entitled to. As long as almost one driver in ten is involved in an accident, the traffic safety authorities have no alternative but to tighten up all along the line on issuing licenses and taking them away."

Florists Attend School Of Design At Traverse City

F.T.D. Unit A, District 4, and the Little Traverse Florists Association held a joint school of floral designing at the Park Place Hotel in Traverse City Tuesday afternoon.

Instructors for the school which was attended by 40 members were Mrs. Dorothy Sehols, Morse Liabel and Christine Liabel of Grand Rapids.

The event which was concluded with a dinner meeting at 6:30 p.m. was arranged by Frank Novotny, president of Unit A and Don Patterson of Reed City, secretary of the group.

Mr. Novotny reported that this first attempt to hold a school of design for the northern area had proven most successful and it was hoped that the program could be continued.

Attending from Charlevoix were Mr. and Mrs. Novotny, Mr. and Mrs. Albert Edwards and Rosann Gillispie.

Girl Scout News

Brownie Scout troop 12 met Wednesday in the Kindergarten room.

After attendance was taken and dues collected, we played a word game; reported on our Girl Scout cookie sale; talked about the plants we were going to fix for the hospital and had a closing ceremony.

Garyn Bice furnished the nibble box.

Mrs. Kenneth Cellner was our visiting mother.

'Feeling Low?' To Appear Friday

(Continued from Page 1)

At Flint Central High school, Miss Elsa Dietrich, his German teacher, who loved art urged him to continue in it. Her enthusiasm for all things good he recalls as one of his happiest memories of his school days.

After graduation from high school, he left his native Michigan, where he was born at Mayville in 1918, to attend North Central College at Naperville, Ill., where his education was partially financed through his drawings.

It was at this time that his work attracted the attention of a number of outstanding commercial artists including Vaughn Shoemaker, twice winner of the Pulitzer Prize for cartooning while editorial cartoonist for the Chicago Daily News; Wallace Montgomery former head of Chicago's Studio School of Art and Walter Bower, art director for the International Harvester Co. who all encouraged him to go into professional art.

His vocation, however, he felt was in the ministry so he attended the Evangelical Theological Seminary also at Naperville. Following his ordination he served Evangelical churches in Woodland and Marcellus, Michigan, Chicago and Oak Park, Ill., until coming to Charlevoix 2½ years ago. For a time he was also art director for the Otterbein Press, a publishing house of the United Brethren church. Through the years his work has appeared in a number of publications including the Builders magazine, Telescope-Messenger magazine, the Dayton Daily News and Dayton Journal-Herald, both of Dayton, Ohio, a newspaper syndicate in the Southwest and a number of magazines of various denominations.

At present he has been asked to consider writing a book of nature studies in a philosophical mood for an eastern publisher. The outline has been submitted and the first two chapters written in the first draft but the balance, he adds, will have to await the arrival of more available time for writing. This may come in May when the associate minister, the Rev. Kenneth Mitchell, will arrive in Charlevoix to relieve him of some of his pastoral duties.

How does a minister 'get' time to write and illustrate is one of the questions most often asked. Mr. Kohn says he 'makes' time, as everyone must who does extra work. Many of the drawings in the book were done late at night or early in the morning. The drawing illustrating the essay, "Renewal" for example, was completed at 3:30 a.m. after a long day of other work.

But he is always gathering material for his essays and drawings which are done with India ink and a brush. Always when he wanders through the woods near Hilder Brook or when he enjoys his hobbies of hunting with a camera, or fishing, one will see him as he is pictured above with his sketch pad and pencil, field glasses and camera, ready to sketch or photograph some scene he may someday need in his work.

Sources of material are found everywhere he relates, and for inspiration he has his parishioners, his wife, Marian, who is candidly frank in her opinions and encouraging him in his work and his 14-year old daughter, Carolyn.

His long-enduring ailment which first prompted him to come to northern Michigan has also stimulated him to want to help others.

In "Feeling Low?", the reader will find woven together into an inspiring tapestry of words and pictures not only the talents of the artist, writer, and minister but the heart of the author, Harold E. Kohn.

IT HAPPENED ON . . . BEAVER ISLAND

By Loyola Melloy

Jack Connaghan recently was in Charlevoix on business.

Don Burke who has been on the mainland since January returned home last week to spend some time before going sailing.

L. J. Malloy left Sunday for Manistique to attend the funeral of his sister-in-law, Mrs. Tracy Malloy (the former Gladys McCauley) who died in Chicago March 17.

James H. Gallagher was a business caller to the mainland last week.

Sunday afternoon the parents and teachers met at the high school. The children's report cards were given out. The seventh and eighth grade pupils under the direction of Sister Rence gave a demonstration on first-aid and how important it is that everyone has some knowledge of it.

Leo McGinnis spent St. Patrick's Day on the island with his daughter, Mrs. Charlie Martin.

With the first day of spring past, one would naturally expect more pleasant weather, but we on the island (and probably others too) are getting weather that more resembles winter.

Mr. and Mrs. Pete Rennie of Traverse City spent a few days on the island the past week.

Mrs. Mike Cull returned home last Thursday after being in Chicago for some time. She was accompanied by her daughter, Sally, who will visit here for a couple of weeks.

Mr. and Mrs. Bud Left returned home recently from Florida and on Sunday Bud left for his boat for the sailing season.

Last Tuesday evening a baby shower honoring Mrs. Carl Rix was held at her home. Mrs. Joe Dillingham, Mrs. Art Larsen and Jen Buckner were hostesses. The honoree received many lovely gifts and those present spent an enjoyable evening.

Mrs. Vern Runberg was on the island for a couple of days recently.

Billy Vail, who had been attending Ferris Institute has completed his schooling and is back on the island.

Mrs. Henry Karsten and Mrs. Vickie Duseley left Thursday for Detroit and Mrs. Dudley plans to go to Buffalo to visit her son-in-law and daughter, Mr. and Mrs. Bill Foster.

Mr. and Mrs. Frank O'Donnell are all smiles these days. Their twin sons, Ronnie and Richie are homeward bound after spending more than a year in Korea.

Finally Talked Herself Out

A certain talkative young lady almost spent a night locked in "Doc" White's drugstore.

She entered Doc's store about 11 P.M., going directly to the pay phone. At eleven-thirty Doc went home—not having seen a customer for a half hour. Around midnight he got a call from the store . . . she had finally run out of conversation (and money) and found the front door locked tight.

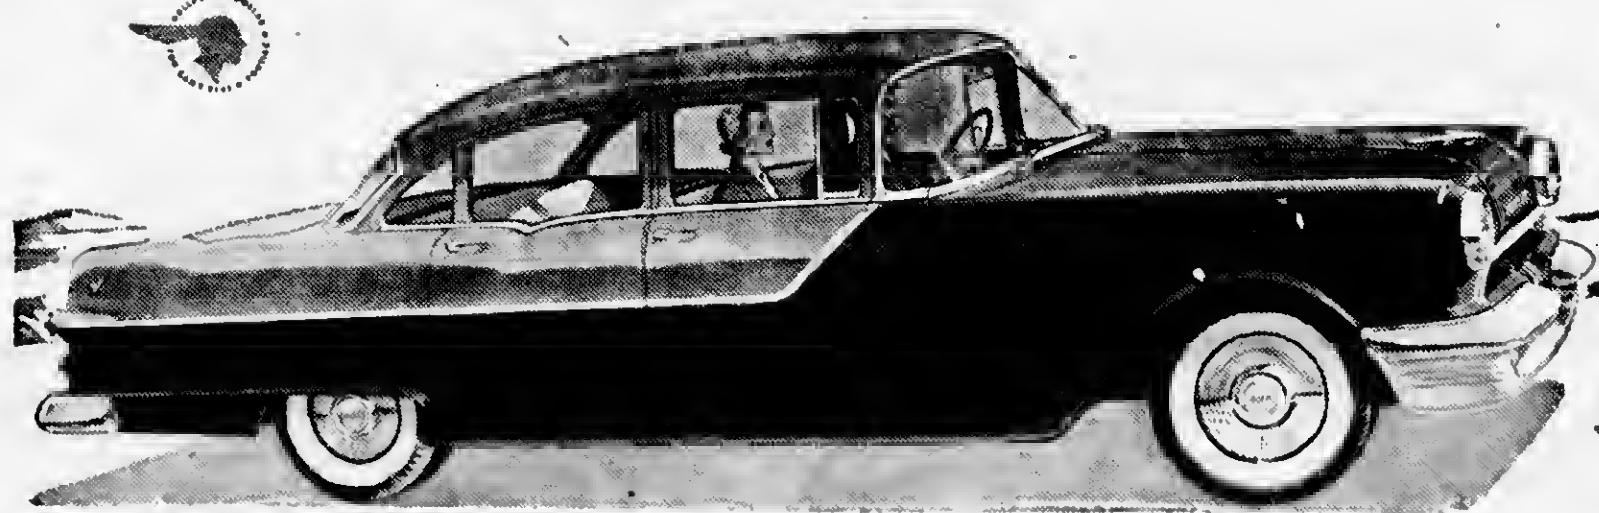

Doc vowed he'd leave her there to teach her a lesson. But Mrs. W. spoke up: "Now you go turn her loose. It's hard to cut a good

conversation short — something only a woman understands!"

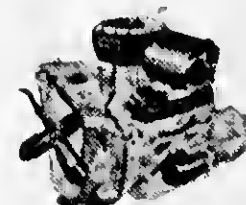

From where I sit, however, plenty of men are as hard to pry away from a telephone as any female. Some people are just naturally long-winded, while others are the silent type—just as some of us like coffee and others prefer a glass of beer. The important thing is to be considerate . . . before friends start giving us the "busy signal."

Most Powerful Car at its Price!

Come in and try the sensational performance of Pontiac's 200-HP Strato-Streak V-8!

If all the talk about horsepower has left you confused, let this one simple fact set you straight.

Model for model, the sensational new Pontiac Strato-Streak V-8 delivers more horsepower per dollar than any car in its field. And that fact holds good whether you specify the four-barrel carburetor—a low-cost option that puts 200 eager horsepower under Pontiac's handsome hood—or the regular 180-horsepower Strato-Streak V-8.

The Strato-Streak V-8, part and parcel of every Pontiac, produces performance as fresh and distinctive as Pontiac's Twin-Streak styling and Vogue Two-Tone beauty—with traditional Pontiac dependability and the greatest economy in Pontiac history.

But Pontiac's extra value doesn't stop with power. Its Shock-Proof chassis, wide-stance rear springs, long 122" or 124" wheelbase, recirculating ball steering and bigger brakes provide fine-car comfort and handling.

Come in at your first opportunity and road-test Pontiac's spectacular Strato-Streak V-8 performance and you'll quickly see why sales are now at an all-time high!

You can buy a big, powerful Pontiac for less than many models of the lowest-priced cars and much less than stripped, economy models of higher-priced makes!

Look high and low . . . and you'll go

County White House Conference On Education Hears Problems

A representative group of Charlevoix county residents attended the all-county Michigan White House conference at East Jordan Thursday night despite the bad weather and reports of impending high winds. Charles A. Robinson, Charlevoix county superintendent of schools and moderator for the meeting, has announced.

Korean Bonus Applications Are Processed

Approximately 75 Korean War bonus applications were processed by the V. F. W. and the American Legion during the first five days the blanks were available to veterans, a spokesman for the veterans' groups said Wednesday.

Many other application blanks were distributed to veterans and to families of men still in the service who are eligible for the state bonus.

A man or woman must have served in any branch of the armed forces, Army, Navy, Marines or Coast Guard between June 27, 1950 and Dec. 31, 1953. Anyone in the armed services during this time who later received an honorable discharge or who is still serving in the armed forces is eligible for the bonus. It was not necessary to have served in Korea, the applicant will receive \$10 for every month or fraction of a month served in any of the 48 states or the District of Columbia and \$15 for every month or fraction thereof served outside the United States.

Veterans of all wars who have not registered or recorded their discharges are urged to do so at this time. Applicants for the Korean War bonus are reminded that they must have certified photostatic copies of their discharges. The discharges must be recorded to be certified.

Application blanks are still available through local veterans organizations, at the service offices of the groups, the office of the county clerk or Fran Martin, Red Cross home service representative. Parents of servicemen may send application blanks to their sons and daughters still in the service.

Henry Sellmeyer Named Custodian At Chicago Club

Henry Sellmeyer of Knobel, Ark., has been named custodian at the Chicago club. He arrived here earlier to assume his duties and is now living at No. 12 Chicago club.

He succeeds James Willis who held the position for three years. Mr. Sellmeyer, who has been in the hotel business for 20 years, was assistant manager of the Chicago club during the 1954 season. Prior to coming to northern Michigan he was manager of the Vandervoort hotel in Paragould, Ark.

The work of preparing the Chicago club for the summer season is scheduled to start April 15, Mr. Sellmeyer said early this week.

Rev. H. E. Kohn Will Autograph Saturday

The Rev. Harold E. Kohn will be presented at an autographing party Saturday from 2 to 4:30 p.m. at the Kilborn's House of Books in Petoskey.

Anyone wishing to meet Rev. Kohn, author of the popular new book, "Feeling Low?" is urged to attend. Personally autographed copies of the book will be available.

Church Of God Is Host To Annual Area Youth Rally

The Community Church of God was host to the annual Northern Michigan Church of God Youth Rally at Fellowship hall Monday evening with guests from Traverse City, Alpena, Petoskey and Bliss joining with the youth of Charlevoix for the event. Eighty young people and their adult counselors were present for the banquet and program.

Highlight of the program was talks by Misses Mary Helms, Dora Livingston, Mary Jordan and Fern Edwards of Traverse City who spoke on their Christian life as school teachers. All are members of the school faculty at Traverse City. They were introduced by the Rev. Raymond Tuttle of Traverse City.

The Rev. George L. Majors, pastor of the host church, was master of ceremonies at the banquet. The program included a solo by the Rev. Emory Williams, evangelist and pastor of the West Lansing Church of God; selections by a sextet of the local church and group singing led by Mary Berg.

Following the banquet and program the group adjourned to the church auditorium for the evening service at which the Rev. Williams was the speaker. Debra Richardson, youth counselor, was in charge of the banquet which was prepared and served by the mothers of the youth of the local church. Mary Ann Berg was in charge of decorations.

Charlevoix Area Cancer Society Fund Drive Will Open Tuesday

The 1955 American Cancer society fund drive for the Charlevoix area will be launched Tuesday, April 5, under the chairmanship of Mrs. Carl Johnson, fund chairman. Mrs. Charles Bellinger, chairman of the Charlevoix division of the society, has announced.

The area's quota of \$500.00 will go for research, education and service with 50 per cent remaining in the county for use in the education and service program. The county's quota for the drive is \$1,800.00.

Rod And Gun Club Pistol Teams End Regular Season

The Charlevoix pistol teams won their first meet with an out of town team Monday night when both local teams racked up decisive scores over visiting Traverse City squads.

Charlevoix's first team scored 1,418 points to 1,390 for Traverse City. Orva Richardson posted a 265 followed by Bob Neff with 258 and Dr. C. O. Whitten 256 to lead the local team to its first win. E. Vance of Traverse City also posted a 258 to top the visitors scoring.

Charlevoix's second five-man squad had 907 points and Traverse City 842 for the double victory. John Geer had 198 and Bonnie Nickerson 195 points. In the matches the first team was composed of six men and the second team of five men.

Plan Union Good Friday Services

The Community Church of God will be the site of the annual Union Good Friday service from 1 to 3 p.m., April 8, the Rev. George L. Majors, president of the sponsoring organization, the Charlevoix Ministerial association, has announced.

Theme of the worship service will be "The Three Tenses of the Cross" with the ministers of the majority of Charlevoix's Protestant churches participating. Special music for the service will be provided by the Congregational and Methodist churches.

Spring Style Show Will Be Held Friday

A style show featuring new 1955 spring and summer fashions will be presented at Friendship hall of the Congregational church at 8 p.m. Friday, April 1, by the Mary Burns circle of the church. Mrs. William Lusk, circle president, has announced.

In the April parade of fashions will be White Stag play clothes and co-ordinates presented by Mailhot's Outfitters. Outfitters, girls' and women's fashions by Fay's Shop, children's and teenage play clothes by Lieberman's and Rose Marie bathing suits by Polly-Kay.

Kay Fitch of the Polly Kay Shop will be the commentator for the show. Special entertainment will be the Teensters, a girls' trio composed of Roberta Swanson, Mona Davenport and Fay Meggison who will also model in the event.

Models for the show will be members of the Teensters trio and Tom LaBlance, Guy Swanson and Mike Seymour for Mailhot's; for Fay's, Mrs. Charles Hamilton, Mrs. Russell Curtis, Mrs. Oakley J. Hammond and Dee Ann Lett; for Lieberman's, Dick and Bob Odmark, Leslie Lyons, Carla Riley, Ruth Ann Schofield, Darlene Mason and Joel Arvillat; for Polly Kay, Joyce Cunningham, DeAnn Genett, Lois Bergmann and Mrs. Richard Hardy.

Tickets for the event may be purchased at any of the participating stores or from members of the Mary Burns' circle. Refreshments will be served and a door prize given at the close of the style show.

Mrs. Leonard Burns will play the background music for the show and accompany the Teensters.

Local Teams Win Pistol Meet From Traverse City

The Charlevoix Rod and Gun club pistol teams concluded their regular season last week as the winter tournaments drew to a close.

Team No. 2, headed by Bob Neff, won the series with a total of 15,829 points for its six shooters. Neff was top scorer with 3,075 points.

Team No. 1, headed by Dr. C. O. Whitten led the scoring with 3,324 points.

Team No. 3 tallied 13,498 for the season with Orva Richardson posting the top score of 2,958.

Others among the top scorers and their totals were: Dr. Robert G. Martin, 2,930; J. C. Marshall, 2,883; Gordon Neff, 2,811.

Plans are now underway for continued indoor shooting which will begin next week. Members will be notified of the day of the shoot.

Advise To Order Flags Early For Coming Holidays

Check your flag needs now and place your order for new flags for Memorial Day, was the warning issued this week by F. R. Bulow, American Legion commander.

The local American Legion post has a number of 3x5 foot flags on hand as well as a lawn set, he said. The post will also place a special order if they can not fill your needs from the supply on hand, he said.

If orders are placed shortly flags will arrive in time for the first major holiday of the summer, Memorial Day.

Large Vote Expected Monday Due To Local And State Contests

Contests in two of the city's three wards are expected to bring out a large vote in the April general election Monday. Voters will also cast their ballots in the 1955 spring biennial election at the same time.

Polls at the city hall will be open from 7 a.m. to 8 p.m.

In the two contests in the city Ivan Phillips and Frank Oklesky will be "sticker" or "write-in" candidates for election to the posts of first and second ward supervisors respectively. In the first ward Phillips will oppose incumbent Drew Young. Oklesky will oppose Ted R. Miller, who won the nomination as a sticker candidate in the primary election.

Other candidates who are seeking election without opposition are: Mayor, Dean Davenport; clerk, Hugh Mayne; treasurer, Nelle A. Hammond; first ward alderman, Clare Staley; second ward alderman, Franklin Boss; third ward alderman, Ralph S. Hamilton; third ward supervisor, Jesse Smith.

In the biennial spring election voters will elect two justices of the Supreme Court on the bipartisan ballot and two regents of the University of Michigan, superintendent of public instruction, one member of the state board of education and two members of the state board of agriculture. They will also vote on four amendments.

Candidates for the supreme court judgeships on the non-partisan ticket are: Incumbent Leonard H. Carr, Dr. Hale Brake, Stephen J. Roth and Eugene F. Black.

Candidates for regents of the University of Michigan on the Republican ballot are: J. Joseph Hebert and William B. Cudlip; Democratic ballot: Paul L. Adams and Eugene B. Power.

Superintendent of Public Instruction: Republican ballot, Clair L. Taylor; Democratic ballot, Lynn M. Bartlett.

Member of the State Board of Education: Stephen S. Nisbet, Republican, and John M. Veale, Democrat.

Member of the state board of agriculture: Republicans: Sarah Van Hoosen Jones and Dale B. Stafford; Democrats, William E. Baker and Connor D. Smith.

Four proposals will appear on the ballot. They include the following: No. 1 to provide the non-partisan judicial elections shall be conducted as provided by law; No. 2 to require supreme court and circuit judges be licensed to practice law in Michigan and be under the age of 70 years at the time of appointment or election; No. 3 to authorize the state to borrow funds not to exceed \$100,000,000.00 for the purpose of loaning school districts money with which to pay principal and interest on certain school bonds and No. 4 to authorize the establishment by law of a bipartisan board of canvassers of four members.

Sports Banquet To Be Monday At V.F.W. Post Home

Charlevoix Rayder Varsity athletes, their coaches, Del Terrill and S. E. Coleman, and the Varsity cheerleaders will be honored at the second annual All-Sports banquet to be held at the V.F.W. post home Monday night.

The event is being sponsored by the Knights of Pythias and the V. F. W. post at 8:30 p.m.

The program will include the films of the Michigan-Michigan State football game which will be brought to Charlevoix by Jim Bowman, a member of the Michigan squad and a local resident.

The Rev. Harold E. Kohn will be master of ceremonies for the brief program which will precede the showing of the films. Coach Terrill and Coach Coleman will introduce the 45 members of the Varsity football, basketball and track squads and the four Varsity cheerleaders. The Rev. Lloyd Schlopp will give the invocation.

Tickets for the event may be obtained from Dan Genett, ticket chairman or from members of the V. F. W. or Knights of Pythias committee.

Harley Warner Is New Commander Charlevoix V.F.W.

Harley Warner was elected commander of the V. F. W. post No. 1153 at the annual election of officers held Thursday at the V. F. W. post home. He succeeds Fay Davis in the office.

Other officers who were elected at the same time are: senior vice commander, Edward Stanek; quartermaster, Howard Griffin; adjutant, Clarence Rabach; advocate, Ernest Foster; chaplain, William Heering; surgeon, Clarence Coblenz; officer of the day, Kenneth Staley; post service officer, Richard Suratt; trustee for three-year term, Rex Davis.

Dorothy I. Allers, a junior at Western Michigan college will appear with the Modern Dance club in the dance festival portion of the 1955 Festival of Arts Thursday and Friday, according to an announcement from the college news service.

Their principal contribution to the evening's folk dancing will be the interpretation of Gordon Jenkins composition, "Manhattan Tower."

A student in elementary education, Miss Allers is the daughter of Mr. and Mrs. Leroy Allers of this city.

William "Bobo" Bennett, a member of the freshman basketball team this season, has been awarded his numerals for participation on the J-V squad at Western Michigan college in Kalamazoo.

Bobo saw action in eight games and scored 53 points. He is an excellent floor man and does well on the fast break. He is also a good shot and should help the varsity next season. Bobo is the son of Mrs. A. T. Bennett of this city and a former Charlevoix high school athlete.

So Tech students who returned to Sault Ste. Marie Sunday after spending the spring recess with their families here are Howard Pearl, Tom Fessenden and James Lewis.

Thousands of Indian photographs may be seen near Bad Axe. Here primitive rock carvings of men, animals and other decorations cover the boulders over a four acre area.

at Pompano, the Elmer Barbers at Delray Beach where Mrs. Barson has made quite a hit with her electric organ, we understand... the Don Clothiers and Mrs. Florine Krahnke... who stopped by at Hallandale to say hi... Mrs. D. Sends her best to her friends here and writes that she'll be here soon.

Monday is election day and we'd advise that you tie your self off to the polls and cast your ballot... We won't tell you how to vote but you owe it to yourself to cast that all-important ballot come Monday... There's a lot of important offices being filled in the biennial state election and you should give some attention to this major issue... So remember... Monday's the day.

Thoughts Afield

Harold E. Kohn

When walking along our brook on any summer's day, I am almost certain to see a frog spring from the stream's bank into the swift waters. There in the cool current that teases the pigtail tresses of the tamarack, the frog will spend a few idle moments, swimming leisurely, bathing his smooth, speckled skin to keep it moist. Then he will crawl out again upon the gravel and watch for unwary flies and bugs.

I frightened many a frog during the course of a summer's roving, and I'm startled by many a "ker-splat" shattering the wood's deep stillness. But whether I walk the brook banks or not, frogs will jump into the spruce-shaded stream and crawl from them again, for frogs are land creatures that require a frequent dip into water. The evaporation of body fluids through the frog's skin is so rapid that this amphibian must replace the fluids by repeated soaking in water or the creature will die. One plunge in the water during a lifetime will not do. Even a regular Saturday night bath will not suffice. A frog must bathe again and again if he is to stay alive.

There must be extreme value in repetition else why would the Creator put it at the very heart of nature? God is constantly speaking through nature, saying concerning important things, "Do it again and again."

A frog bathes repeatedly or it dies.

When a new-born baby draws its first breath of air, it is not fortified with oxygen for life. Throughout all its days it must repeat breathing again and again.

The sun rises not once nor sets but once, but again and again.

We cannot store up enough food at a single meal to last for a lifetime, year, or even a month. (Although I confess I've suffered illusions at some pot-luck dinners that I would never require another mouthful of food as long as I lived!) To stay alive, we must eat again and again.

No sooner is one's craving for beauty satisfied than the eyes hunger for further satisfactions... No wife wants to be assured but once in her married life that she is loved. She longs to be told again and again. The heart's hunger must be gratified repeatedly.

One glory of our holidays is that they recur, bringing back yearly moments of great truths. Easter comes to us again and again, reminding us that death is not the end of life's short road, but just the covered bridge over which we go on our journey to our Father's House.

The Fourth of July is more than an event occurring in the seventh month of the year 1776. It comes to us again and again as a yearly memorandum, recalling the thousands who sacrificed life and fortune that Americans might be free.

Christmas comes but once a year (which every child considers a great shame perpetuated upon people by a perverse fate). But Christmas does come every year, and for that we are grateful. And each time it returns it memorializes the event when the Divine came to mingle with our humanity and the heavenly to mix with the earthly. Never again does man need to feel he is alone with his weakness, perplexity and sin. God is with us. We need to be reminded of that again and again.

Each of us has but one day of birth, but many birthdays—yearly prods to memory and thought recalling the deep mystery of our birth. "Why was born white, rather than black or brown or yellow?" "Why was born in the twentieth century rather than in 4000 A. D., and in America rather than amidst the milling hordes of India, or on the Arabian desert?" "I am but one of four survivors of 'nine children in our family. Why? Why did not another live and I die in infancy?" "What am I doing here, and why was I born at all? Was there any purpose behind it all?" The traditional answer to such questions as these that troop through one's mind at birthday time, that it was God's will, is hardly satisfying. If it was God's will, why did God will it? He doesn't will anything without some purpose.

What was in His mind? Birthdays, coming again and again, are good times for deep probing and spiritual inventory. One such period of intensive inquiry in a lifetime would hardly be enough. It should occur again and again, a natural, the repetition process is essential. At first the significant meanings of life are apt to come to us faintly, vaguely. Upon further exposure to them, we begin to sense that something of profound importance is there. Then at last the messages sweep upon us in a forceful, over-powering way.

Henry Drummond, pointing to one of the most uplifting passages in the entire Bible, the thirteenth chapter of Paul's First Letter to the Corinthians, used to urge his congregation to read that portion of Scripture once a week for a month. Then speaking autobiographically, he would say, "I knew a man once who really did that and it changed his life."

Our lives will be dramatically changed for the better when we learn to do the best things over and over, again and again.

Sermon Next Sunday Will Be

"When You Have To Choose"

Harold E. Kohn, preaching

If you now regularly attend another church in our town, this notice is but a neighborly greeting and wish that you and your church may prosper. If you do not already have a church home, it is an invitation to attend Charlevoix's Congregational Church next Sunday.

I See by the Courier

• Mr. and Mrs. James Roberts of Bottle Creek spent the weekend with the former's mother, Mrs. Bertha Roberts, and family.

• Mr. and Mrs. Lloyd Barnett and children, Bobby and Paulo, are expected home this weekend from a 10-day visit with relatives at Blarney Park, Mich., and Waukegan, Ill.

• Mr. and Mrs. Pete Scott were scheduled to leave Polmetto, Fla., last weekend for the trip home. They have been in the south since December.

• Mrs. Mark Cross and daughter, Noreen, were in Otisville recently to attend the funeral of the former's uncle, James Barden.

• Mrs. Weltho Rose of Muskegon spent the weekend with her son-in-law and daughter, Mr. and Mrs. Arnold Wodas and family. On Monday Mrs. Wodas and daughter, Kelly, took her to Muskegon.

• Mr. and Mrs. Frank Bird returned home last week from Phoenix, Ariz., where they spent the past two and a half months.

• Edwin Madill returned to Washington, D. C., via plane Sunday.

day after spending the weekend with his aunts, Mrs. Herman Tallman and Miss Moyme Orlovski.

• Mr. and Mrs. J. M. Foster are enroute home from Cortez, Fla., where they spent the winter months.

• Mrs. Arthur Weststaff returned home recently from an extended visit at Miami, Fla.

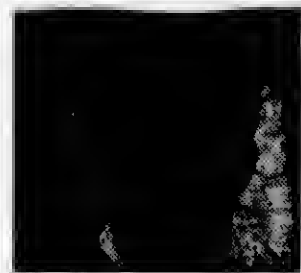

• Mrs. J. K. Reed and son-in-law and daughter, Mr. and Mrs. Byron K. Wright, left Monday for a vacation trip to Florida.

• Mrs. James H. Gallagher of St. James has been admitted to Little Traverse hospital in Petoskey for observation and surgical treatment.

• Mrs. Edward K. Shonahan has returned from Ann Arbor where she spent the weekend with her son and daughter-in-law, Mr. and Mrs. Robert Shonahan.

• Darlene Houck, who is completing her practical nurse's training at St. Francis Hospital in Escanaba, spent the weekend with her mother, Mrs. Eunice Houck.

• Mrs. Charles Sessions of Ann Arbor is spending some time with friends here.

Cadillac's New TV Tower To Be State's Tallest

Cadillac's new television tower, the tallest in the state, is expected to be completed by mid-April, according to an announcement this week by David Milligan, general manager.

At the same time the station, WWTW Channel 13, will increase its effective radiated power with the new tower from 94,300 to 104,000 watts.

It is expected that television viewers will be added as far

south as Midland, Saginaw, Bay City and within a few miles of Lansing and north of Petoskey with some reception in Alpena and Cheboygan.

At the same time the station will up its telecasting time one hour on April 24 when the Eastern section of the country goes on daylight saving time and most network TV programs will advance one hour. WWTW will then schedule programs from 10:30 a.m. to 11:00 p.m. The station is affiliated with the CBS network and carries some ABC and DuMont network shows.

Construction of the Cadillac tower was started in October but was halted in December when ice formation on the tower endangered workers. Barring bad weather and other obstacles, it is expected the structure will be

completed in three weeks.

Located nine miles southeast of Cadillac at Dighton, the tower is being constructed on the highest point in the lower peninsula, 1,506 feet above sea level, according to Milligan. The height of the tower itself will be 1,202 feet. An 80-foot transmitting antenna will be added to give the tower an overall height of 1,282 feet.

The tower will be second only to one in Oklahoma City, Okla., which measures 1,572 feet and is said to be the tallest in the country.

Grayling has the world's longest and fastest man-made toboggan run. Tobogganists have attained 100 miles per hour on the 3,000 foot run.

Michigan has four times as much water covered area as any other state—11,037 inland lakes, 36,350 miles of streams and 3,121 miles of Great Lakes shoreline.

Sticker Candidate Replies To Charges

A plea of guilty to the charges of being a novice and amateur politician is the answer I give my opponent for the office of supervisor in the First Ward.

However, my purposes in running as a "write-in" candidate for the Office of Supervisor are to serve the best interests of all residents of the First Ward all of the time. Further to assure full representation of the First Ward on the Board of Review.

Under the present set-up the first Ward does not have what I consider exclusive representation on the Board of Review. With both the office of First Ward Supervisor and City Assessor vested in one person, who is to question the judgement of the assessing officer if an assessed valuation is questioned?

I firmly believe the First Ward should have representation on the Board of Review, independent of the City assessor, the same as other wards. If you agree with me on that one point I feel justified in asking your support at the election next Monday.

Just use the sticker or write-in the name "Ivan A. Phillips" on the ballot opposite the office of Supervisor and place a cross (X) in the square before the name.

Plans Now Being Worked Out For Possible Use Of Polio Vaccine

Detailed plans are now being worked out for the possible administration of polio vaccine to 663 Charlevoix County children who will be eligible to receive it if it is licensed, Dr. A. F. Litzenger, director of District Health Department No. 3 has

announced.

As was announced earlier by state health officials, all first and second grade pupils in public, private and parochial schools are included in the planned program, he explained. It also will be available to others through physicians at the same time.

But parents are warned by Dr. Litzenger not to jump to the conclusion that the current planning indicated the vaccine all ready has been effective.

"The vaccine which will be furnished by the National Foundation for Infantile Paralysis is the same vaccine that was given 440,000 children last spring," he said. "We do not know yet whether it really prevents paralytic polio. Until April, when we learn the results of the evaluation study now being conducted by the University of Michigan, we cannot know if the vaccine is effective."

"But we cannot wait until then for planning for the protection of as many of our children as possible. Vaccination large numbers of children is a big and important job, entailing many procedural tasks that cannot be performed over night."

"If the license is granted in April, we must be ready to start vaccinating at once, so that, if possible, we can finish before our schools close and the polio season starts. We want to give the vaccine early so that many children can be protected before polio appears in their communities."

"The polio vaccine will be furnished from a supply being purchased by the National Foundation with March of Dimes funds. It will be made available by the National Foundation without charge for the product by the State Health officers for use in the above group, if licensed by the federal government. Supplies also will be distributed through usual channels at the same time.

"Vaccine will be given by the Health Department this spring only to those eligible children whose parents sign forms requesting it," Dr. Litzenger added. It is a completely voluntary program. The forms have been distributed through the schools. We should like to know as soon as possible how many eligible children we must provide for, if the vaccination program is carried out. If the vaccine is not licensed, there will be no program."

Resort Operators Have Opportunity To Learn Methods

All resort, motel, and food service operators in Michigan will soon have an unusual opportunity to brush up on the latest techniques of serving vacationists, Ed Rebmman, county agent advised today. This unique school, the only one of its kind in the country, will be held at Kellogg Center on the campus of Michigan State college, April 4-5-6.

"Here is an excellent opportunity to learn how to become a more successful manager," Mr. Rebmman stated. "These institutes are very beneficial, not only to the person now in the tourist and resort business, but to those who are contemplating entering this field of endeavor."

The school will be conducted largely by people in the business who have been particularly adept at solving certain problems. Other discussion leaders will be specialists in their field.

NOTICE TO BIDDERS

The City of Charlevoix will receive bids until 5:00 p.m., April 7, 1955 at the Office of City Superintendent in the City Hall for the following equipment:

One (1) used, medium size Motor Grader with cab and heater equipped with scarfier and bull dozer attachments. The successful bidder must take one (1) Lull 6' Street Broom in trade.

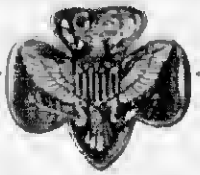

The City reserves the right to accept or reject any or all bids as deemed to be to the best interests of the City.

Brownie Scout Troop 12 met in the kindergarten room for a regular meeting. We took attendance and dues.

We made plans for an April Fool's Day party at our next meeting when we will wear our clothes backwards and shoes and socks that do not match.

The nibble box was furnished by Martha Coleman whose little brother, Spooky, was a visitor. Jean Elzinga has returned to our troop. Mrs. Winnell played the piano while we played a game.

At our next meeting we plan to transplant our plants and take them to the hospital later.

Dwain Walker Is Honored On WWTW Sports Telecast

Dwain Walker, Charlevoix Rayder forward and center, was among 25 northern Michigan basketball players honored on Mitch Gordon's Parade of Sports over station WWTW at Cadillac Monday night.
He was one of five Class C players chosen as outstanding player in his class. Other athletes honored included five from Class B and D teams in the area plus an additional 10 players from all three classes who received honorable mention.

Dwain was a member of the 1954-55 basketball squad which won its fifth Northern Michigan Class C championship and the Class C district and regional titles before being defeated in the quarter-finals by Houghton who went on to capture the state Class C title. He was accompanied to Cadillac by Coach Del Terrell who appeared on the television program with him.

Each player was presented with a small gold basketball medal.

Earlier Dwain was named to the second squad of the Grand Rapids Press Northern Michigan All-Star basketball team. Two of his team-mates, Tom LaBlonde, also a senior, and Quint Walker, a junior, received honorable mention.

The three were among 95 candidates for the All-Star squad. Red Hamilton of Grayling who was named to the Press All-Star first team and Bobby Danforth who won a berth on the All-Star third team were also at Cadillac Monday.

St. Patrick's Day Big Success On Beaver Island

St. Patrick's Day Beavers H2K... A cool, crisp Mon. 17th greeted the lads and colleens, Bridget and Barney's of America's Emerald Isle, but sure an' twos a foin day for all, and the wear-in' o' the green would send a man's thoughts back to his father. Mass at Holy Cross began the day.

The Holy Name society was in charge of the evening program with Archie LaFreniere as general chairman. Father Joseph was master of ceremonies for the talent show.

A movie, "Songs of Old Ireland", began the festivities. The upper grade children of St. James school, in costumes of the old sod, entertained with "Mrs. McCloud's Reel." Mary Gallagher and Lorretta LaFreniere played two piano duets. The wee gossins from the first to the fourth grades performed "The Shoemaker's Dance." Sure an' a band of leprechauns couldn't have done better, and the two little strangers with the long, black, Irish pig-tails were charmin'. Bill Voil followed with two guitar solos. Three of the fairest colleens that ever you did see were next on the program singing "Peg o' My Heart." They were colleen Nackerman, Carol Ann O'Donnell and Ann Gatliff—in the sweetest of green bonnets. Piano solos were played by Eleanor Gallagher, "Für Elise" by Beethoven; Mary Gallagher, "Danny Boy"; Lorretta LaFreniere, "Gertrude and Elizabeth".

Rosemary McDonough gave a saxophone solo, "Believe Me If All Those Endearing Young Charms", accompanied by Eleanor

or Gallagher at the piano. Father Joseph and Rosemary played two saxophone duets, "Golway Bay" and "I'll Take You Home Again, Kathleen".

McNamara's Band was dramatized and sung by the high school girls directed by Fraulein Tillie Schmidt and McNamara.

Those Island favorites, Pat Bonner and his fiddle, Jewell Gillespie and Glen McDonough, brought down the house with their rollicking skit, "The Arkan-

sas Traveler".

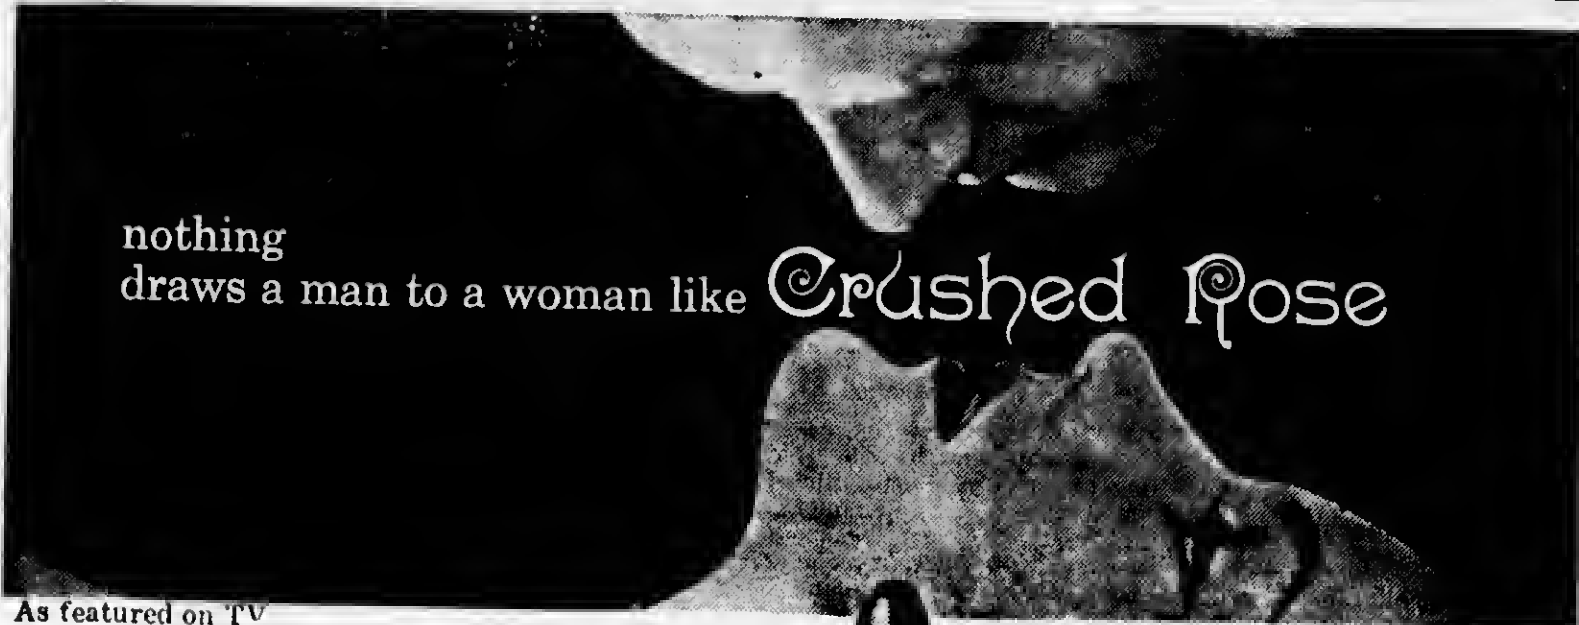

And then came the moment for which the packed house had been waiting. The house lights dimmed and Miss Sally Geier, the lovely champion/baton twirler, from Dearborn, was on stage, completely charming her audience with the finest exhibition of twirling we have seen for, lo, these many years. Indeed, the Hibernian Brigade itself could never compare with this lass. Miss Sally twirled batons, light-

ed batons, sparkler batons, colored hoops, and had everyone holding his breath when she arrived at her finale—fire batons. The audience shook the rafters and 'twas agreed by all that never a finer St. Pat's day program have we had.

Comely Sally graciously cancelled three professional engagements to keep from disappointing Beaver Islanders. She has appeared on the top show of the nation—Ed Sullivan's Toast of

the Town. Miss Geier is a friend of Stanley Burns, who brought her to visit the Island for the first time last summer. We know she has performed for a great many large audience, but never a more appreciative one. She has been a guest of the Pat Bonners while on the Island.

Following the program, a box social, sponsored by the Holy Name society, was held with Bert McDonough as auctioneer. Proceeds for the evening amount-

IT HAPPENED ON . . . BEAVER ISLAND

By Loyola Malloy

As I am writing this edition the news the weather has made drastic changes. It is real bright and sunny and sure makes one feel lots better after the cold of last week.

Mr. and Mrs. Art Johnston returned to the Island Saturday after spending about eight weeks on the mainland.

Warren Townsend Jr. was on the Island Sunday. He was also on High Island checking on the stock there.

Last Friday evening some of the children took part in a religious vacation program under the leadership of the Sisters and Mr. Francis Partridge. It was very entertaining.

Mrs. Bud McDonough left last week for Grand Rapids to visit her parents.

Jean Gallagher of Charlevoix spent the weekend on the Island at the home of Mr. and Mrs. Wm. Schmidt.

V. H. (Dick) LaFreniere's store took on a new look during the past week. Vic Sorenson of Greenville laid a new floor covering on it.

Richard and Ronald McDonnell arrived home Friday. They were accompanied by their uncle, Bob McDonough. Don't know if the twins were any more anxious to be back on the "old sod" than was Bob. That's all he could talk about.

Mrs. James H. Gallagher left last Wednesday for Little Traverse hospital where she will undergo surgery.

Beginning with the first Friday in April, Fr. Joseph Herp, O.F.M. Conv., will celebrate an evening Mass on the first Fridays of the months ahead.

Mr. and Mrs. Archie LaFreniere Jr. are the proud parents of a baby girl (as yet not named), born Mar. 26. Incidentally that was also Don Burke's birthday.

Jack Cull arrived Saturday to visit his parents and take his sisters, Sally and Betty, and Betty's family back to Chicago. Betty has been on the Island since last fall. Little by little the sailors are receiving their word to board ship. Russell Green and Don Burke expect to be called this week.

Stored Grain Losses Chargeable To Owner

Just because the farmer has his grain under Commodity Credit Corporation loan doesn't mean that he can forget it. Grain stored on the farm and approved for a loan still requires attention. If the grower is to be protected, loss in quantity and quality will be charged against the farmer when final settlement is made or he may lose his loan protection entirely.

The reminder comes from Le Roy Hardy, chairman of the Charlevoix County ASC Committee. He points out that grain under loan and stored on the farm will be reinspected by a representative of his office, and that reinspection will be made within the next three to four weeks. If grain under loan is found to be deteriorating for farmer will be advised and corrective measures suggested. If the deterioration is serious or if corrective measures are not taken, CCC may call the loan.

White House Meet Discusses Problems

(Continued from Page 1)

that there seems to be no sure formula for solving the question of interest and support. Some one has suggested that when districts are re-organized to include outlying primary districts, perhaps the number of members of the board of education should be increased to make representation

at the James Ruis home.

Mrs. Maggie Klooster has returned home from a two weeks visit in Grand Rapids.

of all the people possible. A second alternative might be to organize a citizens' advisory committee to consult with the board of education.

Mrs. Kit Carson discussed the possibilities and opportunities given the schools in the field of adult education. She said that the school diploma was actually only a beginning of our education and that adult education is not a new idea. Benjamin Franklin was an early pioneer in this field and the town meetings were once a form of adult education. In the early part of the twentieth century, the Chautauquas were merely another form of the same idea.

Mrs. Carson went on to urge the citizenry to active participation in the educational program in the community. She appropriately suggested that everyone should attend the annual school meetings. She concluded by saying that everyone should go in the spirit of helpfulness. "Focus on the good things. Do something. Be positive. Schools are a big investment; each of us is a stockholder and the returns will be in proportion to our interest in them," she said.

Mrs. Charles Bleha cited the Ordinance of 1787 which pledges us to promote schools and the means of education for all of the children. She called attention to the physically and mentally handicapped children who can not be accommodated by the regular school program but to whom we have an obligation to provide the opportunity to develop into the most useful citizens within their capabilities. She stated that in instruction of the exceptional children there is too much lip service and not enough action. She also pointed out the great need for more profes-

sional counseling and guidance throughout the lives of the school children so that they could be educated according to the interests, needs and abilities of each individual. This is an area that most educators believe to be important and are setting up facilities to make it effective as personnel and finances are available.

Mr. Robinson, as moderator, outlined briefly the tremendous growth of our school system and

explained that new advancements in the field of communication and technology, in general, make it imperative that the objectives of public education be broadened. The schools of today must not only teach the fundamental three R's but they must teach the whole child and develop him physically, socially, mentally and spiritually into a well-rounded citizen. Today's children, he concluded, are our greatest asset; what we do for them must be done now.

THE UNITED STATES has declared 78 Chinese students in this country free to return to Red China in a frank bid to free more than 55 Americans held behind the Bamboo curtain.

THE DEFENSE Department has announced that the Nation's Army and Air National Guards, 398,000 strong, soon will be mobilized in a one-day surprise "alert" to test their combat readiness.

GIFTS to higher education reached record levels in 1953-54, a fund raising firm reports after a survey of 50 colleges and universities.

THE RUSSIANS warn that abrogation of Russia's "friendship" treaties with Britain and France has been made unavoidable by the ratification of the German rearmament pacts.

THE CENSUS Bureau says a survey of 4,000 state and local governments has turned up public works plans which, if carried out in full, would mean expenditure of about 27 and three quarter billion dollars.

PEIPING RADIO reported this week that Kao Kang, the "Mandarin Stalin" who bossed Red China's five-year plan has "committed suicide" after being purged from the Communist Party.

THIS WEEK marked the resignation of Britain's Prime Minister, Sir Winston Churchill, concluding a term of 55 years in politics. He thus cleared the way for his political heir, Sir Anthony Eden, to become Prime Minister.

Glenn Hammel To Speak Here On Narcotics

Glenn K. Hammel, chief deputy in charge of the Criminal Division of the Kalamazoo Sheriff's Department and a past Grand Master of the Odd Fellows of Michigan, will be the guest speaker of a public meeting to be held at the Charlevoix high school auditorium at 8 p.m. Saturday, April 16.

This outstanding program which will feature the subject "Youth Education and Narcotics" is being brought here through the efforts of I.O.O.F. Round Lake lodge No. 293.

All clubs, civic organizations and individuals are invited to attend. There will be no charge.

Parents and young people are particularly urged to avail themselves of the opportunity of hearing an authority on the important subject of "Youth Education and Narcotics", a subject so important that the Saturday Evening Post recently used five issues to carry the report of results of the study of the problem made by the U. S. Senate Judiciary Subcommittee.

Mr. Hammel is a well-known authority on these subjects and has lectured throughout the state. He will also display live narcotics and demonstrate defensive measures that should be known by all women and children.

Following the lecture a film which dramatizes a typical case history of a teen-age drug addict will be shown. It specifically points out the family conditions of the addict, the manner in which the drug peddler uses "pushers" to build a trade among students, the beginning of marijuana use and how this leads to the use of more dangerous drugs and the importance of community agencies in the rehabilitation of the addict.

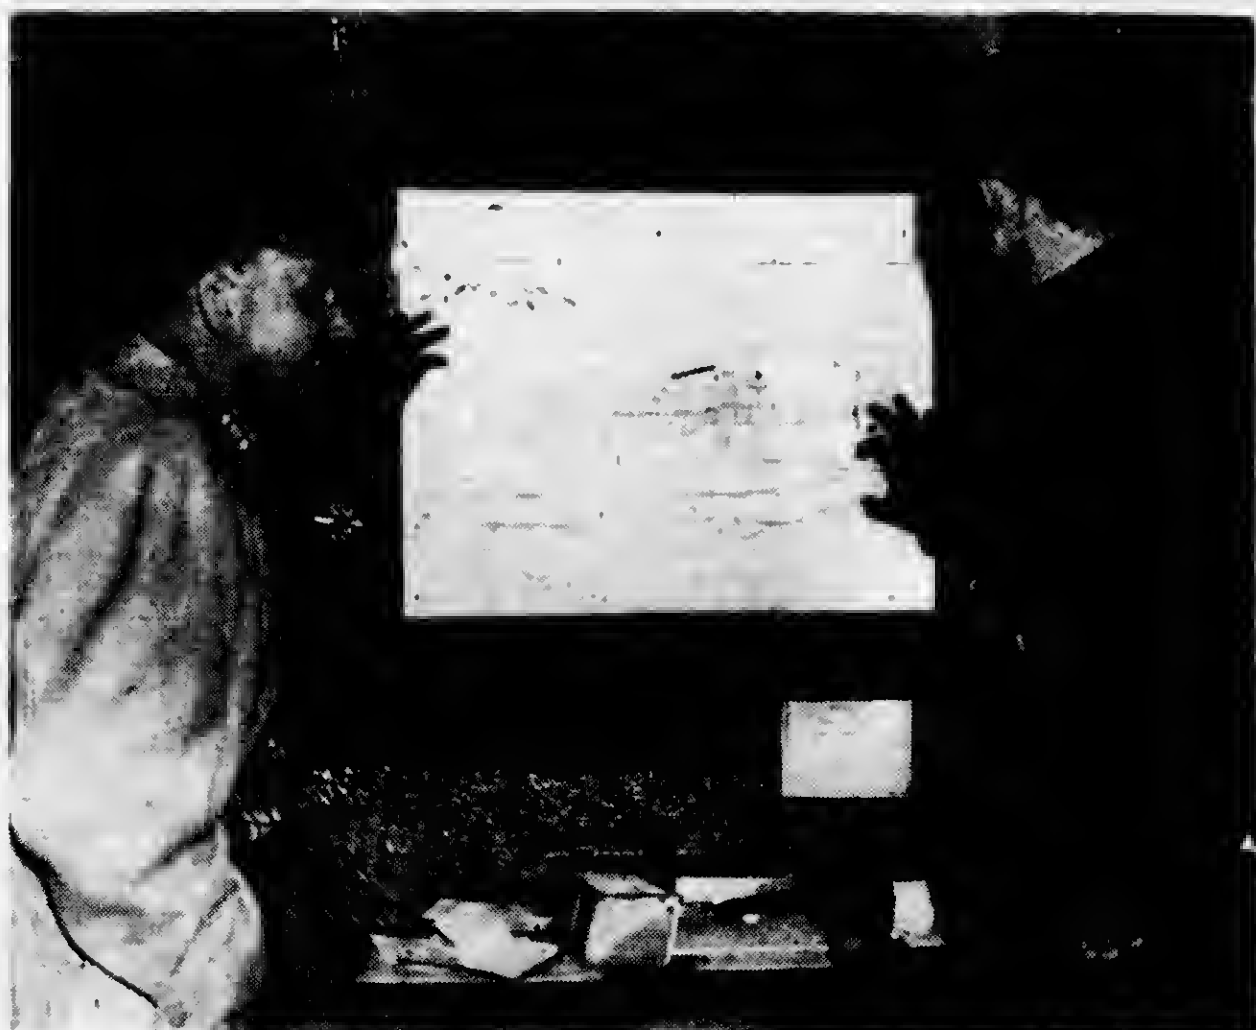

Mr. Hammel will also bring in to focus the true picture of the sex criminal, show how they can

New 'Emerald Isle' Nearing Completion

Michigan's first lady, Mrs. G. Mennen Williams, has been invited to Beaver Island to christen the new ferry boat for the Charlevoix-Beaver Island run, the Emerald Isle, now nearing completion at the Christy Corporation shipyards in Sturgeon Bay, Wis., a spokesman for the island said Wednesday.

Her husband, Governor Williams, a frequent visitor to America's Emerald Isle, is scheduled to attend the festivities with his charming wife.

On Monday a group of Beaver Island residents including Dr. Harry Vail and Lloyd McDonough, officers of the Beaver Island Boat Co. which is financing the construction of the \$80,000 craft, Vernon LaFreniere, Robert Gillispie, Glenn McDonough, Archie LaFreniere and Ray Cull flew to Sturgeon Bay with Joseph McPhillips of McPhillips Flying Service of Charlevoix to inspect the new 72-ft. steel boat which is scheduled to be launched next week.

Christy Corp. officials advised the group that the ship would undergo a five-day shakedown trip in the Sturgeon Bay area before it would be turned over to the representatives of the Beaver Island Boat Co. for the trip to St. James harbor.

Mark Cross of Charlevoix, skipper of the new ferry boat, and his crew, Robert Miller who will serve as business manager and David Miller as engineer, are scheduled to leave here this weekend for Sturgeon Bay. They will make the trial runs with Christy Corp. officials and accept the ship from the boat builders for the trip to Beaver Island.

Lighthouses To Be Commissioned Within The Week

All lighthouses in Group Charlevoix are expected to be commissioned within the week, ice and weather conditions permitting, Group Commander L. J. Aulterson, said Wednesday.

The first three lights to be commissioned were those at Grey's Reef, Lansing and White Shoals at the west entrance to the Straits of Mackinaw which were opened April 1 for the current season. U. S. Coastguardsmen who man the station's boarded the U.S.C.G. cutter Arundel of Chicago at Mackinaw City and were later transferred to the cutter Acadia of Detroit for the trip to their respective stations.

It is expected that crews will be taken to the lighthouses at South Fox Island and Ile Aux Coteaux (Skullage) within the next few days. The Beaver Head light on the south end of Beaver Island will be commissioned about the same time.

The cutter Woodbine of Grand Haven was in northern Lake Michigan over the weekend. The ship broke ice in the harbor at St. James, Beaver Island and later broke its way through the five-mile ice field outside the local harbor. The ship was here

Local Churches Plan Services For Easter

The glory of the Resurrection will be celebrated in Christian churches in Charlevoix on Easter Sunday morning as the solemn days of the Lenten season end.

In preparation for the observance of the Risen Christ, many services will be held on Maunday Thursday, Good Friday and Holy Saturday.

On Easter Sunday morning altars will be decorated with the traditional Easter lilies and choirs will sing the glorious hymns of hope.

Pastors of all local churches have issued an invitation to all persons without a church home to attend services on Easter Sunday.

Tell Winners In 'City' Elections At High School

Successful candidates in the general election at the Charlevoix high school Monday were announced this week by H. E. Bingham, high school principal.

The winners will represent the high school as city officers later this spring when the young officials assume city offices for a day.

The winning candidates were: mayor, Tom Swanson; clerk, Charles Dennis; treasurer, Mike Elzingo; justice of the peace, David Juilleret; aldermen, Kilt Carson, Joyce Cunningham, Mona Davenport, Darleen Mason, Roberta Swanson and Quinton Walker.

Unsuccessful candidates were: Joe Powell, Sharon Belding, Susan Crump, John Connolly, Mary Foley, Donna Ikens, Bennie Lee Kipke, Faye Meggison, Susie Miller and Charles Pierce.

All candidates won nomination in the February primary election.

Plan To Install New Curb Mail Box This Week

A new "accommodation box" or curb mail box will be placed in operation this week Postmaster Peter H. Timmer has announced. The box, which can be reached from a car as well as by pedestrians, will be located directly in front of the postoffice building on Bridge st.

The box will be emptied before each dispatch and mail placed in the new box will leave the postoffice with mail deposited inside.

The new curb service was approved earlier by the city council.

Friday and Saturday nights and left for its home port Sunday morning. Southeast winds carried the ice from outside the harbor into lake Michigan. A north-west wind, however, could blow it back for it is still drifting about the lake.

Start Razing One Of City's Oldest Store Buildings

The razing of one of the oldest store buildings on Bridge st., the former fruit market located at 315 Bridge st., has been started by John Zeitler.

Earl A. Young, local realtor, who owns the property says the two-story frame building dates back to about 1880. In its day it has housed a bakery, a millinery store, a gift shop and for many years Andy's fruit market.

Tentative plans call for the construction of an income building on the site later this year, Mr. Young added.

Local Churches Unite For Good Friday Services

The annual Union Good Friday services will be held at the Community Church of God from 1 to 3 p.m. under the sponsorship of the Charlevoix Ministerial Association.

"The Three Tenses of the Cross" will be the theme of this year's service.

The Rev. Wilson Rinker of the Barnard Reformed church will speak on the topic "Before the Cross"; the Rev. Lyle Phillips of the Assembly of God "During the Cross"; and the Rev. George L. Majors of the host church "After the Cross."

The Reverends Lloyd M. Schloep of the First Methodist church, W. N. Carr of the Baptist church and Harold E. Kohn of the First Congregational church will participate in the worship service. The Rev. Mr. Schloep will also give the invocation and the Rev. Mr. Kohn the benediction.

Special music will be presented by the First Congregational and Methodist churches. A trio composed of Mrs. Kohn, Mrs. Stewart Henner and Mrs. E. D. Hawley will sing the hymn "Into the Woods My Master Went" and Mrs. Lee Moerland will sing "The Cross" by Harriet Ware.

The service is open to members of all faiths and everyone is invited to attend the special Good Friday service.

Public offices and local business places will be closed during the Good Friday services from 1 to 3 p.m. Friday.

Richard Edwards Is Elected To Board

In the Board of Commerce election held in conjunction with the general election Monday, Richard Edwards was elected for a three-year term. He defeated Kenneth Staley by a vote of 441 to 209 for the post. S. E. Coleman, secretary of the Board of Commerce said.

Clarence Rabach, Four Incumbents Elected Supervisors In Townships

In Monday's election results for the surrounding townships, one new supervisor was elected to fill a vacancy caused by the death of Rudy C. Korth, veteran Charlevoix township supervisor and four incumbents were returned to the board.

Clarence Rabach was elected supervisor of Charlevoix township defeating Henry Stephan who ran on Ticket No. 2 and Bradford Foster, a sticker candidate for the office.

Rabach polled 46 votes, Stephan 24 and Foster 13.

In other contests Randall Crump received 57 votes to 20 for Carl Bogart to the office of board of review for a four-year term; Dale Boas with 82 votes and Edwin Zeitler with 58 to be re-elected for two-year terms as trustees. Stanley Houghon on ticket No. 2 polled 21 ballots.

Mrs. Kathryn Smith was re-elected clerk and Mrs. Rose Bergmann, treasurer. Elected without opposition were Clayton Smith for justice of the peace for a four-year term and George Arnold, board of review for two-year term.

In Hayes township Lee Sneathen Jr. was unopposed for the office of supervisor. He polled 113 votes. Other candidates on No. 1 ticket, all incumbents, who were returned to office, were clerk, Frank W. Burnett, 85; Virginia Williams 55; treasurer, Mrs. Hazel Ever 83; Mrs. Hazel Price 87; trustees, William Hair 72, Alfred Allison 83, James O'Brien 70; Lee Sneathen Sr. 55; justice of the peace, four-year term: Peter Winnick 74, William Price 85; board of review, four-year term: Leo Burnett 88, Forrest Brown 56; (Continued on page 7)

The ferry will operate from 8 a.m. to midnight daily. Walter Jarvis and Byron Steekwell will return this season as ferry operators.

The ferry made its initial run Monday to break a channel through the ice which still fills the south arm of Lake Charlevoix. Approaches were repaired and altered, which was necessitated by a slight fall in the lake level over last fall.

The ferry route was closed Dec. 24, 1954 because of the ice condition in the south arm which halted traffic a week earlier than usual.

Phillips, Miller Win Supervisors' Posts In Election Monday

Ivan Phillips, a sticker candidate for the office of first ward supervisor, and Ted R. Miller who won the nomination as a sticker candidate in the primary election were the victors in the only two local contests in the general election here Monday.

Phillips, a newcomer to local political circles, polled 129 votes as a sticker or write-in candidate to defeat incumbent Drew Young who tallied 68 votes.

In the second ward Miller who ran as a sticker candidate in the primary election following the unexpected death of incumbent Arthur Bergeon, defeated Frank Oleksy, who decided to run on slips after losing to Miller in the primary. In Monday's election Miller polled 205 to 114 for Oleksy.

When the Charlevoix county board of supervisors meets next Tuesday Charlevoix will be represented by three new supervisors, Phillips, Miller and Jesse Smith of the third ward who was elected Monday without opposition to fill the post left vacant by the resignation of C. B. Meggison now serving as state representative from the Charlevoix district.

Two new aldermen and one incumbent will take office when the city council meets April 18. The newcomers are Clara L. Staley who replaces incumbent Charles Bellinger who was not a candidate for reelection in the first ward and Franklin Boss who succeeds Charles J. Pontius as second ward alderman. Pontius did not seek reelection. Ralph S. Hamilton was unopposed for the office of third ward alderman.

Other incumbents who were unopposed were: mayor, Dean Davenport; clerk, Hugh Mayne; treasurer, Nelle A. Hammond; justice of the peace, John J. Connolly.

Constable: first ward Joseph Howard; second ward J. K. Moore; third ward, Henry Supernaw.

A total of 701 votes were cast in the general election.

In the state contests, Charlevoix county remained a Republican stronghold.

With all 25 precincts reporting the results are as follows: U. of M. regents: Herbert R. 1899; Cudlip, R. 1893; Pawe, D. 1027; Adams, D. 1072; Supt. of Instruction, Taylor, R. 1939; Bartlett, D. 1043.

State board of education: Nisbet, R. 1931; Veale, D. 1035; State Agricultural Board: Jones, R. 1881; Stafford, R. 1900; Smith, D. 1030; Baker, D. 1078.

Constitutional amendments: No. 1 yes 1597, no 747; No. 2 yes 1789, no 689; No. 3 yes 1290, no 1137; No. 4 yes 1313, no 897.

On the non-partisan ballot the results were as follows: Supreme Court Justice: Broke 1052, Black 898, Carr 1712 and Roth 605.

TEXT: II Kings 5:12. Are not Abana and Pharpar rivers of Damascus, better than all the waters of Israel? May I not wash in them, and be clean?

As far back as I can remember, man has been looking for ways to make things more convenient and easier for himself, not stopping to think whether or not it is best for him. He even carries this attitude into the spiritual part of his life many times, forgetting the fact that God may have something to say concerning it.

Naaman, was captain of the armies of Syria and had fame in his own country and in many countries that he had conquered. He had every thing life could afford. Fame, riches, position, servants were his, but there was one thing that marred the happiness of his life. HE WAS A LEPER.

Now there was a little maid that waited on Naaman's wife and she said if Naaman were in the land of Israel he could be recovered of his leprosy for the prophet of God would recover him of his leprosy. This word reached the ears of the king and soon Naaman was on his way to the prophet of God to be healed of his leprosy, but instead of the man of God coming out and praying for Naaman, he sent his servant and told Naaman to dip in the Jordan river seven times and he would be delivered. Are not Abana and Pharpar rivers of Damascus better than all the waters of Israel? May I not wash in them and be clean?

So he turned and went away in a rage. So it is with men today, looking for another way to get their needs met, when God has already provided a way through Jesus Christ His Son.

Sinful men dislike the plan of salvation through the blood of Jesus, just as Naaman disliked dipping in the Jordan river to be made whole as God commanded. There was only one way for Naaman to be made well and that was to do what God had said. Man's sinful nature is contrary to the plan of the Gospel, for whom we come to God, it isn't how I think salvation ought to be, but it is what God says it is. God's word says: There is a way that seemeth right unto man, but the end thereof are the ways of death. There is only one way to receive God's peace and joy and salvation, and that is through the atoning blood of Jesus that was shed on Calvary for lost man Jesus said: Come unto me . . . to do God's command is to have deliverance for body, soul and spirit.

There was the spy, who would spy out the Christians in Nero's day and have them brought to the arena where wild beasts would tear them asunder. As he watched them die for their faith in God his heart was touched and he went to Nero and told him that he had accepted Christ as his Savior.

Needless to say, it was not long until that spy was dying in the same arena the Christians had. He went out of this world whispering the name of Jesus who had saved him from sin. There was no other way to prove he had what the Christians had, but to die for Christ as they had.

Naaman dipped in the Jordan river and was made clean, not because of the water, but because he obeyed the command of God. Men are delivered from sin, not because they believe there is a God, but because they accept Christ and His blood to cleanse them from their sin.

Is there another way you ask? There is only one way, and that is God's way, and God's way is through the atoning blood of His Son Jesus Christ. Jesus said: I am the way the truth and the life: no man cometh unto the Father, but by me. John 14:6.

ODDS 'N ENDS

By Fran Martin

DON'T look now but I think spring is here . . . After acting like a roaring, angry lion all month, March departed in a blaze of glory with temperatures well into the 50's, the days so balmy and sunny that everyone was wondering if it was really true, and the snow and ice just vanished overnight and so far we haven't heard of any tears being shed about winter's belated departure . . . Sure there's a cold wind off the lake but with all that ice what can one expect . . . But the Woodbine worked its way through the field Friday night so it can't be too solid come a southeast wind it will leave us for this year . . . One can't but have renewed hope . . . for it's spring . . .

AND IF you don't believe us just look about it . . . there're big kids, little kids and middle-sized ones too flying kites on every vacant lot . . . The marble playing which tapered off with the cold-weather is going strong again . . . And eager Cub Scout Dens are taking advantage of the weather and enjoying hikes and cook-outs . . . The boys have taken up basketball playing on every block . . . and the little girls are out with dolls and doll carriages . . . And the new mothers are out in force with the newest arrivals in baby carriages . . . dressed in their Sunday best already to be admired . . . Who says it isn't Spring?

ANOTHER sure sign of spring is the sugar bush . . . And the kindergarten and Miss Milner's second grade will walk on the fact that the one at the Clarence Smith farm is really in operation . . . The classes were invited to visit the 'bush' so one day last week fifty-some youngsters and their teachers, Mrs. McRae and Miss Milner, took off by school bus for the Smith farm . . . Mr. Smith had constructed walks around the entire plant so the little tikes could see the whole operation . . . In addition each one got a cup of warm syrup plus a small bottle to take home . . . Besides being very educational everyone had a whole of a good time . . . Even if some of them drank their gift bottle of syrup on the way home . . .

DO YOU suppose the rainbow will be biting Saturday? Not being a fisherman, we wouldn't know but off-hand we'd say it's too cold yet . . . Just the same as the smelt aren't coming in . . . After all, who wants to swim in under that big ice field just to find another one in Lake Charlevoix . . . But come Saturday there'll be those optimists who'll brave the cold and the wet and what have you in search of those luscious trout . . . One thing, they won't have to worry about bugs . . .

STOPPED in at the Charlevoix Lumber Co. the other day . . . made a little trip through the big warehouse which happens to be one of our favorite spots . . . Why? Did you ever smell new lumber? . . . It has a heavenly aroma all its own . . . While we were there Mr. Hiller showed us something that will soon make an appearance in the front office . . . a hat rack made from a set of oxen horns . . . Boy, we'd sure like

to see the oxen they once belonged to 'cause they're really big ones . . . Seems they've been around the lumber company just about ever since Mr. Hiller came here and that's probably 35 or 40 years ago . . . He finally decided to do something about them so was having them finished as a hat rack . . . They're the biggest set of curled horns we ever hope to see . . . Take a look and see if you don't agree . . . Such huge oxen, we understand, were a familiar sight around the old logging camps . . .

IF YOU didn't take in the class basketball tournaments last week, you missed the time of your life . . . If you saw them you know the answer to the question: Why does Charlevoix always have good basketball teams? . . . We saw little kids . . . some of them only eight years old playing like veterans . . . Sure, the next grade up had a height advantage but the little guy was a real competitor . . . We see the tournaments every year and it's amazing what another year of size and experience does for those kids . . . We missed the Class A games but we understand that those seventh and eighth graders did alright and that Coach Terrill hasn't too much to worry about for the next few years if they shape up as anticipated . . . And the cheering sections . . . Why they're just about the most rabid fans we've seen anywhere . . .

OUR Teensters are doing OK too from what we hear . . . They're the girls' trio of Mona Davenport, Roberta Swanson and Fay Megison who made quite a hit when they appeared in the Rotary Minstrel Show at Traverse City recently . . . Did we say 'quite' a hit . . . well, just to give you an idea, they had to sing five encores . . . And in addition to that they were invited to sing on Deputy Don's show . . . Along with the Croons they also put in an appearance at the Father and Son banquet in Traverse City sponsored by the Christian church . . . And the guest speaker? Coach Terrill . . . In other words, Charlevoix was well represented . . .

IT HAPPENS every now and then . . . This time it's in Woman's Day published by the A&P company . . . What are we talking about? Just King Strang and his kingdom of St. James on Beaver Island some 100 years ago . . . He must have been quite a boy . . . for despite his antics he's still hitting the headlines pretty regularly . . . We're indebted to Pat Moran and Mrs. Drew Young for the info on the latest story of the only Kingdom within the U.S.A. . . .

BIRTHDAY greetings to William H. Supernaw who'll be all of 85 years old come Friday . . . And, we might add, he's still going strong . . .

IF YOU happen to see a copy of the Public Works magazine for April, don't stop quick for another look . . . you saw right the first time . . . On the cover of this wonderful publication is a picture of our own city superintendent, Roy R. Robinson . . . And we understand that in the Michigan Utilities publication there's a story about our bossman . . .

A PAT on the back this week for a guy and his department who does a tough job 305 days of the year and the only time anyone mentions him and them is when something hasn't gone quite right . . . We mean Leo Allard and his street department crew . . . All

Charlevoix IN UNIFORM

Tech Sgt. and Mrs. Robert Morrow, accompanied by their son, Jon Alvin, who was born in France, arrived last week to visit their respective parents, Mr. and Mrs. Alvin Morrow and Mr. and Mrs. Wilbur Wells.

Sgt. Morrow has been serving at an Air Base at Chateauroux, France near Paris for the past three years. Mrs. Morrow, the former Peggy Wells, joined him 2 1/2 years ago. Their son was born Oct. 10, 1953. While in France they made their home at Buzancals.

They returned aboard the Navy transport, George W. Goethals, a journey which took 11 days in rough weather.

The couple will leave later this month to report at his new assignment at Clovis, N. M., on April 23.

A trans-nean telephone call from Major George Wolf brought the news to his wife here that he had left Korea after 10-months service there and is now assigned to new duties at Tokyo, Japan. His new address follows: Tokyo Ordnance Depot 8160th A. V. APO 712 2PM San Francisco, Calif.

David S. Glassford SA, has been transferred from the cruiser, USS Junco, to duty aboard the battleship, USS Wisconsin. His new address follows: 459-22-23 F.M. Div. USS Wisconsin BB 04 7FPO New York, N. Y.

He is the son of Mrs. Frank

winter long they kept the streets open and well sanded . . . And now they're cleaning up the mess left by the snow and sand and what have you . . . The same is true of the County road commission workmen who get your prizes but when they do a good job you fail to offer a grain of praise . . . We think we're pretty lucky around here, especially when the winds blow and the snow flies . . . There's rarely a snow you can't get through, which is more than you can say about some counties in the area . . .

ONCE UPON a time Charlevoix had a comptroller whose hobby was farming . . . He operated a little farm out in Charlevoix township and did alright . . . To-day, as pastor of a small Episcopal parish in southeastern Michigan this same man, now the Rev. Don Swinton, has returned to the rural life . . . this time as manager of a small farm owned by his parish, St. Francis Episcopal Mission of Orangeville . . . According to a recent story in the Kalamazoo Gazette, the 40-acre farm is expected to bring in approximately \$1,000 toward the parish's \$4,000 budget this year . . . The major crops are beans and corn plus some Christmas trees which will eventually bring in some revenue . . . The work is done by the men of the parish who also furnish the farm tools . . . That's doing a job the hard way . . . but Father Don and his men are evidently doing a fine job . . .

IT'S EASTER, the dawn of the year when hope is renewed and life again seems worth living . . . May this glorious Easter season of 1955 bring to you and yours every happiness . . .

Glassford.

William J. Gasco A3-c left recently for his new assignment at San Antonio, Tex., after spending an 18-day furlough with his mother, Mrs. Albert Gasco. He recently completed specialized training at Sheppard Field, Wichita Falls, Tex.

Two Charlevoix men are among the seven enlisted in the U. S. Air Force at Potoskey during the month of March, T-Sgt. Dalton E. Lucas, U.S.A.F. recruiting officer has announced.

They are Richard D. Boulton, son of Mrs. Mary Washegeshik, and George D. Hamlin, son of Mr. and Mrs. Loren Hamlin. Other enlistees were from Boyne City, East Jordan, Onaway, Gavford and Frederiek.

Sgt. Benjamin Wabanimeke has been discharged from the U. S. Army after serving a three-year enlistment. He received his discharge at Fort Meade, Md., where he has been stationed. He has arrived here from the east to join his father, Julius Wabanimeke.

Capt. John N. Barkdoll is receiving a 15-day Reserve Officer refresher course at the Ordnance at Aberdeen Proving Ground Md.

The course features training in the organization of the Ordnance Corps. It also will include a review of the latest concepts in supply and maintenance of the Army's combat arms, infantry, armor and artillery.

He is the son of Mrs. Fay N. Barkdoll, Ilagerstown, Md., and a graduate of North Carolina State College. His wife and family reside at RR 3, Charlevoix.

List Winners In V.F.W. Auxiliary Essay Contests

The winners in the essay contest sponsored by the V.F.W. Auxiliary on the subject "What Civil Defense Means to Me" were announced by Mrs. Laura Courtade contest chairman, at a special high school assembly held Monday morning.

They were: Betty Berg, high school senior, first prize of \$15.00; Joel Arvilla, a sophomore student, second prize of \$10.00 and Janet Todd a senior, Larry Smith and David Miles, both freshmen students, who tied for third place. Each received a \$5.00 prize.

Mrs. Kenneth Staley, president of the V.F.W. Auxiliary presented the prizes to the winners and Supt. R. G. Bennett spoke briefly. The first and second prize winners also read their prize-winning essays.

Judges for the essay contest were Miss Arlyle Roberts, chairman; Mrs. Kit Carson and Mrs. Harold E. Kohn.

After the course, Capt. Barkdoll is scheduled to return to his home here. He is the commanding officer of the Reserve unit whose headquarters are located here.

Girligigs

Well, well . . . it begins to look like Peter Bunny won't have to be so tough after all. These balmy breezes should have us all unfrozen by Easter so he'll be able to hop right up to your front door.

Our down-town marchants thawed out earlier than the rest of us and for several weeks now, it has been like a shot in the arm . . . of Spring, tra-la . . . to nosey around at all the smart fashions in our local stores.

Interviewing Jack Mailhot on men's Spring fashion notes, he surprisingly commented that the credit all goes to the gals for men finally getting "hep" to soft, subtle color. Headliner colors for men are charcoal grey, greys and pinks. "Rep" ties are most popular right now, always striped and narrow.

Mailhot's is newly featuring the Bananac sports jacket of sipped gab . . . in real peachy shades of pink, mint green and charcoal. Another new line being shown now is the Portis feather-weight felt dress hat.

It will interest you brawny heman to know that you can now buy pink shirts, pink suede belts and pink plaid belts, pink slacks and even pink ties. I didn't poke into the undies department but I wouldn't be a bit surprised if . . .

At Fay's, the truly amazing 365 days-a-year coats are being featured as a lovely accessory (necessary accessory) to every or any age gal's wardrobe. They come in black dress-ups or casual tweeds, twills and gabs . . . all with stunning, noisy plaid or check linings and matching hats. They are all featherweight but Millum-lined for warmth.

Just arrived are the new, slim full-length coats in sandy, shrimpy, or Alice-blue shades of Butcher linen . . . and belted linen skirts for combining.

This Spring, style focuses on a longer, narrower puras, envelope style. Fay's also has a smaller envelope purse in yummy shades of shrimp, yellow, blue, beige and brown.

Softly shaded nylon knit scarf and glove sets will add a complimentary to just the right suit or coat . . . and you'll be seeing seeds of pastel jewelry . . .

Most of the frill comes from underneath this year . . . and Bergeon's is carrying a lovely line of fluffy crinolines and trilly nylon lingerie. And their blouses, mostly, are tailored . . . just as the "young in heart" love 'em. An unlined three-piece box suit of pastel Butcher linen promises to be a fashion favorite, also from Bergeon's.

If it's a man you're thinking of . . . and he's a jaunty dresser . . . you'll be thinking of a new bow tie for Easter, patterned or plain . . . or pink. And Definitely, his dress shirt must have French cuffs!

Lieberman's shoe department has a shoe to suit every gal's whim. And the most popular Spring shade, Avocado, comes in all styles . . . heels or ballet. The newest ballet styles come with a built-in arch . . . and they are absolute loves in pastel.

And if it's a little girl you're thinking of . . . a fashionable little girl . . . you'll be thinking of an Easter dress. Lieberman's department store has a whole colorful row of them . . . all sticky outy with sewed-in petti-slips. A pre-teen favorite is the full, gawdy skirt worn with the plain and tailored shirt . . . or the full, plain skirt worn with the gawdy, tailored shirt.

To show to the world there's Spring in your heart, pin an accessory flower on anything you feel like . . . your lapel, belt, purse, necklace . . . or on your bonnet.

Or if it's a little boy you're thinking of . . . dressed-up little boy . . . you'll be thinking of a charcoal grey suit with matching long pants . . . and when the jacket is worn outside out, it's pink plaid. With this, for Easter Sunday, he'll wear a white dress shirt with French cuffs, naturally . . . and a bow tie.

Campbell's Boot Shop has stocked a line of imported hand-tooled leather purses and sandlees that are ideal companions for casual wear. And what's more . . .

Only 3 hopping days 'til **EASTER** and **Poll Parrot** Parading Time

RECIPE

Tuna Croquettes

3 Tbs. Butter 1 Tsp. Salt
4 Tbs. Flour 2 Eggs, slightly beaten
1 Cup Milk

Combine butter (melted) and flour in skillet, over low heat, gradually add milk and salt to make a thick white sauce. Remove from heat and add eggs. Beat until smooth and eggs are well blended. Cool.

Add two cans of white tuna (well drained), 1 tbs. chopped parsley, a little onion juice, to the white sauce. Shape in pyramids or rolls and place on tray. Store in refrigerator until ready to deep or pan fry. Makes 12.

fred Schrid and Mrs. Carl Kolker plan to leave today (Thursday) for Dayton, Ohio, to spend the Easter weekend with their father, Charles Litkowski. They will be accompanied to Jackson by Mrs. Charles Hamlin who plans to spend the weekend with her son-in-law and daughter, Mr. and Mrs. Albert McCort.

Mrs. Daniel Bacot returned home Saturday from Flint where she had spent the winter months.

The LIGHT of TRUTH

For the 1,922nd time, the Christian World celebrates the Glorious Feast of Easter. Wherever the men and women of God have carried the eternal promise of the Resurrection, the Light of Truth has dispelled the darkness of ignorance and superstition. There, too, have gone the men of Medicine and Pharmacy . . . working in the shadow of the Cross to perform their specialized services for the good of Man. Together, these twin professions go forward with Faith in Divine Guidance of their efforts to relieve mankind from the fear and pain of illness.

Mobile Chest X-Ray Unit Will Visit Charlevoix April 19-20

Free chest X-ray service comes again to Charlevoix county April 19 through 20, the health department announced this week.

The familiar mobile unit brought here through the cooperation of the Michigan Department of Health and the Michigan Tuberculosis association will be at the city building in East Jordan April 19, the Red Cross office in the railway building in Boyne City April 14 and 15, the Community building in Boyne Falls the morning of April 18, the school in Wailoon Lake the afternoon of April 18 and at Schroeder and Hovey drug in Charlevoix April 19 and 20.

BABY TALK

Births recorded at the Charlevoix hospital recently include: A son, Richard Lynn, born to Mr. and Mrs. Richard Stewart of Petoskey March 28.

A son, Scott Jay, born to Mr. and Mrs. Wayne Steiner of Beloit March 28.

A daughter, Sally Ann, born to Mr. and Mrs. Steve Paterka March 30.

A son, Timothy Ray, born to Mr. and Mrs. Thomas Wynsma of Ellsworth March 30.

Mr. and Mrs. Ray Gaul of Lansing announce the birth of a son, David Ray, born March 30. Mrs. Gaul is the former Camille Genett, daughter of Mr. Grace Genett.

Mr. and Mrs. Robert Barkey of Birmingham are the parents of a daughter born March 23. A twin sister born at the same time died March 28 after undergoing surgery shortly after birth. Mrs. Barkey is the former Ruth Essenberg, daughter of Mr. and Mrs. Andrew Essenberg Sr.

th X-ray units have toured the county before. However, Dr. A. F. Litzenger, director of District Health Department No. 3, says state and local officials are anxious for larger turn-outs at the units.

In the past, Dr. Litzenger explained, the mobile X-ray unit has been used to fullest capacity. More than 100 X-ray patrons can be served in an hour he said.

County groups as well as Michigan Tuberculosis association, the Medical society and state and local health departments will be linking forces for the drive, Dr. Litzenger added.

He went on to say that the highest value of the chest X-ray is in finding tuberculosis before the individual has any idea that he may be sick. "In other words," Dr. Litzenger declared, "We need to find this disease before it advances and becomes more difficult to cure. We know from past experience that it will take the support of every Charlevoix county resident if we expect to make a good showing in this drive."

Lung cancer, heart disease and other abnormalities can be detected by chest X-rays. However, findings as a result of the chest films given by the mobile unit are not final. The health department X-ray trailers use small size X-ray film. Any suspicious signs on the X-ray picture taken on the miniature films will need to be studied further through large size X-rays and other tests by family physicians. Diagnosis of any chest disease will depend on these later examinations.

With the whole hearted cooperation of Charlevoix county adults, Dr. Litzenger added that "We can make this service a high point in community action this year. Let's plan now to X-ray 100 per cent when the unit arrives."

Rehearsals Are Underway Here For Minstrels

Echoes of "Yassah, Cueball" and "That-a Boy, Rastus" can be heard almost anywhere around town these days as rehearsals for the third annual Northland Minstrel get underway.

Promising "more corn than Kellogg's can process in a week", an all-star cast is whipping another big show into shape under the direction of C. A. Odmark.

Heading the all-star cast will be several old favorites of past shows along with some new faces and acts which will be supported by a 30-voice minstrel chorus and a four-piece accompaniment band. Several surprises and novelties are promised and everyone is urged to reserve the nights of Thursday and Friday, April 28 and 29, for the Northland Minstrel show.

The show is sponsored by the Charlevoix Band Parents Association. Funds derived from the show are used for a variety of purposes: helping to finance the trip of the Senior band to Lansing to play in the State Band Festival later this month; sending two worthy music students to the National Music Camp at Interlochen for the All-State session; the purchase of needed lighting equipment for the stage; and the purchase of much-needed band equipment.

A Cappella Choir To Give Concert Here April 20

★ ★ ★

The Vennard A Cappella choir of Chicago Evangelistic Institute, University Park, Iowa will present a concert of sacred music at Charlevoix high school April 20, 1955 at 8:00 p.m.

The 33 voice choir is on a 2500 mile tour singing in churches of various denominations and in interdenominational rallies in several midwestern states.

Directed by Professor Rex Hicks, the choir program includes choral works from the time of Bach and Brahms to the compositions of contemporary writers. The choir opens their service by singing works of the masters and concludes with a group of negro spirituals. Interspersed throughout the program is the music of Easter, hymn settings, settings from the Psalms and other Biblical texts.

Both the ladies' and men's sections of the choir are featured in separate selections. Within the choir are several vocal ensembles which sing between choral groups.

The annual Bunny Hop will be held at the Charlevoix high school gymnasium from 8 to 11 p.m. tonight (Thursday) under the sponsorship of the Senior Class.

Both round and square dancing will be featured and the highlight of the dance will be a variety show.

The dance will be an informal event to which everyone is invited. Proceeds of the party will help finance the Senior Class trip.

Norwood Local Has Supper And Dancing

Sixteen families of the Farmers Union Norwood Local enjoyed an oyster and chili supper at the Union hall Wednesday evening.

Card games and dancing followed the supper.

Chicago Evangelistic Institute from 10 states, one territory, and is an interdenominational school from three foreign countries. The program is being sponsored by the Charlevoix ministerial Association.

Biechlin - Wojan Vows Exchanged

Mr. and Mrs. Louis Biechlin of Long Beach, Calif., have announced the marriage of their daughter, Yvonne Marguerite, to Ronald J. Wojan, U. S. Navy, son of Mr. and Mrs. John Wojan of Charlevoix.

The wedding took place at Yuma, Ariz., March 28. The couple will reside in Long Beach where the bridegroom is stationed with the U. S. Navy.

New 'Emerald Isle' Nearing Completion

(Continued from Page 1) Boat Co. are expected to go to Sturgeon Bay to board the new boat for the maiden voyage to its home port of St. James.

It is expected that the christening ceremony at which Mrs. Williams will preside will be held the weekend of April 23-24 to allow for any changes in the schedule necessitated by ice conditions in northern Lake Michigan or a postponement of launching. The craft must meet with the approval of the U. S. Coast Guard before it can be placed in operation on the 33-mile run between Charlevoix and Beaver Island.

When the Emerald Isle arrives at Beaver Island later this month it is expected that all of the island's population of approximately 400 residents will be on hand to welcome the first new ship to ever serve as a ferry boat between the island and the mainland.

Following the christening of the Emerald Isle, a special trip will be made to Charlevoix with officials of the company and a large group of island residents as passengers.

The ship, 72 ft. in length is of steel construction and will be powered with a Diesel Caterpillar 365 hp. V-12 engine which is expected to cut the trip time from four hours to less than three. It will have a cruising speed of 11 1/2 miles per hour.

The ship has two decks and will carry 125 passengers on its top deck which will house two comfortable lounges and the pilot house. The first deck where the engine room is housed will also carry up to 10 cars and freight.

The Beaver Island Boat Co. was formed to finance the construction of the new ferry boat last fall after the North Shore, owned by the Beaver Island Transit Co., was removed from the run Oct. 4 when it failed to meet U. S. Coast Guard requirements. Mail, freight and supplies were carried aboard the fish tug, the LaBlance, owned by Emerald LaBlance until Dec. 31 when the

John Kling's Return To Re-Open Shop

Mr. and Mrs. John Kling have returned to Charlevoix after spending the winter in Detroit where Mr. Kling completed a course at the Virginia Farrell Hairdressing Academy, where he received advanced training in hairdressing and permanent waving.

Mr. and Mrs. Kling plan to reopen their beauty shop, Milli's House of Charm, today (Thursday) for the season and will continue to operate the year round. They will specialize in hair styling, cutting, tinting and permanent waving.

Campus Comments

George VerWya, a student at the University of Michigan, left Friday from Ann Arbor on a vacation trip to Florida. He accompanied three classmates on the 10-day trip during the annual Easter recess. He is the son of Mr. and Mrs. Abe VerWys.

University of Michigan students who arrived last weekend to spend the Easter recess with their respective families were Alvin Ranger, Jim Bowman, Tom Bleha, Becky Badger, Cynthia Smith, Brad Foster, Nancy Bodley and Henry Pontious, Bob Shanahan who with his wife is spending several days in Akron, Ohio, may spend a few days here later on. Jim and Vic Gibbons whose family now live in Grayling may also spend some time here.

Robert Vratnina, a student at Michigan State College, and his wife and two children have returned to East Lansing after spending the term recess with his parents, Mr. and Mrs. Joseph Vratnina.

Central Michigan college students who have arrived from Mt. Pleasant to spend the Easter holiday vacation with their respective families were Dean Davenport, Bernie Zeitler, Junior Roberts, Betty McBride, Carol Paul and Gordon Mol.

McPhillips Flying Service assumed the mail contract for the winter months. Since Jan. 1 all mail, supplies and passengers have been transported by plane.

The company is headed by Henry Allen of Ann Arbor and St. James, Lloyd McDonough of St. James, is vice chairman. Dr. Harry Vail of St. James, secretary-treasurer. Karl J. Erber of Charlevoix and Theodore Hine of Bay City, directors. In discussing the new ferry Mr. Erber said that it would mean a great deal, economically speaking, to the residents of Beaver Island and would certainly serve as a means of developing the island as a summer resort.

Mrs. Ralph Burley Gives Party Here

Mrs. Ralph Burley entertained at a Dutchmaid party at her home at 205 Nettleton at. Wednesday evening.

After a few games were played Mrs. Crystal Housding displayed a number of garments. A prize was presented to the guest turning in the largest order.

Refreshments were served by Mrs. Burley who was assisted by her sister, Mrs. Leon Coora.

New Fertilizer Is Dual Purpose Plant Food-Insecticide

Charlevoix county farmers can now put on fertilizer and control wireworms at the same time. The new combination is a fertilizer-insecticide mixture, containing aldrin.

The plant food-worm killer is relatively new to farmers here, and this year it will be generally available, announced Agricultural Agent Ed Rebmam.

The agent passes along some information on the material from Ray Jones, Michigan State College entomologist.

Jones says the fertilizer-insecticide are being custom mixed by a number of manufacturers. To know what kind to order depends on the crop and soil texture.

Soil tests will tell you how much fertilizer the land requires. You may use the fertilizer which contains aldrin — on corn, potatoes, mint, and strawberries. Agent Rebmam has information on where to get the fertilizer and how to use it. He suggests that farmers read the label for instructions and dosage.

A good dosage range is from two to five pounds of actual aldrin per acre for wireworm control. The lower limit, 2-3 pounds will handle sandy soils, but five pounds will be needed on heavy muck.

Rebmam emphasizes that for a good wireworm kill when broadcasting the fertilizer, it should be worked 4-6 inches into the soil. He says the mixture is just as effective in controlling wireworm as spray or dust and requires no special equipment or operations.

Senior Class To Sponsor Dinner Next Wednesday

The Senior class of the Charlevoix high school will sponsor a ham dinner at the high school cafeteria Wednesday, Carolyn Miller, class president, has announced.

Purpose of the event is to raise funds for the senior class trip. The deadline for making reservations for the New York trip in mid-May is April 15.

An appetizing menu has been planned for the dinner which will be served from 5:30 to 7 p.m. It will include baked ham, scalloped potatoes, buttered peas, molded salad, hot biscuits and honey, homemade apple pie and cheese, coffee and milk.

Tickets are now on sale by members of the Senior class. Tickets must be purchased in advance.

Sphagetti supper, Methodist Church, April 14. Serving from 5:30. Adults 1.00, children 50c.

Township Election Results Announced

(Continued from Page 1)

constable Grant Ferguson 84, Theodore Tunison 56.

Bob White with 76 votes was the only candidate on Ticket No. 2 to win. He defeated Mrs. Ruth Berg for the office of highway commissioner who polled 62 votes.

Eveline township will have its first new clerk in 32 years following Monday's election when Douglas Knudsen was elected to succeed Ralph Price who had served in the office for 32 years. He was not a candidate for reelection.

Incumbents who were returned to office were: supervisor, William Sanderson; treasurer, Mrs. Christine Loomis; highway commissioner, Mark Saunders; justice of the peace for four-year term, A. L. Loomis; Board of Review, four-year term, Homer Nasson; trustees for two-year terms, Forrest Clark, east side and Harold Thomas, west side; constable, Cash Hayden, east side and Peter Mitchell, west side.

Leonard Babel was elected justice of the peace for two years to fill the unexpired term of the late John Knudsen.

Only contests were for the office of clerk and west side trustee. Ole Nielsen and Walter Kemp opposed the incumbents.

In Marion township the main issue was fire protection. Voters were asked to vote on three issues related to fire protection: 1. To levy one mill for fire protection, 2. to finance fire protection (one mill) from the general fund and 3. No fire protection. Proposal No. 1 received 11 votes; No. 2 81 votes and No. 3 five votes.

Incumbents who were returned to office without opposition were: supervisor, Russell Curtis; clerk, Charles Mascho; treasurer, John L. Boss; trustees for two-year terms, Frank Matchett and Burr Blanchard; highway commissioner, Emerald Bohuiz; justice of the peace, four-year term, Clyde Cunningham; board of review, Jasper Warner; constables, Albert Elliott and John Clarke.

In Norwood township incumbents on the No. 1 ticket were returned to office. The office and the vote for each candidate follows: supervisor, Clyde Warner 57, Charles Wiesler 8; treasurer, Orville Hilton 54, Steve Faculak 9; clerk, William Parsons 55, John Wieland 7; trustees (two) Warren Schoals 44 Kenneth Empey 46, George Block 10, Merrill Richardson 24; highway commissioner, Tony Faculak 40, Sam Campbell 25; justice, Guy Stutzman 52, Kenneth Sweet 12; board of review four-year term, Robert Hinklebeck 44, Joseph Stutzman 21; constable, Bob Stillwell 42, Howard Campbell 20.

Footle - Gibbons Engagement Told

The engagement of Carol Margaret Footle, to Lieut. Gerald G. Gibbons, U. S. Army, son of Dr. and Mrs. Gerald C. Gibbons of Grayling and Charlevoix has been announced by the bride-elect's parents, Mr. and Mrs. Harold P. Footle of Detroit.

The bride-elect is a senior in the literary college of the University of Michigan where she is enrolled in the English Honors program. She is a member of Senior Society, an unaffiliated women's honorary organization, and president of Helen Newberry Residence.

Lieut. Gibbons is a graduate of Michigan State College where he majored in police administration. He was affiliated with Alpha Phi Sigma, a professional fraternity. He is currently stationed with the Anti-Aircraft and Guided Missiles branch of the U. S. Army at Fort Bliss, Tex.

First Telecast Of Tiger Comes To Be April 15

Cadillac — Telecasts of Detroit Tiger baseball games will start Friday, April 15, over Station WWTW, Channel 13, Cadillac.

The Tigers will tangle with the Cleveland Indians in the video opener at 2 p.m. On Saturday, April 20, at 2 p.m. the Tigers will take on Kansas City.

Station WWTW will televise a total of 43 games during the season, including 30 home contests and 13 road tilts. There will be one doubleheader and two night games aired during the season.

Thinclads Prepare For Ellsworth Meet

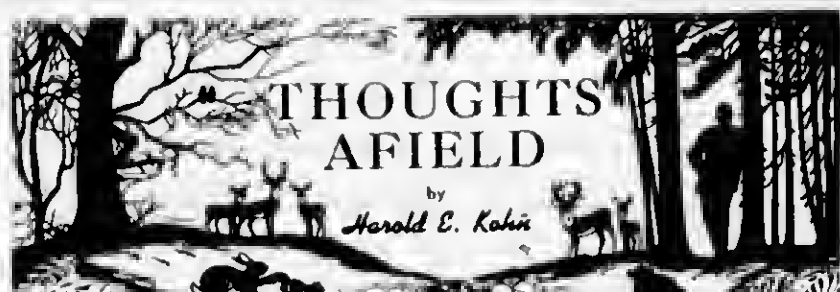

Coach S. E. Irish Coleman's thinclads have been working out daily for the past week when weather permitted in preparation for a dual meet with Ellsworth scheduled for 4 p.m. Tuesday.

Forty aspirants including several veterans have been reporting for workouts in weather that has been cold and wet most of the time. However, it is expected the team will be in fair shape for its first meet next week.

County Supervisors Will Meet Tuesday

The Charlevoix county board of supervisors will meet at the court house here at 9:30 a.m. Tuesday for their regular April session.

Reports from the various county departments will be heard, taxes equalized and a tentative budget adopted.

At the Heart of Things---Rhythm!

No marvel in all nature is more remarkable than the human heart. On the average it contracts about 75 times per minute or 4,500 times each hour, 108,000 times in a single day, and 39,420,000 times per year. In a lifetime of 70 years the heart will beat almost three billion times.

Does the heart ever rest? Yes, between beats the heart relaxes a bit. Being built almost entirely of a special kind of muscle cell that can get all the rest it needs in a fraction of a second between beats, the heart can work on and on without long rest periods. But even this amazing muscle demands some rest. Although the heart pounds 75 times per minute, it also relaxes that often, taking 75 cat naps of split-second duration.

A human body is full of heart-beat-like rhythms. A person experiences hunger and fulfillment, desire and satisfaction, sleep and wakefulness, work and rest. In this fashion he participates in the rhythmic nature of creation, where migrating birds and fishes come and go, moons wax and wane, suns rise and set, tides ebb and flow, people are born and pass away, and civilizations rise and fall.

Anyone who tries to "keep going," always on the move, working with little let-up, constantly seeking to render another service, is doomed to disappointment. Nature will not be frustrated for long. If we do not "call a halt," nature will One way or another we will rest, either by choice, or because of collapse.

On the contrary, if a person seeks all rest, all comfort, and no service, he weakens physically and morally so that when a crisis calls for strength, there is none to answer the need.

The great saints of all time have found nature's method to be God's way of handling life — through the practice of rhythmic living, which is the principle of doing first one thing and then another — working and then resting, feasting and then fasting, praying and then trying, helping their fellow-men and then getting help from God.

A vital life is one that alternates between service and spiritual devotion as the heart beats and rhythm of work and rest.

Annual Boy Scout Family Supper Is Followed By Court Of Honor

The annual Boy Scout family "night potluck supper, a highlight of the Scout program, was held at the high school cafeteria Wednesday evening with 97 Scouts, parents and Boy Scout officials in attendance.

Following the dinner a Court of Honor was held. John Bingham, James VerWys and Raymond Schultz were presented with first class badges by H. E. Bingham; George Schultz and Dan Schupert received second class badges from Herbert Campbell and Larry Cummings and John Norton, tenderfoot badges from Lawrence Foley. Mr. Bingham, Mr. Campbell and Mr. Foley are Scout committeemen.

Leonard Burns who served as master of ceremonies introduced the following officials: Troop 138 Jack Grubbaugh, Scoutmaster; Lee Moerland, assistant Scoutmaster; Bruce Bergmann, Paul Allers and Wayne Sundburg, junior assistant Scoutmasters; the Rev. Lloyd M. Senloop, who gave the invocation, the Rev. Harold E. Kohn, Harry Stewart and Mr. Campbell, troop committeemen; Ted

R. Miller, institutional representative.

Troop 11: Tip Riley, Scoutmaster; Mr. Bingham, Karl Schultz and John Norton, troop committeemen; Troop 134: Bruce Bartlett, Scoutmaster; George Farmer and David Arnold, junior assistant Scoutmasters; Mr. Foley, troop committeeman.

The film, "The Deer Herd Story", a conservation film concluded the program.

Mr. Burns announced that all Scout masters are taking a special training course; that the annual Camporee will be held at Cadillac May 21-22-23 and that five Scouts are registered for the annual Tahquamenon Falls canoe trip Aug. 1-10. They are Joe Battle and Richard Schoels of Troop 134 and Rex Davis, Ted Tunnison and Douglas Smith of Troop 138.

The program opened with the singing of "God Bless America" and the Pledge to the Flag and closed with the Scoutmaster's Benediction.

Michigan is the No. 1 producer of salt in the United States, with at least 29 percent of the nation's total salt deposits.

Scout Camporee To Be Held May 20-22 At Sleepy Holler

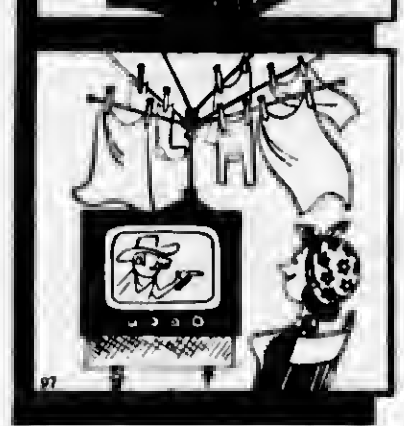

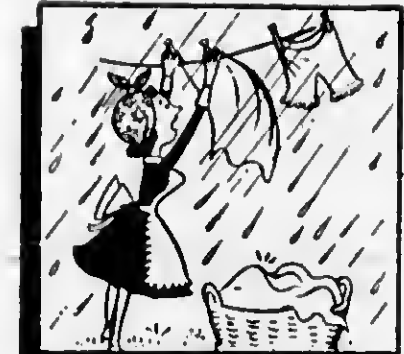

The annual Scenic Trails Council camporee will be held at Cadillac May 20, 21, 22. Dr. Kenneth W. Tinker, chairman of the camping activities committee of the council has announced.

The theme of this year's Camporee will be based on survival training, civil defense and preparedness training and will be called the "Atom-O-Ree". The theme is in keeping with the Boy Scout motto, "Be Prepared".

The Camporee will be held at Sleepy Holler, an 18-acre plot of ground one mile east of Cadillac and south of M-55.

Scouts from the 80 units throughout the Council will assemble, set up their camp, do their own cooking and participate in the various activities during the three-day event. Activities will include a parade through downtown Cadillac, pageants in the camp fire area on Friday and Saturday nights and demonstrations of Scout lore and contests.

Duane Fowler, past Council president of Cadillac, is general chairman of the Camporee and G. L. Sorensen, also of Cadillac, vice-chairman.

Larry Cull left last Friday to begin his season on the lakes aboard Str. John Bowlind.

Mr. and Mrs. Francis Ricksgers and Mrs. Betty Merry and a friend spent a few hours on the Island visiting Mrs. Joe Sendenburgh who has been on the sick list but is steadily improving. Joe Sendenburgh went back to Detroit with the Ricksgers and they took Susie Sendenburgh to Grandview in East Jordan.

Carl Felix is on the Island again with his family.

Bud McDonough left last Monday for Grand Rapids to spend a week or so.

It sure was a pleasant sight to see the U. S. Coast Guard cutter Woodbine enter the Harbor Saturday to break the ice. Hope it won't be too long before other boats are making their way in here.

Mrs. Kenny Robbins and daughter are visiting Mrs. Robbins mother, Mrs. Tom Gatliff.

Father Bernard Scheid and his

father spent a few hours Friday on the Island visiting relatives and friends.

Its all over but the shouting as far as the basketball tournament is concerned. Margy Martins team and Hubert McCauleys team won top honors. Both winning four and losing none.

Friday noon opened the season for Beaver trapping and many of the men were anxiously waiting to get their traps set and partakes in the sport.

Bob Ricksgers of Lapeer spent a few days on the Island this past week.

Mrs. Henry Karsten and Mrs. Vicki Dudley returned from Detroit and Buffalo last week.

The fifth, sixth, seventh and eighth grade pupils are publishing a school paper. From the looks of their first addition they are really going to go places.

Pvt. Patrick E. LaFreniere Jr. arrived Sunday to spend his leave with his parents, Mr. and Mrs. P. W. LaFreniere.

No other low-priced car even comes close to matching these important Chevrolet advantages . . .

If you're planning to buy a new car, the one you just can't afford to miss seeing is Chevrolet—for 19 straight years America's best-selling car. The Motorama Chevrolet offers you so much more than the other low-priced cars that it's hardly fair to compare them. And even the high-priced cars don't have all the advantages that today's Chevrolet offers you.

The beauty's built in—not bolted on! Chevrolet's beauty is inherent in the basic contours of metal and glass. There's no excessive bolted-on ornamentation to go out of style overnight.

The Body's by Fisher! You see Body by Fisher on lots of the high-priced cars—and only Chevrolet has it in the low-price field!

Today's most modern engines! That goes for Chevrolet's new V8 and two new sixes as well. All bring you a modern 12-volt electrical system—double the voltage of other low-priced cars. Then Chevrolet's new "Turbo-Fire V8" has the shortest piston stroke in the industry!

A drive to suit your driving! There's the silky, peppery Powerglide (even

better this year!), new Overdrive (both extra-cost options), and a new Synchromesh transmission that's as smooth as they come.

All the power helpers you want! Windows, seat, steering, brakes—all are available with built-in "muscles" to make driving as effortless as you wish. They're optional at extra-cost—and worth it!

Come take the key! There have never been so many good reasons why you should drive a Chevrolet!

Over Ten Million Chevrolet owners—Two Million more than any other car!

Here's why
**MORE PEOPLE
ARE BUYING
PONTIACS**
than ever before!

You can buy a big, powerful Pontiac for less than many models of the lowest-priced cars and much less than stripped economy models of higher-priced makes!

Compare this price!

\$2,181.60

Biggest car at this price (1955 wheelbase) 180 horsepower. Only car at any price with distinctive Vegas Two-Tone Styling and the riding and driving ease of the torsion-free, Shock-Proof Chassis.

860 2-door 6-passenger Sedan illustrated. State and local taxes, if any, extra, as are white sidewalls and two-tone color. Price may vary in surrounding communities due to freight differential.

You don't have to look far to find the reason for the tremendous surge to Pontiac. No further than the fact that only Pontiac produces cars that compete with the costliest in size, smartness and power, yet carry a price tag that is well under many in the lowest-price field.

That's what brings people in to see and drive a Pontiac—a value story they simply can't afford to overlook. And once they do—once they get a close-up of America's most distinctive styling . . . once they sample the superlative roominess and comfort of

Pontiac's luxury interiors . . . once they try the pulse-racing thrills of exclusive Strato-Streak V-8 performance—they lose interest in every car but this.

Come in and get the rest of the story. See, drive and price this high-powered future-fashioned beauty. You'll find that if you can afford any new car you can easily afford a Pontiac.

Cadillac

Finest Hour of the Twenty-Four!

He's traveling his favorite highway behind the wheel of his favorite car—and he's about an hour out from his destination.

What a happy prospect for a happy hour!

Imagine, for instance, the marvelous rest and relaxation it will bring him.

He'll just sit there with his hands resting gently on the wheel... cradled by those deep, soft cushions... and with the soft sound of the wind for a lullaby.

And insofar as his driving is concerned—well, what could be more restful! The car's every movement will be regulated by the merest touch of toe and hand. Steering, for instance, will be little more than a gesture... and braking will require only the gentlest pressure on the pedal.

And what a wonderful time it will be to think and plan! For his mind will clear and his spirits will rise with each passing mile.

Yes, he's about to enjoy one of the finest hours of the whole twenty-four—and it may even be one of the most profitable!

In fact, many of America's foremost executives will tell you that some of their wisest business decisions have been made at the wheel of a Cadillac.

As you might have gathered, you've been missing out on something wonderful if you haven't treated yourself to an hour in a 1955 Cadillac.

That's why we say—come in soon and take a "sixty-minute vacation" in the "car of cars."

The keys are waiting for you—and you'll be welcome at any time.

'Knights Of The Round Table' Is Cub Scout Award Meeting Theme

"Knights of the Round Table" was the theme of the Cub Scout pack meeting held Thursday evening at the Church of God Fellowship hall. More than 50 parents and friends attended the meeting.

The majority of Cub Scouts, wearing the 'coats' of armor and helmets they had made as den projects and carrying individually designed shields and crowns assembled for the pack meeting with King Arthur, played by Cubmaster Frank Oleksy, 'knighting' each Cub as he received his award. Bruce Kroken as the page boy presented the awards to King Arthur and lighted the candles on the Cub Scout board which held a candle for the Cub Scout motto, the pledge and the four steps of cubbing. A clever narration following the Round Table theme was written and narrated by Glenn Snider, advancement chairman.

Jack Stewart received the top award in Cubbing, the Webelo, and was advanced to the Boy Scouts. Clifford G. Riley, Scoutmaster of Troop 11, accepted him into Scouting.

A skit was presented by Den 4 for the entertainment of the group.

As a climax to the pack meeting the Den Mothers, Mrs. John Kroken of Den 1; Mrs. Jeff Novotny of Den 3; Mrs. E. D. Hawley of Den 4; Mrs. Lloyd Barnett of Den 5 and Mrs. Franklin Ochs of Den 6 received Den Mother pins. Mrs. Larry Tuomela and Patricia Murray accepted the pins in behalf of Mrs. Novotny and Mrs. Barnett who were absent. The Den Mothers were escorted before King Arthur by their respective Den Chiefs, John Martin, John Bingham, James VerWys, Raymond Schultz and Douglas Smith to receive the pins. Douglas Smith and Raymond Schultz were also presented with Den Chief cords.

Cub Scouts who participated in the impressive ceremony, their den and the award each received follow: Den 1, Stewart VerWys, bear and gold arrow, John Pearl, Dan Pearl, Bruce Kroken, Gary Zeitler, Bill Dohm, Herbert Cummings, Douglas Johnson and Jimmy Zeitler; Den 3, David Novotny a gold arrow on wolf badge, John Tuomela, bear badge, Lewis Poole, Jerry Drost, Lamont Edson, Rex Schupert, Jimmy Holmes, Lewis Terr and Buddy Ryder.

Den 4, Jack Stewart who was advanced to Boy Scout status after receiving the Webelo, Jimmy Stewart, bear badge, Franklin Curtis gold and silver arrows on bear badge, Tom Hawley, bear badge, Larry Edwards, gold arrow on bear badge, John Ochs, Robert Odmark, bear badge, and Charles Mort; Den 5, Andy Carey, Ricki Miller, Bob Meston and Dewey Bruce, who all received wolf badges, Bruce Murray, gold arrow and service star, Robert Barnett, bear badge with gold and silver arrows, Howard Majors, Melvin Russell, Melvin Holburn, wolf badge, and Douglas Russell.

Den 6: Richard Odmark, Charles Duerr, service star, Steven Bergmann, Clyde Allison, Stanley Martin, service star, Henry Wagner, two silver arrows on Wolf badge and the bear badge David Beaudoin, bear badge with one gold and two silver arrows.

Den 2, which has not had a Den Mother, attended the pack meeting. Members are: Tom Oleksy, Michael Gallagher, Joel Greenway, Tommy Browe, Gary Moore and George LaBlance.

Intramural Tournaments End Reign Of 'King Basketball' For Season

King Basketball ended his reign last week with the annual intramural basketball tournaments which were played off during the week.

New champions are the Seventh grade in Class A; Snider's Sixth grade in Class B and Moeller's fourth grade in Class C.

The big game was the Class A finals Friday noon when the Seventh grade team won over Mike Genet's eighth grade squad 25-21 in an overtime game after the regulation game had ended 21-all.

As has been the case in so many games all season, the underclassmen won the championship on the free throw line after both teams had scored eight field goals apiece. The upper classmen connected on five of 13 free throws while the victors hit on nine of 16 for the title.

The game was tied 4-4 at the first period ended but the eighth grade went ahead 10-9 at the half and 15-10 at the three-quarter mark before the Seventh grade caught fire and outscored the upper classmen 11-6 to tie the score 21-all as the final horn sounded. In the overtime David

Schuchard scored three points and Jim Ladd a free throw for the four-point victory.

Schuchard paced the scoring with nine points followed by Bruce Pease with seven for the victors. John Bingham tallied six and Scott Supernaw and Mike Genet five points each for the eighth grade.

In the semi-finals played off on Wednesday and Thursday, Genet's eighth grade team defeated Balch's eighth grade team 18-8 and Burns' seventh grade won over Aldrich's seventh grade 13-11. In the Class A finals the seventh grade was allowed to combine the best players on both teams. This policy also was followed in both the Class B and C finals.

Class B Games

In the Class B finals Snider's sixth grade defeated the combined fifth grades 10-6 for the title. The victors led all the way with Jimmy Dennis pacing the scoring with six points. Stan Martin tallied five for the losers.

In the semi-finals, Snider's sixth grade won over Tuomela's sixth grade 6-5 and Courier's

Red Cross Fund Drive Goes Over

Charlevoix went over the top in its annual Red Cross fund drive, Mrs. Alfred Brow, local chairman, announced Tuesday.

A total of \$1,107.24 was contributed during the annual fund drive, Mrs. Brow said. This includes the city proper and the surrounding rural districts.

In making the announcement Mrs. Brow expressed her appreciation to the generous contributors, particularly the summer residents, and to the volunteer workers who joined forces to make the drive a success.

fifth grade defeated Richards' fifth grade 8-6.

Class C Games

Moeller's fourth grade defeated the third grade 19-0 to capture the class C title. Randy Bricker led the scoring for the victors with six points.

In the semi-finals Moeller's fourth grade defeated Snider's fourth grade 4-2 and Novotny's third grade won over Badger's third grade 6-0.

The height advantage plus another year's experience were the deciding factors in both the Class B and C games.

Athletic Teams, Coaches Honored At Banquet Here

Charlevoix high school athletic teams and their coaches were honored Monday night at the second annual All-Sports banquet at the V.F.W. post home. The popular event was sponsored by the V.F.W. post and the Knights of Pythias.

Forty-five members of Rayder football, basketball and track teams were introduced at their respective coaches, Del Terrill and S. E. Coleman.

The Rev. Harold E. Kohn, as toastmaster spoke briefly on sports and entertained the crowd of more than 200 with his remarks and stories. Among the guests were the members of the Kiwanis club who held their regular meeting at the banquet.

Entertainment included several selections by the Croons, Terry Davis, Quint Walker, Joe Etienne and Kit Carson, pantomime artists and the films of the Michigan-Michigan State football game with Jim Bowman of the Michigan squad as narrator and the Pro-Sports highlights for 1954 shown through the courtesy of Edwards Food Mart.

New Service For Photo Finishing Is Now Offered

A new 24-hour photo-finishing service will be offered by Schroeder and Hovey Drug effective at once. John Schroeder, store owner, has announced.

The photo finishing will be done by the Northland Photo Service of Gaylord, commercial photo-finishers owned and operated by C. M. Kuhn.

The plant, opened recently in Gaylord, has \$15,000 worth of equipment which is designed to take the guess-work out of photo finishing.

Film will be picked up daily except Sunday at approximately 2:30 p.m. at the local drug store and returned at the same hour the following day.

Many historians claim that the 1844 discovery of iron ore in Negaunee in northern Michigan was of far greater importance to the economic and industrial development of America than the California gold rush several years later.

Should Prepare Now For Setting Out Strawberries

If you're going to set out strawberry plants this spring, now is the time to get ready for the job, suggests Charlevoix county agricultural agent Ed Reberman.

Agent Reberman points out that strawberries should be set as soon as the soil can be worked. He passes along some of these tips from Harry K. Bell, Michigan State College horticulturist.

Early planting this year will result in bigger crops of strawberries next year, predicts Bell.

Here are some additional tips: Most growers set their plants 18 to 24 inches apart in rows spaced 3 1/2 to 4 feet apart. Plants should be set with the crowns flush with the soil surface, and the soil should be firmed well around each plant.

A good starter solution, high in phosphate, such as 10-52-17, 15-52-9, or 10-50-10, will get new plantings established quickly. They should be used according to manufacturers directions on the package.

Blossoms should be removed as they appear . . . usually removing them about once a week will do the trick. Runners will be reduced in number and yields decreased next year if blossoms are left on the plants.

Big news about

Buick's 4-Door Riviera

THIS brand-new kind of automobile—the sensation of all the Auto Shows this year—is now rolling off the Buick assembly lines in volume numbers. That's the first news.

And the second is just as wonderful—this dramatic new model is very definitely everything that eager buyers hoped it would be.

For the 4-Door Riviera is the first "hardtop" ever available with separate doors for rear-seat passengers—plus rear-compartment room big as a Buick-size family sedan.

It comes breezing in with all the low-lined sweep and wide open visibility of Buick's original 2-Door Riviera—and with luxurious new spaciousness in

its sizeable and full-length 4-door body.

With windows down, no posts appear for the rear doors, and you get a completely unobstructed view at both sides.

You find rear doors are hinged at their front edges to swing wide and free, and assure easy entrance and exit.

And you'll find legroom, headroom and hiproom extra-generous both front and rear—with interiors tailored in fabrics and patterns specially reserved for the 4-Door Riviera.

Best of all, this new Buick beauty comes off the line in both the low-price SPECIAL Series and the high-powered CENTURY Series.

So you can pick your 4-Door Riviera with the potent performance of a 188-hp or 236-hp Buick V8 engine—the swift getaway and gas saving of Variable Pitch Dynaflo®—the velvet stride of the Million Dollar Ride—the long list of Buick bonus features at no extra cost—and all at "great buy" prices that have helped move Buick into America's "Big Three" of best sellers.

But—better come see us about the 4-Door Riviera now.

With all-out production—and a prompt order—this newest excitement in cars will be yours that much sooner.

*Dynaflo Drive is standard on Roadmaster, optional on other Buick models.

Junior Class To Present Play, "My Little Margie" On April 15

The Junior Class of the Charlevoix high school will present the three act comedy, "My Little Margie", at the high school auditorium Friday, April 15.

The play, adapted for the stage from the famous television program of the same name, will feature Jean Stockwell in the title role.

The comedy tells the story of Margie, a girl with so much mind-of-her-own that other people are apt to lose their heads. Her father, Vern, played by Kit Carson, whose major problems are Margie and her boy-friend, Freddie, (Martin Johnson), a young man

with normal common sense, except where Margie is concerned.

When Vern's boss, Mr. Honeywell, (Joe Etienne), insists on a lengthy trip to Indo-China, Vern is horrified for he has visions of Margie marrying Freddie in his absence. Margie, however, learns of the projected trip and is determined to go along.

Vern's solution nearly lands him in the unemployment office especially when Margie looks for a way out herself and both plots come to a nearly-disastrous conflict.

In the supporting cast of the play, which is directed by Mrs. Donna Hamilton, are Roberta (Joan Heilig), an attractive career-woman whom Margie likes but hesitates to welcome as a stepmother; Mrs. Odette, (Marylee Baker), the nice old lady across the hall whose idea of aging gracefully is to keep moving faster, preferably on roller-skates; and Sir Saiyid Nasif (Quint Walker) the handsome potentate whom Margie threatens to marry.

Others in the cast are the nurse, (Janet Crump), the secretary, (Carolyn Stoll), Madame Nasif (Jill Stewart), the assassin (Walter Poquette) and Bill the elevator man, (Charles Pierce).

Tickets for the production which will be presented at the high school auditorium at 8 p.m. Friday, April 15, are now on sale by members of the Junior class.

Spring Pistol Matches Start At Rod-Gun Club

Plans were made Tuesday night by the Charlevoix Rod and Gun club to run a six weeks spring pistol match on the indoor range. These shoots will be held each Thursday evening beginning next week.

Line-up of the teams for the spring match will be announced next week. Adults interested in entering the match may register at the shoot next week. In arranging team line-ups the individuals past average is taken into consideration and assignments are made to have the teams as evenly matched as possible.

World in Review

PRESIDENT Eisenhower is reported to have directed American forces to stand clear of fighting that might break out in the Far East area until he can assess the extent and intent of any initial Chinese Communist attack.

REPORTS from Washington this week indicate the 1954 recession is over. Every significant business indicator is on the rise and has been for several months.

THE WHITE HOUSE has decided to step up its campaign to provide more Federal jobs for Republicans. The move is in answer to repeated demands from Republican congressmen and state officials for more jobs-for-the-party faithfuls.

HISTORIC News broke this week with the report that the new 1955-model Salk polio vaccine has been proven safe, effective and powerful in preventing paralytic polio. The vaccine in mass tests last year proved its ability to prevent up to 90 percent of cases.

American Motors Names New Dealer Agency For Area

The Charlevoix Hudson Sales and Service and the dealer franchise for Nash and Hudson automobiles has been taken over by Bud Klooster and Howard Audekirk, it was announced Tuesday by Mrs. Johanna Moore who has operated the business since the death of her husband, in 1953.

Mr. Klooster and Mr. Audekirk will continue to operate, the sales room and service garage under the same name.

Under the dealer franchise with American Motors, the Charlevoix Hudson Sales and Service will sell the new Nash Rambler, Hudson Hornets and Hudson Wasp. New models of these cars will be on display in the show room in a few days, Mr. Klooster stated.

Both members of the new partnership are experienced automotive service men and will continue to operate a service department in conjunction with the sales room. Mr. Klooster has been with Hudson garage here since 1948. Mr. Audekirk came with the firm in 1952.

Frank F. Bird Will Sell Real Estate

Frank F. Bird, who has been associated with the real estate business for the past two years, has received his broker's license and is now eligible to operate his own business.

His office will be located at his home at 409 Antrim st.

Dale Hornung To Speak Here Friday Night

Dale B. Hornung, public relations director of the Michigan United Fund, will be in Charlevoix Friday night to speak at a meeting to be held at the court room of the courthouse here at 8 p.m. Robert Lieberman, chairman of the Community Chest committee, has announced.

A special invitation has been extended not only to members of the Community Chest committee, but all residents of the community who are interested in fund drives. Main purpose of the meeting will be to acquaint the public with the United drive.

Fund chairmen from surrounding areas have been invited to attend and relate their experiences, Mr. Lieberman said.

Mr. Hornung, who is probably better known as Dale McIntyre of radio station WJR, will be flown to Charlevoix by the Continental Motors Corp. at their expense for the meeting. Mr. Hornung was public service director for the station until his recent appointment to the United Fund post.

In announcing the meeting, Mr. Lieberman emphasized the importance of this meeting and urged that everyone interested in fund-raising projects attend the meeting in the court room at 8 p.m.

Plans Made For Administering Of Salk Vaccine

With the words "It is safe, effective and potent", the results of the Salk vaccine tests were announced in Ann Arbor Tuesday morning.

As a result of this survey, the vaccine will be administered to all first and second grade pupils in public and parochial schools through the cooperation of the Michigan Department of Health No. 3 and the local doctors.

A tentative program has been discussed and a schedule for the administration of the vaccine is expected to be forthcoming within the week. When it is available, the Charlevoix Courier will cooperate with the District Health Unit and Medical Society in publicizing their decision in regard to the program.

Rev. W.N. Carr Resigns Baptist Church Pastorate

The Rev. W. N. Carr, pastor of the First Baptist church here for the past 2 1/2 years, has resigned the pastorate and with his family has gone to Detroit to make his home.

In announcing his resignation, Mr. Carr said that he planned to continue his studies on his master of arts degree and was moving to southern Michigan to be closer to Wayne University where he plans to enroll in the near future.

He preached his final sermon Easter Sunday and concluded his service here with a Singspiration Sunday evening.

In his farewell sermon, Mr. Carr thanked all those in the city and in his parish who made his stay in Charlevoix both pleasant and profitable.

The Rev. Mr. Carr accompanied by his wife and family left Monday for Detroit where he will continue to be closely associated with parish work while attending Wayne University.

Father-Daughter Banquet Will Be Held April 21

The annual Girl Scout Father and Daughter banquet will be held at the Charlevoix high school gymnasium at 8:30 p.m. Thursday, April 21, Mrs. Lester Smith, president of the Girl Scout Council has announced.

Mrs. Robert O. Bergmann has been named general chairman of the event.

Fathers of all Girl and Brownie Scouts or invited guests will attend the dinner with their respective daughters.

Each troop will plan its own menu and decorate its own table. Everyone must furnish table service and bread and butter.

Track Team To Take On Boyne City Friday

Coach S. E. 'Irish' Coleman's 1955 track and field team made its initial appearance Tuesday in a dual practice meet with Ellsworth.

The Rayder thinclads will host the Boyne City team in a dual meet here set for 4 p.m. Friday.

The Charlevoix team racked up nine firsts in the 12 events run off Tuesday with other Charlevoix participants taking their fair share of other places in the meet.

Coach Coleman sent the following trackmen into the following events Tuesday: shot put: Gary Vandenberg, Joel Arvilla, John Cannolly, Dick Elzinga and Larry Ingalls.

Pole vault: Guy Swanson, Charlie Dennis and Joe Etienne; mile: Jerry Schupert, Stan Harwood and Norm Cook; 88 yd. run: George Farmer and Wayne Sundberg; quarter mile: Tom Swanson, Connolly and Ivan Parsons; 220 yd. run: Terry Davis, Gene Towsley and Ronnie Anderson.

Broad jump: Tom Erber, Schupert, Quint Walker, Kenny Balch, Vandenberg and Towsley; 88 relay: Davis, Erber, Ray Kolker and Vandenberg; low hurdles: Walt Vouquette, Clay Walker, Bob Mol and Larry Smith; high hurdles: Gary Smith; 100 yd. dash: Bill Kolker, Ray Kolker and Kit Carson; high jump: Gary Smith, Quint Walker, Dwan Walker, Balch and Guy Swanson.

Coach Coleman said the boys looked good considering the short practice sessions to date but that there was plenty of room for improvement.

Paul Mousseau Dies Following A Brief Illness

Paul M. Mousseau, 59, Marion township farmer, died late Wednesday at the Charlevoix Hospital following a brief illness. He had been hospitalized for two days.

Funeral services were held Saturday afternoon at the Pontius Chapel with the Rev. E. F. Denay of St. Mary's church officiating. Burial was in St. Mary's cemetery. The Rosary was recited at the Chapel Friday evening.

Born in Huron county Aug. 7, 1895, Mr. Mousseau was married to former Anna Melhargie in Detroit in 1920. He resided in southern Michigan until 16 years ago when he moved to his present home in Marion township.

He was a member of St. Mary's church.

Besides his wife he is survived by two daughters, Mrs. Phyllis Loucks and Mrs. Helen Joles of Detroit; two sons, Bernard of East Jordan and Robert of Charlevoix; seven grandchildren; his mother, Mrs. Josephine Mousseau of Bad Axe; five brothers, Charles, Amos, Albert, Fred and Robert, all of Detroit and three sisters, Mrs. Mabel Marx and Mrs. Irene Robinson of Detroit and Mrs. Prudence Quinn of Galesburg, Mich.

Grey Gables Opens For Season Monday

The Grey Gables Inn located at 308 Belvedere ave. will open Monday for its ninth season under the management of Mrs. Russell Dundas.

The popular resort hotel and dining room is opening for the convenience of early visitors to the city and will continue to operate through the summer and early fall.

Mobile X-Ray Unit To Visit City Next Week

Free x-ray will be available to all residents of the Charlevoix area Tuesday and Wednesday of next week, Dr. A. F. Litzenger, director of district health department No. 3, said this week.

At that time the mobile x-ray unit will be brought here through the cooperation of the health department and the Michigan Tuberculosis Association.

The unit will be located at Schroeder and Hovey drug at the corner of Bridge and Masans st. from 2 to 8 p.m. Tuesday and 10 a.m. to 6 p.m. Wednesday.

A corps of volunteer workers have been organized by Mrs. Keith Miles, school and community nurse, to register those applying for x-rays and to assist with the clinic. The mobile unit will have its own trained personnel which will accompany the unit here.

Why x-ray? is one of the questions most asked. The answer is an easy one: tuberculosis is an under-curve operator. It sneaks up on you with no warning symptoms. The modern x-ray can track down tuberculosis in its early stages when it can be most quickly cured.

Having an x-ray is easy: there's no undressing, you take a deep breath, hold it and the 'picture' is taken.

So plan now to avail yourself of the opportunity for a free x-ray when the mobile unit visits Charlevoix Tuesday and Wednesday.

County's May Draft Quota Set At One

Charlevoix county's draft quota for May has been set at one draftee, Mrs. Eleanor Left, clerk of the draft board, has announced. No one will be called for pre-induction physicals.

On Monday Donald G. Kerr and Ray A. Garlinghouse of Boyne City left for induction to fill the county's April draft quota. Kerr was a volunteer.

ODDS 'N' ENDS

By Fran Martin

DID YOU ever see a nicer Easter in Charlevoix? Neither did we and most people we know haven't yet recovered from the shock of a warm, sunny day when everyone could wear their new spring finery to church without fear of freezing to death or having it ruined by the rain. . . . It was truly a beautiful day with temperatures well into the 70's except near the big lake and lots of wonderful sunshine. Everyone, young and old, enjoyed it thoroughly. . . .

IF WHAT we've been enjoying the last few days is spring then we're all for it. . . . and feel that it was all worth waiting for. . . . On Sunday some of the early birds were seen out on the municipal golf course getting in a few practice shots in preparation for the summer season. . . . On Tuesday, and again Friday, Charlevoix has scheduled track meets. . . . always a sure sign of spring. . . . And a report of the first arbutus came from Mrs. Robert Miller who returned from the Traverse City area with a few sprigs of the lovely spring flowers. . . .

SO ALL you birds who went south for the winter, you can leave for home most anytime now. . . . We can't have many more snowstorms before summer is here. . . .

Incidentally, do you know that there're only eight weeks of school left? . . . Just in case you got the idea we were rushing the season a bit. . . .

AND speaking of those people who went south for the winter, in a recent copy of the weekly guide of the Palm Beaches, was a picture of one of our northern residents, Mrs. Elmer (Cornelia) Barber, who with her electric organ was a huge success at Busch's South Florida Seafood Restaurant and Bar located near Delray Beach. . . . She and her husband will soon be coming home, we understand, after a most successful season in the south. . . .

AS THIS is being written, we like everyone else, are awaiting the decision on the Salk vaccine and what it will mean in the prevention of crippling polio. . . . Like everyone else we pray that long and sometimes seemingly hopeless years of research will be rewarded. . . . We can't help but feel that it will be and that within the month the first and second graders in our schools will be receiving the first series of shots. . . . But don't forget that the entire program has to be worked out on a scale so immense that it seems impossible to find a feasible way. . . . So, for heaven's sake, be patient. . . . Every doctor is anxious to do his utmost to bring the program about but he can't perform miracles. . . . He, like everyone else, must await the final decision on the vaccine, and then wait for the limited supply to be offered to the first and second graders to arrive. . . . We're certain that the doctors in this area will have something to offer their patients but it won't be tomorrow or the day after so don't swamp them with calls. . . . When it's available, you will be told about it. . . . Just take a little

time out to be grateful, if the vaccine proves a success, that it will be available at once when and if it's needed. . . . And in the meantime those in the medical profession will do their best by you. . . . as they always do. . . .

IN A recent Sunday magazine section of a Detroit newspaper was a story, a most interesting story, we might add, about one of our summer residents, Clyde Wixom whose summer address is 404 Park ave. . . . And what did this man do to rate a story in the Free Press? . . . He's a lover of circuses and is doing his best in his Detroit home to keep the memories of the old-fashioned circus alive. . . . He has calliope in the basement recreation room, pennants on the porch and those wonderful old circus posters on the walls of his home. . . . It all started with his grandfather, Mat Wixom, who gave up a lucrative business to go into show biz. . . . the show 'went under' in the financial crisis of 1893 but recovered enough for young Clyde to get the feel of it before the show closed for good in 1907. . . . For a while Mr. W continued with Hagenebeck-Wallace as an advance man and later turned to other things but in his heart he's still a circus man. . . . Like the doctor said about him when he examined him recently "You have the strangest blood I've ever seen. It looks a little like sawdust". . . . a statement that would be quite a shock to some patients but not to Clyde Wixom who counted it as quite a compliment. . . . In a recent letter, Mr. Wixom told us a couple of things we never knew. . . . that Ed Laskie would remember the Mat Wixom circus and that Doc Stoddard who spent the summer here a couple of years ago was once a clown with the Wixom circus. . . . and a good one too. . . . Incidentally, whatever happened to Doc? We missed him last summer. . . . And as for Mr. Wixom we're looking forward to meeting him this summer. . . .

AND IN the mail this week, more letters from more of our travelers. . . . From the Ken Smith and their youngsters, Rusty and Julie, a couple of cards from the Smokey Mountain area where they're enjoying a vacation trip before settling down for the summer at Camp Charlevoix. . . . The trip, however, will last only a week or so while the kids are on vacation. . . . They're already visited Gatlinburg and were going on to National Park in the Smokeys. . . . Can you imagine anything more beautiful than the Smokeys in spring? Don't know whether they happened to meet or not, but Helena Isaksen, Mrs. Ruth Miller, a couple of Charlevoixians who are in Ann Arbor for the school year, along with two friends took a trip to the Smokeys during the spring recess at the University. . . . They were also visiting the same spots the Smiths were. . . . That, to our way of thinking, is a real vacation. . . .

AND FROM Miami, Fla., a note from the Charlie Martinis who plan to start home about May 1. . . . The early part of the winter they spent some time on the west coast of Florida and are now in the Miami area but Charlie writes that "the town's too big". . . . From Daytona, a card from Mrs. R. J. Nowland who is spending some time there with Mrs. Sadie Oldham. . . . Like everyone else they're enjoying the weather and waiting 'til it warms up in northern Michigan before heading

Sermonette

A Message for You

Rev. Lloyd M. Schloop, Pastor First Methodist Church

The train was making its way by innumerable switchbacks and tunnels from the coast of the Pacific to the crest of the pass through the Andes. In about seventy miles it climbed to almost 16,000 feet. Oxygen was available for those who had altitude sickness. Everyone was impressed with the overwhelming magnitude of things. They were just too big to catch on film. And, of course, the passengers talked. The unusual nature of the trip drew the strangers together and made them feel like friends.

One asked, "Who in the world ever engineered the building of this railroad through the mountains?" "Oh," replied his seat companion, "It was a 'go-ahead yankee' from North America. It is quite a story. He fought the fatal veruga and the mountains and won. But he died in disgrace for his dishonest financial deals."

A young engineer headed for the mines spoke up, "The railroad is nothing compared to these mountains and the valley of the Rimac. The Andes are young mountains still rising from the ocean. But this valley was carved out by the river over a period of a million years. Man doesn't amount to much compared with those stones," he said, pointing out the train window. "We die, but they last on."

Then his companion spoke, "It certainly makes you feel small. But, in a way, man is greater than those cliffs. Because he thinks about them and about the magnitude of the heavens. To tell the truth, this trip fills me with wonder for the Creator who made all of this. Just think of the power and intelligence it took to make this world!"

The engineer was silent a moment and then he said, "How do you know it didn't all just happen?"

His companion replied, "Perhaps I don't 'know' in the sense you are thinking. But it certainly is hard to believe the universe just happened. I wouldn't believe that about your watch, say nothing about these mountains."

"Yes, I guess you're right. All of us tend to believe in some kind of God. But that is just it. What is he like? That's the tough one."

"It certainly is," came back the reply. "I doubt that we should ever find the answer by examining those rocks. Or by looking at the heavens. We just don't know. Nature is a puzzle. Right here in Peru we have orchids and earthquakes, boa constrictors and beautiful beaches, and mothers and murderers I think you've guessed I'm a churchman. Well, in I Corinthians Paul writes, '... the world did not know God through wisdom.' That is it didn't know what he is like or how to worship him. That, he says comes '... through the folly of what we preach.'"

"That is all well and good," said the engineer. "But how did Paul know? How does any preacher know what God is like?"

"Certainly," said the minister, "you will agree that preachers are not just smarter than other folks! We are just messengers sent to say, 'I have a message for you.' Paul wrote, 'For I delivered to you as of first importance what I also received. . . . Then, speaking of his own Christian experience, he appeared also unto me.' The Christian has a vital experience of the living Christ whose life on earth tells us about God. You see, the message is Christ. He is God's Word about himself lived in human flesh so that we can understand it. The record of it all is in the Bible. It tells about the cross where man does his worst and God his best. It tells about an empty tomb. It is a great invitation, and a great divider of men. In Jesus love triumphs. In Him is victorious. Sins and death are defeated."

"We don't need to say with a sigh, 'Let us eat, drink, and be merry for tomorrow we die.' If we follow Christ, we share his triumph. 'Thanks be to God who gives us the victory through our Lord Jesus Christ.' If I don't watch out, I'll be preaching you a sermon!"

The engineer gathered his baggage to leave the train. "That's a big message," he said. "Honestly, I'm going to read about it in the Bible. I didn't realize that was in the Sunday School stories I heard as a kid."

Junior Class To Present Annual Play On Friday

The presentation of the annual Junior Class play, "My Little Margie", at the Charlevoix high school auditorium at 8 p.m. Friday night will conclude the major activities of the class during the current school year.

Directed by Mrs. Donna Hamilton, a cast of 12 will appear in the popular three act comedy which first gained prominence as a radio and television program. Appearing in the cast will be Jean Stockwell, Martin Johnson, Kit Carson, Joe Elienne, Joan Heilig, Marylee Baker, Quinton Walker, Janet Crump, Carolyn Steel, Jill Stewart, Walter Poquette and Charles Pierce.

Assisting in the presentation of the play will be the following committees: properties, Jill Cross, William Kolker, Vicky McClure, and Wayne Sundberg; make-up, Merrie Case, Sandra Kaunitz, and Wanda Ward; stage settings, Paul Allers, Charles Dennis, George Farmer, Paul Foster, Charles Pierce and Richard Sanford. Tickets, Barbara Burley, Guy Swanson, Karen Thrasher and Garry Vandenberg; publicity, June Elzinga, Artis Geer, Yvonne Hulise and Jim Haggard; programs, Alice Harvey and Rosemary Schools.

Susan Crump and Joan Roberts will serve as prompters; ushers will be Sharon Belding, Connie Mayfield, Betty McDermott, Jerry Siebe, Howard Steen and Joyce Wojan.

Susan Crump will also welcome the theater-goers.

A NEW KIND OF AUTOMOBILE INSURANCE AT SURPRISINGLY LOW COST . . .

MOTORIST'S Personal PROTECTION PLAN

APPLIES IN ANY AUTO ACCIDENT IN THE U.S. OR CANADA NO MATTER WHO IS AT FAULT OR WHETHER THE OTHER DRIVER IS INSURED.

The Travelers, the first company to write Automobile Liability insurance, is proud to be the first to offer this new protection as an addition to its Automobile Liability policy.

There are two important features in The Motorist's Personal Protection Plan:

Total Disability coverage
Death Indemnity coverage

Here's why the Plan is needed:

1. Personal Insurance such as this Plan affords is the only way the insured can protect himself when no one else is at fault.

Every year thousands of people are killed and injured in automobile accidents in which the car runs off the roadway, overturns, collides with a fixed object or is in some other accident not involving collision with another car. In almost all such accidents, the driver is the only one at fault.

2. Personal Insurance such as this Plan affords is also a means by which the insured can protect himself when someone else is at fault and the other person is not adequately insured or is uninsured.

Details of benefits and exceptions and information on how you may qualify for the Plan are contained in our pamphlet, "The Motorist's Personal Protection Plan." Ask us for a copy.

Tickets For Annual Minstrel Show To Go On Sale Next Week

Tickets for the third annual Northland Minstrel sponsored by the Band Parents Association will go on sale early next week. C. A. Odmark, general chairman of the event which will be presented April 28 and 29, has announced.

All band parents will have tickets for sale and everyone is advised to purchase their tickets at the earliest possible date.

Another hilarious star-studded show, which has become one of the highlights of the spring season, is promised again this year. End men will be played by Larry "Lightnin'" Grate, Bob "Itastus"

Ann Ratigan Is Member Of Lake Worth Swim Team

Anne Ratigan, a Charlevoix Shamrock who is spending the winter in the south, is one of two high school freshmen who won berths on the regular Lake Worth, Fla., Varsity swimming team.

She has not only figured in every scheduled meet this season but is also one of the few team members, girls or boys, to score in two individual events, the 50-yd. free-style and 100-yd. free style, against powerful Fort Lauderdale, the state champions.

Anne also was the only freshman who swam for the Lake Worth Swimming Association in the recent Florida A.A.U. Senior Women's Swimming-Diving championships at Palm Beach. She had the thrill of competing against such Olympic, Pan-American and National title-holders as Carolyn Green, Cynthia Gill and Helen Greenlaw of Fort Lauderdale and Sharon Eshom and Nancy Ramsey of Seattle, Wash., in the record-breaking free-style in which a new state record of 1:01.1 was set.

She is the daughter of Mr. and Mrs. William Ratigan of this city who have been at Lake Worth since mid-January.

Neff, Mike "Bones" Hamlin, Joe "Sambo" Williams, Karl "Cueball" Erber and Buck "Mushmouth" Seymour. They will exchange wise cracks with the elegant master of gobble-de-gook, Interlocutor Charlie Duerr.

Adding to the organized confusion will be the major-domos, the chief ushers of last year's production, Barney Englehart and Art Ranger.

Several favorites of past shows will appear again this year. These include "Satchel Pants" Steve Patarka and his inimitable soft-shoe routines; the dancing artistry of the Dancing Creeds, Rod and Betty; the golden-tenor voice of Del Terrill, the singing cop and the star of the Bellare Minstrel Chet "Amos" Maltby . . . they'll all be there to tickle your funny bone.

In addition several new speciality acts are being planned. Plan now to attend the show on Thursday, April 28, and chances are you'll return on Friday, April 29.

Drew Young Is Named To Federal Appraisers Panel

Drew E. Young, city assessor here, has been advised by the U. S. Government's General Services Administration that he has been made a member of the panel of contract appraisers for appraisal work as may be required by the General Services Administration to appraise its surplus real property and other holdings.

Mr. Young is the only member of the American Institute of Real Estate Appraisers in the lower peninsula north of Muskegon. He has done much evaluation work in northern Michigan including appearances as an expert witness on real estate value in numerous court cases on condemnation proceedings for the Michigan State Highway Department and other agencies.

Red Cross Fund Drive In County Is Over The Top

The 1955 Red Cross fund drive in Charlevoix county has gone over the top, the Rev. Forrest Mohr of Boyne City, fund chairman, has announced.

The fund campaign which was conducted throughout the county during the month of March netted a total of \$3,690.00 with reports from several communities still incomplete, Mr. Mohr said. The 1955 quota for the county was \$3,275.

In Charlevoix and the surrounding area, the drive brought in \$1,127. Mrs. Alfred Brow, local chairman reported.

Elsewhere in the county \$1,313.00 was contributed in Boyne City; \$997 in East Jordan; \$101.00 in Wailoon Lake; \$62.45 in Iron-ton, where Mrs. Ross Alexander was chairman. Reports from Beaver Island and Boyne Falls are not complete at this time.

Both Mr. Mohr, county chairman and Mrs. Brow, local chairman, would like to express their gratitude to the public which responded so generously and to the volunteers who gave of their time and efforts to make the 1955 fund drive a success.

New Kiwanians Give Talks At Monday Meeting

Recently installed members of the Charlevoix Kiwanis club appeared on the program of the group at the regular dinner meeting held Monday at the high school cafeteria.

Each new member gave a "thumb nail" sketch of himself as part of the program arranged by Alan Macdonell. Those who spoke were E. J. Edwards, E. D. Hawley, Jack Malhot, Arnold Wadas, and Harold Totten.

H. B. Schofield presented a report on the program presented by the local club for the entertainment of patients at the Northern Michigan Tuberculosis Sanatorium at Gaylord recently. He said that the Youth group, known as the Red and White All-Star revue composed of 40 talented youngsters in the community was well-received by the patients and personnel at the Sanatorium.

• Mr. and Mrs. Leo Allard returned Monday from Grand Rapids where they spent the weekend with relatives.

• Mr. and Mrs. Andrew Essenberg Sr. have returned from southern Michigan where they spent the Easter weekend with relatives.

RECIPE

Sunshine Cake

6 Eggs, separated 1 1/2 Cup Cake Flour
1 1/2 Cups Sugar 1 tsp. Baking Powder
1/2 Cup Orange Juice 1 Tbs. Lemon Juice

- Beat the 6 yolks until creamy, gradually add 1/2 cup sugar, and beat well until thick. Then add the orange juice and mix well. Measure flour, sift and then sift again with baking powder 4 times. Gradually add the flour mixture to the egg yolk mixture, and blend with care.

Beat the egg whites until they hold peaks (straight), then gradually add 1/2 cup sugar, beat well, then add the lemon juice.

Add the whites to the yellow mixture little by little, and fold gently. Bake cake in regular 10" tube pan, in slow oven (300 d.) for one hour. Let cake hang in tube pan until cold. Frost with your favorite frosting, or serve with powdered sugar sprinkled over top of cake.

Seed Treatment Paid Off In Old Days, Says Agent

Does seed treatment pay? Farmers back in the 17th century, recounts Ed Rebmam, Charlevoix county agricultural agent, didn't have our modern chemicals. But they found seed treatment pays off anyway. It happened like this:

About 1070, a sailing ship loaded with wheat was hit by a storm and ran aground near Bristol, England. Farmers living along the coast salvaged some of the grain. But they found it too saturated with sea water to use for flour, so they planted it as seed.

The wheat from the salt water-treated seed was more smut-free and the yield was higher than in other fields.

So farmers began treating their seed with salt brine, and it was 100 years after the sailing vessel's disaster that a German scientist suggested the use of blue

Methodist Men at East Lansing

Bishop Francis Gerald Ensley, of the Iowa area of the Methodist Church, author and warm-hearted preacher, will address the Annual Training Conference of Methodist Men at the Michigan State College auditorium, April 16th at 2:30 P.M. Fifteen hundred Michigan men are expected under the leadership of Bishop Marshall R. Reed of Detroit, the Conference Lay Leaders—Ray Labbitt of Royal Oak and Elmer H. Ormiston of Benton Harbor, and the continuing education service of Michigan State College.

vitriol instead of salt. And still, no one knew why treating seed helped reduce smut. Then a French scientist found that copper sulfate prevented the germination of smut spores. A little later a German botanist proved that smut was caused by a parasite fungus living at the expense of the wheat plant.

After that many seed treatments were studied and rejected. Before 1900, formaldehyde was found to be better than copper sulfate.

The big boost for seed treatment, however, came about 1928 when scientists found how to manufacture mercury salts at a fraction of the original cost. More research reduced the cost still further.

Now, farmers can treat their oats, barley and other seeds at less than 3 cents a bushel. And the seeds are protected against many other diseases besides smut.

In addition to passenger cars, Michigan stands first in the manufacture of gray iron, cutting tools, woodworking machinery, salt and cereal preparations.

Eliminate Fire Hazard By Good House Cleaning

A little time spent now in cleaning up the attic, basement, barn and other outbuildings may prevent a costly fire, suggests Ed Rebmam, Charlevoix county agricultural agent.

He passed along this advice from safety specialists at Michigan State college.

Remove from the attic, closets and basement those things that burn fast.

Watch especially for oily rags, old paint brushes and open containers of flammable paint, thinners and cleaning fluids.

Take care of defective, sooty and rusty stovepipes and cracked and poorly constructed chimneys. Repair broken and damaged lightning rods and poor ground connections.

Be sure that gasoline, kerosene, other inflammable liquids and explosives are stored in a safe place. Never use glass containers for flammable liquids.

Don't store wet hay in barns. That's a cause of fire, too, unless you can artificially dry it.

Don't use unsafe wiring, overloaded circuits, worn or frayed cords and defective electrical appliances. Replacing them in a good investment.

Remove dry brush, weeds, grass and other trash along roadsides and near buildings. Take care of standing dead trees or limbs that may cause accidents or fires.

Don't burn debris, trash and other hazardous waste materials outdoors on dry, windy days, or close to buildings.

Home Demonstration Council Has Meeting To Plan 1955 Program

The Charlevoix county Home Demonstration Council met Wednesday at the home of Mrs. Ted Malpass in East Jordan for its regular quarterly meeting.

Miss Edna Sommerfield, district supervisor in home economics for northern Michigan, assisted the council in planning its program and presented a picture of the membership census in the Home Making program in the state. She revealed that there are 40,878 members in the state, 22 per cent of which are new members of less than two years standing. Seven per cent are members of 20 years or more.

Since 1955 is the centennial year at Michigan State college, Miss Sommerfield urged all groups to send delegates to the annual Homemakers Conference in East Lansing in July. She advised that county chairmen attending are to dress in suitable period costumes for the Centennial tea, a highlight of the conference. Other delegates may also wear costumes if they choose. To date, 14 Charlevoix county delegates are planning to attend. This number includes four from the Friendly circle of East Jordan and three from the South Arm club. Others are urged to attend the conference and to make their reservations early. If enough plan to go, a bus may be

chartered for the trip. Mrs. Henry Erber of Boyne City, county chairman, announced that the annual Achievement Day will be held at Whiting Park beginning at 1:30 p.m., May 17. She also appointed the following chairmen for the event: Mrs. Harry Tompkins of Boyne City, arrangement committee; Mrs. Nina French of East Jordan, hospitality and refreshments; Mrs. Joseph R. Williams of Charlevoix, program.

Each group will be in charge of its own exhibits.

Methodist Church Circle Sponsors Dinner Tonight

The B.P. and M. circle of the Methodist church will sponsor an Italian spaghetti dinner at Harmony Hall, the church dining room, from 5 to 7:30 p.m. tonight (Thursday).

The menu will include homemade Italian sauce and spaghetti, hot rolls, cole slaw, jello and cookies and a choice of beverage, all made and served by members of the circle.

Everyone with a yen for good Italian spaghetti is invited to attend the dinner which will be served from 5 to 7:30 p.m. for a nominal sum.

Announce Program For Mother And Daughter Banquet

An entertaining program for the annual Mother and Daughter banquet to be held Tuesday has been announced by Mrs. Charles Bleha and Mrs. Robert Wallace, program chairman for the event.

Mrs. Charles J. Pontius as mistress of ceremonies will welcome the guests and introduce those who will appear on the program. Mrs. James Hiller will present the toast to the daughters and her daughters, Roberta, Pamela and Becky, will respond with a toast to the mothers.

Entertainment will include a piano solo by Barbara Smith; songs by the Teensters, Roberta Swanson, Mona Davenport and Faye Meggison; a dance selection by Bessie Creede; a song by Kristin Lieberman and a recitation by the Arvilla twins, Erin and Elen.

Tickets for the banquet which will be held at Friendship hall of the Congregational church are now on sale and may be purchased from Mrs. John Mol, Mrs. Miles Olmstead or Mrs. George Wolf.

Weekend guests at the home of Mrs. Anna Eceleston were her daughter, Sally Eceleston of Lansing and her fiancé, David Dunkerley of South Bend, Ind.

New Isolette Placed In Use

Nurse Anne Doran, R.N., assisted by Miss Ann Baumgartner, superintendent of Charlevoix hospital, are pictured above as they prepared recently to weigh Patricia Wiltsie, daughter of Mr. and Mrs. Ralph Wiltsie of Ellsworth, who was placed in the Isolette infant incubator following her birth March 17. Dr. John Rodger of Bellaire was the attending physician.

The Isolette, the newest in nursery equipment, which cost \$840 was financed by an anonymous gift of \$500 designated for nursery equipment supplemented by \$340 given by the Women's Guild of the Charlevoix Hospital whose president is Mrs. Alan Macdonell.

The Isolette, purchased for the hospital on the advice of the medical staff, headed by Dr. G. B. Saltonstall as chief of staff, is designed and engineered to provide a sheltered and controlled environment with optimal conditions of temperature, humidity and oxygen for each infant's survival.

The Plexiglas hood is lifted only to place the infant in the Isolette. From then on the nurse and doctor work through the iris entry ports with removable plastic sleeves and place supplies in the Isolette through the bottom of the scales so its weight may be determined without removing the infant from the Isolette.

The Isolette is manufactured by Air-Schields Inc. of Hatboro, Pa., under license from the Children's Hospital of Philadelphia where it was developed.

An exclusive safety feature of the equipment is the fixed-point safety thermostat which automatically turns off the heating unit, sounds a warning buzzer and lights up a red warning button if the Isolette becomes overheated from any cause. It also features precise temperature control, uniform heat distribution as well as a cooling system, oxygen and humidity control.

Funds for the purchase of the Isolette were raised during the Guild Hospital Festival last fall which netted \$231. This amount was supplemented by other funds on hand and added to the anonymous gift.

The purchase of the Isolette is only one of the accomplishments of the Guild which was organized last June. Recently it financed the purchase of two dozen plastic waste baskets at the cost of \$51.00 for use in patients' rooms at the hospital.

Earlier the Guild purchased a library cart for \$99.00 and stocked it with books and supplies for the convenience of the patients. A Guild member takes the cart through the hospital daily except Sunday.

Other Guild projects included the purchase of mirrors for hospital rooms at the cost of \$400.00; purchase of nursery furniture and toys, \$38.00; filling of planters in hospital corridors, \$47.50 and the purchase of Christmas lights and other decorations at holiday time.

A holiday committee also makes tray decorations for all holidays and arranges attractive seasonal lobby and dining room decorations. At Christmas time the Guild purchased small gifts for all patients hospitalized on Christmas day. A sewing committee has also mended and made supplies

Senior Class Of St. James High To Present Play

St. James — The Senior class of St. James high school will present the three-act comedy, "Miss Jimmy", written by Jean Prover, at Holy Cross hall at 8 p.m. Friday.

The action in this hilarious comedy begins when Jimmy, a stray junior from a state university, played by Hubert McCauley, is forced by his fraternity brothers to enter the girls' dormitory on the campus in search of a girl's dress to wear in an initiation stunt.

At the same time the girls in the dormitory with Louise (Marjorie Martin) as their leader are finding it difficult to get dates for the big dance of the year with anyone but brothers, uncles and cousins. When they capture Jimmy, however, they decide to make his fraternity brothers escort them to the prom by holding the hapless Jimmy for ransom.

From then on things begin to happen. The girls have a time keeping Jimmy hidden from Professor Frazier (William Vail) and the dean, Miss Watkins (Alice Doherty). When the girls all fall for Jimmy and try to win him, Jimmy tries to escape by posing as "Miss Jimmy" in a girl's dress. When everything looks clear, the chief of police who has a long record for catching kidnappers, appears and real trouble begins.

In the roles of college girls are Audrey Gathoff, Eleanor Gallagher, Margaret Ann LaFreniere and Margaret O'Donnell with Roland Cull playing the part of Dr. Dumpy, a colored janitor.

A new set has been constructed for the play by the Rev. Fr. Joseph Hepp assisted by William Vail, Roland Cull and Hubert McCauley.

ARTHRITIS RHEUMATISM SUFFERERS Find New Cure For Pain

There is a new, safe, effective, and painless way to relieve the pain and stiffness of arthritis and rheumatism. This new method, known as the "New Cure For Pain," has been developed by a leading medical expert and is now available to patients in Charlevoix. The cure is simple and can be performed at home, without the need for surgery or long hospital stays. It involves the use of a special device that applies heat and pressure to the affected joints, helping to break down the deposits of uric acid and other substances that cause pain and inflammation. The results are often immediate, with patients experiencing significant relief from their symptoms. For more information, contact the Central Drug Store in Charlevoix, where mail orders are also filled.

IT HAPPENED ON . . . BEAVER ISLAND

By Leyola Malloy

Mr. and Mrs. Mike Cull left last Friday to attend the funeral of Mrs. Cull's sister, Mrs. Ann Santos who died April 7th. She is also a sister to Hugh Connaghan and Mrs. Mary V. McDonough.

Mrs. Emil Pischner of Charlevoix spent a few days last week with her parents, Mr. and Mrs. Frank Gillespie.

Mr. and Mrs. A. J. Ray of Pontiac are vacationing at their cottage on the island.

Mary Bonner spent her Easter vacation with her parents, Mr. and Mrs. Patrick Bonner.

Mrs. Mary Greene had three of her children with her for Easter. They were Peter and Anthony from Grand Rapids and Mary Margaret from Chicago.

Frances O'Donnell of Chicago spent a few days with his sisters, Mrs. Jewell Gillespie and Mrs. Elston Pischner.

Clayton Smith from Charlevoix was a recent guest at the home of Mr. and Mrs. Archie LaFreniere Jr.

Russell Palmer spent the weekend with his parents, Mr. and Mrs. Clarence Palmer.

Bruce and Jay McDonough were at home with their parents, Mr. and Mrs. Lloyd McDonough for the Easter holiday.

Ellen Nackerman and a friend are visiting her parents, Mr. and Mrs. Frank Nackerman.

Janet Gallagher arrived home last Thursday to spend her vacation with her parents, Mr. and Mrs. J. W. Gallagher.

Easter Sunday evening the junior class sponsored a party in the Parish Hall.

Charlevoix High School Band To Play In Festival

The Charlevoix high school band will travel to southern Michigan Saturday, April 23, to appear in the State Band and Orchestra Festival being held at East Lansing, C. A. Odmark, band director has announced.

For the convenience of southern Michigan followers who might want to hear the band, Mr. Odmark has released the time and place of the band's appearance in the festival.

The Charlevoix band will play at 1:15 p.m. in the Michigan State college auditorium. Three other northern Michigan bands will follow the local band. They are: Boyne City which will play at 1:40 p.m.; East Jordan at 2:05 p.m. and St. Ignace at 2:30 p.m. All will play in the college auditorium.

There will be no admission charge and everyone is invited to attend the festival performance.

All bands participating in the state festival earned first division ratings in district festivals to become eligible for state participation.

Michael Harrington, a student at Holy Rosary Academy in Bay City, spent the Easter recess with his mother, Mrs. Audrey Helse, and family and his great-grandparents, Mr. and Mrs. Lewis Alard.

their home in Flint, Michigan. They have been on the island for about the past four years.

Lester (Doney) Gallagher arrived home last week after being in Marquette since January.

James H. Gallagher was on the mainland last week to visit his wife at Little Traverse Hospital. She underwent surgery last Wednesday.

There are a few less "Beaver Tails" around here since the trapping season opened. Walt Wojan, Billy Pischner, Archie LaFreniere and party, Rogers Carlisle, Art Johnston, Chuck Kleinhenz, Karl Keubler, Dick LaFreniere and Lloyd McDonough have been kept busy with the trapping.

L. J. Malloy and Earl Boyle are in Charlevoix attending the supervisors meeting.

HOW'S YOUR BUDGET?

THESE ARE TRYING TIMES for the family paycheck, and the lady of the house has a man's job when it comes to balancing her budget.

She has a friend and helper in the truck, however, for, although she may not realize it, motor transport helps keep the cost of living down by cutting transportation costs.

The average family spends more for transportation than for any other item save food. So it is clear that the ability of trucks to increase the efficiency of moving goods of all kinds results in substantial savings to the consumer.

The thing we have to guard against is allowing politicians to increase taxes on trucks beyond the more than fair share they're already paying, for, you see, every tax increase on trucks actually comes right out of the people's pocketbooks in increased prices for everything they buy.

THOUGHTS AFIELD

Mixed Up?

Mixed up? Confused? Is your life all a jumble? It would be much simpler, wouldn't it, if the complexities were removed from our living? If we had only one thing to do, perhaps we could do that well. But we have to raise families, make them a decent living, hold ourselves morally straight, be prepared for all manner of emergencies, keep budgets, support the government, attend to correspondence, attend club and committee meetings, keep appointments and observe time schedules, watch out for ourselves and keep a watchful eye on others, and a clamoring host of other things. Small wonder we feel confused. If life could only be one thing or another! Instead, it is first one thing and then another, or worse yet, everything at once!

But, in spite of life's complexities, it is good that life is so strangely mixed. Our existence would hardly be tolerable otherwise, even if possible. Really, now, would you like to simplify life by working all the time, or by playing constantly? Would you care to simplify meal-getting by using a single menu three meals a day, every day in the year? Would you be willing to disentangle your living by extracting from it the variety that often makes it confusing?

Everytime I walk a woodland path, the variety of living things impresses me. A wildlife habitat is not clearly one thing or another, but a commingling of many things — tall, rigid trees and short waving grasses, inorganic rocks and vividly alive animals, solid ground, liquid stream, and an atmosphere composed of gases. Some creatures are furred and others feathered. Some are fin-

ned. The fundamental characteristics of the universe that are most clearly manifested are its absolute orderliness, its unimaginable magnitude, and its incredible complexity. And not the least of these is its complexity — its mixed quality.

What kind of water do you drink? Pure water? No. Pure water is nothing but two parts of hydrogen to one part of oxygen, fit for filling the batteries of our automobiles, but abominable for drinking. Absolutely pure water would not only be exceedingly flat-tasting, but injurious to body tissues if consumed to the exclusion of other fluids. Minerals needed for good health get into our bodies through water that is more than water. Our very lives depend upon water that is mixed with other elements.

This earth cannot be filled with either animal or vegetable life alone. Each keeps the other alive, the animals' expiration being the vegetables' inspiration, and the oxygen that plants "breathe out" being the element that animals "breathe in". We are all mixed up, intermingled in a vast complexity of interrelatedness.

This truth issues a warning to us. The way evil gets itself accepted is by getting all mixed up with something good and beautiful. War by itself is brutal. But it gets accepted by becoming mixed with noble impulses — patriotism, the glory of sacrifice, the answer to duty's call. Drunkenness is pitiful and stupid. But it recommends itself by getting mixed up with sociability, fellowship and "being a good fellow". Raw lying is plainly evil, but cooked up with intelligence and shrewdness

The largest state park in the United States is Porcupine Mountain State park, located in Michigan's Upper Peninsula. It contains 41,925 acres of timbered highland.

It becomes accepted as cleverness. Evils get invited into our open hearts by appearing to belong to "the crowd" of good things we want to entertain.

But there is good news as well as warning in the complex, mixed-up quality of life. The world's goodness gets a chance in our world is by getting commingled with the commonplace. What are the things of highest value? God is. Faith, hope, and love are among the highest. So is patience. Where do they get their opportunities to work? Not in the abstractions of philosophical thinking about them. Whenever God gets into a home and the conversation around the table, or into a business and its operations, or into a community and its plans for the general welfare, God has a chance to do great good. And when faith, hope, love, and patience become mixed with our attitudes toward all of living and motivate our treatment of people, they get their opportunities to change the world.

Mixed up? Of course you are. So are we all. The most vicious life ever lived was mixed. But in Him, amidst all of the complex hereditary, environmental, and physical influences, there was one dominant Power. It was God. The confusion of a perplexed life can always be resolved if not all the factors are equalized, if the one Unequaled Influence is the Almighty.

Remember when
a 3-minute call
to San Francisco
cost \$16.70?

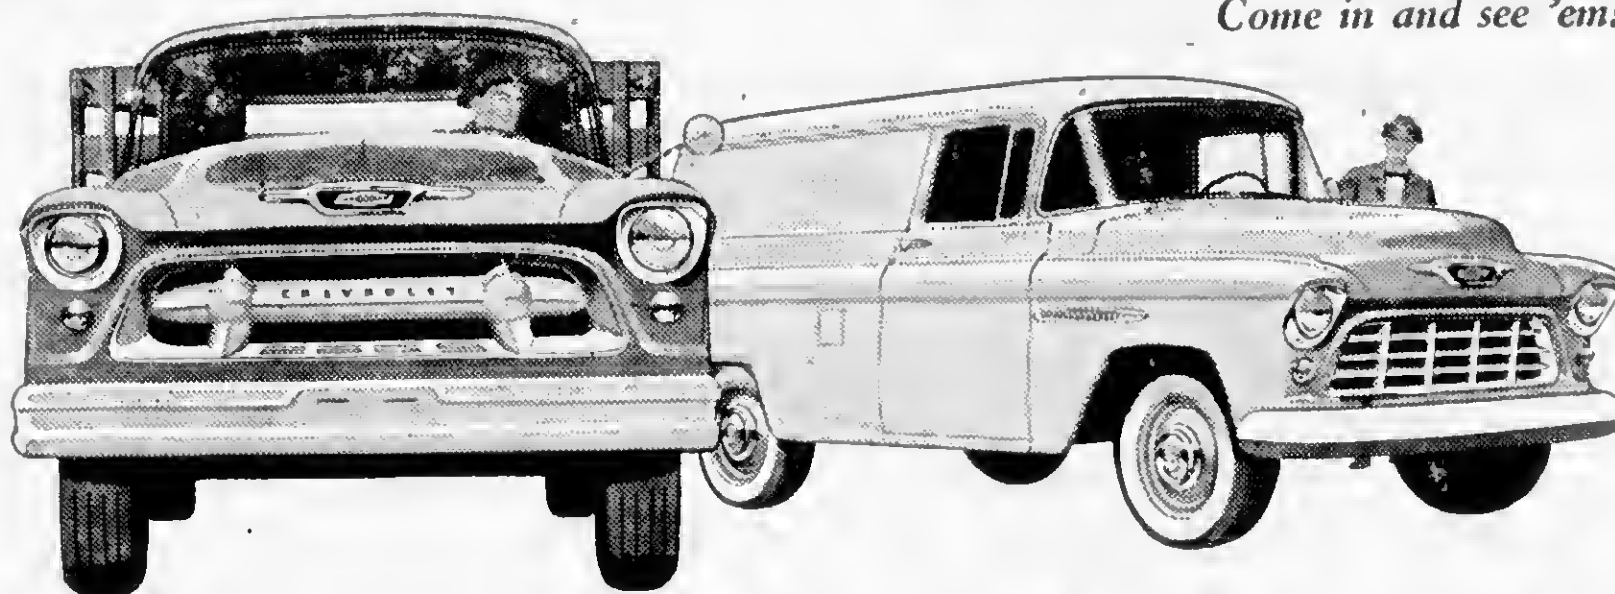

Many folks can, for that was only forty years ago. Long Distance rates certainly have come down since 1915. Today you can call to San Francisco for \$1.90 plus tax. Most calls people make cost less than a dollar.

And remember, rates are lowest when you call after 6 o'clock every evening or any time Sunday. So don't wonder. Don't worry. Call today and be sure.

4-H'ers To Display Winter Projects At Boyne City April 20

Over 400 project members will display the results of their winter club work at the Boyne City gym Wednesday, April 20. Leaders and members will set up exhibits after 4 p.m. Tuesday, April 19, according to K. C. Festerling, district 4-H club agent.

Members all over the county are busy bringing their projects to completion. Handicraft articles are receiving their final finishes and those in home economics projects are completing their knitting and sewing. The County Extension office has been busy for several weeks getting certificates and membership pins ready for presentation to those who complete their projects.

The display will be open to the public on Tuesday evening, April 19 and all day Wednesday, April 20. At 5 p.m. Wednesday, those participating in the Dress Revue will be judged for style and will practice. At 6 p.m. a party will be held for clothing leaders and members. At 8 p.m. the evening program will take place. This program will be high lighted by the annual dress revue, the theme will be the centennial of Michigan State College. The balance of the program will be devoted to presentation of awards and talent numbers.

Associate District Supervisor Einer Olstrom and State Club Leader, Molly Vasold, will be present for the affair.

Proclaims April As Rural Cleanup Month In State

April is Rural Cleanup Month in Michigan.

It's been so named in a proclamation by Gov. G. Mennen Williams, according to Ed Rebmman, Charlevoix county agricultural agent.

Gov. Williams notes that trash and other fire hazards in rural areas are a threat to property and life. And he urges a special effort during the month to make all property free of these dangers.

Rebmman suggests that spring is one of the best times of the year to start a year-around fire safety program on the farm.

David G. Steinicke, farm safety specialist at Michigan State, lists these cleanup recommendations:

1. Remove old magazines, newspapers, clothing, rags, mattresses and broken and discarded furniture and the like from the attics, closets, basements and the barn and other outbuildings.
2. Clean up rubbish in the farmyard and cut down dead vegetation around buildings, along fences and in fields.
3. Clean up the machine shop. Dispose of shavings, oily rags and old paints and oils safely.
4. Clean up all electrical equipment and power machinery.
5. Clean up the heating plant, chimney, stoves, brooders and heaters of all types.

Area Community Concert Drive For Membership Opens Monday

ganization's existence, it has been a most enthusiastic and successful group and this year is expected to follow the same pattern, Mrs. McCune said in announcing campaign plans. The membership campaign has sold out the capacity of the Petoskey high school auditorium each year and in most cases all memberships have been sold out well before the end of the usual one-week drive. The sell-out occurred on the second day of the campaign last spring.

Admission to all concerts is only by membership cards which must be purchased during the annual membership drive. No single admissions are sold. The organization, devoted to bringing the best in music to northern Michigan, fully covers the territory. Petoskey is headquarters for the group but many members. The Northern Michigan Community Concert Association will launch its ninth annual membership campaign beginning Monday, Mrs. Allan McCune of Petoskey, general campaign chairman, has announced.

A dinner at the Hotel Dilworth in Boyne City at 7 p.m. Monday for all workers will officially open the membership drive which will continue until all memberships are sold.

Style Beauty Shop
Opened For Season

The Style Beauty shop has been opened for the season following the return from Whittier, Calif., of the owner-operators, Mr. and Mrs. Glenn Krohn.

While in the west this winter, Mr. Krohn attended the Com-

er-Doran school of Hair-styling in Los Angeles, where he took a course in advanced hair styling.

Boyne City, Charlevoix, Cheboygan East Jordan, Gaylord, Harbor Springs, Indian River, Levering, Mancelona, Alba, Oden, Conway, Onaway, Pellston, Roscommon and Walloon Lake.

The Association has maintained the very highest standards in its choice of artists for the season. A variety of attractions, from symphony orchestras to dance teams, has been, and continues to be, the rule. Bowing to popular demand this year, the association will return the famed DePaul Infantry Chorus for one date in this area. The association feels it is exceptionally fortunate to secure this popular group.

All former association members, through the workers listed, will be given first chance to renew their memberships. New demands for memberships will then be taken on a 'first come, first serve' basis. Everyone holding a membership will be called by a worker to renew the membership and if anyone wishes any new memberships, do not fail to get in touch with your worker as early as possible. Adult memberships will again be \$6.00 and student memberships \$3.00.

Mrs. Stewart Henner will represent Charlevoix on the artist selection committee which will meet immediately following the membership campaign to plan the concert series for the season.

Mrs. Marian Ross, popular representative from Community Concerts Service, will again be here to assist with the campaign and the artist selections.

Mr. and Mrs. C. A. Odmark are co-chairmen of the membership drive in Charlevoix. They will be assisted by Mrs. Walker Miles, Mrs. Leonard Burns, Mrs. E. J. Edwards, Mrs. Charles Bellinger and Fran Martin who replaces Mrs. Ada Golden on the local committee.

New Committee Is Named To Assist With Conventions

Mayor Dean Davenport called a special meeting of resort owners including hotel, motel, rooming houses, cabins and restaurant operators, at the city hall Monday to formulate a special executive committee for the purpose of securing and working on conventions for the city of Charlevoix.

The newly-organized group will work directly with the Board of Commerce in the proposed new program.

Franklin Ross was named temporary chairman of the new group. Other members are: E. L. Kramer, Fred Bancroft, Henry Ingalls, John Hallett, James Flynn, Jack Mailhot, Mrs. Russell Dundas, Richard Edwards who will represent the Board of Commerce and J. Clark Dolliver.

The new group will meet Monday, April 25, for the purpose of organizing and compiling a set of objectives.

Following this meeting a general meeting of all resort operators will be called to discuss proposed plans.

Mission Will Be Conducted Here Starting Sunday

A Mission will be conducted at St. Mary's church by Redemptorist Father, Rev. Ernest F. Miller C.S.S.R., beginning Sunday, April 17 and continuing through April 24, the Rev. Fr. E. Francis Denay, pastor of St. Mary's church announced this week.

In announcing the mission, Father Denay said the aim of the special mission is to bring you and your family innumerable blessings here on earth and eternal happiness and salvation in the Kingdom of God.

An invitation is extended to everyone in the community, non-Catholics and Catholics alike, to attend the mission to be conducted at St. Mary's church beginning Sunday.

The hours of the mission will be announced by the Rev. Fr. Denay.

Council Approves New Work Schedule

Co. of Lansing which will accept in trade the street broom purchased several years ago by the city. Bids were submitted by the Lansing company and the Miller Equipment Co. of Grand Rapids. The grader was formerly used by the city of Lansing.

A resolution commending Charles Bellinger, who is retiring from the council after serving 14 years as first ward alderman, for his long and faithful service was adopted. This was Mr. Bellinger's last meeting.

The purchase of a truck load of poles (40) from the R. G. Haley Co. was approved; a contract for work on US 31 at State st. during the installation of a sewer was approved; a request by H. C. Brannan for permission to use city poles for a community television antenna as well as requests by the Charlevoix county Humane Society for funds and by T. R. Miller for the installation of additional water mains in the Meadowlane addition were referred to committees.

The transfer of \$5,000 from the electric to the water fund was approved. Authority was also granted to charge the city golf course for water used and also to cross-bill the water department for electric current used.

The Emerald Isle Placed In Water For Trial Runs

The Emerald Isle, newly-constructed Charlevoix-Beaver Island ferry, was placed in the water at the Christy Corp. shipyard at Sturgeon Bay, Wis., Tuesday, Karl Erber, a director of the Beaver Island Boat Co., said Wednesday.

After trial runs in the Sturgeon Bay area, the new \$80,000.00 boat will be turned over to the officials of the company at Sturgeon Bay. The boat's crew, Mark Cross, the skipper, Bob Miller and Dave Miller, crew members, have gone to Sturgeon Bay to participate in the shakedown cruise.

Mr. Erber, Henry Allen of Ann Arbor, president of the company and Lloyd McDonough, vice president, plan to leave Friday for Sturgeon Bay to accept the boat from the shipbuilders.

The ship will be returned to St. James, Beaver Island, where it will be christened the weekend of April 23-24 by Mrs. G. Menen Williams.

Plans for the christening ceremony and related activities are being made by a committee headed by Mr. McDonough.

Charlevoix . . . In Uniform

Pvt. Jerry Albright who spent the past week here after completing basic training at Fort Leonard Wood, Mo., left Wednesday for his new assignment at Fort Houston, Tex. He accompanied A2-c Bruce Barber who was returning to Kelly Field, San Antonio, Tex., after a leave here.

Ministers Honor Rev. W. N. Carr

The Charlevoix Ministerial Association met Friday afternoon at the study of the Community Church of God for a regular monthly meeting and to honor the Rev. W. N. Carr who has resigned his pastorate at the First Baptist church to go to Detroit where he is enrolled at Wayne University.

The Rev. George Majors, president of the group, appointed the Rev. Lyle Phillips secretary-treasurer of the association to succeed Mr. Carr.

The group also discussed the Vennard A Capella choir which was brought to Charlevoix Wednesday night through the efforts of the Association.

At the close of the business session, Mr. Carr was presented with a gift from the association, a picture of Charlevoix. Refreshments concluded the meeting.

Sundew Leaves To Supply S. Manitou

The U.S.C.G. cutter Sundew arrived Tuesday from Sturgeon Bay, Wis., and after spending the night at the Coast Guard Supply Depot dock left early Wednesday to transport supplies to South Manitou Island.

The cutter was expected to return here Wednesday night before leaving for the St. Mary's river to assist with ice breaking operations.

Pistol Teams To Be Announced At Matches Tonight

Individual team assignments for the six weeks spring pistol matches of the Charlevoix Rod and Gun club will be announced when the match gets underway on the indoor range tonight. Those who were unable to sign up for the matches last Thursday will be able to do so tonight, according to Dr. C. O. Whitten, president of the pistol club.

During the past week Bud Fisher, secretary of the Pistol club, assisted by J. C. Marshall, have

been lining up the teams for the spring matches. Individual averages have been used in making team assignments in order to have the teams as evenly matched as possible. Arrangements have also been made for trophies to be presented members of the winning team.

City Council Adopts Budget Of \$170,940

The Charlevoix city council Monday night adopted a budget of \$170,940 which will be financed by a levy of 17 mills on the city's assessed valuation of \$4,865,000 or one mill less than last year.

The 17-mill levy will raise \$82,705 in taxes. Estimated revenue and cash on hand will total \$88,235.

Last year the 18-mill levy on an assessed valuation of \$4,871,459 netted \$87,686. The budget was \$160,001.

FOR THE 13th time in recent years, the House has voted down legislation to require fishing licenses of Great Lakes anglers. The Trucks bill to require such licenses was defeated 65 to 35.

Dale B. Hornung Explains Values Of United Drive

Dale B. Hornung, public relations director of the Michigan United Fund, addressed a group of Community Chest and other fund drive representatives at a public meeting held in the courthouse Friday night.

In explaining the work of the United Fund, Mr. Hornung said that it is the organization's aim to bring all fund-seeking organizations into one drive if the people of the community want it. He went on to say that by conducting one drive more good is realized from each dollar collected because administration costs are cut to a minimum. He cited, as an example the fact that in Detroit last year administration costs amounted to only four per cent of the total collected.

At present, he reported 47 of Michigan's 83 counties are participating in united drives for funds.

Robert Lieberman, chairman of the local Community Chest Committee, was chairman of the meeting.

May 2 was set as the second annual student government day when 'city' officers elected in a special election in the Charlevoix high school will 'run' the city for the day. On Monday night the city officials and their counterparts among the students will be guests at the Kiwanis club dinner meeting before attending a regular meeting of the council to see how the city government is operated.

Carl Bogart appeared before the council to ask for a change in the zoning ordinance to allow the construction of a 10-unit motel on the property located on south Bridge st. between the Coffee Cup and Gregory's building. The zoning code now requires 100 ft. frontage and he has only 69 ft. A hearing on the ordinance change was set for May 16. He was granted a waiver so he could begin work on the new building.

A request for curb and walk in the 400 block on Burns st. was referred to committee. Another request for sewer and water on Oak st. by Hal Forbrig was also turned over to a committee.

Kenneth Staley appeared before the council to request that his property at 401 Antrim st. be rezoned from Residence 2 to Commercial 1. May 31 was the date set for a hearing.

Two applications for Class C liquor licenses submitted by Steve Dubell and the Weatherwax were approved.

Lillis M. Flanders Is Re-Elected By Allocation Board

Lillis M. Flanders, Charlevoix county treasurer, was re-elected chairman of the county tax allocation board at an organizational meeting of the group held Monday at the courthouse.

The meeting was then adjourned to a later date when the tax body will meet to set the tentative tax rate for the county.

Effective this year, tax allocation boards cannot set the tax rate until they have received the state equalized valuation figures, which cannot be compiled until after the boards of supervisors adopt county assessed valuations and forward the figures to the office of the state auditor general.

It is expected the 1955 state equalized valuation figures will be available on or before May 16 when another meeting of the county tax allocation board will be called.

Changes In Mail Schedules Start Sunday, April 24

Two new hours of departure for mail leaving the Charlevoix postoffice will go into effect this weekend, Peter H. Timmer, local postmaster announced Wednesday.

Effective Sunday the last dispatch of mail for the day via the Petoskey-Indian River route will leave the postoffice at 4:55 p.m. or 20 minutes earlier than in the past. Mail for this dispatch must now be in the postoffice at 4:30 p.m. This service is available every day but Saturday and holidays.

Effective Monday, the Grand Rapids-Petoskey train will arrive in Charlevoix enroute north one half hour earlier. For this reason, north-bound mail must now be in the postoffice at 12 noon to catch the train north at 1 p.m. South-bound mail must be posted by 2:15 p.m. to catch the train at 3:13 p.m.

Mayor's Condition Is Improved

The condition of Mayor Dean Davenport who was admitted to the Charlevoix hospital for observation and treatment Tuesday is improved, hospital attendants reported Wednesday.

The ferry, Emerald Isle, pictured as it slipped into the waters of Sturgeon Bay from the ways at the Christy Shipyard. The \$80,000 72-ft. steel boat will be christened at St. James, Beaver Island, Saturday. On Monday the ship will begin ferry service over the 33-mile route between Charlevoix and Beaver Island in northern Lake Michigan.

Salk Vaccine To Be Administered Monday

The first and second graders of the Charlevoix public school, St. Mary's parochial school, Norwood and Ironton rural schools will receive their first Salk anti-polio vaccine Monday under a program set up at a recent meeting of the Northern Michigan Medical Society, Dr. A. F. Litzenberger, director of district health unit No. 3, has announced.

The program, during which 4,600 first and second graders in Antrim, Charlevoix, Emmet and Otsego counties will receive the vaccine got underway Tuesday at East Jordan where the first of 663 Charlevoix county youngsters received the first of a series of three shots.

Beginning at 9 a.m. Monday Doctors G. B. Saltonstall, L. E. Grate, Isaac Terr and Robert G. Martin will administer the anti-polio vaccine to all children in the first and second grades whose parents or guardians have granted written approval.

Minstrel Show To Furnish Fun For Everyone

A grand entry led by the Charlevoix high school band, the pattern of the end men with Charles Duerr as Mr. Interlocutor, the Northland Minstrel Male Chorus, specialty acts to provide a change of pace, all tied together with the music of the Northland five, a minstrel band... that's a thumbnail description of the third annual Northland Minstrel show to be presented at the Charlevoix high school auditorium Thursday and Friday, April 28 and 29, under the sponsorship of the Band Parents Association.

You are advised now to be in your seat at 8 p.m. so you won't miss any of this wonderful show which will present such old favorites as Del Terrill, the singing cop; Satchelpants Steve Patarka, the master of the soft shoe shuffle and the singing of Professor Amos Chat Maltby.

In addition several new specialty acts will appear in the popular show including a dance interpretation by Rodney Credde and one of his talented pupils.

Resort Operators' Group Will Meet

An organizational meeting of the recently-appointed special committee of resort operators who will work with the Board of Commerce in securing conventions for the city will be held at the Council room of the city hall at 8 p.m. Monday, Franklin Boss, chairman of the group, has announced.

The group will work out a proposed program and present it to a general meeting of all resort operators to be held early in May.

St. James, Beaver Island — It will be a great day Saturday for the residents of this northern Michigan Island when they gather on the shore of St. James harbor to witness the christening of the Emerald Isle, the new \$80,000 ferry boat which will operate the ferry run between Beaver Island and the mainland at Charlevoix.

At 3 p.m. Mrs. Dan P. Boyle, 90, the oldest island-born resident who will serve as sponsor of the 72-ft. steel vessel, will christen the gleaming white ship with its Irish green trim in the presence of the island's entire population of 400 residents, most of whom are of Irish descent and many visitors who are expected for the long-anticipated occasion.

The Rev. Fr. Joseph Herp, O.F.M., pastor of Holy Cross church, will bless the ship before it starts on its 33-mile run. Bertram Rowe, well-known concert baritone who now resides in Petoskey, will add to the

spirit of the occasion by singing several Irish songs.

On hand, also, will be the officials of the Beaver Island Boat Co. that financed the construction of the boat which was scheduled

Mrs. G. W. Pick, 40 Summer Resident, Passes On Coast

Mrs. Grant W. Pick, 40, of Glenview, Ill., summer resident here since childhood, died Tuesday, April 12, in Los Angeles, Calif.

Funeral services were held in Chicago's Sinai Temple Friday.

Mrs. Pick, the former Helen Block was the daughter of the late E. J. Block, an inland Steel company founder. She was a member of the Michael Reese women's board, the board of the Chicago Lighthouse for the blind, board of the Visiting Nurses Association, active in Glencoe Girl and Boy Scout affairs and in the Glencoe Parent-Teachers board. Her husband is vice president of George Pick & Co., investment brokers and president of Michael Reese hospital board.

Besides her husband, she is survived by three children, Judy, Jimmy and Grant Jr., and a sister, Mrs. Marjorie B. Stein.

County's Equalized Valuation Raised To \$19,393,127 For '55

The Charlevoix county board of supervisors adjourned its eighty-seventh annual session here late Saturday following one of the busiest conferences in recent years.

Besides adopting a tentative budget of \$172,004 for 1955 and setting a new county equalized valuation of \$19,393,127, the board also made four major appropriations; granted permission to the road commission to borrow against future revenues to build a garage and appointed two committees to make surveys of courthouses in the area and the needs of Grandvue hospital preparatory to starting building programs.

The tentative budget for next year was set at \$172,004 or \$18,845 more than the 1954 budget of \$155,159. The major increase was in the appropriation to the welfare department whose tentative budget was increased from \$35,000 to \$47,000 in addition an appropriation of \$15,000 to supplement the earlier \$35,000 allotment was approved to allow the department sufficient funds to finish its year's work.

The equalized valuation was increased to \$19,393,127 or \$318,187 over the 1954 valuation of \$19,074,940. Charlevoix's equalized valuation, however, was decreased for the second straight year. This year the decrease amounted to \$76,600. Only other units to receive a decrease were Chandler, Marion and Norwood townships. In the 21 remaining units the increases were general with no one unit carrying the entire load.

Approval was granted the Charlevoix county road commission to borrow up to \$150,000 on anticipated revenues from Motor Vehicle tax.

Band Members Leave Friday For Festival

The Charlevoix high school band will leave tomorrow (Friday) for Lansing where they will participate in the annual State Band and Orchestra Festival Saturday.

The local group under the direction of C. A. Odmark will play at the Michigan State college auditorium at 1:15 p.m. Saturday. Anyone interested in hearing the band is invited to attend. There will be no charge.

The Charlevoix band has been very successful in past festivals, having received top ratings for their past four appearances. First division ratings were received in 1950, '51, '52 and '54. The band did not qualify in 1953. Few bands in the state can boast better records in state festival participation.

The local group will play three concert selections, the "Washington Post march" by Sousa, the Class C required number, "Vogue"

Teams, Coaches Honored By Elks At Dinner Meet

Class B and C regional basketball championship teams, Petoskey and Charlevoix, and their respective coaches were guests of the Elks club at a dinner meeting in Petoskey Tuesday night.

Bob Stewart, who is in charge of athletic scholarships at Michigan State, showed the films of the Michigan State-Indiana basketball game and addressed the group on the subject of team sacrifice.

He said that many outstanding high school athletes drop out of sports when they participate in college athletics because they cannot learn to sacrifice for the good of the team. He cited several instances where players who were leading scorers one season, became even greater players later because they learned to "feed" other players on the team.

He also demonstrated how Coach Anderson teaches his players to score free throws underhanded.

Coaches Ace Zagrebos and Del Terrill, who were introduced Charlevoix and Muir will excused the members of their respective teams.

Music was played by the Petoskey high school orchestra.

Second Annual Michigan Week Is May 15-21

An appeal to all organizations in Charlevoix to cooperate with Marshall Sayles of East Jordan, Charlevoix county Michigan Week chairman, in making the May 15-21 observance a big success has been made by Dr. Grover C. Dillman, state chairman.

The second annual Michigan Week observance is sponsored by Greater Michigan Inc. in cooperation with the Michigan Economic Development Commission and other state agencies.

"Whether we make real progress this year toward the objective of Michigan Week will depend, more than anything else, on the cooperation the county committee gets during the next few weeks of preparation from the organizations that represent communities and groups of all kinds throughout the country", Dr. Dillman said.

The objective, he pointed out, is to make every individual in Michigan really acquainted with his state and community and proud that he is a citizen of both.

He urges that appropriate activities be planned by local organizations for each of the special days in Michigan Week: Sunday, May 15, Michigan Spiritual Foundations Day; Monday, May 16, Exchange of Mayors day when as the "blues singers", in turn exchange mayors; Tuesday, May 17, Hospitality Day, the date of the seventh annual Northern Michigan Good Will Cavalcade.

Wednesday, Education Day; Thursday, May 19, Our Livelihood Day; Friday, May 20, Our Heritage Day and Saturday, May 21, New Frontiers Day.

Sermonette

An Introduction to Jesus Christ

Rev. Wilson H. Rinker, Pastor Barnard Reformed Church

Read Matt. 1:18-25

I want to introduce you to a Friend of mine. He is that One "before whom every knee must someday bend and acknowledge as the King of Kings and the Lord of Lords." "Come, though your sins be as scarlet they shall be as white as snow; if they are red like crimson they shall be as wool." This Person is that One who, "shall save His people from their sins." You need not fear in His presence. But you must be prepared to believe in Him because He can and will deliver you from whatever anxiety or frustration which may possess you. He says, "Come to Me, you who labor and are weary, I will give you rest." He says, "The Spirit of God is upon Me, and I have come to heal the broken-hearted and to preach deliverance to those who are in the captivity of self and sin and to give liberty to those who have been wronged." He knows there are many who are perishing today and "He is not willing that any should perish" for He says, "I have come to seek and to save that which is lost." "A well person is not in need of a physician, but one who is sick." That means sick in body, not only, but in soul, in mind, for this Person is the Physician of both the body and the spirit. He is not so much interested in the outward man that perishes, but with the inward man which can be renewed in strength by His presence. Who is this One?

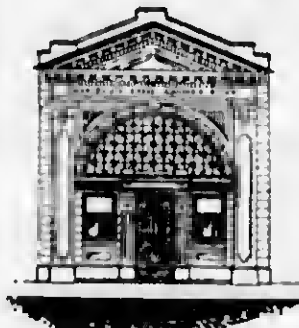

It is Jesus Christ the Son of God, the Redeemer of the world. He is of the seed of David on the human side, and He is the Son of God on the Divine side, and He was born of a woman, under the law, and He lived under its ordinances for His mission's sake, and He humbled Himself even unto death, the death of the cross. Jesus Christ is here, and He stands with us. Are you one of His people who worships at His temple? Or don't you know what this is all about? Have you asked, "What is my relationship with God?" Have you answered the question? Have you discovered yourself to be a fugitive from justice? Are you running away from God? Is there something missing in your life and deep down inside, do you know that it is God? There is a way to be reconciled to God. God has reconciled us to Himself by Jesus Christ. "For God was in Christ reconciling the world unto Himself." God does not want to hold your sins against you, so He has placed them upon Jesus. Jesus knew no sin. He was without sin. "God made Him to be sin for us, so that we might be made the righteousness of God in Him." Christ lived a perfect life and He died, carrying the imperfections of our lives with Him.

Believe in Christ's Person and His work, the work which He did on your behalf, and you will be a new creature in Christ, standing before God in a right relationship to Him. God calls you to permit your life to be another life in Christ and to come "to live and move and have your being in Him." Christ will bring you to live life here to God's glory. Christ will give you life Eternal in the Land of Eternal Day where "there is no need of the sun nor of the moon nor the stars, for the glory of God illuminates the Land that is fairer than Day." Christ is here to guide and direct us and He is there in heaven to receive us. You will meet Christ everywhere in your life today and tomorrow. Can you greet Jesus as a Friend? You must make a personal decision concerning Christ for He confronts you everyday. Christ says, "He that is not for Me is against Me." Though you remain silent on the subject of Christ, your silence is a denial of Him, because He has called you to be His witness. Life without Christ is filled with events which will overwhelm you as a person. But in Christ you will rest secure. Christ is here. He calls you to follow Him. I have introduced you to Christ. Now, I leave you two together to become better acquainted.

ODDS 'N' ENDS

By Fran Martin

AS THIS is being written we've had our first look at a picture of the new Emerald Isle, the trim little ship which will serve as a ferry between Charlevoix and Beaver Island. We think you're going to like her. She's a gleaming white with a wide green trim that tapers off to the right toward the stern. She's all steel, you know, and in the picture she looks neat, functional and practicable. If you're expecting a duplicate of the Queen Mary you're going to be disappointed but if you have in mind a good, stout serviceable and yet good looking craft... this is it.

And you'll get a chance to see her some time Thursday when Mark Cross and his crew bring her in from the island on her first trip. The latest word is that she'll arrive at St. James Wednesday night and come over here the next day. And on Friday take over the job for which she was built.

ON SATURDAY she'll make a special trip to the island for the christening Saturday afternoon with Aunt Maggie Moyle as her sponsor. If the Emerald Isle "grows up" to be the grand lady her sponsor is she'll be in for a long and happy career. Maybe we're wrong but we can't help but feel that this new lady of northern Lake Michigan will have a long, profitable and happy career. Everyone who's ever heard of her has "wished" her on her way into being because those same people realize what she'll mean to the people of America's Emerald Isle whose name she'll carry. It's a proud name of a proud land and its even prouder people. It'll be a great day for the Irish this week of April 18. May the Emerald Isle know smooth sailing always.

YOU KNOW, if I've got anything to say I stand up and say it and let the chips fall where they may. If I can't have the courage to stand behind what I think, I make sure I don't say it or put it in print. Which is my way of taking to task two persons who recently sent me anonymous letters. Both people had written some good things that were well worth backing up. I'll grant you one was from a former Beaver Islander who was taking me over the coals for something they didn't like and the second had written about the band. Whether I agreed with these two, people or not, their letters would have been printed in the Letters to the Editor column had either signed their names. No newspaper will print an anonymous letter, so, from now on, if you've got something to say and expect it to get some attention... sign your name. If the occasion warrants, I'm sure the boss will withhold your name if you request it but don't forget, sign your John or Jane Doe if you want your letter to get some notice. Otherwise it's delegated to file 13.

IN CASE you haven't been too happy with this cool, rainy weather of the past week, here's something for you to think about. On April 14, 1906, a snowstorm which brought 16 inches of snow to the area hit the county. We got that bit of information from the best

Pvt. Stanley Whitley recently graduated from the Airborne school at Fort Campbell, Ky., after taking three weeks of rugged Airborne tactics and participating in the exit from an aircraft in flight. He is now assigned as a cannoner with one of the Howitzer batteries. The son of Mrs. Irene Whitley, he was graduated from the Charlevoix high school in 1953 and took his basic training with the 71st Field Artillery Battalion at Camp Chaffee, Okla.

Information from the Floyd Ikens who remember the day very well... for it happened to be their wedding day... Belated anniversary greetings to you both. And let's start right now planning that golden anniversary celebration next year.

THERE'S been a question making the rounds that we think deserves an answer. Why wasn't our Queen, Joyce Cunningham, entered in the Trout Queen contest at Kalkaska? Seems we weren't invited. What else?

TO THOSE of you who enjoy massed band festival with its wonderful parade, here's a bit of news that will make you happy. Charlevoix will be host to one of the two festivals to be held May 4 and 5. We'll let you know the exact date a little later on.

A BREATH of spring... a branch of flowering almond with its deep pink blossoms and the delicate white petals of a brave plum tree... given us by the girl with the green thumb, Mrs. Ralph Hamilton.

Haven't you enjoyed those other early signs of spring... the daffodils with their gay blooms... such bright spots along the edges of lawns that haven't yet turned green, and the valiant crocuses... Wouldn't be surprised to see a dandelion any day now. But as long as that ice continues to float about in Lake Michigan, we're not going to have to worry about the heat. Did you ever see such stubborn stuff... and where it's coming from we don't know... but every other morning or so, it seems, the white stuff is back.

IF YOU'RE looking for something to do in the way of spectator sports now that basketball's over... how's about making a trip up to Kipke field one of these nights and watching the track team? Track, to our way of thinking is one of the finest of sports for it brings out the best

Births recorded at the Charlevoix Hospital recently include: A son, Timothy Patrick, born to Mr. and Mrs. John Bradley April 12. Mrs. Bradley is the former Mary A. Girl Scout Troop Camp Program Will Be Held At Camp Sea-Gull

The annual Girl Scout troop camp program will be held at Camp Sea-Gull, formerly known as Camp Q-Gull, June 12 through 18, it was announced at the regular meeting of the Girl Scout Leaders club at the city hall Wednesday.

Several phases of the camping program were discussed. It was decided to eliminate a Visitors Day during the six-day camping period because the girls will not be at camp over a weekend. Parents and friends, however, will be urged to visit the camp on opening day when the girls register and the last day when camp is closed.

The matter of cash balance in troop treasuries was also discussed. Troops are urged to spend their monies for troop equipment such as scissors, small magnifying glasses. Intermediate troops may purchase special draft supplies. Monies can be carried forward only for special projects.

Girls who attend camp this year must observe the active membership in a troop for three months prior to camp requirement, it was decided.

It was also decided to hold each intermediate troop leader responsible for a morning activity for her troop each day at camp. Each troop is also to learn two songs for camp.

Girl Scout leaders or former leaders are requested to report any books, booklets or pamphlets belonging to the Girl Scout Council that they might have in their possession. This is being done in

an effort to locate all material belonging to the Charlevoix council. You are asked to call LI 7-2607.

Three visitors from the East Jordan Girl Scout organization, Mrs. Clyde Wilson, Mrs. Keith Annear and Mrs. Marlon Jackson, attended the recent leaders meeting to learn the functions of the leaders group in relation to the troops and the governing body of the board of directors.

Mrs. Earl A. Young Re-Elected D.A.R. Chapter Regent

Mrs. Earl A. Young was re-elected regent of the Pe-to-se-ga chapter of the D.A.R. at the regular luncheon meeting and election of officers held Friday at the Heme Lodge in Petoskey. Miss Bertha McCann and Mrs. Julia Perter were hostess and assistant hostess respectively.

Other officers are: first vice regent, Mrs. G. C. Conkle Sr. of Boyne City; second vice regent, Mrs. C. E. Williams of Boyne City; recording secretary, Mrs. A. L. Fochtman of Charlevoix; corresponding secretary, Mrs. Eleanor Naylor of Boyne City; treasurer, Miss Jessie Fairfield of Petoskey; registrar-genealogist, Mrs. E. C. Smith of Petoskey; chaplain, Mrs. H. A. Webster of Boyne City; historian, Mrs. Elizabeth Mellen of Petoskey.

Mrs. Yeung who attended the state conference in Detroit recently reported that the local chapter was on the Honor Roll for its contribution to the Kate Duncan Smith school at Grant, Ala.

Roberta Swansen of Charlevoix and Jean Snyder of Boyne City, Geed Citizens award winners, were among the 300 other winners in Michigan who attended the conference.

Mrs. Mellon is now in Washington, D. C., as a delegate from the local chapter for the Continental Congress which convened the week of April 18.

The chapter voted to participate in the Michigan Week program by observing Founder's Day May 20. Sixteen members attended Friday's meeting.

The next meeting will be a May breakfast at the Mellon home at Odon May 20.

Home Demonstration Club Attends Show

The Hill 'N' Dale Home Demonstration club attended a Paint and Wallpaper show at the Hotel Dilworth in Boyne City Thursday.

Members who made the trip and attended the show were Mrs. Harold Totten, Mrs. Robert Livingston, Mrs. Edwin Mann, Mrs. Robert N. Pearl, Mrs. William Bergmann and Mrs. Charles Howard.

Girligigs

Home making hints are always such a pleasure to pass on because someone else had to do all the thinking. All you and I have to do is read about 'em, try 'em and pass 'em along.

Here are a few that perhaps you haven't heard about: First, simple rules for handling salad greens. Have greens and plate cold. Have the greens clean, crisp and DRY. Mix just prior to serving and coat each piece with dressing. And have each piece large enough to identify. Some folks, for some queer reason, like to know what they are eating so they will know whether they like it or not.

Experts suggest the use of a very few pictures in a room. A living room, they say, needs only one main picture and this should be in the most suitable and prominent place in the room. Too many pictures give the room a spotted appearance.

To give your carpet that "new" look, try shampooing it with dry suds. To make this from soap, dissolve one cup of mild soap flakes in three cups of hot water. Let it stand until it forms a jelly, then beat about half a cup of the jelly at a time in a mixing bowl. When stiff, apply to your rug or carpet.

Researchers have come up with a fat-free, pillow-shaped puffed potato tidbit (good!) that can be flavored and has a crunchiness texture and yeasted color. It's good for out-of-hand eating, in soups and stuffings.

Kiwanians Have 'Potluck' Program At Dinner Meeting

Charles J. Pontus, president of the Charlevoix Kiwanis club, called on seven members of the club for a "potluck" program at the regular dinner meeting of the club Monday night at the high school cafeteria.

B. N. Stanton, R. G. Bennett, H. E. Bingham, A. L. Livingston, Capt. H. E. Paddeek, C. M. Bice, and the Rev. Harold E. Kohn related interesting experiences in their particular professions. Mr. Bennett suggested a boat trip to Beaver Island for members and their wives.

Lawrence Feindt, Leonard Burns and the Rev. Mr. Kohn were appointed to a committee to report on the proposed trip.

It was announced that Monday May 2 would be Student Government day when high school students would assume the duties of their counterpart in city government. The student officers and city officials will be the guests of the club at this meeting.

May 2 was also announced as 100 per cent day. Guests were Eric Sutton of Ann Arbor, Ken Smith of Camp Charlevoix and Grosse Pointe, Lee Moerland and Glenn Franklin.

Recent guests at the home of Mr. and Mrs. Edward Olach were their grandson, Peter Olach, and his parents, Dr. and Mrs. Ralph Nothnelder of Rochester who also visited the latter's parents, Mr. and Mrs. G. A. Young.

Dickens Club Has Annual Election

Mrs. Ralph S. Hamiltan was elected president of the Charles Dickens Study Club at the regular election of officers held during a recent meeting at the home of Mrs. Clark C. Coulter.

Other officers are: vice president, Mrs. Dean Davenport; secretary-treasurer, Mrs. Robert G. Martin and librarian, Mrs. Franklin Curtis.

Mrs. H. E. Paddeek, retiring president, presided at the tea table following the business session. An arrangement of yellow roses decorated the refreshment table.

Betrothed

Mr. and Mrs. James F. Sherwood have announced the engagement of their daughter, Lois Mae, to Private Robert Franzel, U. S. Army, son of Mr. and Mrs. Franzel of Uby.

The bride-elect is a graduate of the Charlevoix high school. Mr. Franzel is serving in Korea with the U. S. Army.

No date has been set for the wedding.

WWTV To Operate With A Temporary Antenna This Month

Television station WWTV Cadillac, its new 1,282 ft. transmitting tower nearly completed, will be operating with a temporary antenna for a period of several days during the last half of April.

The temporary antenna will be used during the time that the station's regular transmitting antenna is being transferred from its present 530 ft. tower to the new tower.

Station officials do not believe that WWTV's signals will be seriously affected by the use of the temporary antenna. It is possible, however, that the signal strength may be slightly stronger or weaker in scattered districts.

Mrs. Fred Southwood Entertains Club Of Past Noble Grand

Mrs. Fred Southwood entertained the members of the Past Noble Grand club at her home Thursday evening. Fourteen members were present for the business session and the social hours which followed.

Mrs. W. E. Goss won the prize for the cur word game and Mrs. George Cook, Earl Blood, Mrs. E. Z. Stroud and Mrs. Floyd Ikens won the Chinese raffle. Mrs. Goss also won the mystery package furnished by Mrs. Southwood.

Mrs. Leroy Allers led the devotions.

Refreshments were served at the close of the evening.

Social Welfare Conference To Be Held At Cadillac

"Are we as citizens doing our duty toward our community?" will be the theme of a northern Michigan regional Social Welfare Conference to be held at the Northwood Hotel in Cadillac Wednesday.

Christopher Sower, associate professor of sociology and anthropology at Michigan State college will be among the speakers at the conference, which has been arranged by the Michigan Welfare League, the Cadillac Chamber of Commerce, Central Labor Union, AFL, CIO, Farm Bureau Women, District 9 and the United Wexford Community Drive. His subject will be "Our role as citizens in providing adequate social welfare services".

Following the general meeting which will begin at 1 p.m., three simultaneous workshop sessions will be held on Techniques of Agency Financing, Recreation and Children's Services. A dinner meeting at 6 p.m. with Donald H. Bouma, associate professor of sociology at Calvin college in Grand Rapids, will conclude the conference. His topic will be "Within our power... a better community".

Man, O man, de MINSTREL SHOW am comin' soon.

Dat Chorus o' he-man voices will sing de very latest of
old time songs, an' dere will be a ALL STAR CAST o'
local CHARACTERS, and I's meanin' just dat.

"De only thing dat has been spared in dis tremendous pro-
duction has been de expense.

"De rumor am goin' de rounds dat de END MEN am sure
to BLACKOUT durin' de show, but it ain't no rumor dat
dere will be a FALLOUT in de Audience. Dey will FALL-
OUT of dere seats from laughin'.

"If you all think all dis stuff I am tellin' you am corn,
wait 'til you see de show. So keep de dates open, next
Thursday & Friday, an' join in de fun".

Tickets on Sale at

Girl Scouts To Hold Father And Daughter Banquet

Charlevoix Girl and Brownie Scouts will honor their fathers at the annual Father and Daughter banquet at the Charlevoix high school gymnasium at 8:30 p.m. tonight (Thursday).

Mrs. Charles Duerr will be toastmistress at the brief program which will follow the banquet. Sherry Holborn will give the toast to the fathers and Carolyn Stool the toast to the Scout Council and assembled guests. The Rev. Lloyd M. Schlopp will give the invocation. Mrs. E. D. Hawley will be in charge of music and group singing. Mrs. Lester Smith will direct games and other miscellaneous entertainment.

Special chairman who are assisting with the banquet are Mrs. O. V. Cunningham who is in charge of the coffee committee, Mrs. Lloyd Arnold, table committee and Mrs. Robert O. Bergmann clean-up committee.

City Council Adopts Budget

(Continued from page 1)
signed as depositaries for city funds.

Sheriff Glenn Rose was present to explain the proposed new radio communication system for law-enforcement departments in the county. The council then discussed the possibility of participating by purchasing two mobile units which would tie in with the base station at the sheriff's office. Fifty per cent of the cost would be financed by the Michigan Office of Civil Defense. Mr. Rose said.

The problem of people following the fire truck was again brought up for discussion. It was decided to send written notices of the state law regarding this matter and if the practice continued the police will start issuing summons.

Two new aldermen were sworn into office. They were Clare L. Staley of the first ward and Franklin Boss of the second ward. Mayor Dean Davenport has appointed the following committees to serve for the coming year. The first named on each committee will serve as chairman.

Police, fire and cemetery: Franklin Boss, Thomas Carey, Ralph S. Hamilton, Street, sewers and utilities: Carey, James Hiller, Clare Staley; licenses ordinance and industrial development: Hamilton, Ray L. Kipke, Staley. Docks, harbor, airport, public buildings: Staley, Carey, Boss; Parks, health and resort development: Kipke, Boss, Hiller; finance, budget and delinquent accounts: Hiller, Kipke, Hamilton.

Band Members Leave Friday

(Continued from page 1)
by Holmes and their selected number, "An American Scene" by Grundman. These numbers will be heard by three judges who will give the band written criticism and rate them "one through five, according to performance."

The band then goes to a sight-reading room in which it will play a march and an overture for a fourth judge who will rate the band for its performance of music it has never seen before.

The sight-reading rating will be average to give the organization its final, official rating. Several bands from northern Michigan are eligible to participate in the state festival this year including the Boyne City band directed by R. E. Lee and the East Jordan group directed by Emilia Acetelli. These two bands will perform immediately after the Charlevoix band.

This marks the first time all three Charlevoix county bands have participated in state competition together.

The trip to Lansing will be made by school bus. The 82 band members will stay at the Porter Hotel, guests of the local Band Parents Association. Chaperones will be Mrs. Ralph McRae, Miss Frances Milner, R. G. Bennett and Mr. Omark.

The band will leave Lansing on the return trip Saturday afternoon and will return home by midnight Saturday.

In Memoriam
In memory of our husband, father, grandfather and son, who passed away April 21, one year ago.

The depth of sorrow we cannot tell of the loss of one we loved so well: And while he sleeps a peaceful sleep His memory we shall always keep.

The family of Klaus Andersen.

Card of Thanks
I wish to thank the Dr.'s and nursing staff of Charlevoix hospital for their kindness shown me during my stay, also relatives and friends for their cards, for the basket of food from the Hayes Farm Bureau.

Mr. James O'Brien.

Ellsworth Spotlight

Mrs. Grant Has Logs

Arthur Ruis, 85 Longtime Resident Of Area, Passes

Arthur Ruis, 85, resident of this area since 1893 passed away Monday at the home of his son, James, after several weeks of failing health.

Mr. Ruis came to this country from the Netherlands with his parents when he was 2 1/2 years old and settled in Forest Grove, Michigan.

January 7, 1891 he was married to Jane Tusenga at Forest Grove. They moved to Atwood April 10, 1893 and in 1902 bought a farm near Ellsworth. For the past 22 years have lived in the village of Ellsworth.

Mrs. Ruis passed away in June 1949. Mr. Ruis is survived by three sons and four daughters, James and Henry of Ellsworth and John of Grand Rapids. Mrs. Jennie Louise of Muskegon, Mrs. Maggie Van Til of Grand Rapids, Mrs. Evelyn Elzinga of Lansing and Mrs. Mattie Barr of Detroit; 21 grandchildren and 25 great grandchildren.

Funeral services are being held Thursday at 2:00 p.m. from the Atwood Reformed church where he was a charter member. Burial in Atwood cemetery with Rev. H. Fiske officiating.

James Elzingas To Observe 53rd Date Of Wedding

Ellsworth — Mr. and Mrs. James H. Elzinga will observe their fifty-third wedding anniversary Sunday at their home here. They were married April 24, 1902 by Rev. William Poole at the home of the bride, seven miles southwest of Ellsworth and have lived in this vicinity since then.

Mr. Elzinga, 78, was born in Zeeland and came to Antrim county in 1899 with his parents. He has been active in business and civic affairs. For six years he was a butcher at Atwood, six miles west of Atwood, operated the Ellsworth creamery from 1908 to 1915, then with a brother, Henry, operated the Ellsworth garage until 1932.

Mr. Elzinga served as postmaster assistant from 1935 to 1950, has been a member of the village council since 1942 and village president since 1949. He was a member of Ellsworth school board of education from 1919 to 1939 and is now chairman of the Antrim county draft board.

Mrs. Elzinga, 78, is the former Jessie Wassenaar and was born in the Netherlands. She came to the United States in 1884 with her parents, who settled in Jamestown, and came to Antrim county in 1890. She is a member of Pilgrim Holiness church.

The couple has two daughters, Mrs. Roy Raymer of Belding and Maxine of Los Angeles, Calif.; four sons, Marvin of Ellsworth, Henry of Lansing, Arthur of Belding and Herbert of Lowell, and 10 grandchildren.

Mission Union To Meet

The annual Spring meeting of the Atwood Ellsworth Missionary Union will be held next Monday, April 25. The afternoon meeting will start at 1:45 and will be held in the Atwood Christian Reformed church. The evening meeting will be in the Ellsworth Christian Reformed church.

hide funds to finance the construction of a new garage and office building. The new garage will be large enough to house all of the county's equipment. The proposed building will be constructed on property the commission now owns on the eastern outskirts of Boyne City. The present office is located in Boyne City.

An appropriation of \$2400 for the purchase of a micro-filming machine to be used in micro-filming important county records was approved. Another grant not to exceed \$1,000 toward the purchase of a radio communication system for use by law-enforcement officers in the county was approved. The

files in the county are expected to show in the estimated cost of \$5,592 as a part of the Civil Defense program in the county. The Michigan Office of Civil Defense will underwrite 50 per cent of the total cost in federal grant.

An appropriation of \$1500 was awarded the Charlevoix County Humane Society toward a budget of \$6,701 for the establishment and operation of an animal shelter and humane program in the county. The Society would also collect the dog taxes in the county. The Society was re-organized recently with Keith Stinecomb of East Jordan president; Mrs. Earl Crandall secretary and Mrs. A. Evers treasurer.

The court house issue was discussed at length after a letter from the state fire marshal's office in which repairs and improvements to meet state requirements were outlined. It was decided to make such repairs as are economically sound and to micro-film all important records and store them outside the present courthouse while conducting a study of the county's needs in a new courthouse building.

The building and grounds committee headed by Clarence Rabach and any other super-

visors who could accompany the group were delegated to inspect newly-constructed courthouses in the area and to prepare a report on their findings and recommendations for the October meeting of the board.

The courthouse sinking fund which was approved and started in 1949 now contains \$120,000, it was revealed. At the end of the four years it has to run it is expected to reach the \$220,000 mark.

A resolution advising the state fire marshal's office of this first move toward a building plan was adopted.

A report entered by the county road commission showed that the Ironton ferry operated at a deficit of \$3,975 in 1954. The deficit will be shared equally by the commission and the board of supervisors.

The board also heard a report on the building needs at the county-operated Grandvue hospital. The welfare committee was delegated to work with the county welfare commission in preparing a report on the feasibility and estimated cost of a proposed addition to the present hospital as well as the cost of an entire new building.

A resolution objecting to the removal of control from local

governing bodies in regard to approving liquor licenses and a second objection to a new order requiring all rural residents of the county to apply at the sheriff's office for driver's licenses rather than at the offices of sheriff's deputies throughout the county were adopted and forwarded to the office of the secretary of state.

Modern 12-volt electrical system!

The only car in the low-price field with the extra energy of 12 volts . . . twice the electrical punch!

Faster, stronger cranking for cold-weather starts and a "fatter" spark for faultless high-speed operation.

Highest standard compression ratio in its field!

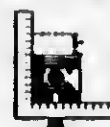

Chevrolet's compression ratio is 8 to 1, to wring every possible ounce of power and extra miles out of every gallon of gas.

Requires only four quarts of oil! Chevrolet's V8 engines are so efficient they need only four quarts of oil . . . so you save on every change!

Highest horsepower per pound!

These great V8's weigh far less than any similar engine in America, top the low-cost field in power per pound!

Shortest piston stroke in the industry! Three-inch stroke reduces cylinder-wall friction, generates less heat, permits more compact design.

The pistons do far less traveling per mile . . . that means less engine wear, lighter loads on bearings.

Mental Health Chapter Of Area To Sponsor Play

The Tri-County Mental Health Chapter will observe annual Mental Health week May 1-7 by sponsoring the presentation of the American Theatre Wing Community play "Random Target".

The play, which will be presented at Friendship hall of the Congregational church at 8 p.m. Tuesday, May 3, is based on the problem of aggression, long a problem of mankind.

Aggression is a world problem; a problem between nations; an adult problem between individuals and a problem that parents must deal with in rearing children. Teachers deal with it daily in the school program.

The play will portray this ever-present problem as it applies to family life.

Following the presentation,

Elementary School Principals Meet At MSU Kellogg Center

Glenn Snider, Charlevoix Elementary school principal, was in East Lansing Thursday and Friday to attend the annual meeting of Elementary School Principals at Kellogg Center at Michigan State University.

The theme of this year's conference was "Supervision . . . the Principal's responsibility in the improvement of instruction".

Dr. Harold Spears, assistant superintendent in charge of Elementary schools in San Francisco, Calif., spoke on the conference theme. Each principal present participated in group discussions of the theme "Supervision" and its relation to the improvement of the elementary school.

Guest speaker at the morning session was Mrs. D. R. Olson, State President of Women's Fellowship and the afternoon speaker was Miss Marjory Martin, National Friendly Service Secretary. A brief business meeting closed the all day session.

Members of the Women's Fellowship of the Congregational church of Charlevoix who attended were Mrs. Hubert Paddock, Mrs. Lester Smith, Mrs. Vernal Seymour, Mrs. Harold Bedford, Mrs. Ralph Hess and Mrs. Clark Dolliver.

Charlevoix IN UNIFORM

T-Sgt. and Mrs. Stanley A. Evers have arrived here to visit the former's parents, Mr. and Mrs. A. Evers, before leaving this weekend for Bedford, Mass., where he will be stationed at Hascome Field.

Sgt. Evers returned recently

from 18 months at Harmon Airforce Base, Newfoundland. Mrs. Evers has been residing at Mt. Clemens.

A2-c and Mrs. William Barker returned to Selfridge Airforce Base last week following an Easter visit with their respective parents, Mr. and Mrs. L. H. Barker and Mr. and Mrs. Walker Miles. Mr. and Mrs. Miles took them to Mt. Clemens.

Charles Cross, who had served two years in the U. S. Army, was

discharged recently at Fort Lewis, Wash. He has arrived here for an indefinite stay with his uncle and aunt, Mr. and Mrs. John Cross.

Joseph Etienne, who is stationed at Buffalo, N. Y., with the U. S. Coast Guard, spent last week with his family here.

You can't duplicate the "3 Plus" advantages of Blue Cross-Blue Shield!

- HOSPITAL SERVICES, NOT LIMITED CASH!** No other state-wide plan gives you basic services the way Blue Cross does, through its contract with the hospitals! Other plans give you fixed cash payments, which may pay only a small part of your hospital bill . . . the big part to be paid by you!
- DOCTOR SERVICES, NOT LIMITED CASH!**—with a choice of a \$2,500 or \$5,000 family income ceiling medical-surgical contract. You get service benefits if your family income meets the requirements of the contract you choose. The service benefits provision is offered only by your Blue Shield Plan.
- YOUR BLUE CROSS-BLUE SHIELD CARD CUTS RED TAPE!** Eliminates need for making a hospital deposit! No forms to fill out on admission to the hospital . . . no claims to file . . . no wait for payment. Blue Cross - Blue Shield Plans are the only plans that contract directly with your hospital and doctor.

Nothing can replace . . . or come close to replacing . . . the "3-PLUS" advantages of Blue Cross - Blue Shield protection against the cost of hospital and doctor care!

And—with hospital care something that 1 in 3 families need every year, think how important it is that your family be protected!

Chances are, your family is protected . . . and protected by Blue Cross - Blue Shield (nearly half the people in Michigan have it!).

And granted, you may think Blue Cross - Blue Shield protection is good. But it's far more than "good." It's so good that millions of Michigan people have found they just can't afford to be without it. There is no substitute . . . and here's why—

HOSPITAL SERVICES . . . NOT CASH!

Unlike plans that provide you with fixed cash benefits to cover the cost of hospital services (and rarely do you get enough cash!), the Blue Cross Comprehensive Contract gives you all the basic hospital services themselves . . . regardless of the cost.

This protection provides up to 120 days at a time . . . at almost any general hospital in Michigan, and at Blue Cross member hospitals all over the country! Every enrolled member of your family gets this very same protection, too.

DOCTOR SERVICES . . . NOT CASH!

Any time you need hospital care, you'll surely

need a doctor's care, too . . . and it's against the cost of in-hospital doctor care that Blue Shield protects you.

Just as it's possible to get hospital services through Blue Cross, it's possible to get doctor services through Blue Shield.

Blue Shield offers you a choice of a \$2,500 or \$5,000 family income medical-surgical contract. If your family income meets the requirements of the contract you choose, the cost of your participating doctor's in-hospital services will be covered by Blue Shield. This service benefit provision is made available to you only through Blue Shield. In any event, regardless of your income, liberal amounts will be paid to the doctor of your choice.

NON-PROFIT ORGANIZATIONS

Blue Cross and Blue Shield are non-profit organizations . . . sponsored by Michigan hospitals and doctors so that Michigan people can have the kind of protection they need, and at a cost they can afford. Together, these plans offer more protection for the money than you can get through any other organization.

Compare other plans with your Blue Cross - Blue Shield. Look for the "3-PLUS" advantages. You won't find them offered by any other state-wide protection plan. That's why there is no substitute for Blue Cross - Blue Shield.

If you do not already have Blue Cross - Blue Shield, ask your employer or your union representative how you can get low-cost group coverage for you and your family. (A company with as few as five employees may qualify as a group.) Or, call or write the Blue Cross - Blue Shield office listed in your telephone book.

Extension Clubs To Show Projects At Annual Picnic

According to word from the County Extension Office, Charlevoix county members will participate by displaying the results of their summer projects at the annual Labor Day picnic held each year at Whiting Park. Members and leaders were well pleased with the displays this year.

The club exhibits were taken to the picnic grounds for display because of the close of the Charlevoix county fair. The clubs are planning to expand their exhibition and expect it to be about twice as large next year.

Rainy weather kept many livestock members from bringing their cattle in last fall. The Charlevoix County's Leaders Club will draft plans to make next year show the best ever. A few 4-H leaders have requested that Charlevoix county members show at

INTERPRETING THE NEWS

PROFIT-MAKING business again will be asked to pick up the check for state government.

Just how much will be needed for 1955-56 is still in doubt and the qualified guesses range all the way from \$14 million to \$46 million a year.

"We're going to ask business to help us find the new revenue," said Senator Carlton H. Morris (R-Kalamazoo).

Morris, chairman of the Senate Taxation Committee, named the first 41 of a possible 60 members of a new citizen group, heavily laden with business and industrial executives from Detroit. In the wind is some tinkering with Michigan's \$30 million a year business activities tax, adopted two years ago in a flurry of political name-calling and confusion.

Co-authors of the tax were Alan L. Gornick, of the Ford Motor Co., and S. M. DuBrul, of General Motors Corp., who were members of the former citizen group and now prominent figures on Morris' new advisory panel.

Ex-Senator George N. Higgins (R-Ferndale) is also listed. He was chairman of the tax committee before Morris and is considered the legislative father of the business activities tax.

DEMOCRATS still are insisting, though not so vehemently, on Gov. Williams' \$101 million corporation profits tax, a goal for the last seven years.

Another possibility is the revival of the "Princeton Plan" of two years ago, a survey report which proposed such things as increased taxes on beer, pop and several other "nuisance" levies.

Over in the House, Rep. Rollo G. Conlin (R-Tipton), is thinking along the same line as chairman of the house tax committee.

Whatever happens, business is

going to be asked to make up the difference between the \$292 million budget offered by Williams and the existing revenue.

INSURANCE breaks continue to come for cars driven by millady. A few weeks ago, the National Bureau of Underwriters slashed premiums for liability coverage on cars driven by the wife of the insured... and perhaps his daughter under 25.

Going a step farther, the bureau last week decreed that the wife or husband of the policyholder could have the same rights under liability coverage as the insured.

The bureau handles policies covering "the majority of cars in Michigan," said Insurance Commissioner Joseph A. Navarre.

"When the bureau moves, the independents generally move in the same direction," he said.

Within a year, insurance experts expect the independents to make the same decision and "eventually all the cars in Michigan will probably get the ex-

tended benefits," said Navarre.

WEEKS WILL pass before the House will make a decision on Michigan's 305-page school code, a streamlined set of laws which are certain to start fresh controversies.

Part of the battle is an attempt to bypass state equalized valuation of property for computing school taxes and a complicated system for collecting them and appealing the assessments.

The Senate defeated a proposal to permit counties whose boundaries bisect school districts to ignore state equalized valuation. It is certain to be revived in the house.

Another battle is expected over the ban on high school fraternities and sororities, written into the code in the Senate at the request of Detroit teachers, Parent-Teacher groups and others.

Teachers for years have fought secret societies, claiming they create cliques among students.

DECENTRALIZATION of education to meet growing demands

of increasing numbers of students has become the goal of Senator Don VanderWerp (R-Fremont).

He will direct a study of the feasibility of state aid to parochial colleges, junior and community colleges this summer.

The idea was born of crisis, the plight of four-year colleges which expect to be overwhelmed by doubled enrollments by 1970. Instead of building the big colleges, VanderWerp figures the smaller schools could take over the first two years of higher education.

"That would make the present four-year schools available for the advanced work," he said.

Toward that end, VanderWerp is getting started on a committee to study the problem this summer. He already has conferred with church-supported colleges, teachers' colleges and businessmen whom he hopes will offer ideas.

Farmers now can buy an insecticide-fertilizer mixture that will furnish plants with food and kill their wireworm enemies at the same time.

Plan Work Bee At Norwood Cemetery

The annual cemetery improvement bee has been scheduled for Saturday by the Norwood Cemetery association according to Floyd Wagner, secretary. Ladies of the community will serve a potluck dinner in the town hall at noon which will be followed by the annual business meeting and election of officers.

Appearance of the cemetery has been decidedly improved in the past few years as a result of the work and contributions of persons interested in the project.

"We want to maintain the improvement already accomplished and continue the improvement program layed out for the future," Mr. Wagner said. "We think our little community is very attractive and we feel the cemetery grounds should be maintained in the same manner."

Churches will be presented by Mrs. Charles Weisler.

Mother-Daughter Banquet Enjoyed By Large Group

Approximately 150 persons attended the annual Mother-Daughter banquet held Tuesday evening at Friendship Hall of the Congregational church.

A pastel decorating scheme of Spring colors was used with streamers running the length of the long tables which were centered with large gumball Colonial bouquets. Gumball nosegays were put at each place as favors. Toastmistress for the program following the banquet was Mrs. Charles Pontius, who led the group singing. Invocation was by Cathleen Terrill and Marcee Wallace. Mrs. James Hiller gave the toast to the daughters and Robert, Pamela and Rebecca Hiller responded with a toast to the mothers.

Barbara Smith chose as a piano solo Chopin's Polonaise after which Benzie Creede presented a dance number. Twins Dana Ellen and Denis Erin Arvilla gave a recitation and Kristin Lieberman a vocal solo.

Popular selections were sung by the Teenster Trio composed of Roberta Swanson, Mona Davenport and Faye Meggison. Mrs. Leonard Burns played the piano accompaniment.

The Mother-Daughter banquet is sponsored annually by members of the Women's Fellowship of the Congregational Church.

New Restaurant, Liston's, To Hold An Open House

Liston's restaurant located at 218 Bridge st. at the site of the former Sugar Bowl was opened Wednesday under the management of Mr. and Mrs. Joseph Liston.

The popular eating place, which will feature a full line of meals, short orders and ice cream, has scheduled a grand opening from 7 to 11:30 a.m. Saturday when all visitors will be served coffee and donuts free of charge.

In preparation for the opening Wednesday, the entire dining room was re-decorated in a deep coral and primrose yellow and re-arranged. New black and chrome tables with formica tops will be installed shortly.

Mr. and Mrs. Liston, who operated the Windsock Grill last summer, have purchased the equipment and leased the building from George Glados. It was formerly operated by Mrs. Clara Denemy.

Track Team Will Meet Harbor On Next Wednesday

Charlevoix's track and field team will meet Harbor Springs' thirdclass in a practice track meet at Kipke field at 4 p.m. Friday. Coach S. E. Coleman announced Wednesday.

Coach Coleman said he was trying to arrange a meet with Cheboygan in the near future.

Cold and rainy weather during the past week have cut practice sessions to a minimum but Coach Coleman said Wednesday after practice meets with Boyne City and East Jordan that the team was shaping up well and should be in fine shape for their first major meets next month.

Junior Class Play Is Well Presented

A capacity crowd gathered at the Charlevoix high school auditorium Friday night to see the three-act comedy, My Little Margie, presented by the Junior class.

The actors who were well cast and directed in their difficult roles, gave a fine portrayal of the 12 characters in the play which was enthusiastically received by the audience.

Suit Is Filed Against Owners Of 'White Swan'

A \$10,000 penalty claim against the coastal freighter, White Swan, for operating without a valid certificate of inspection by the U. S. Coast Guard in carrying passengers or freight for hire between South Manitou island and Glen Haven in 1953 has been filed in U. S. District Court in Grand Rapids.

The complaint, filed under admiralty statutes, charged the 99-ton vessel transported logs between the Lake Michigan island and the Leelanau county village during the summer of 1953, making 20 trips between April and September and asked that a penalty of \$500 per trip be assessed by the court.

Roman J. Snow, Assistant U. S. District Attorney, who filed the complaint said that in the event the penalty was not paid, the court would be asked to place a lien against the vessel, so that it could be sold to satisfy the penalty. The estimated value of the freighter is said to be \$40,000.

Owners of the boat are Richard B. Lyons of Charlevoix and Jack P. Lyons of Lorain, Ohio.

Legion, Auxiliary To Hold Rummage Sale Saturday

Plans for a rummage sale to be held at the American Legion hall Saturday under the sponsorship of the Legion and its Auxiliary were completed at a regular meeting of the Auxiliary at the Legion hall Monday night.

Thirteen members were present for the potluck supper and the business session which followed. The group also arranged items for display at the sale to open at 9 a.m. Saturday.

The group also voted to send Mothers' Day cards and gift handkerchiefs to the Veterans Hospital where they will be given to the veterans who may use them as gifts.

Salk Vaccine To Be Administered

(Continued from Page 1)

Edward Crippen of Mancelona will administer the shots in Mancelona and Alba all day Thursday.

On Monday afternoon the vaccine will be given in Boyne City with the children of the North Bay, Horton's Bay, Boyne Falls and Melrose township schools being transported to the clinic at Boyne City.

First and second graders in the Murray, Bay Shore and Chandler rural schools in Charlevoix county will be transported to Petoskey where the program will be carried on all day Tuesday. On Tuesday morning the vaccine will be given in Harbor Springs with the children from Good Hart and Cross Village participating.

On Wednesday morning the program will be carried out in Gavlor. The final clinic will be held in Pellston Friday.

In communities where there are rural schools, each school will be assigned to a center and the children transported to participate in the program.

On Beaver Island, Dr. Harry Vail will administer the vaccine. In all communities local physicians will administer the shots at central locations set up in schools in the areas, with Dr. Litzemburger assisting where he is needed.

In formulating the program Dr. Litzemburger said that all northern Michigan doctors agreed on a fee for the administration of the shots on a private basis when it is available. The fee agreed upon is \$4.00 a shot or \$12.00 for the series of three.

It is expected that the Salk anti-polio vaccine will be available in a matter of a few months for inoculations to be given by the family physician. Next on the priority list will be children of pre-school age.

Minstrel Show To Furnish Fun

(Continued from Page 1)

Camilla Malby, Bill Marsh, the banjo artist of Bellaire and the voices of Charlevoix's own popular trio, the Teensters, Roberta Swanson, Mona Davenport and Faye Meggison.

C. A. Odmark, production manager, reports there will be other surprises the night of the show.

Members of the male chorus who will sing the old familiar minstrel chorus numbers will be Bruce Bartlett, Clarence Murray, Arthur Heilig, Charles Hamlin, Robert Miles, William Parsons, William Aldridge, Robert Livingston, Robert Mosby, Jerry Mardick, Don Bogart, Henry Ingalls, Albert Smith, William Fochtman, Del Terrill, Roy Robinson, Frederick Keie, Tom Carey, Arnold Wadas and Clifford Riley.

Mr. Duerr is general chairman of the production and Mr. Miles business manager.

Mrs. Minerva Shaw of Flint is spending three weeks at the Charlevoix.

Cross Fish Market Open For Season

The John Cross Fish Market on Belvedere ave., opened Tuesday for the summer season. Mr. Cross has announced.

The market specializes in fresh whitefish, lake trout, perch and smoked fish. During the summer season the market also caters to visitors who wish to ship fish back to their friends.

Will Christen 'Emerald Isle'

to arrive here from the Christy Corp. Shipyards in Sturgeon Bay, Wis., Thursday. There will be Henry J. Allen of Ann Arbor and St. James, president of the company; Lloyd McDonough of Beaver Island, vice president as well as chairman of the christening committee and master of ceremonies for one of the island's most memorable events; Dr. Harry Vail, island physician and secretary-treasurer of the company and Karl J. Erber of Charlevoix and Theodore Hine of Bay City, directors of the company.

Following the festivities at the water-front, a banquet will be held at the Beaver Lodge for company officials, stockholders and visitors. During the evening a home talent show will be held at Holy Cross parish hall. A dance at the hall will climax the day's activities.

On Sunday, the Emerald Isle, carrying visitors and a group of company officials and island residents will sail at noon for Charlevoix where they will be greeted by city officials. The Charlevoix high school band directed by C. A. Odmark will play a musical program.

Later they will attend a dinner at the Windsock Grill as the guests of Charlevoix business men. S. E. Trish' Coleman is arranging the event.

The new boat will remain in Charlevoix overnight and begin its regular schedule Monday morning. Until May 1 the Emerald Isle will make three trips a week and after that day will run daily except Sunday. The trip will originate in Charlevoix with the boat returning there late every afternoon.

The boat which was launched at Sturgeon Bay last week is scheduled to arrive at St. James harbor today (Thursday) and make its first trip to the mainland Friday afternoon. It will return to the island at 9:30 a.m. Saturday for the christening ceremony.

Mark Cross of Charlevoix will skipper the new boat. He is a native of Charlevoix and formerly served as third mate aboard the lake freighter Oglebay of the Columbia Steamship Co. of Cleveland. Robert Miller, formerly of the crew of the North Shore, will be the business manager and his brother, David, will be the engineer. Both are from Charlevoix.

The new boat is powered by a 365 hp. Caterpillar Diesel engine and will have two decks. The top deck will house the pilot house and two passenger lounges as well as passenger deck. The lower deck will carry up to 10 motor vehicles, freight and house the engines.

Annual Minstrel Show To Be Tonight, Friday

The third annual Northland Minstrel show, featuring a cast of more than 50, will open at the high school auditorium at 8 p.m. tonight (Thursday) for a two-day run.

Directed by C. A. Odmarr, the show promises to be the most entertaining presented to date under the sponsorship of the Charlevoix Band Parents Association.

World in Review

THE UNITED States has told Red China that the Nationalists must sit in at any Formosa peace talks, and that the Reds should show their sincerity in advance.

PREMIER Chou En Lai has declared Red China does not want war with the United States. He has offered to negotiate with the United States to try to relax tension in the Formosa area.

AN END to dairy surpluses was predicted this week by the president of the National Dairy Council.

A 375-MILLION dollar British tax cut has been cited as a factor in growing Senate opposition to the economic part of President Eisenhower's foreign aid program.

THE UNITED States decided against any direct talks with Red China unless the Communists make more conciliatory gestures. This action throws the question of a Far East settlement back to the United Nations, where Red China has a standing invitation to appear in debate on the Formosa issue.

MILITARY leaders report the mammoth Russian army is virtually on a war footing and that Red China's air force could be doubled or tripled "overnight" by the Soviets.

BUYING enthusiasm sent the stock market up this week and completely blanketed early selling induced by higher margin requirements.

THE Controversial deer control bill failed to pass in the Senate this week. The bill would have renewed the Conservation Commission's authority to manage the deer herd in the Northern half of the Lower Peninsula for another three years.

THE SENATE Finance Committee has approved President Eisenhower's liberalized foreign trade program and recommended that he be given new power to protect national defense industries.

Services Held For Mrs. P. Campbell, Longtime Resident

Mrs. Philo Campbell, 52, resident of this community for 19 years, died late Thursday afternoon at her home at 408 Garfield ave. Death was self-inflicted, according to Dr. L. E. Grate, coroner.

Funeral services were held at the Pontius Chapel Saturday afternoon with the Rev. T. H. Moody, pastor of the East Jordan Assembly of God church, officiating. Burial was in Brookside cemetery.

Born in East Jordan Feb. 24, 1903, the daughter of Victor and Mary LaCroix, the former Agnes LaCroix was married to Mr. Campbell in 1936. They had always resided here. She had been in ill health for several years.

Besides her husband, she is survived by two brothers, Ted and Leo LaCroix of East Jordan and a sister, Mrs. Clarence (Greta) Rizer of Cincinnati, Ohio.

'Emerald Isle' Christened At St. James

Mrs. Dan P. (Aunt Maggie) Boyle christens the Emerald Isle by breaking a bottle of Irish whiskey on the bow of the new motor-ship which will operate between Charlevoix and Beaver Island. Assisting Mrs. Boyle is Harry Allen, president of the Beaver Island Boat Co. Standing directly behind her is Lloyd McDonough, vice president of the company and Vernon LaFreniere.

Charlevoix Welcomes New Ferry And Beaver Island Residents

Charlevoix rolled out the red carpet of welcome to the new Charlevoix-Beaver Island ferry, the Emerald Isle, when the new boat made its first trip to the local harbor Thursday and again on Sunday when the boat brought a number of island residents to the city on its first excursion.

Salk Vaccine Is Administered To Grade Students

The new Salk anti-polio vaccine was administered to 181 first and second graders in the Charlevoix area in a program held Monday morning at the Charlevoix public school under the direction of Dr. A. F. Litzenberger, director of District Health Unit No. 3.

Declared Robert G. Martin, Isaac Terr, L. E. Grate and G. B. Saltorall cooperated with Dr. Litzenberger in administering the vaccine. Registered nurses who assisted were Mrs. Thomas Carcy, Mrs. Kathryn Leshner, Mrs. Marian Rice and Mrs. Jeanne Miles, school nurse, who organized the program here with the cooperation of Dr. Litzenberger.

Mrs. Dorothy McRae and Mrs. Kathryn Smith served as registrars.

Only three children did not participate in the program because parents did not grant permission. Five others who were absent because of illness will receive the shots from their family doctors.

Among those receiving the vaccine Monday were seven from Ironston, one from Norwood, 13 from St. Mary's parochial school and 160 from the Charlevoix public school.

The youngsters will receive their second shot of the series in from two to four weeks. Dr. Litzenberger said. The program will be repeated at that time.

Handicapped To Be Interviewed Here On Tuesday

Vocationally handicapped persons interested in learning more about the services of the Office of Vocational Rehabilitation may meet with a representative of the Traverse City office at the city hall here at 1 p.m. Tuesday, May 3.

Special meetings have also been arranged at the post office building in Boyne City at 8:30 a.m. and the nurse's office at the Boyne City high school at 1 p.m. Wednesday and at the high school principal's office in East Jordan at 8:30 a.m. Thursday.

This agency attempts to help vocationally handicapped individuals to help themselves get jobs or keep jobs by assisting them with training to learn new skills, artificial appliances, hospitalization or surgery.

On Thursday, the boat skippered by Mark Cross, made the 33-mile trip in two hours and 48 minutes.

Greeting Capt. Cross as he left the Emerald Isle after its first trip was Queen Joyce Cunningham who presented him with a bouquet of flowers from the Board of Commerce. The Charlevoix high school band directed by C. A. Odmarr was also on hand to play a musical salute. City Superintendent Roy R. Robinson represented the city, greeting visiting St. James residents and boat officials.

A group of St. James residents made the first trip to the mainland and returned home Friday. Several hundred Charlevoix residents toured the boat while it was tied at the dock here.

When the ferry returned here Sunday after the christening ceremony at St. James, a large crowd gathered at the dock area to welcome the boat despite a driving rain.

After the festivities on the dock when Harbor Master Joseph Howard and others greeted the more than 50 island residents who made the trip, the Businessmen's Division of the Board of Commerce entertained the group at a dinner at the Windsock Grill.

Robert Neff, chairman of the group, welcomed the guests and introduced a number of local business men and Lt. C. S. Hall and Ensign L. E. Morgan, commanding officer and executive officers respectively of the U.S.C.G. cutter Surdew and their respective wives.

Track Team Will Participate In Contest At Soo

The Charlevoix Rayders track and field team will travel to Sault Ste. Marie Saturday to participate in the Soo Invitational meet, Coach S. E. Irish' Coleman said Wednesday.

He plans to take a team of 30 men.

The local cindermen participated in practice meets with East Jordan last Tuesday and a triangular meet with Harbor Springs and Pellston Friday.

Other northern Michigan Class team trackmen will attend the Soo meet at the Central Michigan relays at Mt. Pleasant Friday. Mapelona, Gaylord, Boyne City, East Jordan and Grayling will take teams to Mt. Pleasant Friday. Grayling and Gaylord will travel north Saturday to participate in the upper peninsula meet.

Harbor Springs and Pellston have track teams for the first time in several years and their coaches do not feel they are qualified for big meets.

Charlevoix Host To Section Of Northern Festival Of Bands

Charlevoix will be host to over 300 young northern Michigan high school bandmen Wednesday when nine bands gather here for a section of the annual massed band festival scheduled for May 3, 4 and 5.

On Tuesday eight bands will participate at Rogers City and on Thursday an additional eight will go to Traverse City.

Held annually under the sponsorship of District 2 of the Michigan School Band and Orchestra Association, the festival is being split into three sections for the first time this year. This was necessitated by the growth of band programs in northern Michigan schools in recent years.

Oscar Slover, assistant band director at Michigan State college, will serve as adjudicator and guest conductor for the entire festival.

In all three locations the program for the day will begin at noon with each band playing a march and a selection for the benefit of criticism from the adjudicator. No ratings will be given.

The annual band parade at 2:30 p.m. and the massed band rehearsal at 3:30 p.m. will be climaxed by the massed band concert at 8 p.m.

At Charlevoix each band will make its individual concert appearance at the high school auditorium with the Charlevoix Varsity (Junior) band opening the (Continued on page seven)

Band Recives Second Division Festival Score

The Charlevoix high school band directed by C. A. Odmarr received a second division rating in the annual Michigan Band and Orchestra festival at East Lansing last weekend.

The rating denoted a good performance with minor deficiencies which did not make it a superior performance.

An unusual feature of the band's rating was the fact that in concert playing one judge gave the band a one, a second a two and a third judge a three. The band received a one in sight reading. Major criticisms were faulty balance and poor intonation. Each judge, however, gave the group several compliments and much constructive criticism.

Other northern Michigan bands participating in the state festival were Boyne City, East Jordan and St. Ignace which all received third division ratings.

Festival judges were Norman Dietz of Central Michigan college, William Ravelli of the University of Michigan, Samuel Scott of Michigan State college and L. R. Reimer of Elmhurst, Ill.

The band left here Friday noon and spent the night at the Hotel Porter in Lansing. They went out to East Lansing Saturday morning and after playing at 1:15 p.m. left for home at 4:30 p.m. After stopping in Mt. Pleasant for dinner the group arrived home at 11:30 p.m.

Chaperones on the trip were Miss Frances Milner, Mrs. Ralph McRae and Mr. Odmarr; drivers were Earl Crandall and Lloyd Cummings; Lawrence Supernaw transported the instruments and uniforms via truck.

John N. Kohn Dies In Flint After A Long Illness

John N. Kohn, father of the Rev. Harold E. Kohn, pastor of the First Congregational church here, died late Tuesday at Hurley Hospital in Flint following an illness of several months duration.

Funeral services will be held at the Brown Funeral Home, Davison Road, Flint, at 2 p.m. Friday. Burial will be at Mayville, where the family formerly resided.

Mr. Kohn was a retired Buick Motor company employee.

Besides the Rev. Mr. Kohn, he is survived by his wife; several sons; a daughter and several grandchildren.

The Rev. and Mrs. Kohn and daughter, Carolyn, left Tuesday afternoon for Flint to join the family.

Annual Clean-Up Week Will Start Here On Monday

Mayor Dean Davenport has proclaimed the week of May 2 as Clean-up week in Charlevoix.

All residents are urged not only to clean up but paint up and keep Charlevoix beautiful.

This will be a good time also to plant flowers and shrubs to beautify yards and homes. In an effort to assist the residents in cleaning up their property, the city street department will again have a daily pick-up of discarded items, leaves and grass resulting from the clean-up campaign. Leo Allard, head of the department has asked that all such material be placed in containers so that it can be placed on city trucks with a minimum of work. Do not place junk in boxes whose bottoms will fall out when they are moved.

ODDS 'N' ENDS

By Fran Martin

MEDALS of courage for the week should go to 181 youngsters we know... the first and second graders in our schools who received their first Salk vaccine shots Monday without one tear being shed... There were several, we're told, whose little faces lost their grins but only briefly... We think every grown-up will agree that such courage merits some recognition... And orchids to our doctors, all four of 'em, who cooperated with Dr. Litz of the health department in administering the shots in record time with the assistance of several registered nurses... Among these was one gal who asked to help, Mrs. Tom Carey, who could probably appreciate more than many what this will mean to our kids, for she was a victim of polio a few years back... And while we're handing out bouquets we'd like to mention Jeanne Miles who did a bang-up job of organizing the program, Mrs. Dorothy McRae who was chief morale builder and Mrs. Kay Smith who registered the kids... The whole program went off without a hitch in record time... thanks to a lot of wonderful people who, to our way of thinking, already wear halos... We might add to this list the teachers who prepared the children for the program so thoroughly and the parents who joined in informing the youngsters all the way... Mark this up as another reason why we like Charlevoix...

A LOW bow, too, to those who planned the welcome for the Emerald Isle Thursday and again on Sunday... Capt. Mark Cross was probably the most surprised guy on board when the boat docked Thursday after a record trip of 2 hours and 48 minutes which was cut by eight minutes the following day... And how about the greeting he got from Queen Jovee Cunningham... for a minute one couldn't tell the red flowers in the bouquet from Mark's face... But in all seriousness he and the people of Beaver Island who made the trip both days have asked us to thank everyone for their thoughtfulness and hospitality... And the dinner Sunday night was equally as successful... a grand gesture on the part of Charlevoix's businessmen toward a neighbor...

And the festivities on Beaver Island Saturday were pretty grand too, we're told... Aunt Maggie Boyle, every inch of her a queen, wearing a lovely orchid corsage, broke the bottle of Irish whiskey over the howl of the Emerald Isle... amid gay Irish smiles, and perhaps a few tears, under sunny skies... As we said before, if ever a ship was destined to have a long and successful career, surely the Emerald Isle is it...

DON'T forget the big silver anniversary of the Charlevoix-Detroit party that's coming up May 7... If you've anyone who lives in the Detroit area who might not hear about it, how's about dropping them a line... We're told that these parties are great fun... where memory-swapping is

one of the main features of entertainment... The committee has planned a grand program for your enjoyment so plan to attend... You won't be sorry, we know.

A STORY appeared in a Detroit paper with a Charlevoix dateline telling of a pheasant that chases cars like a pooch... Understand this, is on the east side of the Ironton ferry... His special foe, 'tis said, are cars with white side wall tires... Glenn Williams of Ironton thinks the bird is just showing off for a hen nearby... Isn't that just like a man... Mrs. Tom Nielsen of Ironton sent us the clipping from the Sunday paper about the freak bird...

HAVE YOU heard the frogs this spring?... We had occasion to hear them the other night and now we know it's really spring... There's something about their singing at night that is so restful... Maybe it's a hang-over from our days on the farm but anyway, we love it... And the fireflies... they'll soon be around too... Wonder where they go in the winter time?... And speaking of birds and spring and what have you... We understand snipe hunting has become quite a spring sport with the younger set...

AGAIN we say, as we have for several years, that the father and daughter banquet sponsored by the Girl Scouts and the little Brownies is just about the nicest party of the year... This year it went off without any flaws and was thoroughly enjoyed by the more than 300 who attended.

WAS listening to the radio the other night when we heard an announcement regarding a fishing clinic at the U. of M... It seems you could attend the clinic, learn what to use to catch what kind of fish... It really sounded wonderful... But as far as we could gather, no one told you where to find the fish you were to try all these grand theories on... Maybe they're the fish that were receiving college education up at the hatchery at Oden last year...

AND speaking of fish, as we were... we're told the perch run is on... We have found in the past that when we go fishing the fish play it smart and disappear... So we've promised not to go near the waterfront and scare off any fish our visitors might catch... Like before, we'll buy ours at the fish market... It's better for the disposition...

YOU CAN relax... The seniors have decided on the date for their trip to New York... May 25-28... For the time being everything is running smoothly as far as that class is concerned so everyone can start breathing again...

NEXT Wednesday will be a big day for Charlevoix... Some 300 band youngsters will be here with the nine bands participating in the massed band festival... There'll be a parade about 2:30 p.m. so keep your fingers crossed and wish for good weather so we can all get out and hear the bands.

TONIGHT and Friday night will be big nights for the Band Parents Association... It's time for the big minstrel show... We've been hearing about the program and we know you're in

Campus Comments

Tom Bleha was elected president of acclamation last week to head the Inner House Council at the University of Michigan next year.

In his acceptance speech, according to the Michigan Daily, he told the IHC Council that individual quadrangle residents should broaden their interests by taking part in more campus activities. Continuing he said better coordination between quadrangle councils and the IHC is also needed and that much work remains to be done by the IHC in regard to quadrangle food as well as other problems pertaining to housing.

He was unopposed for the presidency after serving as executive vice-president this year. The son of Mr. and Mrs. Charles Bleha, Tom will graduate from the U. of M. next year.

Howard Timmer, a student at Calvin college in Grand Rapids, spent the weekend with his parents, Mr. and Mrs. Peter H. Timmer.

Robert Odmark Is Given Birthday Party

Robert Odmark celebrated his ninth birthday anniversary Friday at a birthday dinner given by his mother, Mrs. C. A. Odmark. Guests gathered for games, dinner which was served at a table decorated with favors and centered with a lighted birthday cake and later attended the movie.

Those who attended were Nicky DeYoung, Vance Wood, Andy Carey, Lewis Terr, Steven Bergmann, John Ochs, Dickie and Julie Odmark.

Mobile X-Ray Unit Makes 872 Tests In Charlevoix Area

A total of 872 residents of the Charlevoix area visited the mobile X-ray unit for free chest X-rays during the two-day program held here last Tuesday and Wednesday under the sponsorship of the Michigan Tuberculosis Association and the Michigan Department of Health.

A large majority of those X-rayed were adults. There were also senior high school students and a small number of younger children who were reactors in the skin "scratch" test conducted earlier by Mrs. Jeanna Miles, school and community nurse.

Twenty local volunteers assisted as registrars and with the distribution of posters and other publicity. They were organized through the efforts of Mrs. Miles and Mrs. Franklin Ochs and included Mrs. Charles Bellinger, Mrs. E. D. Hawley, Mrs. Clarence Helse, Mrs. Dan Gencit, Mrs. Harold Withers, Mrs. Ralph McRae, Miss Frances Milner, Mrs. Joseph Arvilla, Mrs. Harry Stewart, Mrs. John Schroeder, Mrs. Karl Erber and Mrs. Alan Macdonell.

Mrs. Miles would also like to acknowledge the cooperation of Supt. R. G. Bennett, H. E. Bingham and Glenn Snider, school principals, the city utility crew, Schroeder and Hovey Drug and the grocery stores in making the program a success.

Glenn E. Rose Is
Vice-President Of
Enforcement Group

Glenn E. Rose, Charlevoix county sheriff, was elected first vice-president of the newly-organized Northern Michigan Law Enforcement Officers Association at the initial meeting of the group held recently at Gaylord.

Designed to create better relationship among all law enforcement officers and to acquaint them with new and improved methods of performing their duties, membership in the association includes members of the Michigan State Police, county and city law enforcement officers and conservation officers of the seventh district of the Michigan State Police.

The next meeting will be held May 11 at Alpena and the first Tuesday of every second month after that date.

Other officers elected at the organizational meeting were: president, Lt. Francis Cole of the Traverse City State Police; post-second vice-president, Al Eagle, Gaylord district supervisor of the Michigan Conservation department; third vice-president, James Demaray, Alpena Chief of police; secretary-treasurer, Martin Kelly of Petoskey.

To foster international good will, Cleveland maintains a series of gardens in Rockefeller Park, each honoring a different national culture, says the National Geographic Society. The project was begun in 1926. Thus far, 16 of the Cultural Gardens are finished.

Annual 4-H Spring
Achievement Day
Held At Boyne City

Six hundred people attended the annual 4-H Spring Achievement Day program in the Boyne City high school gymnasium, Wednesday evening, April 20.

The quality of work displayed was very high and honors went to many. There were 362 projects on display. These were judged by a committee of leaders from Emmet county and ribbon and certificates were awarded to all. One hundred eighteen girls displayed their garments in a style "The 100th anniversary of Michigan State college." Style champion was Martha Lord of East Jordan and alternate is Margie Erber of Boyne City. Margie won the distinction also of having the finest clothing work in the county. She has received an invitation to display her garment at the State 4-H Show next fall. The sewing of Barbara Nielsen also was superb. She made dresses for two tiny tots in addition to her own. Barbara's exhibit was selected for the State Fair and the alternate exhibit is a housecoat and pajama outfit by Agnes Zoulek of East Jordan.

Outstanding handicraft work was done by Ken Boss, Joe Martineck, Norman Cook, Roy Elsworth and Martha Lord.

Consumers Power Company awards for electrical work were awarded to Roland Dougherty, Neil Olstrom, Wayne Murphy and Ed Campau. Cash prizes were awarded to the following electrical leaders, Glenn Campau, South Arm Club; George Klooster, Peninsula Club; and Dick Smith, Barnard Club.

The Charlevoix Soil Conservation District awarded arm patches to the soil conservation club led by Mrs. R. V. Liskum and Mrs. Howard Bray. There were thirty members in this club. County medals for outstanding work in 1954 were also awarded to thirty-four members.

Special program numbers were given by Carla and Ruth Ann Riley and Marilou VerWys of Charlevoix, who sang "Open Up Your Heart" and "Make Yourself Comfortable." Also a recitation by Roger Stokes entitled "Why Leave the Farm."

Present for the affair were state club leaders Molly Vasold and Einer Olstrom.

Pistol And Rifle
Club To Elect
Officers Tonight

The NRA Rifle and Pistol club will hold its annual election of officers at seven o'clock tonight (Thursday) at the Charlevoix Rod and Gun club house, according to Bud Fisher, secretary. Following the election and business meeting the three pistol teams will compete in the fourth round of the spring match.

Last week's match completed the first half of the competition with team No. 2 in the lead with 3644 points. Team No. 1 is in second place with 3513 points and team No. 3 is third with 3332 points.

Team members and individual scores follow: Team No. 1: Dr. C. O. Whitten 786, J. C. Marshall 720, G. Pemberton 562, B. Fisher 491, H. Lang 500, H. Sellmeyer 454; Team No. 2: O. Richardson 777, G. Pleasant, Jack who is enrolled at the Michigan Veterans Vocational Training school at Pine Lake, Arlyle, who teaches in the Charlevoix schools, Joan, a high school student, Phyllis and Mrs. Roberts.

Betty McBride, a student at Central Michigan college, was also a guest.

High School Honor Students For 1955 Are Announced At St. James

Audrey Galliff

Margerat Ann LaFreniere

St. James, B. I. — Honor students of the 1955 graduating class of St. James high school here were announced this week by Sister Marie Genevieve O. P., high school principal.

They are Audrey Galliff who has been named valedictorian

with an average of 2.52 of a possible three points and Margerat Ann LaFreniere, salutatorian, with an average of 2.16 of a possible three.

Others who rated high in class standings are Margie Martin and Eleanor Gallagher.

Audrey, daughter of Mrs. Thomas Galliff, has served as president of the senior class, was treasurer of the Sodality as a junior and played prominent roles in the Christmas and Senior plays.

She plans to enroll at Aquinas college in Grand Rapids from which she will enter the Dominican Order as a teacher.

Margerat Ann is the daughter of Mr. and Mrs. Patrick LaFreniere. She has served as treasurer of the senior class and also had roles in the Christmas and Senior plays.

Margie is the daughter of Mr. and Mrs. Charles Martin and Eleanor is the daughter of Mr. and Mrs. James W. Gallagher.

"The time has come," the Walrus said, "To speak of many things . . . Of ships and shoes and sea-going wax, And cabbages and kings."

Let's begin and end with cabbages . . . skunk cabbages. And let me mention here that this report is what's left of authentic research into a rather smelly subject.

It was most enlightening during this intensive study to discover that while cows will eat cabbages . . . and cats will eat . . . a skunk will get about as close to a skunk cabbage as a pig to a porcupine.

In fact, every animal avoids eating this unsavory thing, except man . . . and for the simple reason that it is poisonous in its raw state. And that, to me, would seem like a pretty good reason for any man or beast who may or may not have much good sense . . . except smell . . . to ignore it.

So this, then, is probably the reason the skunk cabbage is about as popular to have around the house nowadays as the critter for which it was named . . . or after which the critter was named. It has not yet been established which came first . . . the skunk or the cabbage.

Thus we discover that odor is not altogether the reason for its unpopularity . . . because actually, the skunk cabbage smells like any other plant until someone, innocently, squashes it. And then they say it gives forth with

Father-Daughter Banquet At Gymn Is Well Attended

More than 350 Girl Scouts, Brownie Scouts, their fathers and guests as well as leaders and members of the Girl Scout Council gathered at the high school gymnasium Thursday night for the fourth annual Girl Scout Father and Daughter banquet.

Mrs. Charles Duerr as master of ceremonies introduced Sherry Holborn, the youngest Brownie who welcomed the guests and gave the toast to the fathers; Carolyn Steel who presented a message of gratitude to the Girl Scout leaders, members of the Council and others who made the Girl Scout program possible; the Rev. Lloyd M. Schloop who gave the invocation; Mrs. E. D. Hawley who directed group singing and Mrs. Lester Smith, Council president, who was also in charge of entertainment.

Mrs. Robert Bergmann was general chairman of the event.

fumes that would make a polecat feel right at home.

Other little known distink-shuns of the skunk cabbage have to do with its ancestry, as it is a sort of shirt-sleeve relatives of jack-in-the-pulpit. And it is popularly called "the first flower of spring," tra la . . . until you (whew!) step on it.

Dr. Marion Hall, eminent skunk cabbage authority, gives it credit for being "first" to show in the spring because at its peak of metabolic action, in February and March, it melts its way through blankets of snow still covering most other less offensive vegetation. That would take a lot of nerve . . . but they are a hearty, long lived plant with roots up to twelve feet long.

This early seasonal appearance led greens-hungry natives to find a way of eating it, even if it was poisonous. They found that boiling the tender leaves and whitish leafstalks three times, pouring off the water each time, removed both the poison and the offensive odor.

Today, I guess, many fine herb gourmets like this succulent vegetable seasoned with butter, salt and pepper, and eaten like (ulp) spinach.

Come On Out and Feel at Home

IT HAPPENED ON . . .

BEAVER ISLAND

By Loyola Malloy

Mr. and Mrs. Andrew Gallagher and family of Chicago witnessed the christening of the Emerald Isle here Saturday.

Jim Cull of Pontiac is spending a few days on the island with Mr. and Mrs. Mike Cull.

Mr. and Mrs. Floyd Brown and Mr. and Mrs. Henry Felix spent the weekend on the island.

Erwin Belfy Jr. was among the former residents who spent the weekend here.

Mrs. H. J. Johnston of Ludington spent a few days here recently.

Jack Cull, Francis and Bobby O'Donnell have returned to Chicago following a visit with relatives here. W. J. Gallagher accompanied them on their return. Mrs. Edna McCann of Detroit spent a few days with her par-

ents, Mr. and Mrs. William Belfy recently.

Mr. and Mrs. A. J. Ray and Mr. and Mrs. Hoffman of Pontiac were weekend visitors on the island.

Patrol Boat No. 1 returned to Charlevoix Sunday after several days in the local harbor.

Mrs. Marian Rice and her mother, Mrs. Frank Buck, were recent visitors at the home of Mrs. Noe Gallagher.

Mrs. Andy Gallagher and Mrs. Matt Melville returned to the island last week.

A number of islanders made the trip to Charlevoix aboard the Emerald Isle Sunday and were entertained at a banquet at the Windsock Grill by the business men there. Everyone enjoyed a delicious meal and sincerely thank everyone who had anything to do with making the Beaver Islanders feel so much at home.

Pheasant Are Released By Sports Clubs

Six flocks of full grown pheasants were released Thursday in Banks and Norwood townships, reports Floyd Wagner, president of the Norwood-Banks Hunting association.

Three of the flocks, five hens and a cock in each, were released in the Ellsworth area by Grant Hasting, Charles Edison and Andy Koyser of the Ellsworth Community Sportsman's club, which cooperated with the Norwood-Banks club in the purchase of birds to be released this year.

George Light Sr. and Carl McBride released the three flocks in the Norwood area for the Norwood-Banks group. A total of 60 birds have been released by this group in the past three years.

V.F.W. Auxiliary Has A Social Meeting

The Ladies Auxiliary of the V.F.W. met at the home of Mrs. Clarence Goldstick for a social meeting Thursday evening. During the evening, the group made dressings for the local cancer society.

Refreshments served by Mrs. Goldstick assisted by Mrs. Howard Griffin and Mrs. Edwin Mann concluded the meeting.

Mrs. Essenberg Jr. Is Honor Guest At A Stork Shower

Mrs. Andrew Essenberg Jr. was guest of honor at a stork shower given Friday evening at the summer cottage of her parents, Mr. and Mrs. E. A. Loop, at Oyster Bay. Hostesses were Mrs. Gerald Loop of Grand Rapids, Mrs. Gordon Crase of Fremont and Mrs. Robert Wallace.

A cradle cake surrounded by lighted tapers in pastel shades and folds of pink and blue net centered the refreshment table. Pastel ribbons holding small dolls fell from an orchid silk umbrella over the table. Bouquets of spring flowers decorated the rooms.

After games and a social hour, the honored guest was presented with a variety of gifts. Late in the evening refreshments were served. Among the 23 guests were Mrs. E. A. Loop, Mrs. John Carrington and Mrs. Leonard Simons of Grand Rapids, Mrs. W. R. Wond of Lansing and Mrs. Harold Redmond of Cincinnati.

Price Supports For Honey In '55 Announced Here

"The U. S. Department of Agriculture announced recently that honey will be supported during the 1955 marketing season, which started April 1, at a national average price of 9.0 cents a pound. This is 70 per cent of the current parity price adjusted to the 60-pound container level. The 1954 crop of honey was supported at 70 per cent of parity, which was slightly higher than, and the actual national average honey support price was 10.2 cents a pound.

"Price support for honey within a range of 60 to 90 per cent of parity is mandatory under the Agricultural Act of 1949, as amended. The program for 1955-crop honey is substantially the same as the one in effect last year. It provides for farm-storage loans and purchase agreements on U. S. Grade C or better extracted honey which is stored in 60-pound or larger containers in approved storage and is not objectionable in flavor. Beekeepers or cooperative associations of beekeepers can apply for loans or purchase agreements directly to the Agricultural Stabilization and Conservation (ASC) county offices.

"In announcing the honey price support program, the Department again urges beekeepers to increase their efforts toward utilizing bees in pollination of important pasture, seed, vegetable, and fruit crops on a remunerative basis. The honey price support program authorized in the Agricultural Act of 1949 is intended to extend interim financial assistance to beekeepers, thus providing them an opportunity to place their operations on a self-supporting basis. The Department also emphasized the importance of continued and intensified activity in improving the marketing and distribution of honey by all elements in the industry.

Area White House Conference Will Be In Traverse

The first annual regional Michigan White House Conference on Education will be held in Traverse City Thursday, May 5, Charles A. Robinson, Charlevoix county superintendent of schools has announced.

Mrs. Charles Bleha will serve as chairman and Mrs. Robert G. Martin as recorder for the group which will discuss the education of mentally and physically handicapped children. This is one of 10 special subjects to be discussed. The Michigan Department of Public Instruction will supply resources personnel for each discussion group.

Mr. Robinson urges everyone who is interested in the future of education and the welfare of the schools to attend the all-day meeting which will begin at 10 a.m. at the Traverse City high school.

Plans Open House At Schools For Thursday, May 12

The third Open House of the current school year will be held at the Charlevoix public school Thursday, May 12, Supt. R. G. Bennett announced this week.

As in the past a special visitation period from 7 until 8:15 p.m. so parents and friends may visit the classrooms will precede the formal program in the auditorium.

A style show by the members of the homemaking department under the direction of Mrs. Helen O'Neill will be a feature of the program. Special music will be provided by the high school music department directed by C. A. Odmark.

Kiwanis Official Is Meeting Guest

Theodore Roetman of St. Ignace, Lieutenant governor of Kiwanis Division 15, was a guest at the regular dinner meeting of the Charlevoix Kiwanis club at the high school cafeteria Monday night.

A traffic safety film was shown by two officers of the Michigan State Police at the program which followed.

Guests were Conrad Klooster and Glenn Franklin.

Attends Meeting Of Principals

11. E. Bingham was at Higgins Lake Tuesday where he attended a meeting of high school principals. Main purpose of the conference was to discuss a defense information and orientation program for high school youth.

Charlevoix.

Among the others who were introduced were City Superintendent Roy R. Robinson and aldermen Thomas Carey and James Miller, who represented the city of Charlevoix at the ceremony; Harold Totten of the Charlevoix Courier; Jeff Bodette, secretary of the Petoskey Chamber of Commerce, which furnished the bottle of Irish whiskey for the occasion; Jim Doherty of the Petoskey News-Review; Gregg Smith of the

Boys' Citizens; Ted Ray of Station WWTW at Cadillac and Cmdr. F. M. Cronan of the U. S. Coast Guard Marine Inspection office at St. Ignace.

A. L. Livingston of Charlevoix presented Mrs. Boyle with a bouquet of flowers before she officiated as sponsor of the new boat. The program was concluded with the singing of several Irish songs and God Bless America by Mr. Rowe who was accompanied by Joseph Hanna of Petoskey.

A dinner at the Beaver Lodge for company officials and stockholders and a home talent show and dance at the Parish hall concluded the festivities.

After an excursion trip to Charlevoix where the 60 island residents on board and others who had flown to the mainland were entertained at a dinner given by the Businessmen's division of the Charlevoix Board of Commerce, the ferry went on its regular run Monday morning.

Beginning May 2, the Emerald

Isle will leave Charlevoix daily Monday through Saturday at 8 a.m. and return at 5 p.m. with a three-hour stay at the island.

Charlevoix Host To Festival Of Bands

concert portion at noon. The Charlevoix Senior band will appear toward the end of the concert section. The majority of Charlevoix's 100 band students will participate in the massed band concert at 8 p.m. Wednesday.

The popular band parade will begin at school at 2:30 p.m. The parade route will continue along Grant st. to Park ave. to Bridge st. to Antrim st. to Grant st. and return to school where the massed band rehearsal is scheduled for 3:30 p.m.

An hour long concert with more than 300 young musicians playing a program of popular band music at the high school auditorium at

8 p.m. will conclude the festival. The concert will present a spectacle that one has to see to appreciate. C. A. Odmark, Charlevoix high school band director and host to the festival said in making the announcement regarding the festival.

Admission will be 50 cents for adults and 25 cents for students. Tickets will be required for admission to any of the three events, the individual concert performances, the massed band rehearsal and the massed band concert. One ticket, however, will admit the holder to any or all three events.

Mr. Odmark went on to say that if you want the massed band festival to return to Charlevoix, show your support of the program by attending the festival.

Bands scheduled to attend the massed band festival here Wednesday are: the Charlevoix Junior, Honor, Harbor Springs, Petoskey Concert (Senior), East Jordan, Boyne City, Mancelona, Ellsworth and the Charlevoix Senior

bands. Bands attending the Rogers City festival on Tuesday will be Pellston, Alanson, Cheboygan, Petoskey Junior, Onaway, Hillman, Gaylord and Rogers City; on Thursday Benzonia, Northport, Grayling, Kingsley, Elk Rapids, Central Lake, Kalkaska and Traverse City will participate in the Traverse City festival.

In Tune

The bob-white singing from the old rail fence sounds forth the same melodious notes his ancestors caroled before ever a white man touched North American shores. The mellow, rapid whistle of the black-capped chickadee is not in the least peculiar to that individual bird fluttering down upon our feeding station on a frosty spring morning. All black-capped chickadees voice the same high enthusiasm for life on the wing, sharing the same notes, repeating the chords chickadees have chimed for thousands of generations. Each bird in tune with all other members of its species and in harmony with all its feathered ancestors since the prehistoric founding of its family.

One of the secrets of great living is found in being "in tune." As a bird pipes a song in harmony with the voices of all other birds of its species, so an insect fulfills its "insectness" behaving like other members of its six-legged tribe. A tree satisfies its destiny by sending down roots and shooting out limbs like its leafy relatives. In tune with other members of the solar system, the earth circles in its appointed orbit. Everything that exists must fit into a scheme, as a note must agree with the musical theme of which it is a part.

Simple conformity, however, is not good in itself. Far from it! Getting into harmony with the gang often leads a good youngster into delinquency. The pull of a social group may be downward, rather than upward, and many a poor soul has discarded a high standard of moral conduct in order to be popular with a group whose standards were far lower than his own. Scoldom does a person begin a life of theft, or drug addiction, or gambling, or any other evil behavior without being enticed into it by the subtle appeal of conforming to the wishes of others. Most wrong doing has some social origins.

The real worth of being "in tune" depends upon the value of that note with which you seek to harmonize. While in a happy company of people about to engage in a life of theft, or drug addiction, or gambling, or any other evil behavior without being enticed into it by the subtle appeal of conforming to the wishes of others. Most wrong doing has some social origins.

Sometimes what we need most is to find another key. The ruthless economic exploiters, such as Jay Gould and John Jacob Astor, and the ambitious militarists, Alexander, Napoleon, Hitler, and Stalin, were in tune, but with the wrong key. The big-city gangs of juvenile delinquents with their knife wars, window smashings, and narcotic parties are in tune,

RESOLUTION
WHEREAS the City of Charlevoix in the County of Charlevoix, Michigan, desires to make a public improvement, namely to construct a Sanitary Sewer, which requires certain operations within the right of way of State Trunkline highway U.S. No. 31 which is under the jurisdiction of the Michigan State Highway Department; and

WHEREAS, the Michigan State Highway Department is willing to issue a permit therefor, provided the said applicant will furnish indemnity and protection against all liability arising by reason of Michigan law;

NOW THEREFORE BE IT RESOLVED by the Common Council of the City of Charlevoix, Charlevoix County, Michigan, that in consideration of the Michigan State Highway Department granting a permit to the City of Charlevoix upon proper application therefor to construct a Sanitary Sewer along and upon the right of way of State Trunkline U. S. No. 31, the City of Charlevoix shall save harmless and indemnify all persons against all liability which arises or might arise due to the operations along State Trunkline highway U. S. No. 31 as stated on the application and permit.

Resolution adopted by the following Yea and Nay vote. YEAS: Aldermen Hiller, Kipke, Pontius, Bellinger, and Carey. NAYS: None. ABSENT: Alderman Hamilton.

Alderman Hiller offered the following Ordinance Number 264 and moved its adoption, supported by Alderman Carey.

ORDINANCE NUMBER 264
AN ORDINANCE TO PROVIDE A WORKING SCHEDULE, RULES, REGULATIONS, AND CONDITIONS OF EMPLOYMENT AND COMPENSATION BENEFITS FOR ALL REGULAR EMPLOYEES OF THE CITY OF CHARLEVOIX, MICHIGAN.

ARTICLE I
1. LAY-OFFS. Whenever it becomes necessary to lay off employees, due to a shortage of work or lack of funds, that lay-off shall be made within the department in inverse order of their length of service, provided the employee who is retained is able to satisfactorily perform the work.

2. REHIRING. When rehiring, employees laid off shall be rehired in the same department in the reverse order, if available, provided they are physically qualified to return to work.

3. TRIAL SERVICE PERIOD. There shall be a three month probationary period of employment for new employees, and if such employees are continued in the City after said period, they shall be considered regular employees.

4. PHYSICAL EXAMINATION. All new employees shall be required to take a physical examination by a Doctor designated by the City and at the expense of the City. Disabilities may be waived by the City if in its judgement such disability will not interfere with

or be complicated by the work to be performed.

5. LIMITATIONS. An employee will lose all seniority if he voluntarily quits, is justifiably discharged, or is away from his work for three days without notifying his department head, or if he works for another employer while on leave of absence, unless this was previously agreed to in writing. The seniority rights of employees who have been laid off for reasons beyond their control, and later re-employed, shall be restored as of the date they left the service of the City. Upon failure to return to work or to show intent thereof within two weeks after having been given three days notice by the City, the seniority of such employee shall be deemed terminated. It shall be the responsibility of the employee to keep the City informed of his correct address at all times.

6. TEMPORARY POSITIONS. Whenever regular employees are on leave of absence or on sick leave, it shall be understood that persons filling these positions, fill them for the duration of the leave of absence or sick leave and shall relinquish the position on the return to work of the employee for whom such leave was granted.

7. EMPLOYEES EXCEPTED. The provisions of this working schedule shall not apply to vacation employees, temporary employees, employees hired to fill temporary vacancies or to employees hired for special construction projects or seasonal work.

8. JOB TRAINING. Where an employee is hired for the particular purpose of training, for skilled jobs such as diesel operator or lineman, such training shall be on a four year basis, and regular pay increases shall be given at the rate of one fourth the pay differential each year, providing the employee shows satisfactory progress. This is not to preclude the hiring of an employee with previous experience at the wage rate suitable for such previous experience.

ARTICLE II
1. HOLIDAYS. Under normal conditions, except for shift jobs, work will not be required and straight time will be paid on the following holidays: New Year's, Memorial Day, Independence Day, Labor Day, Thanksgiving, and Christmas.

Employees will be paid for required holiday work at additional full time for all time worked with two hours straight time minimum for trouble calls. Repeated refusal to comply with calls for holiday work will be grounds for dismissal.

2. HOURS OF WORK. The regular work week shall be forty-four hours; all hours worked in excess of forty-four hours shall be paid for at straight time with a minimum two hours straight time for trouble calls when such calls come after the employee has finished his scheduled working hours and has left his place of employment.

3. SALARIED EMPLOYEES. Salaried employees including Fire and Police shall work such hours as necessary to fulfill the duties of their positions and shall receive compensation as shall be set from time to time by the City. Officers of the Police Department shall be paid additional compensation based on an hourly rate computed by dividing their weekly salary by the hours in their normal week for time spent while off duty in preparing and prosecuting criminal court cases. Fire Department employees shall also be paid additional compensation based on an hourly rate computed by dividing their weekly salary by the hours in their normal work performed for time spent when called out to fire calls when they are off duty.

ARTICLE III
1. VACATION. Employees shall receive one week's vacation with pay after one year's steady employment and two weeks vacation after two years' steady employment dating back to the last date of employment by the City.

Vacations cannot be divided into periods of less than one week. Vacations are not cumulative and must be taken during the calendar year. Employees are urged to take their vacation time off; however, when extreme circumstances preclude such time off, the employee may be paid his regular time for earned vacations.

No paid vacation or sick leave during the first year of employment.

Two weeks sick leave per year after one year's employment, cumulative to twelve weeks. Termination of employment cancels any accumulated sick leave. Employees may use any sick leave on November 15th; he has 12 weeks of accumulated sick leave. In May and June he is sick for 5 weeks, leaving accumulated sick leave of seven weeks. The next November 15th he is credited with an additional two weeks sick leave and has a total accumulated of nine weeks.

In the event that an employee suffers any disability rendering him incapable of performing his regularly required duties, the City shall appoint two Doctors, one of whom shall be his family Doctor if he has one, who shall examine the employee and report to the City and employee prior to the expiration of his sick leave, that such disability is or is not "likely to be permanent"; the employment of the employee shall be terminated at the end of sick leave.

Accidental Workmen's Compensation. All regular employees receiving Workmen's Compensation insurance for injuries sustained in the course of employment, will be given the difference between such compensation and their regular pay for a period not to exceed six months. Death shall terminate such arrangement.

Accumulated sick leave may be used by an employee only in the event of illness or temporary disability rendering him incapable of performing his regularly required duties.

Seniority, sick leave, and vacations shall be retroactive to that date which starts the last period of employment.

No employee shall be paid for the first day of illness. Any of the provisions of this Ordinance may be temporarily suspended by the City when necessary, due to an extraordinary emergency, provided that the said working schedule shall be restored in full force and effect immediately upon the cessation of such extraordinary emergency.

ARTICLE IV
1. This Ordinance shall take effect immediately upon its adoption.

Ordinance Number 264 was adopted by the following Yea and Nay vote. YEAS: Aldermen Hiller, Kipke, Pontius, Bellinger, and Carey. NAYS: None. ABSENT: Alderman Hamilton.

Motion carried by the following Yea and Nay vote. YEAS: Aldermen Hiller, Kipke, Pontius, Bellinger, and Carey. NAYS: None. ABSENT: Alderman Hamilton.

"Random Target" To Be Presented Tuesday, May 3

The American Theatre Wing community play, "Random Target" by Nora Sterling will be presented at Friendship hall of the Congregational church at 8 p.m. Tuesday under the sponsorship of the Tri-county chapter of the Michigan Society for Mental Health. Mrs. Charles Bleha, president of the sponsoring group, has announced.

The theme of the play is on a very timely one, the problem of aggression in children, wise ways of meeting it, and the results of unwise reactions to it in later years.

Appearing in the excellent cast will be Mr. and Mrs. Rodney Crede as the Stewarts; Larry Smith as their son, Nick, and Mrs. Harry Stewart as Mrs. Eve Knox, whose son is the victim of Nick's aggression.

A discussion period will follow under the direction of Robert Gillespie of the staff of the Petoskey Child Guidance Clinic.

Parents and persons such as teachers, scout leaders and others meeting the problem of aggression in children with whom they work are especially invited to attend the presentation and participate in the discussion period. Everyone will also be given an opportunity to express his ideas on ways the chapter can be of greater service to the communities represented.

Concert Series Is Sell-Out As Drive Is Ended

The 1955 Northern Michigan Concert Association membership drive ended Saturday with the organization the only one of its kind in Michigan to have a sell-out. Mrs. Allan McCune of Petoskey, membership chairman, has announced.

In Charlevoix where the drive was headed by Mr. and Mrs. C. A. Odmark a total of 177 memberships, or two more than in 1954 were sold.

The 1955-56 concert series has been announced and is one of the most ambitious in the nine year history of the group. It includes dePaur Infantry Chorus which is being returned by popular request; the Paganini Quartet, a chamber quartet playing the fabulous Stradivarius instruments of Paganini; Rey and Gomez a dance team which features fiery Spanish and Latin American dances and Eleanor Steber, internationally acknowledged as one of the greatest divas and Metropolitan Opera soprano.

GREETINGS

To the People of Charlevoix:

The Beaver Island Boat Company, Capt. Mark Cross and the crew of the Emerald Isle, and the Beaver Island Civic Association wish to express their appreciation for the royal welcome extended to them on the maiden voyage Thursday and to those who made possible the excellent chicken dinner prepared for the excursion party Sunday.

We wish to particularly thank Mr. S. E. Coleman for planning and arranging both events and Mr. C. A. Odmark and the Charlevoix High school Band for the very fine musical salute, and your gracious queen, Joyce Cunningham, for the floral tribute presented to Capt. Cross.

The warmth of your hospitality will long be remembered by Beaver Islanders.

Sincerely,

Frank Nackerman, President
Beaver Island Civic Association

Annual Clean-Up Week Pushed By Spring Weather

This is annual Clean-up week in Charlevoix. Mayor Dean Davenport in proclaiming the first week in May as clean-up week urged that everyone in Charlevoix join in brightening up the city for the start of the tourist season. He went on to say that the citizens of Charlevoix should take pride in making the city beautiful by cleaning up, painting up and fixing up their part in helping to maintain the slogan "Charlevoix the Beautiful."

The street department, which has done an excellent job of cleaning the city streets, will continue to collect trash left at the curb in containers during the remainder of the week.

The fine spring weather Charlevoix has been enjoying this week should inspire everyone to making his home and yard the best in the block.

Charlevoix Host To Division Of Band Festival

Charlevoix was host to some 300 young high school musicians as nine northern Michigan high school bands gathered here for one division of the annual Massed Band Festival held under the sponsorship of District 2 of the Michigan School Band Association.

Highlights of the event were the band parade held at 2:30 p.m. under sunny skies and the massed band concert at the high school auditorium at 8 p.m. with Oscar Stover, assistant band director at Michigan State College as guest conductor.

Each band played two numbers for criticism beginning at 11:30 a.m. and the group gathered at the high school auditorium for a massed band rehearsal at 3:30 p.m.

Bands attending the Charlevoix festival were the Petoskey Senior band, Honor, East Jordan, Boyne City, Harbor Springs, Manicouche, Ellsworth and Charlevoix's Varsity and Senior bands. Sixteen other northern Michigan bands participated in similar festivals at Rogers City on Tuesday and at Traverse City today (Thursday). Mr. Stover was the adjudicator and guest director at all three festivals.

Chief Of Police Gives Report For Month Of April

A Charlevoix police department report issued this week by Chief of Police Clarence Heise revealed that the department received 60 calls during the month of April. This necessitated 40 investigations.

It also showed that nine arrests including four larceny cases and one each for speeding, reckless driving, excessive noise, failure to stop, and drunk and disorderly were made during the month. Eleven liquor inspections were also made.

During the month the four officers on duty worked a total of 720 man hours. The police car was driven 2,002 miles or an average of 66.7 miles per day.

Student 'Officials' Govern City; Mayor Makes Appointments

Monday, May 2, was Student Government Day when Charlevoix high school students, elected in a recent poll conducted in conjunction with the city's primary election, assumed the duties of city government for the day.

Tom Swanson took over the duties of mayor from Dean Davenport; Kit Carson, Joyce Cunningham, Mona Davenport, Darlene Mason, Roberta Swanson and Quinton Walker, aldermen; Charles Dennis, city clerk; Mike Elzinga, treasurer; David Juilleret, justice of the peace; Ken Ross, city superintendent; Guy Swanson, attorney; Terry Davis, police chief; Garry Vandenberg, fire chief.

Two Sentenced Following Raid Late Saturday

Fifteen young men and women rounded up in a raid on an area adjacent to the Deer Lake Dance hall northeast of East Jordan late Saturday night appeared before Justice of the Peace John Connolly in justice court here Monday.

The raid was staged after numerous calls had been received by the sheriff's department from parents, school officials and others. Sheriff Glenn Rose who headed a group of four deputies and four members of the state police post said, more than 100 cars parked in an area around the dance hall, which is operated by John Spoelman of Central Lake, were searched during the hour-long raid.

Lauimer W. Lewis, 21 of Charlevoix and Richard Matussek, 20 of Elmira, were charged with furnishing liquor to minors and jailed Saturday night. On Monday Justice Connolly sentenced each to five days in jail and ordered each to pay a \$50 fine and pay \$5.00 court costs. If the fine and court costs are not paid an additional 30 days will be added to the sentence. Matussek's sentence was suspended when he offered to show police officers where he had purchased the beer.

Two minors, a 15 year old Charlevoix boy and a 16-year-old East Jordan girl, were turned over to justice court and will appear before Probate Judge Floyd A. Supp at a later date.

No formal charges were placed against the other eleven, who were placed on strict probation and ordered by Justice Connolly not to frequent such places in the future.

ODDS 'N' ENDS

By Fran Martin

DID YOU ever see anything pop out like our leaves and flowers have since the weekend . . . If you watch long enough you can almost see things growing and it's all so wonderful . . . Makes one forget the cold weather and the snowstorms . . .

Speaking of flowers . . . we 'stumbled' onto some beautiful ones Saturday . . . Enroute home from the hospital we stopped by to look over Stanley Barger's garden . . . or perhaps we should say 'small farm' . . . He's got everything including fruit trees and berries planted in the garden . . . along with seeds of flowers . . . tulips, hyacinths, daffodils among them . . . We came home with a beautiful bouquet of these . . . And we're going back to see all the other flowers as they blossom . . . And you know he grows bulbs for sale . . . just as a hobby . . . He knows each one and everyone by its special name and knows where everyone is planted . . . In other words, he really works at his hobby . . .

BEAVER Island made the Detroit Free Press Saturday . . . Did you notice? . . . It was a picture story, showing the U.S.C.G. cutter Woodbine entering St. James harbor for the first time on an ice breaking mission earlier this spring . . . Entitled "In Business Again", it tells the story of the isolated island and how it will have more contact with the mainland, now that the ice is gone . . .

Every now and then we pick

up a bit of news that we're really thrilled about . . . That happened this week in a little local you'll find elsewhere in the Courier . . . It merely states that the George Gladstones are going west on a trip . . . But do you know anyone who deserves that trip anymore than this grand couple who have catered to the sweet tooth of Charlevoix residents for some 50 years . . . George thought a long time before deciding to close his popcorn shop for a couple of weeks but he thinks the kids and the grown-ups too can get along for a couple of weeks . . . We know we voice the thoughts of the countless friends when we wish them 'bon voyage' . . .

IT'S happened again just like it always does this time of year . . . Some brave young thing decides to go out and see the world and always ends up with someone rescuing him from the humans . . . This time it was a raccoon who ambled in from some place and ran into some unfriendly dogs on Park ave. . . After two days in a tree in front of the Glenn Franklins on Park ave. an S.O.S. was sent out to those veteran wild animal tamers, Mart Elzinga and Earl Crandall (also our fire chiefs) who shook the animal out of the tree, captured it and took it to the country where it was released to find its way home . . . It's a sure sign of spring around here when this happens . . . only this is the first time we remember a raccoon making the pilgrimage . . .

AND HOW about the wild horse that was brought over from Beaver Island the other day . . . It was a beautiful animal . . . bay in color with a heavy coat as a result of being outdoors . . . We checked into the history a little and found that it was the first

colt born following the High Island deal when some dozen or so horses were 'planted' on the isolated island west of the big Beaver . . . The Michigan Humane Society registered a complaint of the venture and the horses were removed after they'd been there less than a year . . . This was the first colt born to the more that was known as the outlaw of High Island . . . The mother has never been 'broken' and after watching this young stallion the other day we doubt if he'll ever be . . . He's been purchased by a horse fancier at Jackson . . . While being taken from the dock to Hooker's he put up quite a fuss and the horse-handlers finally brought another horse to Park ave. in an effort to calm him down . . . When he saw the second horse, he walked down the street like a gentleman . . .

AND DON'T forget that this week is clean-up week . . . If you haven't already raked that lawn get to it for the grass is growing like mad and the flowers are sticking their green little sprouts through last year's leaves and growing themselves all out of shape . . . And if you'll take down the storm windows and wash the glass, you'll see just all sorts of pretty things . . . So why not keep Charlevoix beautiful by cleaning up, painting up and prattling up now . . .

WHEN WE saw the headline in the paper recently we thought it was a gag but it turned out to be the real McCoy . . . Beaver Island has asked the conservation department for rabbit holes . . . Honest . . . Seems the poor little cotton-tails didn't have any place to set up house-keeping so have been slow in doing the things for which rabbits are noted . . . As a result rabbit hunting over there has not been up to par . . . In order to correct this little matter, the islanders have asked the conservation department to import some woodchucks that would dig holes which the rabbits would eventually take over and set up housekeeping in and raise little rabbits so the hunters could bring home a bunting . . . as the nursery song goes . . . Gee, where you don't find housing shortages these days . . .

IF YOU'VE any Viewmaster reels stored away and don't want them anymore, we know where they can be put to good use . . . Two Viewmasters have been placed on the library cart at the Charlevoix Hospital and the Hospital Guild is looking for reels for them . . . They're for the entertainment of recuperating youngsters . . . So, if you have any of the reels you'd like to give to the cause call Mrs. Alan Macdonell who'll be glad to pick up your contribution . . .

LOCAL residents sure enjoyed the recent tele-thon held over Station WPBN-TV at Traversa City to raise funds for the community college there . . . Our Teensters, Del Terrill and Rod Creede and his dancing partner, Camilla Maltby of Bellara, were among the talent which participated . . . All want to thank the good people of Charlevoix for the wonderful support given them and the calls for requests which could not be fulfilled 'cause time ran out . . . But they, especially the Teensters, want you to know that they appreciate your interest . . . Can't say Charlevoix isn't interested in the college despite the fact that we don't have anyone enrolled at present . . . But we have a lot of Wigwam club members as a result of the tele-

vision show . . .

HEY! Don't forget that Sunday is Mother's Day . . . What with all the reminders around, we almost forgot it 'til this week . . . So we're relaying the info to you so you won't forget to wish your Mom a happy Mother's Day . . . And to those of you who have a habit of letting important days like this slip by without doing anything about it, how's about getting on the ball and stopping in and seeing your mother or calling her on the phone if that isn't possible . . . Or send her one of those scented telegrams we saw advertised the other day . . . Wonder if you can pick the scent? . . . Gee, what they won't think of next . . .

IF YOU'RE looking for some entertainment, we'll tell you where you can find some . . . (without any cost too) . . . Pick up your new telephone directory which arrived last week and notice all the names in it . . . There are just aads of 'em and we're busy tracking down some of them . . . just out of curiosity . . . It's a good thing we don't live in Chicago . . . think what a chore we'd have . . . But no kiddin' if you're interested in names you'll

find lots of new ones in said book.

IF YOU received a Christmas greeting from a local couple last week, don't be alarmed . . . It's nothing serious, really . . . just

a matter of someone losing all the Christmas cards addressed to local friends behind the seat of the family car . . . Last week they were found and when the bright young lad of the family

asked what was to be done with them his mother, without thinking, said "Well, I guess we'll mail them" . . . Toking her at her word he dumped them in the (Continued on Page 8)

Punch-line to the year's hottest power story—

Chevrolet "Turbo-Fire V8"!

This is the engine that's writing a whole new chapter in the book of automobile performance records. This is the engine that has stock car timers doing a "double take" at their stop-watches wherever experts gather to compare the abilities of the 1955 cars.

For example, in the recent NASCAR* stock car competition at Daytona Beach, Florida, Chevrolet literally ran away from every other car in its class—and a raft of others besides. In the one-mile straightaway run for low-priced cars, the first two places—and six of the first ten—went to Chev-

rolets. And in acceleration runs from a standing start against all comers, the Motoramic Chevrolet beat all other low-priced cars—and every high-priced car except one!

What's behind this blazing performance? A compact honey of a V8 that only the world's leading producer of valve-in-head engines can build. Chevrolet's new "Turbo-Fire V8".

It puts a new kind of fun in your driving life. You're in charge of 163 high-spirited horsepower—or if you're looking for even more excitement, the new "Super Turbo-Fire V8" (optional at

extra cost) puts 180 h.p. under your toe!

Pick the one you'd rather have fun with, then come in and get behind the wheel. You'll see why the Motoramic Chevrolet is showing its heels to everyone else on the road!

Crawford - Campbell Marriage Vows Spoken In Double Ring Ceremony

CRAWFORD-CAMPBELL ...2-18 Baskets of white gladioli and snapdragons and lighted tapers decorated the altar of the Evangelical Lutheran church in East Jordan for the wedding of Natalie Margaret Crawford, daughter of Mr. and Mrs. Basil Crawford of East Jordan, and Howard L. Campbell, son of Mr. and Mrs. Sam C. Campbell Saturday evening.

The Rev. Dale Larson officiated at the double ring service in the presence of 150 guests. Fred Sticker, the organist, played the traditional wedding marches and accompanied the soloist, Mrs. Reuben Liskum of Bellaire, aunt of the bride, who sang "The Lord's Prayer" and "I Love Thee".

The bride, escorted to the altar by her father, chose a gown of white Chantilly lace for her wedding. It was styled with a strapless fitted bodice and a full skirt worn with a fitted jacket that had long sleeves, a Peter Pan collar and was buttoned to the waist. Her fingertip veil of bridal illusion fell from a Juliet camp of Chantilly lace and she carried a cascade bouquet of red roses and white hyacinth florets.

Carol Goodenough of Alba was maid of honor and Kathleen Healey of Marquette and Verna Williams of Mancelona were bridesmaids. They wore similar ballerina length gowns of Nile green, orchid and light blue respectively and matching stoles. Miss Goodenough carried a colonial bouquet of yellow mums, Miss Healey, white mums and Miss Williams red mums.

Donna Mosby, cousin of the bridegroom, as flower girl wore a ballerina length gown of orchid nylon and carried a basket of daffodils.

Bobby Mosby assisted his nephew as best man and ushers were Richard Smith and Lyle Crawford of East Jordan, brother of the bride.

Mrs. Crawford chose a beige dress, white accessories and a corsage of yellow roses for her daughter's wedding. Mrs. Campbell, mother of the bridegroom, wore a navy dress with white accents, white accessories and a corsage of red carnations.

Immediately following the ceremony, a reception was held in the church annex. The bride's table was centered with a tiered wedding cake topped with a miniature bride and groom and decorated with spring flowers and lighted tapers.

After a brief northern Michigan wedding trip the couple will reside in Charlevoix. For traveling the bride wore a burgundy suit and white accessories.

Wedding guests were present from Charlevoix, Marquette, Pontiac, Detroit, Hazel Park, Bellaire, Alba, Petoskey and Mancelona.

Robert Richards Is New President Of County M.E.A.

Robert Richards, Charlevoix high school science teacher, was elected president of the Charlevoix county M.E.A. at the annual election of officers held last week at Boyne City. He succeeds D. D. Nelson of Boyne City in the office.

Other officers named at the same dinner meeting held at the Boyne City high school cafeteria were: vice president, Harry Jan-kovic of East Jordan; secretary, Mrs. Choice Snyder of Boyne Falls; treasurer, Miss Eloise Arbuckle of Boyne City.

Earl Brotherton of Boyne City was re-elected delegate to the Representative Assembly. Max Novak of Charlevoix was named first alternate and Edward Kujawski of Boyne Falls second alternate.

Teachers who have served 30

years in the teaching profession were honored at the meeting. Each was presented with a 30-year certificate and pin. S. E. Coleman and Mrs. Bertha Shetler received their certificates and pins from Supt. H. G. Bennett. Two Boyne City teachers, Miss Arbuckle and Mrs. Anne Boylan received their awards from Mr. Nelson, retiring president. Mr. Coleman, high school English teacher and track coach here, taught one year at Lexington before coming here in 1920. Mrs. Shetler has done most of her teaching in the Charlevoix and Midland school systems. She teaches first grade here.

At the business session, Mr. Brotherton, delegate to the Representative Assembly, reported on the proposed Social Security plan for teachers. A discussion of the issue followed.

Mrs. George Plumm and daughter, Jayne, have gone to Detroit for a three weeks stay. They returned with Mr. Plumm who was here for the weekend.

National Grange Sponsors Second European Tours

Washington, D. C. — The National Grange will sponsor its second European Tour in September, in response to popular demand because of the success of its first tour last October.

The 1955 Tour will start from New York aboard the S. S. America on Sept. 9, and will include visits to six European countries, England, Holland, Belgium, Germany, Switzerland, and France, returning to New York, Oct. 7. For those who have the time, the tour may be extended from Switzerland, on Oct. 2, to include Italy, with visits to Milan, Venice, Florence, Rome, Naples, Genoa, and Capri, and back to Paris, to arrive in New York on the S. S. United States, Oct. 25. Optional side trips to places of agricultural interest will be announced later.

The purpose of these tours is to see European agricultural production; to bring about a better understanding of international farm problems; and to build good will with peoples of other nations. Letters from individuals who went on the 1954 tour repeatedly stress the fun of good fellowship and new friendships, in addition to the educational advantages of such a trip.

An illustrated free pamphlet with itinerary, rates, etc., is available from: European Tour, National Grange Monthly, Springfield 3, Mass.

Rebekah Lodge District Meets

Mrs. Edward Swanson was elected treasurer of Rebekah lodge district 18 at the annual district meeting held Friday at Harbor Springs.

Others who attended the afternoon and evening sessions were Mrs. Grace Genelt, Mrs. Leroy Albers, Mrs. E. E. Stroud, Mrs. George Cook, Mrs. Edward Larkies, Mrs. Earl Blood, Mrs. Guy Stutzman Sr., Jean Swanson, Mrs. William Bergmann, Mrs. George Bergmann, Mrs. Stella Emrey and Mrs. Will Ager.

Red Cross Seeks New Workers For Overseas Program

Opportunities for immediate placement as recreation workers in the American Red Cross Overseas Club program are now open to qualified young women between the ages of 23 and 30, it has been announced by Leslie This, director of Personnel, Red Cross Midwestern Area Office.

In all, a total of 60 young women are needed to provide leisure-time programs for U. S. troops presently serving in remote areas in Korea, Europe and North Africa.

To be eligible, women must have college training with a special aptitude for group recreation, music, dramatics and art. Physical fitness is also essential and applicants must be willing to accept assignment wherever needed in the world.

Mr. This stated that most of the young women are needed to replace recreation workers now returning from Korea where they drive clubmobiles to isolated areas to encourage and plan soldier participation in recreational activities. In Europe and North Africa the recreation workers operate Red Cross centers with the assistance of local civilian and U. S. dependent volunteers. The centers help provide servicemen with the opportunity to become better acquainted with local community resources and to participate in recreation activities.

Women interested in receiving more information on these openings should write to the director of Personnel Service, Midwestern Area Office, American National Red Cross, 4050 Lindell Blvd., St. Louis 8, Mo.

Mr. and Mrs. W. J. Kerns have arrived home from Fort Lauderdale, Fla., where they spent the past three months.

Mr. and Mrs. Ho Moray and two sons of Escanaba spent the weekend here as the guests of Mr. and Mrs. Clarence Rabach.

Mrs. R. J. Nowland and Mrs. Sadie Oldham returned home recently from a 2½ months visit at Daytona, Fla.

Spring Luncheon Given Last Week

Mrs. Earl Young and Mrs. Malcolm MacDowell entertained a group of friends last week at a spring luncheon at the Young residence, 308 Park Avenue.

Luncheon was served at individual tables centered with jonquills and daffodils and large bouquets of spring flower arrangements were used throughout the home.

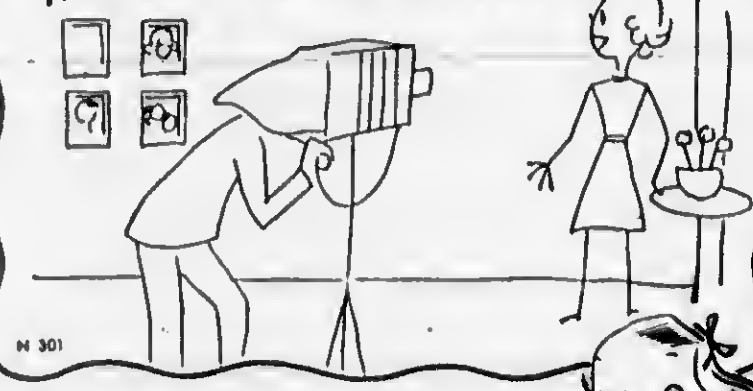

Bridge and Canasta were played during the afternoon. High score prize winners were Mrs. George Wolfe and Mrs. E. D. Hawley.

Mr. and Mrs. Charles Gibbons and two children have returned in Detroit following a visit here. The former's mother, Mrs. Gerald Gibbons of Grayling, also spent some time at the family's State st. home here.

Are all gasolines pretty much the same?

No, they're not. Standard gasolines are distinctly different. We've got our own way of making gasolines—and we're mighty fussy about things like purity, proper balance for all round performance, and guarding the quality of the gasoline until it's in your tank. That's why Standard maintains private and exclusive terminal facilities in your area—to assure you of uniform gasolines of the same consistent high quality day in and day out. Yes, Standard Warrs Caoww and Rap Caoww Gasolines are protected for your benefit all the way from the refinery to your car... for Standard maintains private and exclusive lake tankers, river barges, pipelines, tank cars and trucks. And a good thing to remember is this... no gasolines arrive at or go out of our terminals but Standard gasolines.

Try a tankful of one of these clean burning, high octane gasolines today, and drive away convinced that there is a difference!

Everything it takes to be "TOPS"!

Standard's modern refineries are the best it is possible to build and maintain. Our chemists and engineers conduct a continuing program of research and development to bring you the best in gasolines... to assure you consistent high quality day in and day out for peak performance and power... to give you gasolines that have everything it takes to be tops!

5 BASIC REASONS FOR PONTIAC'S RECORD-BREAKING SALES

1. PONTIAC COSTS LESS THAN ANY CAR EQUALLING ITS 200 HORSEPOWER

If you delight in flashing performance, here's all the reason you need to join the record-breaking thousands who are awing to Pontiac. The 200 horsepower delivered by the economical Strato-Streak V-8 with the four-barrel carburetor, optional at extra cost, is the highest power ever delivered by a car at Pontiac's price—higher than that of cars costing considerably more. For thrills and thrills it's Pontiac all the way!

2. PONTIAC COSTS LESS THAN ANY CAR EQUALLING ITS LONG WHEELBASE

Model for model, Pontiac has a longer wheelbase than any car at its price—122" or 124", depending on whether you select an 800, 870, or Star Chief model. That's size where it really counts—and it's important because a long wheelbase is the reason for Pontiac's smooth, road-leveling ride and the roomy comfort of Pontiac's large, luxurious Body by Fisher—advantages that put Pontiac on a level with far costlier cars for sheer riding pleasure.

3. PONTIAC COSTS LESS THAN ANY CAR EQUALLING ITS LUXURY-CAR STABILITY

The big, husky Pontiac with rugged X-member frame gives you the safe, solid feel at cruising speeds that motorists have formerly paid high prices to enjoy. And it links this road-holding comfort with ease of control like that of costly sports cars. You travel in superlative comfort in a Pontiac for the lowest price ever placed on such big-car stability.

4. PONTIAC'S DISTINCTIVE BEAUTY IS UNMATCHED AT ANY PRICE

Pontiac's style and beauty are a perfect match for its colorful performance. Future-fashioned lines, Vogue Two-Toning and Twin-Streaked hood provide dash and glamour unsurpassed by any other car at any price.

5. You can buy a big, powerful Pontiac for less than many models of the lowest-priced cars and much less than stripped economy models of higher-priced makes

800 2-door, 6-passenger Sedan—style and road base, if any extra. Price may vary in surrounding communities due to freight differential.

Fielstra - Carpenter Wedding Vows Are Exchanged In Grand Rapids

A wedding of interest to local relatives and friends occurred last Friday evening, April 29 in Grand Rapids, when Miss Albertha Fielstra, daughter of Mr. and Mrs. Harn Fielstra, former residents of Ellsworth, was united in marriage to Pvt. Delbert Carpenter,

son of Mr. and Mrs. Lynn Carpenter of Ellsworth.

The double ring ceremony was performed in the home of the bride's parents at 720 Watkins street S. E. Grand Rapids, at 8:30 p.m. with the Rev. William Van Rees, pastor of First Christian Reformed church officiating.

Albertha chose a grey wool fitted suit with white accessories for her wedding and wore a corsage of pink roses and white carnations.

Her only attendant was Miss Roselynn Carpenter, sister of the groom. She wore a turquoise wool suit with white accessories and a corsage of yellow and white carnations.

Gerald Fielstra, brother of the bride, assisted as best man.

Mrs. Fielstra, mother of the bride wore a navy crepe street length dress with matching accessories, and a corsage of pink and white carnations. Mrs. Carpenter wore a navy nylon sheer street length dress with matching accessories and a corsage of pink and white carnations.

The groom's grandmother, Mrs. Albert Miller wore a navy crepe street length dress with matching accessories and a corsage of yellow and white carnations.

Music for the wedding was provided by Miss Frances Carpenter, the groom's sister, who sang "Because" preceding the ceremony and "The Lord's Prayer" after the vows were spoken. Mrs. Lynn Carpenter was her accompanist.

Bouquets of pink and white snapdragons, palms and an arch fashioned with yellow and white crepe paper provided a simple but lovely setting for the wedding and small reception following.

The three tiered wedding cake topped with the miniature bride and groom was the feature of the delicious lunch served at the reception.

Guests from this area included Mr. and Mrs. Lynn Carpenter and family, Mrs. Casey Harthorn and two children from Ellsworth and Mrs. Delbert Miller of East Jordan.

Delbert and Albertha are 1954 graduates of Banks School and Delbert leaves soon for overseas duty in the armed forces.

The newlyweds visited from Saturday until Tuesday with relatives in this area and on Wednesday Delbert left Grand Rapids by plane for Camp Kilmer, New Jersey, prior to leaving for his overseas assignment.

Carolyn VanderWall Given Scholarship At Michigan State

Carolyn VanderWall, a member of the 1955 graduating class of the Charlevoix high school, is among the 358 high school students receiving entrance scholarships at Michigan State college. It has been announced.

The awards, which will become effective in the fall, were made on the basis of scholarship, leadership and citizenship qualities displayed in high school, according to J. Robert Stewart, MSC scholarship director, who added that scholarships are awarded for one year but may be renewed for four years if the student meets the requirements of the all-college scholarship committee.

Nelson L. Spoelman of Ellsworth was among the other area scholarship winners.

Rock Elm News

By Mrs. A. B. Lawton

The Rock Elm Grange gave a dinner last week Tuesday which was well patronized. The proceeds will be used to help meet the expense incurred in building an additional room on to the hall.

If the former Michigan Agricultural College has grown to such an extent that it must be known as a university why might it not have been given the name of "The Agricultural University of Michigan" then there would be no chance of its being confused with the U. of M. Isn't the teaching of the science of agriculture the main reason for the existence of that school? Or have people come to think that it is something to be ashamed of to have it known that one is interested in some line of agriculture. If so it might be well to remember this.

"This great world must be fed. And heaven gives the power to the hand that holds the bread."

Farmers in this vicinity are busy with their spring work, whether caring for orchards or seeding for early crops.

A language that is whistled, not spoken, flourishes in the Canary Islands. On hilly Gomera, people must communicate across long distances, and whistling carries better than shouting. By a series of higher and lower tones, pauses, intonations and stresses, a whistler can convey most of the information necessary for day-to-day existence.

Youngsters Stage Park Clean-up At Grand Haven

Five hundred youngsters sailed through Grand Haven state park late last week, bent on doing their bit to help put the popular Lake Michigan park in shape for the summer season.

The youthful clean-up, fix-up army removed 3000 feet of snow fence and posts, 40 drumloads of trash and a truckload of logs from the beach in about three hours.

Then they devoured 1400 hot dogs, 600 cups of ice cream and 40 gallons of orange drink, provided by the Grand Haven Chamber of Commerce.

Park manager Louis Haney said the whirlwind work project helped considerably to relieve the springtime work load facing his park crew. Already, the park has entertained about 100,000 visitors this year, but considerable more effort is needed for the million-plus visitors expected this year.

MEAGER BEAVER!
BEAVERS WERE ONCE MORE PLentiful in MICHIGAN THAN ANYWHERE ELSE IN THE NATION. BEAVER DAMS WERE THE MEANS OF EXCHANGE USED IN EARLY INDIAN TRADE. THEIR NUMBERS ARE NOW CAREFULLY MONITORED AND HUNTING AND TRAPPING FOR THEM IS LIMITED TO BRIEF SEASONS ANNUALLY. (NOTE: 2 TO 3 WEEKS)

RAILROAD "FIRST"
MARQUETTE, MICHIGAN WAS THE BIRTHPLACE OF THE BROTHERHOOD OF LOCOMOTIVE ENGINEERS. THIS ORGANIZATION WAS FOUNDED IN 1863 AND WAS FIRST KNOWN AS THE BROTHERHOOD OF THE FOOTBOARD. IT WAS THE FIRST OF THE RAILROAD UNIONS.

HISTORICAL MARKER
INSIDE OLD FORT MACKINAC, ON BLUE-WATER MACKINAC ISLAND, STANDS BALDWIN MONUMENT. IT REMARKS THAT IN 1812, A SURGEON, DR. JAMES BALDWIN, DISCOVERED THE FUNCTION OF THE STOMACH'S GASTRIC JUICES IN 1812 WHILE TREATING A YOUTH WOUNDED BY CONWAT.

FISHING FIRST!
THIS NATION'S FIRST BROWN TROUT WERE TRANSPLANTED TO MICHIGAN AND NEW YORK FROM CONNECTICUT IN 1813. NOW THE LURE OF THIS BATTLE FISH IS ANOTHER REASON WHY MICHIGAN SELLS PURE FISHING LICENSES YEAR AFTER YEAR, THAN ANY OTHER STATE.

I See by the Courier . . .

• Weekend guests at the home of Mr. and Mrs. Charles Hamlin were their son-in-law and daughter, Mr. and Mrs. Albert McCort of Jackson and Mr. McCort's mother, Mrs. Charles Olafson of Lansing.

• Mrs. W. W. Holdsworth of Traverse City is visiting at the home of her brother-in-law and sister, Mr. and Mrs. Lou Comfort. The latter went to Traverse City for Mrs. Holdsworth on Saturday.

• Mr. and Mrs. George West and two sons have returned to Grand Rapids after spending the weekend with Mrs. West's grandparents, Mr. and Mrs. Pearl Johnson. They were accompanied here by Mr. and Mrs. William West, also of Grand Rapids. On their return they took home a large catch of perch.

• Mrs. Wayne Ford came Monday to visit her parents, Mr. and Mrs. Pearl Johnson. She plans to leave Friday to join her husband at their trailer home at Hoxieville.

BABY TALK

Births recorded at the Charlevoix Hospital recently include:

A daughter born to Mr. and Mrs. Bernard Sturgell of East Jordan on May 1.

Spaghetti and tomato sauces seem to make people sit up and take notice when they are seasoned with oregano. It is an herb that also goes well with cabbage, broccoli, lentils and tomatoes.

Charlevoix-Detroit Party Is Saturday

The twenty-fifth annual Charlevoix-Detroit party will be held at the Downtown Y.W.C.A. at Montcalm and Withersal Saturday night.

The event, held annually by former Charlevoix residents and their friends now residing in the Detroit area will begin at 7:30 p.m. Any former resident living in the area is urged to attend the party which promises to be one of the best in the organization's history.

Attend Pre-Retreat Dinner

Planning to attend the annual pre-retreat dinner of the North-western Michigan Laymen's Retreat at the Park Place Hotel in Traverse City Wednesday night were Ralph S. Hamilton, general retreat chairman, Nicholas Hamilton, Rev. Fr. E. F. Denay and Theodore Browe.

Land Auctions To Be Held In State

About 2700 acres and 014 platted lots will be offered for sale at public auction in May.

All the state-owned lands are distributed in 14 upper peninsula counties.

The first sale is slated at the county courthouse in Crystal Falls at 10 a.m. (EST) Tuesday, May 17. Thirty-one acreage parcels totaling 905 acres and 346 platted lots in Baraga, Dickinson, Gogebic, Houghton, Ontonagon and Iron counties will be offered.

On May 18, also at 10 a.m. (EST), a sale at the Escanaba county courthouse will offer 18 acreage parcels of 580 acres total plus 194 platted lots in Alger, Marquette, Menominee, Schoolcraft and Delta counties.

The final upper peninsula sale will be held at the courthouse in Sault Ste. Marie on Thursday, May 19. Thirty-nine acreage parcels totaling 1191 acres and 74

30 Million Trees To Be Planted In State

Michigan is headed for a record tree-planting year.

About 36,000,000 young trees, the equivalent of one tree per acre, will go into the ground before the year ends.

Already this spring, conservation department nurseries have sold more than 14,000,000 young trees, and that total will probably climb to about 25,000,000 before year's end. State forest plantings exceeding 1,000,000 and sales of about 10,000,000 from other state nurseries will comprise the remainder.

Most of the land is in Chippewa county with the remainder in Luce and Mackinac counties.

Lists, locations and other additional information on the sales may be obtained from the department's lands division at Lansing, 26.

Adult Education Ceramics Class Ends Activities

The adult education class in ceramics concluded its activities for the year with a visit to the Reed Studio at Eastport and a pot-luck supper.

The last three of a series of 10 classes were held at the studio where the students learned the techniques of working with a pottery wheel as well as pouring, glazing and firing the pottery.

The group will display their work at an exhibit to be held at Northwestern Michigan college at Traverse City.

Members of the class were Mrs. Louis O'Neill, Mrs. Frank Oleky, Mrs. Archie Rounds, Mrs. Lechman, Mrs. Clifton Sundberg, Mrs. Ralph S. Hamilton, Mrs. John Barkdoll and Randall Crump plus two members from East Jordan.

Student, Regular City Officers At Kiwanis Meeting

The Charlevoix Kiwanis club entertained the students participating in the student government program and members of the Council and other city officers at their regular dinner meeting Monday night at the high school cafeteria.

City Superintendent, Roy R. Robinson, introduced the students and the city officials and gave a brief history of the student government day which he inaugurated last year.

The names of the participating students may be found in the Council story.

Tuesday Study Club Has Spring Dinner At Boyne

The Tuesday Study club held its annual spring dinner meeting at the Hotel Dilworth in Boyne City Tuesday with eleven members present.

Mrs. Frank Courier was program chairman and toastmistress at the dinner, which was served at a table centered with an arrangement of spring flowers. Mrs. Kit Carson entertained the group with a delightful book review, "The Three Wishes of Jamie McRuin", by Charles O'Neal.

A gift of a bouquet of spring flowers was presented to Mrs. Otto Krueger who has attended meetings regularly since the club was founded in 1937.

A language that is whistled, not spoken, flourishes in the Canary Islands. On hilly Gomera, people

must communicate across long distances, and whistling carries better than shouting. By a series of higher and lower tones, pauses, intonations and stresses, a whistler can convey most of the information necessary for day-to-day existence.

Personal Loans

PERSONAL LOANS are credit extensions made primarily to individuals of good character who have a regular income from a dependable source and a satisfactory record of meeting their obligations. The amount of the loan is determined by the need or purpose, and the ability of the borrower to repay within a period usually of twelve or fifteen months out of income in excess of his reasonable living and other requirements. The loan is repaid in regular installments.

Nearly everyone at some time needs to borrow money to take care of unusual or unexpected expenses, and a person of good character and steady earning capacity is justly entitled to credit. We want you to think of this bank as the place to come without hesitation for a personal loan.

THOUGHTS IN A FIELD

by
Harold C. Kohn

When Twilight Falls

Some years ago, before Northern Michigan became my home, I made occasional trips northward to visit friends and to fish and to breathe the sharp, clean, spruce-scented air. Wondering where I might most easily find deer, I would ask either my travelling companions or natives of the north country. Almost without exception they informed me that I would most likely see whitetail deer when the sun set and when twilight fell. Deer are active then.

Since I became a Northerner, I've found that advice to be worth following. Whitetails can be seen at any hour of the day or night if you know where to go, how to walk and how to stand as motionless as the bole of an old white pine. But the best time to see deer is when twilight falls.

One evening last May two does visited our cabin site and peered hard and long through the windows. One stood long enough at a nearby salt block for me to sketch her picture. Never have I had as long a look at wild deer as on that memorable May night.

Less than two weeks ago, as twilight fell, a doe and her three yearling fawns raced through the ancient orchard at Hidden Brook, (reenacting a scene from last summer when the mother and spotted triplets would bolt from under the gnarled, arthritic old trees as we drove up the birch-lined lane.) A few moments later two more deer appeared a short distance down the road in the glare of the car's headlights. During most of the day those deer had rested on the side of a hill or in some wooded glen. But at eventide they arose, and stretched, and stalked along winding forest paths in search of food and drink.

When darkness descends like a star-sequined, blue black velvet drapery, many a creature that has drowsed through the day becomes active under the protection of the night. Deer drift toward lakes and streams for a cooling drink and wander into fresh, dew-drenched brownings. Brown trout in rushing streams and black bass in still lake waters feed more hungrily than during the day. Whitefooted mice scurry about through the leafy litter of the forest floor. In field and woods some shy flowers bloom that during the day had shielded their faces against the light.

When the twilight of disappointment or sorrow falls on human minds and hearts, some virtues become active that had slumbered on sunlit days. For some people, faith in God gets little chance for expression during times of success and happiness. They are then self-reliant, feeling no need of assistance from Above. Then darkness falls over them. A sorrow comes, or deep discouragement. Their own resources are inadequate to see them through the crisis. They pray for help and find it. Either their burden is lightened, or their strength grows and faith in the availability of God's help, once slumbering in some deep recess

of the soul, becomes active.

Sympathy sleeps in some folks' lives until awakened by twilight's fall. Then sympathy becomes aroused, alert and active. Ed Allen, founder of the National Society for Crippled Children in America, was not known as a particularly compassionate man until a brooding darkness swept over his life. Until Memorial Day, 1907, Ed Allen's reputation was that of a brilliant business tycoon. But on that tragic day Mr. Allen's son and sixty-seven other young people were victims of a train accident. For months the screams and the moans of that awful hour rang in the ears of Ed Allen. He decided to do something about his sorrow. He helped form the National Society for Crippled Children and began a program of building children's hospitals. In 1937, when Ed died, he left an estate of 150,000 abandoned crutches, wheel-chairs and braces that were no longer needed because a great darkness had settled upon him, awakening sympathies that had drowsed through days of radiant happiness.

When twilight falls, some somnolent virtues turn in their beds, yawn and stretch, arise and walk, feed and grow.

IN UNIFORM

Sgt. Richard Niswander arrived Friday from Fort Leonard Wood, Mo., to spend several days with his parents, Mr. and Mrs. Melvin Niswander before leaving May 10 to report at Fort Knox, Ky., as a committee demolition instructor.

Sgt. first class Elliott J. Howe is among the 26,000 soldiers slated to participate in Exercise Apple Jack during May at the Yakima Firing Center, Wash.

Apple Jack will test the efficiency of infantry and support units in mountainous and desert terrain. The simulated use of atomic weapons will be one of the conditions of the exercise.

Howe, a medical technician in the Second Infantry Division's Second Engineer battalion from Fort Lewis, Wash., entered the army in '42. He is the son of Phillip Howe of the Sequanoto Club. His wife, Hazel, lives in Tacoma, Wash.

A3-c Peter (Ulrich) Johnson left Thursday for his new assignment at Westover Field, Mass. after spending a few days with his parents, Mr. and Mrs. Alden Ulrich. He was formerly stationed at Lockborne Field, Columbus, Miss.

Joseph Buchfinck has been discharged from the service after spending two years in the army and has arrived here to join his parents, Mr. and Mrs. A. Buchfinck. His last assignment was in Austria where he spent 18 months.

REPORT FROM LANSING

By Clarence B. Meggison

Lansing, April 28 — Committee activity reached a peak in the past week as committees met early and late to beat an April 29 deadline for reporting out House bills and some 65 bills were sent to the floor. With the exception of tax and appropriation bills, all others left in committee, automatically died.

H. B. 190, as highly a controversial bill as any to hit the floor in this session, was unanimously passed by the House (106-0), but not however, without first long hours of debate in which unfortunately personalities entered the picture. As steered thru' the House and passed, this is one of the most liberal and sound pieces of legislation for the benefit of labor that could be devised and which not only puts the State in the forefront of all States in the Union in unemployment compensation, but also challenges anyone to deny the fact the Republican Party is aware of and sincerely interested in labor. The amendatory act increased maximum benefits in all categories except for single people, with the greatest increase for a man with four children. Increases start with a married man but having no children receiving an increase from \$32 to \$33; with one child benefits would go from \$34 to \$37; with two children from \$37 to \$42; with three children from \$40 to \$48; and with four children from \$42 to \$54. This schedule of increased benefits for family groups is based on cost of living.

Another important change in the law is modification of what has been referred to over the years as the death penalty provision whereby a person voluntarily leaving one job to work for another employer on a better job, and subsequently loses that job, was disqualified for unemployment benefits even though he had earned credits with his former employer. Republican amendments adopted would protect these workers who leave one employer to better himself and then through no fault of his own, is laid off.

Another important feature of the bill is increasing from the present 7 1/2% to 8 1/4% of taxable payrolls as the minimum reserve in order to maintain the more liberal benefit rates in this bill.

Another bill which provoked a lot of discussion was HB 328 amending the plat act. This bill would require the Auditor General to accept certification of the Clerk of the governing body that the plat agrees with the law. It also provides that in order to eliminate the delay in platting, the developer may furnish a certified check, cash deposit or surety bond to insure that sewer and water would be installed where 50' lots are recorded in the plat. Another provision would allow a taxpayer to use a lot number as a legal description in paying his portion of the tax. The bill received only one dissenting vote, and has now gone to the Senate.

A controversial local measure, HB 84, giving the local governmental units the power to provide by ordinance for the removal of noxious weeds, and to place a lien against the property for the expense incurred, stirred up a row before it was finally passed 85 to 2. Designed as a public health measure to eliminate weeds that cause hay fever, etc., the bill requires the owner to remove same. If he fails to comply, then the local governmental unit will do so and bill the owner for the cost. If the owner refuses to pay, then the amount of the cost would become a lien against the title owner of the property.

H. B. 383 permitting pharmacy students to take the theoretical portion of the State pharmacy board exam immediately following graduation, with the practical exam to be given after completion of interne training, passed the House 92-0.

H. B. 388 setting up the procedure for the selection of members seats in the House, won easy approval and has now gone to the Senate. Addition of ten extra members made it necessary to take this action.

In H. B. 400, which passed with a 92 to 3 vote, the dog law of 1919 was amended to increase the mileage from 5 to 7c a mile for Justices of the Peace for duties in connection with the act.

H. B. 402 amending the 1927 act regulating and licensing the purchase, etc., of pistols, bumped into some stormy weather, but finally passed 83 to 7. The bill provides there shall be a fee of \$1.00 for a license to purchase, or a \$1.00 fee for an inspection certificate of a pistol, with the revenue derived therefrom going to the general fund of the local government.

Out of the 19% of the money the cities receive from the gas and weight tax, H. B. 343, which

passed the House unanimously would allow 5% to be used for off street parking if a special assessment district is set up whereby not less than 80% of the cost of such off street parking will be paid by the people in the neighborhood where the parking is provided.

County Welfare Agents would receive roughly a 10% increase in salary in HB 208, which also received unanimous approval after it was pointed out they have had no increase in salary since 1951, and the amount involved would only cost \$31,000.

HB 351, known as the debt management bill, regulates the business of arranging with individual debtors and their creditors, in communities of 100,000 and over population, a program of liquidation where the burden of debt and the demands of creditors have gotten beyond the control of the individual debtor. The bill aims to eliminate serious abuses which have developed in some of the major metropolitan areas. It is hoped the measure will weed out all of the unfair and irresponsible operators without imposing an undue burden of regulation on legitimate debt service businesses, through a program of licensing by the Corporation and Securities Commission.

Class of 1985!

It would take a long time to determine who won the bet—but we'd be willing to wager that the lad in the picture winds up owning a Cadillac!

We feel so confident because he is starting out like a typical Cadillac owner.

Preponderately, Cadillac owners are self-made men. They just emerge—from everywhere.

But they are usually marked, quite early in life, by industry and thrift and the will to succeed.

That's why we say that this wonderful lad—out earning money to make himself self-sufficient—is very likely to wind up owning a Cadillac. Looking at him, as he labors, we estimate the class of 1985!

We hope we are around to deliver his car when the great day arrives—for it's a great thrill to hand out the keys when an owner comes in for his first Cadillac.

It's worth a lot to see the smile on his face and the gleam in his eye as he settles himself behind the wheel

—studies the instrument panel to make sure of the controls—and floats away in the direction of home and a family celebration.

Of course, for the lad in the picture, the thrill of that first Cadillac is still a great many years away.

But how about you? Is the time coming close for your dream of a Cadillac to come to a happy ending? If so, we'd be happy—indeed—to see you.

This is a wonderful year for owning a new Cadillac—whether it's your first or your fifth or your tenth. Never before has Cadillac performance been so marvelous—its beauty so arresting—its comfort and handling ease so delightful. It is more decisively than ever—the Standard of the World!

Why not come in today—and check this for yourself? We'll give you the keys and a car—for the most revealing hour you ever spent in a motor car.

Sermon Next Sunday Will Be

"When A House Becomes A Home"

Harold E. Kohn, preaching

If you now regularly attend another church in our town, this notice is but a neighborly greeting and wish that you and your church may prosper. If you do not already have a church home, it is an invitation to attend Charlevoix's Congregational Church next Sunday.

GIGANTIC Sales Forces are setting about to make people here glad they live in Michigan and people from other states wish they did.

It's the local point of Michigan Week, May 15 to 21 to encourage people to count their blessings.

Retailers, wholesalers and manufacturers are the latest to join the annual crusade sponsored by the Michigan Economic Development Department.

The department's day-to-day job is luring industries and businesses into Michigan, keeping a fine polish on the state's economy and reminding folks that the grass is greener on this side of the fence.

The big project of the year is Michigan Week and this year the theme is, "I'm Glad I Live in Michigan."

MORE THAN 8,000 activity bulletins will be in the hands of retailers to help with promotional ideas and manufacturers have been brought into the project.

Veterans organizations, business leaders, government and industrialists all are playing a part. Special programs will be staged and a separate advertising corps, composed of some of the best publicists in the state, will keep reminding Michigan of its attractions.

For instance, Minnesota has been advertising itself for years as the "Land of Lakes," claiming 10,000 within its borders for sportsmen from all over the mid-west.

Michigan has 11,000 inland lakes. Somebody counted them.

STATE POLICE and other law enforcement officers are behind a proposal to put reflectorizing material on license plates and return to the old front and back license system.

Commissioner Joseph A. Childs already has made the switch on State Police cars.

Since the change to a one-plate system as an economy measure during World War II, officers claim they have been hampered in quickly identifying wanted cars from the front.

The proposal is to reflectorize the plates so the numerals, and presumably the state's slogan, "Water Wonderland," can be seen from 100 feet.

POLITICIAN-TALK is getting stronger that Gov. Williams will try next year for something on the national scene.

His travels and speech-making in all parts of the country and the apparent grooming of a successor in the executive office have done nothing to dispel both hopes and fears.

Republicans would like to see Williams become elected to something outside of Michigan. He has grabbed all the political marbles since 1948 and the GOP is tiring of the tradition.

Williams' latest trip was to Israel via Washington and New York where friendly Democrats were impressed with his energy and record back in Michigan. Presumably, his visit to Israel was non-political.

SOME OF Williams' duties have been turned over to Philip A. Hart, the personable young man who came from almost nowhere to become lieutenant governor last fall in his first try at elective office.

Now he runs the Senate as president and whips about the state on missions for Williams and the party. He leaves in his wake the feeling he might just be willing to try for the top office in Michigan — if and when Williams leaves.

BUSINESS and Industry will again be asked to foot the bill for expanding state government. And they seem willing to accept the burden on their terms. Because of this, the business receipts tax is a "popular" one; its alternative, a corporate profits tax is a threat to be avoided. Budget leaders in the legislature are ready to cut \$24 million from Gov. Williams' \$292 million budget for 1955-56 and the problem is where to find the extra money needed.

Legislators estimate they will need between \$25 million and \$30 million at the outside while some estimates go as low as \$14 million. Greater yields of existing taxes are expected to help.

Republicans still are strongly resisting any mention of Williams' corporation profits tax proposal, ignored for seven years. They are working on higher rates for the \$30 million business activities tax.

Suggests Methods Of Keeping Veil Fresh And Pert

The veil on your hat will do its best to flatter you only when you keep it stiff, pert and fresh looking.

Reviving a veil that has become limp and lifeless is easy to do, says Lola Belle Green, clothing specialist at Michigan State college. Without taking the veil off the hat, you can press it plain or between two thicknesses of waxed paper.

When merely pressing the veil, a layer of tissue paper over the veiling prevents catching the tip of the iron in the mesh.

For longer lasting results, Miss Green suggests stiffening the veil with the use of gelatin. With this method you will have to remove the veil from the hat. Use the proportion of one teaspoon gelatin for each cup of water. Soften the gelatin in a little cold water and fill the cup with warm water.

Dip the veil in the solution and squeeze out the excess. Then, explains Miss Green, stretch the veil to its original shape by pinning it to a flat surface.

Miss Green adds that when you use a veil correctly it is flattering and may do just the trick in making your hat becoming. A veil softens the lines of a severe hat and may add to its height or width if draped the right way.

Dark veils, especially blue, worn over the face often make the skin appear clearer.

Thirty years ago the farm worker produced enough for himself and seven other people; now, according to U. S. Department of Agriculture reports, he produces enough for himself and 18 others.

that the legislature will add to the rate of the business activities tax enough to bring in about \$28 million more.

Senator Carlton H. Morris (R-Kalamazoo), chairman of the Senate taxation committee, gives his reason for opposing Williams' tax program:

"It isn't flexible. One year we would get enough, the next year not nearly enough. We'd be constantly on the edge of a cliff."

Spring Season When Wildlife Noses Counted

Spring is a season when wildlife noses are counted.

Rural mail carriers, wildlife students and conservation department officers and game workers all lend a hand in totting up wildlife population trend figures.

About 1000 mail carriers throughout the state voluntarily take part in seasonal counts of ruffed grouse, deer and pheasants. Their counts are now under way and will be summarized in late May.

Conservation officers, busy this time of year with a variety of other activities, put what time they can into deer census work.

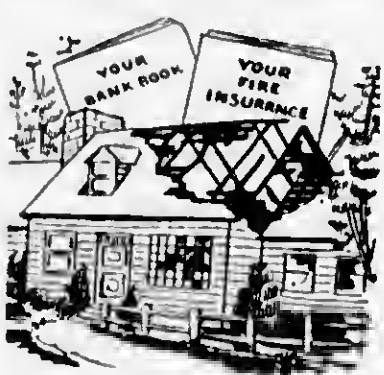

Game workers, assisted by students, concentrate on the more time-consuming crouching counts of pheasants and drumming counts of ruffed grouse.

The pheasant-census method demands an early morning stillness to be effective. Workers drive regular routes through pheasant country during the spring mating season, stopping every mile. Since the birds crow an average of once every two minutes, all birds within earshot can be tallied. By driving the same routes year after year, an indication of relative populations can be gained. The method is standard and used in most other pheasant states.

Ruffed grouse populations are checked by another standard method of drumming counts. Cock grouse use the same logs year after year for their wing-beating, feather-ruffling spring dances and this activity, once located, can be summarized.

All the counts provide population trend figures only; no attempt is made to figure total populations from these counts.

In general, the greener the vegetable, the richer it is in vitamins and minerals. Deep green leaves may carry several times as much of some nutrients as green stalks, green pods or green immature seeds; that's why nutritionists stress use of "leafy greens."

Mailhot's Opens Elk Rapids Shop

Mailhot's Outdoor Outfitters, well-known local sporting clothes shop, has opened a new shop in Elk Rapids to be known under the same name, Jack Mailhot, owner-operator of the local shop has announced.

Mrs. Carl Kopkau of Elk Rapids will manage the new shop, which will feature the White Stag line as well as other equally well-known sport clothes for men and women boys and girls.

Local Thineclads Meet St. Francis

The Charlevoix thineclads entertained the Petoskey St. Francis track and field team at a practice meet held at Kipke field Tuesday night.

The meet, the first of the year for the Petoskey squad, was won by Charlevoix which racked up 63 1/2 points to 18 1/2 for the visitors.

The local squad has no meets scheduled for the next week.

Michael Elzinga Is Given Scholarship

Michael Elzinga, a member of the 1955 graduating class of the Charlevoix high school, has been awarded a Michigan high school scholarship to the Michigan College of Mining and Technology, Soo Branch.

He is the son of Mr. and Mrs. Julius Elzinga and the only boy in his class listed among the top ten honor students.

It Happened on . . . Beaver Island

Robert Bonner, who has served in the U. S. Army for the past two years, has arrived home. He was stationed in Austria for the past 18 months.

A delegation of island residents headed by Father Joseph Herp O.F.M., pastor of Holy Cross church, was in Traverse City Monday night to attend a regional Western Michigan Catholic Diocesan Development fund meeting. Others who attended were Archie LaFreniere, Jewell Gillispie, Walter Wojan and Vernon LaFreniere. The latter also attended an IGA meeting in Gaylord on Sunday and with Mr. Gillispie went on to Grand Rapids on a business trip following the Monday night meeting.

Gordon Freedman of Freedman Aircraft Engineering appeared before the council regarding a parking area to be used by the employees at his plant and airport patrons. He proposed that a joint parking area be developed on the edge of the airport property. The airport committee will be joined by Mr. Freedman, Mr. Me-Phillips and Mr. Robinson in studying the proposal.

J. E. Frier of the safety division of the Michigan Highway Department was present to discuss the proposed installation of a traffic light on Bridge St. at Clinton st. and the painting of traffic lanes

at Michigan and Petoskey avenues. The council will adopt a resolution regarding the issues and forward it to Mr. Frier who will forward it to the Lansing office of the highway department for consideration.

The newly-elected mayor pro tem Mr. Hiller, will represent Charlevoix on Mayor Exchange Day May 16 when the mayor of Charlevoix's Mayor Davenport or his representative.

Old Fountain City House Being Razed

(Continued from page 1) Cooper, his son, Henry, assumed possession. He was followed by

his son-in-law and daughter, Mr. and Mrs. Harrison Bedford. Mr. Bedford died in 1940 but his wife continued to operate the hotel until her death in 1945. During the last two years she was assisted by her son, the late Harold Bedford who died in 1950, and his wife who now owns the property.

In 1946 the business was sold to a Detroit concern and though it changed hands twice more it was eventually returned to Mrs. Bedford. It was operated until two years ago or 88 years of its illustrious 90 years.

With the razing of the old structure, old timers feel that another chapter in Charlevoix's early history has drawn to a close.

U.S. Coastguard Boat Tows Tug Off Sand Bar

Three Benton Harbor men who were taking the 37-ft. fish tug, Ida, from Charlevoix to Benton Harbor, were towed off the sand bar near Northport late Saturday night, after the tug was overcome by carbon monoxide gas from a faulty muffler, according to the story told U. S. Coast Guardmen of the Charlevoix Lifeboat Station who towed the tug off the sand bar at 1:30 p.m. Sunday.

They were William Eyerly, his brother, Warren, and Raymond Grooms who left here at 6 p.m. Saturday against the advice of local fishermen. It is said that all three were inexperienced sailors. The men said they were overcome by the fumes from the engine and that the tug had evidently run for some time before it went around and stalled the engine.

The owner, William Eyerly, waded ashore Sunday morning and summoned aid. The U. S. Coast Guard Lifeboat Station received the call at 11:30 a.m. The 40 ft. patrol boat in charge of Thomas Seale, Ensign and a crew of Jerry Danbert, BM3 and Edward Dropper, Sr. left at once and pulled the tug to Northport where it was to undergo repairs of a damaged muffler and propeller.

The U. S. Coast Guard helicopter, stationed at Traverse City Air Base, was the first to answer the call and later summoned the surface craft to their aid.

Mrs. H. Warner To Be Chairman For V.F.W. Poppy Drive

Mrs. Harley Warner will serve as chairman of the V.F.W.'s Buddy Poppy Drive to be held here May 27 and 28, it was announced this week.

In accepting the appointment, Mrs. Warner expressed a sincere hope that this would be the biggest year ever in the sale of Buddy Poppies here.

"The high cost of living," she said, "has placed an increased burden on our disabled veterans. It is our responsibility to see that they are properly cared for and relieved so far as possible from greater hardships. In addition, we must not forget those widows and orphans and veterans now living in our National Home at Eaton Rapids. If we fail them, we also fail the men who have already paid the supreme sacrifice."

Funds raised by the sale of Buddy Poppies during the two-day drive will be used locally to carry on veteran welfare in the community as well as to support the National Home at Eaton Rapids and to further the rehabilitation service work of the V.F.W.

Summer Softball Plans Announced By New Director

Charlevoix's summer softball program is being organized and plans made for four leagues, Dean Davenport, Jr., softball director, has announced.

Plans now being formulated call for six senior league, six junior league, four youngster and four girls teams. There are still openings for sponsors in all four leagues.

In the A or Senior league personnel will be re-distributed so that all teams will be of equal strength and each team will be assured of a pitcher.

Records of batting averages, standings, schedules and other league information will be published weekly.

All prospective sponsors interested in expanding the city's softball program and sponsoring a team are asked to contact Dean Davenport.

Anyone interested in playing senior league ball is also asked to contact Mr. Davenport.

R. E. Ashley Assumes Duties

John Woldarek B.M.L.C. (right) shows his successor, Robert E. Ashley B.M.L.C. some of the equipment at the Charlevoix Lifeboat Station before the latter assumed his duties as officer in charge last week.

Mr. Woldarek has been transferred to Erie, Pa., where he will assume a similar position at the Erie Lifeboat Station.

Robert E. Ashley, B.M.L.C., has been named officer-in-charge of the Charlevoix Lifeboat Station to succeed John Woldarek, B.M.L.C., who has been in charge of the U. S. Coast Guard installation for the past 2 1/2 years.

Mr. Ashley arrived here last week from Charleston, S. C., and on Saturday assumed his new duties.

Mr. Woldarek left this week for Erie, Pa., where he will assume his duties as officer-in-charge of the Erie Lifeboat Station.

A veteran of 18 1/2 years in the U. S. Coast Guard, Mr. Ashley has served at various Coast Guard installations in the south, during

World War II served in the Pacific theatre and until recently was stationed at Sullivan's Island Lifeboat station, Charleston, S. C., where he served under Robert Ashdon of Charlevoix, who is in charge of the station there. He is a native of Edenton, N. C.

He was accompanied here by Mrs. Ashley and their four children, Robert E. Jr., 13; Michael, 10; Frances, 8; and Margaret, 5. They will reside at 106 Palmer st.

Mr. Woldarek, who is a veteran of 25 1/2 years service, plans to retire from the U. S. Coast Guard service this fall and return here to make his home.

Music Department Will Present Annual Spring Concert Wednesday

The Charlevoix high school music department will present its annual spring concert at the high school auditorium at 8 p.m. Wednesday under the direction of C. A. Odmark.

The concert was previously scheduled for Friday but a change of date was necessitated by the full schedule of activities at the school.

The spring concert is in reality a music festival in which five groups, the seventh grade beginning band, the eighth grade chorus, the Varsity band,

the high school girls glee club and the Senior band, will participate in a 90-minute program.

Making their only appearance of the year will be the first groups mentioned. The eighth grade chorus, a group of 47 voices which has met weekly for general musical indoctrination, will sing several familiar American folk tunes. The 22-piece Beginning or seventh grade band has been organized for little more than a year and has completed its first phase of training. The members are now ready to take their places in the Varsity band next season. While not primarily a performing group, the band will play several short selections for their only appearance this year.

The Varsity band will play four numbers including the "Narrator Overture" by Buehler and the familiar composition, "Pomp and Circumstance" by Elgar. This band has made several public appearances at football and basketball games, pep meetings and in the spring festivals. While primarily a training group, the band does fine concert and march work.

The girls glee club will sing a program of lovely melodies especially suited to women's vocal groups. Composed of 47 voices, the club is rapidly gaining a reputation as a performing group. (Continued on Page 5)

Mrs. B. Pokorny Dies Following A Long Illness

Mrs. Bohumil Pokorny, 81, a resident of Marion township for nearly 50 years, died Tuesday at Grandview Hospital near East Jordan where she had been a patient at various times during the past four years.

The body is at the Pontius Chapel awaiting arrangements.

Born in Czechoslovakia on Oct. 13, 1873, the former Anna Ducek was married to Mr. Pokorny in 1904. Two years later he came to the United States and settled in Marion township. She joined him the following year. Mr. Pokorny, who has been hospitalized at Grandview Hospital and more recently at the Davis Convalescent Home in Boyne City was employed at the Charlevoix Sugar Beet factory at that time. Later he worked in Detroit but returned to his farm home here when he retired.

She is survived by her husband; a daughter, Mrs. Walter Stier of Detroit; a son, Anthony, of Dearborn and eight grandchildren.

Funeral services will be held at 10 a.m. Monday at the Pontius Chapel. Burial will be in the Pontius cemetery.

The student body of the Charlevoix schools will attend a special assembly at 9:45 a.m. Monday to hear the Ludington high school 60-voice choir in a concert.

Archery Club Has First Field Meet At Its New Range

The Charlevoix Archery club held its first field meet at its new range on the Mathews farm Sunday.

Visitors were present from Petoskey and East Jordan. Scores posted for the event follow: Herschel Dunshee of Petoskey, 306; Dwain Dunshee of Petoskey, 213; Alan Macdonell, 207; Jack Mol, 188; Vern Mathews Jr., 180; Eugene Bergmann, 177; Norm Cray of Petoskey, 149; Ted Macdonell, 95; Steve Paterka, 68; Don Dunshee of Petoskey, 51.

Other participants whose scores were incomplete were Bob Miller, Ricki Miller and Lawrence Bergmann.

Local archers will go to Boyne City Monday to participate in the Straits Field Archers meet at 10 a.m. and 1 p.m.

Will Observe Hospital Day At Open House

The Charlevoix Hospital will observe National Hospital Day today (Thursday) when an open house is held from 2 to 4 p.m. Miss Ann Baumgartner, superintendent of the hospital has announced.

At that time the hospital will be opened to visitors who may tour the structure, which was opened to patients for the first time in August, 1954.

It will mark the first time the hospital has been opened to the public since it was completed. At that time of the dedication on Aug. 22, it was not completely furnished or a working installation.

Miss Baumgartner and the staff of the Charlevoix hospital have extended an invitation to everyone in the area served by the hospital to visit the hospital in observance of National Hospital Day. Nurses will be at their stations to answer questions and to guide the visitors to the various departments.

The Women's Guild of the Charlevoix Hospital will serve refreshments in the hospital lobby during the Open House. Mrs. Alan Macdonell, president of the Guild, and Mrs. F. F. McMillan will preside at the refreshment tables.

Annual Good Will Cavalcade To Be Here On Tuesday

The seventh annual northern Michigan Good Will Cavalcade will visit Charlevoix Tuesday while on its day-long trip through several northern Michigan counties.

The Cavalcade will leave Pellston at 8:30 a.m., stopping off at Alanson, Harbor Springs, Petoskey, Charlevoix and East Jordan before arriving at Boyne City for a luncheon.

During the afternoon the group will visit Gaylord, Vanderbilt, Wolverine, Indian River and Cheboygan ending at Mackinaw City for dinner.

Circuit Court To Convene Monday

The May term of circuit court is scheduled to convene here Monday with Judge Charles L. Brown presiding.

Only criminal case scheduled on the court calendar is that of M. R. Gilson, who is charged with soliciting collection accounts without bond.

Also on the calendar are five civil cases and seven chancery cases, including five divorces.

Rayder Track Team Preparing For Regional Meet; Petoskey Relays

After a track meet with Boyne City at Kipke Field Tuesday during which the Charlevoix Rayders racked up 782.3 points to 294 points for the visitors, the Rayders trackmen will concentrate on preparing for the northern Michigan regional track and field meet at Traverse City Saturday and the Petoskey Relays on Tuesday.

The local trackmen will be among 16 Class C teams entered in the regional meet which is being held in Traverse City for the first time. In previous years it was held in Cadillac.

On Tuesday Coach S. E. Coleman will take his team to Petoskey where they will defend their Class C-D title in the fifth annual Petoskey Relays which will open at the Petoskey athletic field at 7 p.m. Petoskey is the defending champion in the A-B class.

The schedule for the Tuesday meet follows: 7 p.m., broad jump and pole vault in all classes; 7:30 p.m., preliminaries for 100 yd. dash and low hurdles.

Eight p.m. finals in 3 mile medley, Class C and D followed by A and B; mile medley; two-mile medley; low hurdles; 100 yd. dash; 440 yd. relays, seventh and eighth grades followed by Classes C and D and A and B; mile relay; 880 yd. relay, Classes C and D and A and B.

The event is under the direction of Clifford Buckmaster, Petoskey high school athletic director. Eighteen teams in Classes A, B, C and D are entered in the popular meet Wednesday morning.

In the meet with Boyne City Tuesday Charlevoix took 11 first places and Boyne City two.

The results follow:

Tax Allocation Board Will Meet Friday Morning

Upon receipt of Charlevoix county's 1955 state equalized valuation as recommended by the state tax commission, a meeting of the county tax allocation board to set the tentative tax rate has been scheduled for 10 a.m. Friday at the court house here.

The county's 1955 state equalization as recommended by the commission is \$30,600,000, an increase of \$450,000 over the 1954 figure of \$30,600,000.

County tax allocation boards had to postpone their first meeting at which the tentative rate is set until such time as these figures were available because the new state aid act provides that schools must receive five mills levied on the state equalized valuation in order to qualify for state aid.

City Host To Muir Group In Mayor Exchange

Charlevoix will be host to representatives of the village of Muir on Mayor's Exchange Day Monday during the second annual observance of Michigan week.

Arthur Rivett and Bud Bullis, Muir village councilmen and William J. Jeffers, superintendent of the Lyons township school, accompanied by Mrs. Rivett and Mrs. Bullis, will represent William Douglas, Muir village president.

In return James Hiller, mayor pro tem, and Charles J. Pontius, former alderman, accompanied by Mrs. Hiller and Mrs. Pontius will represent Mayor Dean Davenport at Muir.

During their visit here the Muir group will tour Charlevoix industries, utilities, parks and public buildings; attend a dinner in their honor and sit in on a city council meeting.

City superintendent Roy R. Robinson will accompany the group on their tour of the community. Joining the group at dinner will be Mayor Davenport and Mrs. Davenport, members of the city council and their wives, Mr. and Mrs. Robinson and S. E. Coleman, secretary of the Board of Commerce and Mrs. Coleman.

Following the dinner at which they will be presented with mementoes of their visit here, the group will attend a regular council meeting.

A committee appointed by Mayor Davenport and composed of Mr. Hiller, Ray L. Kipke, Ralph S. Hamilton, Mr. Coleman and Mr. Robinson are making the arrangements for the Mayor's Exchange Day here.

County Enforcement Officers Will Have Two-Way Radio Soon

Law enforcement officers in Charlevoix county will soon be equipped with two-way radio communication units, it was revealed following the opening of bids for the new equipment at the city hall Thursday.

The bid submitted by Motorola Communications and Electronics Inc. of Detroit for \$4,455.48 for the two-way radio communication system and six mobile units was accepted by county and city officials. Only other bid was for \$4,611.10 and was entered by the General Electric Electronics Division.

It is expected that the equipment will be installed in the near future and the system placed in operation as soon as a license and frequency is granted by the Federal Communications Commission. This is expected to take about 60 days, Sheriff Glenn E. Rose said.

The base station will be installed in the office of the Charlevoix county sheriff in the county jail building. Mobile units will be installed in the sheriff's car, and the cars of the city police in Charlevoix, East Jordan and Boyne City. Both Boyne City and Charlevoix will have two units. At this time it is not known where they will be utilized.

Cost of the equipment will be shared by the county board of supervisors which appropriated up to \$1,000 toward the purchase price and the participating cities. The Michigan Civilian Defense will pay 50 per cent of the total purchase price.

On hand for the opening of the bids at the city hall were Clarence Rabach, representing the board of supervisors, Sheriff Rose, City Superintendent, Roy R. Robinson, and Franklin Boss, James Hiller and Thomas Carey, city aldermen.

The system will give law enforcement officers not only a county-wide coverage but a hook-up with the Michigan State Police for a better and more efficient police protection, Sheriff Rose said.

Walleye Pike To Be Planted Here For Experiment

Planting of fingerling walleye pike on an experimental basis in Lake Charlevoix will be started this summer, F. A. Westerman, chief of the fish division of the Department of Conservation has advised the Charlevoix Rod and Gun club. The club was informed of this action at its regular meeting Thursday night.

The experiment will be conducted over a three year period with 25,000 fingerlings planted each year. Mr. Westerman stated in his letter that the first planting will be made this summer.

The project was first suggested to the department by J. C. Marshall when he was president of the Rod and Gun club in 1952. At that time the club suggested planting bass but the department was doubtful of the results and intimated walleyes might be more successful.

Last February the club again discussed the project and instructed the secretary, Charles Hampton, to contact the department. Replying to this letter, Mr. Westerman stated that an experimental program had been recommended by Dr. A. S. Hazzard, director of the Institute for Fisheries Research and that the project will be included in the department's schedule this year.

Sermonette

Give Praise to the Lord

Rev. Wilson H. Rinker, Minister

Read Psalm 113.

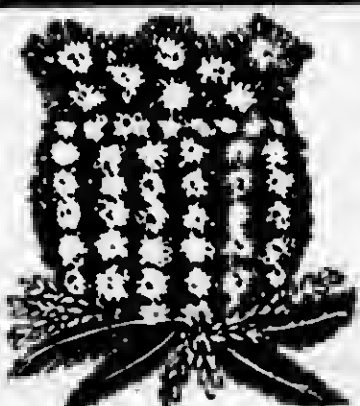

The Psalmist calls us to praise the Lord if we are servants of the Lord. A person who is not a servant of the Lord will not praise Him because, that person does not acknowledge Him as Lord. A servant of God, in the New Testament sense, is one who professes his faith in the Lord Jesus Christ. Christians know that Jesus Christ was the Incarnation of the Godhead bodily. Therefore, we worship God when we worship Jesus Christ. When the Psalmist urges us to praise the Lord it is the same as though he were saying, "Worship Jesus Christ." The Psalmist exhorts us to praise God, or worship God, whichever word you prefer, from the time we rise up from our beds of sleep in the morning until we go to bed at night. Someone may say, "But that is impossible." We are called to worship God in our every activity; conversation, work, play, meditation, prayer and reading of the Bible. This widens our scope of service in worshipping God.

God is also to be praised in suffering. The wrath of man is made to praise and glorify God. The Lord is high above all His creation, for the writer says, "that God is above all nations and His glory above all the heavens." The Eternal God of creation is beneath nothing of that which He made. He made everything and it is subject to His surveillance and disposition.

The Psalmist asks, "Who is like the Lord our God?" The question implies that there is no one who can be compared to God. Who is seated on High, Who looks far down upon the heavens and the earth, which are the works of His hands. But, says the Psalmist, while God is far away He is not too far away, because He can raise the poor from the dust and the needy from their poverty. God is far away but He is near by. God is impersonal but God is personal. God is aware of everything that exists. God cares for and sustains all His creation; the lilies of the field, the birds of the air, and most important of all YOU. It is difficult to realize this at all times. The physical infirmities of pain and suffering, disrupted minds and sorrow seem to separate us from God's presence. We find ourselves, of a sudden, living experiences entirely foreign to our ordinary way of life. They bring upon us temporary confusion and misapprehension. We need a satisfactory solution to our dilemma. If we are to experience God's goodness then we are called to praise Him. But such heavy burdens of life place us in no mood to worship God. We must remember and continue to rejoice in the Lord, regardless of our present situation, realizing the fact, that while we were yet sinners, Christ died for us.

This, without a doubt, is an individual's primary blessing, straight from the heart of a loving God. If we have chosen to live in Christ, having opened our lives for Christ to live in us, then regardless of life's peculiar environments, we shall continue to praise the Lord which is glorifying to God. God waits for praise from His people. Our worship is acceptable to God when we offer it in the Name of Jesus Christ, the only Name given on earth among men whereby we are called to be saved. Know Christ and know God and your life will be full and rich in the service of the Lord.

ODDS 'N' ENDS

By Fran Martin
LEARNED SOMETHING this week: don't go 'round boasting about the weather situation. That's what we'd been doing and what happens... that's right, it snows... Not much and if you weren't up early Sunday you didn't see it but it was only 40 degrees about 8 a.m. when a regular snow squall rolls in off Lake Michigan... And after the thermometer had hit more than 80 degrees during the week... Which just goes to prove you can't win for losin'...

And did you notice the names of all those people who've returned from the south during the past couple of weeks... We'll bet they wished they'd stayed June 1... Can't remember when so many people came home with-in such a short time... Such a greeting... Must speak to the weather man...

DID YOU get to see the band parade last Wednesday and to hear the massed band concert? You really missed something if you didn't... It was such a beautiful day and the bands stepped it off in great style... Our Senior band sure looked sharp and our little band's doing OK too... Along with them were Ellsworth whose director is a Charlevoixan, Dean Fiedler... he's starting from scratch but doing alright... And don't forget East Jordan, Mancelona, Boyne City and Harbor Springs... The Central Lake band was also here but didn't march... they're also real young but give 'em time... We know we're dating ourselves when we say this but we can remember when Charlevoix didn't have much either... But we were all ways proud of our kids... When Charlevoix was starting its band program there were few bands in the north... and now the festival is broken into three sections because no one can care for all 27 or so...

HOW ANYONE can take more than 300 youngsters and direct them in a concert we'll never know... It sure speaks well for their regular directors because the concert was wonderful... And we think the guest conductor, Oscar Stover of M.S.C. won the hearts of everyone when he said, in discussing bands and the cost of such a program... "There are probably those who think that it costs too much but we'd like to have those people read the headlines in today's newspapers and then take another look at this group of youngsters and others like them"... He went on to say that you won't find the names of young musicians in the shocking stories which accompany those headlines for besides the love and appreciation of good music these youngsters become better people for having been a part of a high school band... And when those 316 kids played the National Anthem you sorta knew what he was talkin' about... In case you hadn't realized before...

DID YOU happen to notice the 5-5-'55 combination when you wrote the date last Thursday... They tell us that it will be another 11 years before you can write 6-6-'66... And if you're superstitious you'd better stay in bed or in the house or something come Friday which happens also to be May 13...

Charlevoix IN UNIFORM

Pvt. Oland Carlton Foster, who was graduated recently from the Army's Medical Field Service School at Fort Sam Houston, Tex., is now stationed at Fort Ord, Calif., where he is serving as a dental assistant.

He has the following address: RA 16489527 Hdq. Co. Sixth Inf. Div. Dental Det. Fort Ord, Calif.

A 1953 graduate of the Charlevoix high school, he attended Central Michigan college at Mt. Pleasant prior to enlisting in the U. S. Army in Nov. 1954. He received his basic training at Fort Leonard Wood, Mo.

He is the grandson of Mr. and Mrs. J. M. Foster.

Robert Muma Sn. arrived last week from the west coast to spend a 30-day leave with his parents, Mr. and Mrs. Forest Muma. He returned last month from 10 months duty at Guam. He will report next month at San Diego, Calif., where he will attend a special school.

So watch it and beware of ladders, black cats, etc...

DOES IT seem possible that it's 10 years ago last Sunday since World War II ended... And if you ask what WW II is we're going to scream or something... For those of us who worried through those horrible days it seems only a short time ago... For those whose loved ones were in the Korean war, it seems a long while ago... And for today's junior high youngsters it's just something they've heard their parents talk about... Time sure has a way of whizzing by...

HAVE YOU noticed how our warm sunny days have brought out all the lovely new babies born since last fall... And are they a cute bunch of kids... But then, like everything else, Charlevoix has the nicest babies found anywhere... Young mothers have just been waiting for an opportunity to show the new off-spring about town and they've sure had the weather for it... Each one, it seems, is a bit cuter than the last if that's possible... So when you're out, look around you and see all our darling school children of year-after-tomorrow...

THERE'S open house at school tonight so why don't you stop by and visit the classrooms and see what your youngsters have accomplished this year... All the classes, especially the little ones, have been working hard preparing for the event and if you don't find time to stop by, it's only for a few minutes, your small fry is going to be mighty disappointed... And you owe it to your little Jacks and Jills for it's a big night for them... And if you're interested in your school, you owe it to yourself to see what's being done to educate the youngsters of the community...

THERE'S a new officer-in-charge at the Charlevoix Lifeboat Station as of this week... His name is Bob Ashley and before coming here he was stationed at Sullivan's Island, Charleston, S. C., under our own Bob Ashdon who's in charge there... And the Ashleys including Mr. A., his wife and four children, a dog named Bird and two flying squirrels are all settled in the Ashdon house on Palmer st... Who's confused?

Two County Men To Fill Quota For June Draft

Two Charlevoix county draft registrants will be called for induction into the armed forces to fill the county's June draft quota, Mrs. Eleanor Left, county draft board clerk, has announced. The induction date and the names of the draftees will be announced later. No registrant under 20 years will be called. Volunteers under that age will be accepted, however.

Leola Scott Is Honored At Two Bridal Showers

Leola Scott, whose wedding to Wayne Carter will be an event of May 14 at the First Methodist church, was guest of honor at two bridal showers given this week.

On Monday evening Mrs. Sam Campbell and Mrs. Bobby Mosby entertained 26 guests at the latter's home.

Prizes for the games were presented to Mrs. Albert Smith, Mrs. Edward Swanson and Jean Swanson.

Spring flowers and yellow and blue streamers decorated the refreshment table which was centered with a double wedding ring cake under a blue umbrella.

On Tuesday evening Mrs. A. D. Cunningham and Mrs. Harley Warner were co-hostesses at a miscellaneous shower honoring the bride-elect.

A feature of the event was a bridal autograph apron which was presented to the bride-elect after the 24 guests had signed it. Miss Scott was presented with a variety of gifts which she opened at the close of the evening.

Games were also played and refreshments served by the hostesses. Bouquets of spring flowers decorated the refreshment table and were used about the rooms.

Button Society Has Area Meeting

The Northerners of the sixth district of the Michigan Button Society held a luncheon meet at the home of Mrs. C. R. Munyon Friday.

Mrs. Almira Digby of Copenish presided at the business meet which featured a round table discussion of all types of metal buttons and the preparation of trays to be taken or sent to the state meeting in Flint May 20 and 21. Two new members were inducted.

The next meeting will be held at the home of Mrs. Grayce Thirby in Traverse City Oct. 7. Anyone interested in buttons is invited to attend the meeting.

Annual Massed Band Festival Proves Success

Blessed with perfect weather, the annual massed band festival held last week in Charlevoix was one of the most successful in the history of the event.

A crowd of 350 attended the massed band concert Wednesday evening, climaxing a busy day of activities. Oscar Stover of Michigan State college was well received for the tremendous job he did of welding together the massed bands of eight communities into an integral whole which presented a beautiful concert.

Mr. Stover was lavish in his praise of the performance of the group, the fine work of the directors in preparing the bands for the festival and the hospitality accorded him during his stay here.

Earlier in the day the following bands played individually for Mr. Stover who gave each band written criticisms: Charlevoix Varsity, Ellsworth Manicelona, Harbor Springs, East Jordan, Boyne City and the Char-

Joyce Cunningham Given Scholarship

Joyce Cunningham, a member of the 1955 graduating class of the Charlevoix high school, has been awarded an entrance scholarship to Central Michigan college. She is the daughter of Mr. and Mrs. A. D. Cunningham.

Following the concert performance a band parade through the business district was witnessed by a large crowd. After this 316 young musicians formed a massed band and rehearsed for the evening concert. In addition to the bands named, members of the Central Lake band participated in the massed-band, although they did not participate in other events.

The Petoskey high school band, originally scheduled to come to Charlevoix, ran into schedule conflicts and was forced to withdraw from the local festival.

The Charlevoix festival was one of three scheduled in northern Michigan under the sponsorship of District 2 of the Michigan School Band and Orchestra Association. The other festivals were held in Rogers City May 3 and Traverse City May 5. Mr. Stover was guest conductor at all three festival sites.

Mrs. Garrett Potter
Mr. and Mrs. Earl Balch left Friday for Grand Rapids to visit relatives and friends.

The Marion-Phelps 4-H Club will meet May 18 at the Marion Center Grange. Mr. Festerling will be there. Potluck lunch. If you would be interested in leading a summer group please attend.

Mr. and Mrs. Dick Repp and boys of Pioneer, Ohio visited her parents, Mr. and Mrs. J. E. Dohm and relatives over the weekend. Twelve members attended the extension meeting at the home of Mrs. Vern McGhan. A very nice lunch was served.

Mr. and Mrs. Charles Mascho and Lula Mason were Sunday dinner guests of Mrs. Clara Mascho and Mrs. Effie Francisco. Afternoon callers were Mr. and Mrs. George Elliott and children of Port Huron Dean Jardine of Algonac and Mr. and Mrs. Jack Jardine of Harbor Springs.

LEGAL NOTICE

ORDER FOR PUBLICATION
STATE OF MICHIGAN
The Probate Court for the County of Charlevoix.

In the Matter of the Estate of Anastazyja Hulak, also known as Annastasia Hulak, Deceased.

At a session of said Court, held on May 7, 1955.

Present, Honorable Floyd A. Supp, Judge of Probate.

Notice is hereby given that the petition of Grover C. Genett the Special Administrator of said estate, praying that his final account be allowed and the Administrator of said estate authorized and directed to pay the several items thereof; will be heard at the Probate Court on June 1st, 1955, at ten a.m.

It is Ordered, that notice thereof be given by publication of a copy hereof for three weeks consecutively previous to said day of hearing, in the Charlevoix Courier, and that the petitioner cause a copy of this notice to be served upon each known party in interest at his last known address by registered mail, return receipt demanded, at least fourteen (14) days prior to such hearing, or by personal service at least five (5) days prior to such hearing.

Floyd A. Supp,
Judge of Probate.

Music Department To Give Concert

(Continued from Page 1)
Among the numbers they will sing will be "My Reverie" by Debussy, "Deep Purple" by Debussy, "This is My Country" and "When Day is Done".

will close the concert with several selections. Little need be said about this outstanding organization which will present several fine band compositions including the tone poem, "Sequoia" by LaGassay. By popular demand the concert will be concluded with the playing of John Philip Sousa's famous "Stars and Stripes Forever".

Next Wednesday's concert will be complimentary and there will be no charge.

The concert will start promptly at 8 p.m. and continue for 90 minutes. It is recommended that you arrive early for the best seats.

It is hoped by the Charlevoix high school and its musical group personnel that you will accept this invitation to hear the groups in their annual spring concert.

Mr. and Mrs. Willard Drost of Lansing spent the weekend at their home here.

Boy Wins 'Most Hospitalized' Title

(Continued from Page 3)
returned to Boyne City to live with his grandmother, Mrs. Bert Gillispie.

On Oct. 30, 1953, Stevie was admitted to the Charlevoix hospital for the first time. From that time until mid-April he was admitted every two weeks for treatment. The last time the period between treatments was extended to three weeks and Stevie's hoping that soon he won't have to come anymore.

But his attending physician, Dr. G. B. Saltonstall said that Stevie, who has become a great favorite with hospital personnel, will probably be paying regular visits to the hospital for some time.

"Later, however, when Steven is older, we may be able to send him some place for surgery which may eliminate the present treatments," Dr. Saltonstall added.

When others are visiting the new Charlevoix hospital today (Thursday) in observance of National Hospital Day, little Steven will not be present, for to his way of thinking he already spends too much time there.

Notice To Bidders

Sealed bids will be received by the St. Mary's School Building Committee until 6 p.m. May 23, 1955 for the following described building:

Rev. Harold Kohn Is Speaker For Sportsmen's Club

Rev. H. Kohn of Charlevoix was guest speaker at the annual Smelt supper of the Ellsworth Sportsmen's Club last Thursday night, May 5 in Ellsworth community hall.

Rev. Kohn stressed some help received in spiritual ways from fishing tactics or from observing habits of fish. First in lake fishing, to get a good catch you must fish in the depths and cast out your hook, since the fish will not voluntarily come to you. So in life those good things will not come to us, but we must search and frequent the depths where they are, not in the shallow worldly places we can't demand, but must search for ourselves and many times we experience a real happiness while giving of ourselves to others and not selfishly seeking it. Second Humans can take a hint from the fish who avoids muddy waters, seeking the clear. We can avoid the muddy waters of life and learn to think and act only when the waters of life are clear and calm. Too many try to make important decisions in times of stress, not thinking clearly. If we are to become better people we must learn to wait for the quiet times, to think and act for the best.

Third we must learn the value of patience, we can be like the impulsive blue gill who gets quickly or we can be like the patient perch, who cleverly avoids the lure of bait and is harder to hook. By using patience we can benefit by making the proper decisions and gain bigger and better things instead of hastily grabbing at the tiny bait and, in haste, do things to our disaster.

Then when we are discouraged, we must try to remember that this is after all still God's world, to be revealed to us at His will, and if we sow the seeds of Godliness in our homes, teaching our children of God's will and plan, we can wait for the reaping of the harvest, remembering always that many good things come to us even in the midst of turmoil and strife.

NW Symphony To Give Concert At Traverse May 22

Well underway with rehearsals for their final concert of the current season are upwards of 40 members of the Northwestern Michigan Symphony Orchestra. The program will be presented in the Traverse City high school auditorium at 3 o'clock in the afternoon, Sunday, May 22.

Three new musicians are joining the orchestra's personnel for the forthcoming concert. They are a husband and wife team, Joseph and Emily MacFarland, of Traverse City, and Mrs. Louis Poirier, of Empire.

Mr. MacFarland and Mrs. Poirier, are both string players. Mrs. MacFarland will play second violin. All three have had extensive musical training. Mrs. Poirier was formerly a member of the Duluth (Minnesota) Symphony and is interested in composing in the chamber music field. She also sings with the alto section of the Choral Union, of Traverse City.

Dr. Pedro Paz, conductor of the Northwestern Michigan Symphony, whose members represent many communities in the area, is holding weekly rehearsals of the organization in preparation for the coming program.

Dr. John Hannah Speaks At Area White House Meet

Dr. John Hannah, president of Michigan State college, delivered the principal address at the regional White House Conference at Traverse City Thursday. Charles A. Robinson, Charlevoix county superintendent of schools, reported after attending the meeting.

C. L. Johnson of Petoskey opened the meeting with a brief talk outlining the purpose of the meeting.

During the afternoon Mrs. Charles Bleha was chairman and Mrs. Robert G. Martin recorder for a discussion group on the education of the handicapped and mentally retarded child.

Others who attended the conference whose theme was "When citizens understand, children win" were Supt. R. G. Bennett and Mrs. Kit Carson.

About one out of every four pounds of meat is canned or made into luncheon meat.

St. James Students To Present H. M. S. Pinafore On Wednesday

St. James, B. L. — An abridged version of the Gilbert and Sullivan operetta, "H.M.S. Pinafore," will be presented at the parish hall here at 8 p.m. Wednesday by the fifth, sixth, seventh and eighth grade students of St. James school.

The action of the operetta takes place aboard a British ship. In the first act a British sailor, Ralph Rackstraw, played by Gary McDonough, falls in love with the captain's daughter, Josephine Loretta LaFreniere. Sir Joseph Porter (Alvin LaFreniere) of the Royal Navy, who also seeks the hand of Josephine, visits the ship, the Pinafore, for an interview which is unsuccessful. In the meantime the lovers, Ralph and Josephine agree to steal away to be married.

In the second act Sir Joseph informs Captain Gorcoran (Kurt Felk) that Josephine does not take kindly to his wooing and Dick Dead-eye (Leon LaFreniere) tells the Captain of the intended elopement of Ralph and Josephine. They both lie in wait, and surprise the couple.

Ralph is led to a dungeon. Soon

Buttercup (Eleanor Fischer), a peddler woman, arrives on the scene and explains that "Ralph is the Captain and the Captain is really Ralph". The operetta ends with a rousing chorus as the three couples, Ralph and Josephine, Sir Joseph and his cousin, Hebe and Captain Corcoran and Buttercup, prepare for their weddings.

Others in the cast are Mary Gallagher as the boatswain; Sally Martin, Beverly O'Donnell and Caroline Kenwabikie as Sir Joseph's cousin; Cora O'Donnell, Isabel LaFreniere, Evelyn Palmer, Colleen Nackerman, Larry McDonough, Robert Fischer, Tony McDonough, Fred Dubiel, Erwin Martin, Darlene Schmidt, Sharon Gatliff, Karen Fischer, Sharon Fischer, and Barbara Fischer as sailors and Brian Gallagher, Donald Washegesic, Dole Cull and Joseph LaFreniere as marines.

The lively songs and comical situations promise many laughs and an enjoyable evening.

Biggest "Rush" since the Klondike!

New Dodge Custom Royal Lancer in dramatic three-tone styling.

So head for your Dodge Dealer . . . and take your pick!

The moment the new Dodge hit dealers' showrooms, the "rush" was on. New car buyers had struck gold . . . and they knew it! Actual sales figures throughout the country show that sales have doubled over last year as America goes for "The Big One!" And why not? In the new Dodge you'll find "solid gold" luxury and value—for only a few dollars a month

more than you'd pay for one of the "low price three." In its class, it actually costs less than cars up to 9 inches shorter. And its flair-fashioned styling is stealing the "Oh's" from cars costing a thousand dollars more. The rush is on . . . with 17 magnificent new Dodge models to choose from. So head for your Dodge dealer's . . . and take your pick!

The Glory of Organization

(A radio address, recently given by the Reverend Harold E. Kohn, over station WMBN, Petoskey.)

A brook's edge, one would think, might be a most muddled and confused place. Thrown together there one can find a wide disparity of natural objects — flowing water and inert land, growing grasses and lifeless stones, high-strung deer and lethargic trees — a miscellany of living and non-living things heaped together in a scrambled hodge-podge.

Yet, the border of a brook, far from being a disturbing disorder of unrelated objects, is a highly organized miniature universe, where everything works together with everything else in a harmonious manner. Water bathes the banks with life-giving moisture, and the stream's banks cradle the creek, giving it form and security. Vegetation receives nutrient from the soil and in return binds the soil in its place, hindering erosion. The root hairs of the birches drink deeply from brook waters, while birch foliage shades the stream from the sun's hot rays, preventing excessive evaporation. Deer slip from the crystal waters and feed on the dense, rich marginal browse, while they exhale carbon dioxide breathed by green plants and used in the manufacture of their starches. Trout make the stream their home and pay for their room and board by helping to maintain the balance of life in the waters, limiting the number of insects, crustaceans, and other fishes to be found there. Although composed of a multiplicity of creatures, a stream-side environment is saved from confusion by its high degree of organization.

The splendor of almost anything can be traced in its organization. Physicists inform us that when certain atoms are grouped together in one way they make a lump of coal, but the same atoms arranged in a different way make a diamond. It isn't the number of atoms that determine the difference between coal and diamond, but how they are organized. Great music is composed of separate sounds which any fool can make. But those individual sounds make glorious music only when a musical genius organizes them into a composition. Great art is the organization of form, line and color, and great literature the masterly arrangement of

words. What makes great living possible? Examine the lives of humanity's towering benefactors and you will find they had this in common: all organized their living around a supreme value or purpose. They put that first, at the center. Then all other matters were arranged around that value according to their comparative significance. And when seen in the light of one big purpose, some things had no importance at all.

In his youth, Abraham Lincoln was a confused person, the victim and center of emotional storms that threatened to blow him apart. He didn't know what to do with himself or for others. Criticism hurt him deeply. When Lincoln organized his later life around saving the Union, confusion gave way to inner harmony. Some things once important to him now hardly counted at all. Secretary Stanton's harsh and bitter criticism of the President seemed a rather unimportant matter. Lincoln sought to do the will of the Almighty. Then Stanton's willfulness bothered him very little. Lincoln's arrangement of all the elements of his life around his one basic purpose made him great.

Wilberforce of England arranged all his ambitions around the abolition of slavery. Even intense persecution then didn't matter.

Florence Nightingale's unrelenting intention was to nurse the wounded. Hardships were hers that are almost unimaginable to us, now that the nursing profession is accepted and honored. But she was not defeated by difficulties, or upset by them. They were made to take their place of surrender at the feet of her compassionate ministrations to the victims of the Crimean War.

Organization of oil that we have and are around a worthwhile goal is the sure answer to the maddening confusion and victory over petty irritations. What is really important to me? What is my true goal in life? Where, and on what, should I spend my energies?

How would I answer these questions? — When I look at the irritations, hurts, and grievances of this week, how much to they really matter? Is it so very important that my husband doesn't answer my questions while he's intent on reading the newspaper?

Will it hinder my reaching my life's purpose because my wife is ten minutes late in dressing for the banquet? Will I fail in living a good life because Susan spilled catsup on the table cloth and Junior ripped his Sunday trousers? Am I utterly done in, totally defeated, because Mrs. Snobbish snubbed me on Main Street? Or will I survive? Have I been spending my emotions out of all proportion to the importance of the stimulus?

Perhaps we are happy at a musical concert because life there is as it should always be. There is a dominant theme and all the other notes are arranged around that theme. Joy is found in nature, because nature is the realm of organization and order. So happiness is found in a life when all of the ambitions, desires, instincts — everything we are, and everything we have — are put together around a central theme. And the only theme big enough to compose a masterpiece of harmony is God.

About 10 pounds of a live 240 pound "porker" end up as center-cut pork chops; about 20 pounds are ham. All in all about 115 pounds of meat and 35 pounds of lard from the original pig are what's left for sale over the meat counter.

World in Review

THE UNITED States has developed a new super-powerful atomic bomb at a bargain price. "Apply two", as the bomb is designated, will save the government hundreds of millions of dollars. It is rated at a power of 35,000 tons of TNT, but is expected to develop a maximum power of 50,000 tons of TNT through improvements.

RUSSIA scrapped its friendship treaties with France and Britain this week, and announced plans to build an eight-nation military organization in retaliation for West German rearmament.

MICHIGAN'S Health Commissioner, Dr. Albert Heustis, has elected to ignore a Federal recommendation to halt all polio vaccinations. "I believe we have ample evidence, based on the 325,000 shots given two weeks ago, that the vaccine we've been using is safe and effective," he said.

THE government recommended this week that the polio vaccination program be held up until all vaccine-making and testing can be double checked for safety.

PLANS are nearing completion for Michigan's White House Conference on Education to be held in Lansing May 18. Fifteen hundred invitations have been mailed to teachers, school administrators and civic leaders throughout the state.

HOPES for bumper fruit crops in Michigan have faded after a six-hour frost caused "considerable damage", the Federal-State Crop Reporting Service announced. "It was not a catastrophe," said a Lansing agricultural statistician. "But some individuals reported the loss of their entire crop."

PRESIDENT Eisenhower joined with leaders of Britain and France this week to invite Soviet Premier Bulganin to a top level Big Four meeting aimed at removing "sources of conflict" between the Western powers and Russia. The session would bring together Mr. Eisenhower, Bulganin, British Prime Minister Anthony Eden and French Premier Edgar Faure. The exact time and place has yet to be determined.

A BILL to extend the State Conservation Commission authority to set special "any deer" seasons was killed Tuesday by the House Conservation Committee.

U. S. SABRE jets and Chinese Red Migs battled off North Korea this week with both sides claiming victory. Peiping radio charged the United States with "a grave military provocation."

Tree Planting Project Planned By Rod-Gun Club

Three thousand pine seedlings will be planted this month as a reforestation project of the Charlevoix Rod and Gun club, it was announced Thursday night at the monthly business meeting of the club.

The plantings will be made on the club property northeast of Charlevoix on US-31. Named on the committee to carry out the

project are Kit Carson, E. B. Bowman, Dewitt Peters, Max Novak and Gordon Mocler. Assisting in the planting will be students of the conservation class of the Charlevoix high school under the direction of Max Novak and all club members who volunteer their help. An interesting feature of planting day will be a "feed" served at noon. Date for the planting will be announced as soon as the shipment of seedlings is received.

The club voted to discontinue the practice of advancing the per capita dues to the MUCC for members who are delinquent

Exchange Representatives Pay Tribute To Charlevoix

Charlevoix city officials rolled out the red carpet for representatives of the village of Muir in Ionia county during the second annual Mayors Exchange Day Monday.

Bud Bullis, village councilman

Mayor Resigns Office Due To Health Reason

Dean Davenport, who has served as mayor of Charlevoix for the past two years, this week announced his resignation from the office for reasons of health.

The date the resignation will become effective will be determined later but it is expected to be soon.

Following his formal resignation the council has two courses open to them: they may appoint a successor or hold a special election to fill the vacancy.

The course they will take is expected to be decided at the next council meeting May 31.

Mayor Davenport was elected to the office in April 1953 following the untimely death of John Knight. Prior to that time he had served as third ward alderman for one year.

John Huss To Be Area Municipal League Speaker

John Huss of Ann Arbor, secretary of the Michigan Municipal League, will address members of Region 8 of the Michigan Municipal League when they hold their annual meeting here Thursday, May 26.

He will give a report on legislation regarding municipalities adopted or defeated in the current session of the legislature.

Up to 125 representatives from communities in 13 northwestern Michigan counties are expected here for the meeting at which Roy R. Robinson, region chairman, will preside.

The meeting will open at 2 p.m. at the city hall and after a dinner at the V. F. W. post home at 8 p.m. for an evening session. Officers for the coming year will be elected.

Veterans Make Memorial Day Program Plans

The American Legion and V. F. W. will hold a joint meeting at the Legion hall at 8:30 p.m. Tuesday to complete plans for the annual Memorial Day observance here May 30.

The Rev. Wilson Rinker will deliver the Memorial Day address during the formal program at Brookside cemetery.

Other plans for the annual observance will be announced next week.

The Legion and the V. F. W. have accepted an invitation extended by the Community Church of God to all veterans to attend the 11 a.m. services at the church on Memorial Day Sunday, May 29.

Call Two County Men For Service

The names of two Charlevoix county draft registrants who have been called to fill the June draft quota were announced this week following a meeting of the county draft board Friday evening.

They are Hyman Boring and Edwin D. Evans, both of East Jordan who will report here May 31 for transportation to the Detroit Induction Center.

Edwin D. Renkie of Boyne Falls has been ordered to report June 7 for a pre-induction physical examination.

School Trustee Candidates Must File By June 10

Deadline for the filing of nominating petitions for the offices of trustee of the Board of Education in the Charlevoix school district has been set for June 10.

The petitions with not less than 25 signatures or more than 100 must be filed with Vernon Mathews, secretary of the board of education or at the school office by that date.

The terms of E. D. Hawley and Albert H. Smith will expire in July.

Nominating petitions may be obtained at the school office. Further information regarding the office may be obtained by contacting the school office or Mr. Mathews.

Clothes Crusade To Be Staged By School Children

Today the local school children in the elementary and junior high schools will go on a crusade, a full fledged children's crusade of clothing. Their goal, to help provide sturdy, warm, clean clothing for needy children in America and overseas.

The drive in the Charlevoix public school will be conducted today (Thursday), Friday and Monday. At the close of the drive the clothing will be packed by Leonard Burns and William Aldridge, junior high teachers, and sent to the New York headquarters for distribution.

The local drive will be a part of Save the Children Federation's "Children's Clothing Crusade," which is conducted in public schools throughout the United States under the auspices of the Federation's National Advisory Committee of School Superintendents, Supt. R. G. Bennett said.

The clothing collected will be used to aid children and families in Korea, in war-depleted countries of Europe and the Middle East and in disadvantaged rural areas of this country, including the Navajo Indian Reservation.

Most needed is warm clothing, heavy underwear, wool skirts, suits, sweaters and coats. If the clothing is warm even adult sizes can be cut down and gratefully used.

Children's shoes are next in importance. Even though scuffed, outgrown shoes still have miles of use left in them. Here again adult sizes can be used. Shoes should be tied together. High heeled women's shoes cannot be used.

Baby clothing is in constant demand. Diapers, crib blankets, night shirts, warm sweaters and under-shirts are especially needed.

The clothing should be clean and ready for use.

Veterans Auxiliary Groups Plan For Annual Poppy Sale May 27-28

"Wear a poppy — Honor the dead and aid the disabled."

This will be the appeal of the American Legion Auxiliary to the people of Charlevoix on May 27 and 28 when annual Poppy Day is observed. Everyone in the city will be asked to wear a memorial poppy in honor of the nation's war dead, and to make a contribution to the welfare of war's living victims, the disabled veterans and needy children of veterans.

Completion of preparations for Poppy Day was announced by Mrs. Lloyd Barnett and Mrs. George Hallams, co-chairman of the Poppy Day sale who have been working for some time on plans for this year's sale. The poppies have been made for the Auxiliary by disabled veterans of three wars working at Battle Creek. They are crepe paper replicas of the famous Flanders Fields poppy, the little wild flower which grew on the battlefields and in the war cemeteries of Europe.

Funds derived from the sale of the poppies May 27 and 28 will be used to aid veterans, their families and orphaned children of veterans.

Honor the dead and aid the disabled by wearing a poppy May 27 and 28 during the American Legion Auxiliary Poppy Day sale.

Regional Meet Of Municipal League Is 28th

Plans for the annual meeting of Region 8 of the Michigan Municipal League, the largest in the state, to be held here May 23 were among the issues discussed at the regular meeting of the city council Monday night.

City superintendent Roy R. Robinson, chairman of the regional organization, said that from 100 to 125 municipal representatives from 13 northern Michigan counties were expected to attend the meeting which will begin at 2 p.m. at the city hall. A dinner at the V.F.W. post home at 8 p.m. will be followed by an evening meeting.

In other action the city was granted permission to negotiate for the purchase of the buildings on Ferry ave. being vacated by the Heinz Pickle Co. which is abandoning its factory here. The buildings are located on city-owned property.

Representatives were named to attend the Michigan Economic Development Commission meeting at Traverse City Monday. Mr. Robinson, and Ralph S. Hamilton will represent the city along with representatives of the Charlevoix Industrial Development Corporation headed by Ralph Hess.

The changing of the Commercial 2 zoning ordinance from 100,000 to 5,000 sq. ft. and 100 to 50 ft. frontage was approved.

It was decided to place the parking meters in operation on Monday, May 23.

A representative of the Charlevoix county Humane Society attended the meeting requesting financial support from the city. The request was referred to committee.

The transfer of the liquor license now held by Earl C. and Patricia Gardner to Lawrence A. Menard was approved. The application for a liquor and dance permit at the Charlevoix Beach Hotel submitted by E. L. Kramer, was also approved.

A hearing on the request to vacate McKinley ave. in the southeast section of the city was set for 8 p.m. June 13.

The disposition of the 1928 fire truck was discussed. It was decided to offer it for sale and to consider all offers for the truck.

A report on the radio communication system purchased by the county and cities in the county for use by its law enforcement officers was made by the police committee.

Permission was also granted to advertise for bids for fuel oil for use by the city's utilities.

32 Forest Fires Reported Last Week

Lansing — Thirty-two fires burned 77 acres of state forests and grasslands last week, according to reports of the Michigan Department of Conservation.

So far this year, 496 reported fires have damaged 3121 acres.

Mail Contract Is Awarded To Greyhound Line

The Greyhound Bus Co. has been awarded a temporary contract to carry the mail between Charlevoix and Petoskey for a period of one year, July 1, 1955, through June 30, 1956, Postmaster Peter H. Timmer has announced.

This is the evening dispatch of first class, registered, special delivery and airmail which is now made up at 4:30 p.m.

Ordinarily these contracts are awarded for four years. Mr. Timmer said, but special arrangements are made with bus companies which do not care to enter into contracts for more than one year at a time.

Visits Planned In Kindergarten For Pre-School Tots

Children who will be enrolled in kindergarten in September have been issued an invitation by Mrs. Dorothy McRae, kindergarten teacher, to visit school any afternoon next week.

Mothers are asked to bring their school-age youngsters to the kindergarten room at 1 p.m. and register for them at 3:10 p.m. for the purpose of acquainting the children with kindergarten.

Mrs. McRae has asked that all visitors attend during the afternoon because the morning class is so large that she does not have the time or facilities to care for the extra youngsters.

Children must be five years old before Dec. 1 next fall to be eligible for kindergarten.

Next week, Monday through Friday, will be the only visiting days for prospective kindergarten enrollees before the current school year closes. Mothers are urged to see that their children have an opportunity to visit kindergarten next week, May 23 through 27.

Mrs. Orson Cook Dies Following A Long Illness

Mrs. Orson Cook, 75, lifelong resident of Hayes township, died late Tuesday at the Turk Convent Home in Petoskey where she had been a patient for the past month. She had been in failing health for several months.

Funeral services will be held at the Pentecostal Chapel at 2 p.m. Friday with the Rev. Lloyd M. Schlopp officiating. Burial will be in Brookside cemetery.

Born in Hayes township Sept. 15, 1879, the former May Scott was married to Samuel C. Webster in 1902. He died a few years later and in 1911 she was married to Mr. Cook who preceded her in death in August 1951.

She is survived by four daughters, Mrs. Harold Stueck of Petoskey, Mrs. Clayton Trimble of Charlevoix, Mrs. Douglas Birds of Dundee and Mrs. Isben Nordrum of Redbank, Calif.; a son, Vernon Cook of Moravia, Calif.; 12 grandchildren; two sisters, Mrs. Charles Hyers of Charlevoix and Mrs. Sabina King of Chicago and four brothers, Walter and Pete Scott of Charlevoix, George Scott of Hazel Park and Lee of Ellsworth.

Rev. K. Mitchell Arrives To Take Over New Duties

The Rev. Kenneth Mitchell has arrived here from Naperville, Ill., to assume his duties as associate minister of the First Congregational church. He will also serve the Ironton Congregational church.

The Rev. Harold E. Kohn will continue as senior minister. The Rev. Mr. Mitchell, a native of Chicago, was recently graduated from the Evangelical Theological Seminary at Naperville, Ill., with a bachelor of divinity degree. In 1952 he was graduated from Elmhurst college in Elmhurst, Ill., with a bachelor of arts degree.

He was accompanied here by his wife, Dorothy, and their seven-months old daughter, Laura Jean. The family will make their home at Ironton.

Allocation Board Sets Temporary 23.7 Millage In Charlevoix County

The Charlevoix county tax allocation board set the tentative tax rate for 1955 at a meeting held Friday at the court house here.

School districts in the county were tentatively allocated up to 13 mills to meet budget needs, townships up to five depending on their needs, the county 8½ mills for operational expenses and one mill to the court house sinking fund.

The tentative millage which totals approximately 23.5 mills will be levied on the county's 1955 equalized valuation of \$10,393,127. The total does not exceed the maximum allowed by law which is 15 mills on the 1955 state equalized valuation of \$30,600,000.

Millage allocated to the various school districts follows: Murray No. 1 and Bay Shore No. 5, 13 mills; Melrose township unit, 12½ mills; North Bay No. 1, Chandler township, city of Charlevoix and the city of East Jordan districts, 12 mills; city of Boyne City district, 11 mills; Horton Bay No. 2, Boyne Valley Rural Agricultural, Ironton No. 4, Eveline Orchards No. 5, Norwood No. 1 and St. James township districts, eight mills.

Undine No. 3 and Peaine township districts showed no need so received no millage. Bay Shore No. 5 and Norwood No. 1 are fractional with Emmet and Antrim counties respectively.

School districts received a minimum of five mills on the state equalized valuation to qualify to state aid.

The townships were allocated millage according to budget needs. St. James and Peaine townships on Beaver Island received five mills each.

Bay, Boyne Valley, Evangeline, Hudson, Marion, Norwood, South Arm and Wilson townships were allocated two mills each; Chandler, Eveline and Melrose were allocated one mill each.

Charlevoix and Hayes townships, the village of Boyne Falls and the cities of Charlevoix, East Jordan and Boyne City received no allocation.

The county was allocated 8½ mills for operational expenses and one mill was allocated to the court house sinking fund which was adopted and started in 1949.

The final rate will be set at a meeting of the tax allocation board scheduled for 10 a.m. May 27.

Members of the tax allocation board are Lillis M. Flanders, county treasurer who is chairman, William Korthase Sr. of Boyne City, Clarence Healey of South Arm township, A. G. Rogers of East Jordan, William Sanderson, chairman of the finance committee of the board of supervisors and Charles A. Robinson, county superintendent of schools.

Local Boy Scouts To Participate In Cadillac Event

Forty-five Charlevoix Boy Scouts of Troops 11, 134 and 138 will leave here Friday for Cadillac to participate in the three-day Boy Scouts Atom-oree under the sponsorship of the Seale trails Council.

The group will include 15 boys of Troop 134 whose scout master is Bruce Bartlett and assistant leader, George Farmer; 10 boys of Troop 11 whose scout master is Tip Riley and Charles Pierce, respectively, 10 boys of Troop 138 whose acting scout master is Lee Moerland and assistant leader, Paul Allers.

The group will leave here at 2:30 p.m. Friday via school bus with Leonard Burns as driver.

The three troops will set up camp and prepare their own meals while at Cadillac.

Highlights of the Atom-oree will be a camp fire on Friday and Saturday nights, a demonstration of Scout skills in operation, survival, and a parade through Cadillac Saturday and games on Sunday.

Church services will be held Sunday for both Catholic and Protestant Scouts. Approximately 1,000 Boy Scouts and 200 adults will participate in the event which will be climaxed by a visitors period on Sunday for parents.

The group will return home late Sunday afternoon.

Class C Track Men To Compete At Kipke Field

Charlevoix will be host to the nineteenth annual Northern Michigan Class C track and field meet at Kipke Field Tuesday with all eight teams in the league participating.

Qualifying rounds will begin at 4 p.m. with the finals in all events scheduled to begin at 7:30 p.m. and continue under the lights when darkness falls.

The defending champions, the Charlevoix Rayders, will be joined by teams from East Jordan, Boyne City, Grayling, Gaylord, Mancelona, Pellston and Ithaca Springs, in the only big conference meet of the season.

Competition in all events will be keen with a number of outstanding athletes vying for top honors among the cindermen.

Such point-getters as Gary Vandenberg, Ray and Bill Kolkner, Kenny Balch, Gary Smith, Gene Towsley, Clay Walker and the other members of Charlevoix's relay teams, Walt Poquette, Ron Anderson, Terry Smith and Tom Swanson who paced the regional Class C meet at Traverse City Saturday will find tough going against Boyne City's Holowasko brothers, John and Ron; Dick Hamilton, Lloyd Failing, Gary Worden, Gary Parkinson and Bill Failing of Grayling; Harry Wolf of Gaylord; Alan Somerville of East Jordan. All of them racked up points for their respective teams in the regional meet. They will be joined by others who are sure to run up team points in loop competition.

ODDS 'N' ENDS

By Fran Martin

CONGRATULATIONS to Irish Coleman and the Rayder track team. Just like nothing they move into Traverse City and snatch a beautiful trophy right from under the noses of some 14 other Class C teams. Much to the surprise of everyone, except Coach Coleman, I might add, they won the state title. So on to Lansing this week-end for the state meet. And may the pickins there be as good as they were last week. It's been a long time since Charlevoix's had a state title.

The big meet of the season for league teams will be held here next Tuesday when all eight loop teams meet for the conference meet under the lights at Kipke field. The prelims will start at 4 with the finals at 7:30 p.m. so take it in. It's great fun, this business of track, and you'll like it a lot if you'll give yourself a chance.

THESE NEXT few weeks are going to be jam-packed with activities. The state track meet Saturday, the conference meet Tuesday, the Senior trip Wednesday, the J-hop Saturday, Memorial Day Monday, all climaxed with baccalaureate on June 5 and commencement June 8. How's that for wishing away the next few weeks. Oh yes, and sandwiched in there is the annual dance revue by the Crede School of Dancing on May 27. And then people ask, what ever do you do here in Charlevoix when the summer season's over?

GOT US a look at the brochure on the Senior class trip. And let me clue you. It's worth everything those kids put into it. After a bus trip to Detroit the seniors will board the train for the first leg of their trip to New York with an unexpected stop-over at Niagara Falls. And then on to New York where the first stop will be the Hotel New Yorker. (You can't say those kids don't do things up brown). And then all the wonderful tours of the fabulous city of New York. Wait til you hear about it. If the seniors are too weary on their return to tell you about it. Bon Voyage to the class of '55 and their chaperones, the Del Terrills and the Bob Cooks. Be good kids, have a good time and we'll see you all come May 28.

However will the senior girls get themselves ready for the J-Hop is the \$64 question these days. They'll return from the trip late Saturday afternoon and the hop is at 9 or so and everyone knows that it's utterly impossible to prepare for a dance in four hours or even five. They'll probably stay at home or go looking like witches (?). My! My!

IF YOU'D like some real entertainment some time find yourself a place near a hat or jewelry counter and watch our younger generation trying on hats or costume jewelry. Believe us, it's worth your time 'cause you'll never believe it. We tried it a couple weeks ago and haven't had so many chuckles in ages.

SURE HOPE the weather's good this weekend. For all our little Boy Scouts will be taking off

Friday for the big spring camp-oree which is at Cadillac this year. We'd hate to see 'em all get pneumonia or something. One thing's for sure tho'. Sometime during the three days it will rain. It always does. But that doesn't stop the kids from having a whale of a time.

WE ALWAYS had the idea that squirrels were lovers of comfort and that they built their nests for their young in nice weather-proof hollow trees or in attics or something. But someone must have forgotten to tell one mother squirrel about this for she built her nest on the cat-walk on the big water tower and had her young there. All this was discovered by Ed Swanson and Al Bergmann of the city utility crew who climbed to the top of the big tower Saturday to make repairs and found the little poorly-constructed nest with two little ones. They didn't see the mother but were sure she was around. But what they'd like to know is how she carried the leaves and other materials up the steel tower to the cat-walk. For squirrels little paws are not made for climbing such smooth surfaces. Al told us about it and said that if he hadn't seen it he'd never have believed it himself.

Couldn't help but feeling a little sad when we noticed that the old Sugar Bowl had been removed. It hadn't been in working order for some time but as long as it remained there it was a part of a happy time a lot of us once knew. How many sodas and cokes were made at that fountain during the years no one could ever guess. And the memories many people have of the old place are almost as countless. To our way of thinking it's passing marks the end of another era in Charlevoix's history. Sentimental? Perhaps but what's a world without sentiment. Especially if you're Irish.

WE KNOW someone who's looking for a solution to a rabbit problem. The usual bunny problem, we might add. Too many of the little cotton-tails. It's like this. There's a couple of grown rabbits living near the school who've been eating flower bulbs and other domestic delicacies, much to the despair of valley residents. To add to the difficulties, the pair built a nest and have five little ones which the residents of the area fear will grow up to be as destructive as their parents. What to do about the situation is now the question. We suggested catching them all in a box or something and transporting them to the country. The idea, however, was not well received. So if you've an idea pass it along to us and we'll relay it to the people concerned.

THERE'S one group of people in our community who can never be given enough praise or credit and that's our teachers. We went to open house the other night and the things they had on display would amaze you. One fourth grade class had made globes of paper mache. Mrs. Badger's third grade had made cut-out pictures of themselves and when the parents visited the room each could find his child's desk simply by looking over the pictures. In this case it was a smart parent that recognized his child from the pictures.

But they were very clever and certainly new and different. In display in the shop were beautiful pieces of furniture made by the older boys. And the style show which was a part of the program was outstanding. Mrs. O'Neill is certainly to be commended for the fine work done by her students, the majority of whom were freshmen. Good grooming is a part of the course and that was one of the things that drew the most comment from those who saw it. In addition the cooking class made all the cookies for the refreshments afterwards. So, to our off-forgotten citizens, our teachers, a big bouquet of orchids for a tough job well done. And if you think that teaching some 900 or so big and little angels each with a mind of his own is an easy job. Try it sometimes.

AT ONE TIME the name of Charlevoix wasn't too well known but recently it's been getting around. Thanks to Capt. John Roen who's now in the deep-sea fishing business. Seems he built five 114-ft steel trawlers and when the buyer did not buy so Capt. Roen went into the fishing business which is registered as the Charlevoix Transit Co. The first trawler was named the Michigan and when that one did so well he added a second named the Wisconsin. The boats fish around the clock for haddock, scrod, cod and catfish some 270 miles out of Boston. And when the market's good they head for port. So, if by chance, you happen to see a fishing trawler out Boston-way which hails from Detroit it'll be the Michigan or Wisconsin. Not an optical illusion. For these two crafts have the distinction of being the only fresh water trawlers on salt water.

Scott-Carter Vows Exchanged In Candle Light Service Saturday

In a candlelight ceremony solemnized at the First Methodist church Saturday evening, Leola F. Scott, daughter of Mr. and Mrs. W. Guy Scott, became the bride of H. Wayne Carter of Detroit, son of Mr. and Mrs. R. E. Wright.

The Rev. Lloyd M. Schlopp officiated at the double ring service in the presence of 100 guests. Baskets of spring flowers decorated the altar for the occasion.

Mrs. Edward Swanson played a program of traditional music and the wedding marches and accompanied the soloist, Roberta Case.

Given in marriage by her father, the bride chose a light grey boxer style wool suit, pink and gray accessories and a corsage of white carnations and feathered carnations for her wedding.

Joan Carpenter of Roscommon was her only attendant. She wore a gray suit, yellow accessories and a corsage of white feathered carnations.

Gerald Rohring of Garden City assisted the bridegroom as best man. Charles Cross of St. Ignace and Otto Harvey were ushers.

Mrs. Scott selected a navy dress and navy and white accessories for her daughter's wedding. Mrs. Wright, mother of the bridegroom, wore a black and pink dress and pink accessories. Both had corsages of white carnations.

Immediately following the service, a reception was held in the church parlors. Mrs. Lee Scott of Petoskey, Jean Swanson, Elaine Peters and Barbara Roff assisted.

After a wedding trip through southern Michigan the couple will live in Detroit where the bridegroom is presently employed at the Ford Motor Co.

The bride is a graduate of the Charlevoix high school and the Northwest Institute of Medical Technology in Minneapolis, Minn. Mr. Carter is a Korean War veteran.

Wedding guests were present from Garden City, Detroit and Petoskey.

Mrs. Herbert Fox Entertains Past Noble Grand Club

Mrs. Herbert Fox opened her home Thursday to a meeting of the Past Noble Grand Club.

Thirteen members were present for the business meeting at which Mrs. Fred Southwood presided. Mrs. Earl Blood led the devotions.

At the social hour which followed games were played with Mrs. Raymond Seymour winning the top prize, an angel food cake. Mrs. Blood won the mystery package which was contributed by Mrs. W. E. Goss. Refreshments were served at the close of the meeting.

Mrs. Grace Genett will entertain the club on June 10.

Seniors To Board 'Magic Carpet' For New York Trip

Like characters in an Arabian Night tale, 66 members of the 1955 graduating class of the Charlevoix high school will board a "magic carpet" next Wednesday for the long-anticipated trip to New York City.

The group, accompanied by class advisors and their wives, Mr. and Mrs. Del Terrill and Mr. and Mrs. Robert Cook, will leave here at 5 a.m. Wednesday for the bus trip to Detroit where they will board the special train at 2:30 p.m.

The train will leave Detroit at 3 p.m. with a three-hour stopover at Niagara Falls from 7 to 10 p.m. Arriving in New York's Grand Central Station at 7 a.m. Thursday, the party will go directly to their headquarters, the Hotel New Yorker, for breakfast before visiting the Empire State Building later in the morning.

A yacht cruise of New York's harbor will be enjoyed during the afternoon and after a dinner at the hotel the party will go to the Radio City Music Hall.

The morning will be free on Friday so the members may visit New York shops or make side trips on their own.

Immediately after lunch Friday, they will check out of the hotel, visit the United Nations building and then tour Upper and Lower Manhattan before boarding the train at 6 p.m. for the return trip.

After breakfast in Detroit Saturday morning, the weary travelers will arrive home late in the afternoon and attend the annual J-Hop later that evening.

Tell Betrothal Of Miss Weaver To William Wallace

Mr. and Mrs. F. Darcy Weavers of Baldwin have announced the engagement and approaching marriage of their daughter, Sandra, to William Louis Wallace, son of Mr. and Mrs. Louis Wallace.

The wedding will be an event of June 18 at St. Ann's church in Baldwin.

The bride-elect is a graduate of the Baldwin high school and the Mercy Central School of Nursing in Grand Rapids. Mr. Wallace is a graduate of the Charlevoix high school and a veteran of two years in the U. S. Army. He is currently enrolled at Michigan State University in East Lansing.

Donna Ball Honor Guest At Shower

Donna Ball, bride-elect of James Gibbons, was honored at a bridal shower given Saturday evening by Mrs. Frank Oleky and Mrs. Ralph S. Hamilton at the latter's home.

Guests enjoyed a number of games with prizes awarded to the winners and refreshments. Spring flowers decorated the rooms and the table which held the many gifts which were presented to the honored guest late in the evening.

Invited guests were Mrs. Joseph F. Howard, Mrs. J. M. Foster, Mrs. George LaBlance, Mrs. Hugh Mayne, Mrs. H. E. Bingham, Mrs. William Smith, Mrs. Louis Orlovski, Maudelaine Verweys, Mrs. Herman Tellman, Mrs. Anna Eccleston, Mrs. Karl Erber, Katherine Fitch, Mrs. Charles Hamilton, Mrs. Theodore Browne, Mrs. A. M. Allard, Mrs. Emerald LaBlance, Mrs. Gregory Shadko, Mrs. C. D. Geiken, Mrs. Arthur Heilig, Mrs. Bud Fisher, Mrs. John Krehak, Mrs. Frank Bourgoin, Mrs. Leslie T. Ball and Mrs. Gerald Gibbons of Grayling.

Mrs. Robert Straw Guest Of Honor At Stork Shower

Mrs. Robert Straw was guest of honor at a stork shower given recently by Mrs. Robert Shaw and Mrs. Frank Poquette at the latter's home.

Guests enjoyed games with Mrs. Lee Sneathen Jr., Mrs. Leo Rising, Mrs. Clifford Struthers and Mrs. Straw winning the prizes. At the close of the evening refreshments were served at a table decorated in a pink and blue motif.

Mrs. Straw was presented with a variety of lovely gifts. Other guests were Mrs. Loren Hamlin, Mrs. Charles Svoboda, Mrs. Bob White, Mrs. Leo Berg and Mrs. Bruce Bartlett.

Mr. and Mrs. Terry Rice have returned to Mt. Pleasant after spending the weekend with the latter's grandparents, Mr. and Mrs. W. H. Supernaw and other relatives.

I See By the Courier . . .

- Mr. and Mrs. Pete Scott and daughter, Mrs. Eunice Houck, left Tuesday for Escanaba to visit the latter's daughter, Darlene Houck, who is a practical nurse affiliate at Ft. Francis Hospital there. They plan to return home today. They were accompanied by Mrs. Edward Scott and Mrs. Bessie O'Brien who visited at Manistique with their respective son and daughter, Mr. and Mrs. Peter B. Scott.
- Mrs. Henry Isaksen returned home Saturday from Ann Arbor where she had spent the past month as a patient in the University Hospital and visiting her daughter, Helena. The latter, accompanied by Ernest Sunling, also of Ann Arbor, brought her home and remained for a weekend visit.
- Mr. and Mrs. H. O. Mohrmann have returned to Plymouth after spending several days with the latter's parents, Mr. and Mrs. Dan Swartz. On their return they were accompanied by Mrs. Dorothy Brooks of Boyne City who will visit relatives in the Plymouth area before returning here.
- Mr. and Mrs. Edward Novotny and son, Gerald, returned to Muskegon Tuesday following a visit with the former's parents, Mr. and Mrs. A. F. Novotny.
- Mr. and Mrs. Ted Sheldon returned to Flint Monday after visiting since Wednesday with the former's aunt, Mrs. Plenny Gennet. On Sunday they were joined by Mr. and Mrs. Will Gennet and Mrs. Will Mason of Williamsburg.
- Mrs. Edwin Gregory returned home Sunday from Wavering, Fla., where she spent the winter months.
- Mr. and Mrs. Arnold Potts are enroute to Charlevoix from Fort Lauderdale, Fla., where they spent the winter. They are expected to arrive at their Nichols st. home this week.
- Mr. and Mrs. Charles Evans have arrived from Lake Worth, Fla., where they spent the winter months. They will spend the summer at their home at 702 Bridge street.
- M. K. Chew has returned home from Bay City where he spent the winter months with his daughter, Miss Alice Chew.
- H. E. Craig has returned from Marquette where he spent the weekend on business.

Petroleum Co-op Serves Members Of Farm Bureau

Farm Bureau Services has inaugurated a new farmer co-operative project in Charlevoix county to supply Farm Bureau members with petroleum products delivered direct from the refinery, Leslie Sheridan, chairman of the Charlevoix County Farm Bureau has announced.

Known as the Farmers Petroleum Co-operative, with offices in Lansing, the organization will operate in the same principle as other Farm Bureau services, selling its products at current area prices and refunding its profits in the form of patronage dividends to stockholder members.

Charlevoix is the first county in northern Michigan to be served by the company, according to John Brock of East Jordan who is farm supply committee chairman.

Initial delivery of 11,000 gallons of gas was made to Farm Bureau members in the county May 11, Brock said. Deliveries are to be made every eight weeks on regular routes.

Many Visitors Attend Hospital Open House Here

National Hospital Day, May 12 was observed here for the first time in a number of years as the new Charlevoix Hospital was opened to visitors last Thursday.

More than 75 visitors from the area served by the hospital toured the hospital and were served refreshments by the Women's Guild of the Charlevoix Hospital. Mrs. Alan Macdonell, president of the Guild and Mrs. F. F. McMillan presided at the tea table which was centered with a pink bowl filled with pink, blue and white spring flowers. Miss Ann Baumgartner, superintendent of the hospital, greeted the visitors and members of the nursing staff served as guides for the tours.

• Mr. and Mrs. William Bacot and family of Flint spent the weekend with the former's mother, Mrs. Daniel Bacot.

Card of Thanks

I wish to thank all of the doctors and nurses for their help and kindness during my recent illness at the Charlevoix hospital.

Miss Leonia Barnes.

Card of Thanks

We extend our heartfelt thanks and sincere appreciation to our relatives, friends and neighbors for their many acts of kindness, beautiful floral tributes and kind expressions of sympathy during the illness and at the death of our loved one. We especially thank the Meadowbrook hospital staff, Rev. and Mrs. Diller, Rev. Zwagstra and the pallbearers.

The family of Eugene Best.

Accepting Names For Candidates To U. S. Academies

The names of prospective candidates for nomination to the U. S. Military Academy, the U. S. Naval Academy and the U. S. Air Force Academy from the Eleventh Congressional District are now being accepted. Congressman Victor A. Knox, announced this week.

Candidates must be at least 17 years of age and must not have reached their twenty-second birthday by July 1 of the year for which they seek admission to the academy. The applicant must also be a citizen of the U. S., must never have been married and a resident of the Eleventh Congressional district.

"In order to provide every interested young man in my district with a fair opportunity to be considered for nomination, standard competitive civil service examinations again will be conducted this year," Rep. Knox said in making the announcement. The examinations will be conducted in Alpena, Cheboygan, Escanaba, Gaylord, Manistique, Petoskey and Sault Ste. Marie.

Before May 31 any and all interested young men should write to Rep. Knox in their own handwriting indicating their interest and preference in service. He will then file their names with the civil service commission which will enable the latter to designate the post office where the applicants will write the examination.

High school principals or superintendents in the Eleventh Congressional District have catalogs containing information on entrance requirements to the military and naval academies. Or copies of the catalogs to the three academies may be obtained by writing to Congressman Victor A. Knox, 113 New House Office Building, Washington 25, D. C.

Teensters Sing At Traverse City Hop

The Teensters, local trio composed of Roberta Swanson, Mona Davenport and Faye Meggison, sang at the annual Traverse City high school J-hop recently.

They were also guests at the ball and were escorted by Larry Burns of Michigan State college and Steve Marovich and Charles Kreber of Central Michigan College.

• Mr. and Mrs. George Buckler and two children of Grand Haven visited several days last week with Mrs. Buckler's parents, Mr. and Mrs. Allan Campbell.

• Dr. W. Claire Cartier of Grand Rapids visited recently with his parents, Mr. and Mrs. F. E. Cartier.

D. A. R. Chapter Aids In Supporting School For Underprivileged Children

The Pe-to-se-ga chapter of the D. A. R. has furnished funds and used clothing for the Kate Duncan Smith school as one of its projects in recent years. In answer to the question "What is the Kate Duncan Smith school?" the local chapter has offered the following explanation of the school. The school is located at a small settlement on Gunther Mountain in Marshall county in northern Alabama.

Plan Excursion To Beaver Isle For Rural Teachers

Tentative plans for an excursion trip to Beaver Island for rural teachers of Emmet and Charlevoix counties were announced this week by Charles R. Robinson, Charlevoix county superintendent of schools.

The trip is planned for Saturday, May 28. The group will leave here aboard the Emerald Isle at 8 a.m. and arrive at St. James at 10:45 a.m. From that time until noon the party will spend the time in the vicinity of St. James before attending a luncheon at the Beaver lodge.

A tour of the historic island has been planned from 1:15 to 5 p.m. The party will leave on the return trip at 5 p.m.

The excursion is planned for the rural teachers of the two counties; however, a limited number of guests may join the group. Reservations must be made with Mr. Robinson or Bruce T. Blanchard, Emmet county superintendent of schools by May 23.

REPORT FROM LANSING

By Clarence B. Meggison

Budgetary matters and committee meetings shared the limelight in this past week as we headed down the home stretch.

Prospect of Michigan joining the list of States providing executive mansions for their governors, moved a step forward with the passage by the House of HB 256, establishing a Michigan Executive Residence Planning Commission. A unique feature of the bill, and one which its sponsors feel will make the dream of a governor's residence, a reality, is that the Commission is authorized to offer the people, an opportunity to participate in this long overdue project. It is hoped that by popular subscription, the money will be forthcoming for the planning and construction of an Executive Residence.

The House by a vote of 101 to 0 passed HB 229, authorizing the State Highway Commissioner to enter into negotiations with the Wisconsin State Highway Commissioner in the preparation of plans, specifications and designs of an interstate bridge across the Menominee River between Menominee, Michigan and Marinette, Wisconsin.

With but one dissenting vote, the House passed an already approved Senate Bill (SB 1351) permitting the continuance of a sufficient toll to cover expenses of operation, maintenance and repairs after the Blue Water Bridge bonds have been paid. This will mean a reduction in toll charges for crossing the bridge between Port Huron and Sarnia, from 50c to about 15c per car.

SB 1297 setting up in the treasury a special fund for retirement of the Korean War bonus bonds received unanimous approval in the House, and was given immediate effect.

Budget bills passed in one House and transmitted to the other House during the past week totaled \$238,341,198.00. This compares with \$220,007,207.00 appropriated for the same purposes in the fiscal year July 1, 1954 to June 30, 1955. These figures do not include HB 480, advanced to its final passage, providing for \$16,989,550.00 for the general government as compared with \$16,235,168.00 for the same purposes in the current year. If passed, as expected, without amendments, it means a budget of \$253,293,748.00 plus debt retirement of \$17,000,843.00 for a total 1955-1956 budget of \$270,294,591.00. This is quite an increase over the total budget of \$251,481,591.00 in the current fiscal year, 1954-1955.

Broken down into specific bills, the budget is as follows: Bills passed in the House and now under consideration in the Senate, are: HB 473 provided \$50,394,873.00 for public welfare services. This represents an increase of \$558,496.00 over last year's appropriation.

HB 476, carried an appropriation of \$8,689,632 for Conservation, Agriculture and Recreation. This represents an increase of slightly in excess of a million dollars over the 1954-55 appropriation.

HB 477, calls for \$14,970,981.00 for the Michigan State Police, Public Safety and Defense. This figure is \$925,349 higher than last year's appropriation.

HB 478 provides \$7,840,226.00 for regulatory services, an increase of \$314,085 this year.

The above House Bills total \$81,893,712.00.

Budget bills passed by the Senate and received in the House in the last few days, totaling \$154,418,480 are:

SB 1426 providing \$13,183,713 for penal institutions and corrections. This is an increase over the current year of \$366,023.

SB 1427 appropriates \$15,443,438.00 for public health.

SB 1430 carries an appropriation of \$50,038,220 for mental health and mental hospitals, an increase of \$1,202,526 over last year's appropriation.

SB 1432 appropriates \$55,787,057 for education, an increase over the current year of \$4,464,047.

SB 1431 provides \$13,626,518 for new construction and \$750,000 for fire protection, while SB 1429 gives \$90,837 for special maintenance projects plus \$3,724,203 for remodeling and additions. This makes a total capital outlay of \$19,063,558 as compared with \$13,538,490 in the current year.

SB 1237 appropriates \$750,000 for Junior Colleges.

SB 1203 appropriates \$212,500 as a supplemental appropriation to the Michigan aviation supplement matching fund for the purpose of assisting political subdivisions in the State in matching funds for construction and improvement of publicly-owned airports and landing fields within the State.

A Report to the Citizens of Charlevoix by the Mayor

EDITOR'S NOTE: The following statement by the Mayor of Charlevoix is printed in the Courier as a public service to the residents of Charlevoix.

Administrative

Charlevoix is definitely going through a period of development which might be referred to as "growing pains". At this writing there have been more applications for building permits than ever before over a comparable period of time. Many new homes and business places are under construction. At the same time several old and outmoded buildings have been or are in the process of being razed. These developments indicate signs of progress and improvement. Because of these facts it creates a serious problem for the administration in trying to comply with the many requests for expansion of utilities and more services. As stated in my report of last April one of our first moves was to employ Roy Robinson as City Superintendent. This was done only after careful screening and considerable thought and discussion. Some unfounded rumors have been spread by uninformed people as to the advisability of this move and as to the salary paid to our Superintendent. I want to go on record as saying that this move has saved the City several times the salary paid as is shown in the activities of the several departments. It has also resulted in the City being put on a budget which is operable and we are now proceeding on a businesslike day to day basis. Bear in mind the fact that the budget for the City, including the utilities, is a total of \$420,940.00 which is a considerable sum of money to be expended each year. Would any sound business organization think of operating with this gross without a general manager? In addition to the normal economies effected in general purchasing, the two diesel generators were purchased and installed at a savings of around \$30,000. This figure was confirmed by a member of the Daverman Engineering Company who stopped by for a look at our own installation. Experiments are going on with the using of heavy diesel oil resulting in a saving of about \$6,000.00 per year. We are collecting over \$2,000.00 per year from the surrounding townships for fire protection which was not previously included in our income. New revenue from our boat docks last year amounted to \$500.00 and from the Cemetery \$1,000.00 thus relieving the tax budget of those sums. Only 5/9 of the Superintendent's salary is paid from tax funds as the balance is charged to supervision of the various utilities.

Electric Department

Our two Cooper-Bessemer engine generators have operated very well now for eight months and give us ample capacity for our expected summer load. These units were completely paid for last December fifteenth from reserve funds and monthly revenue. This 1000 kilowatt addition cost the City \$90,000.00 or about half what new units would have cost. Since January we have been paying \$2,500.00 per month on another 1136 kilowatt Fairbanks-Morse opposed piston engine and new generator which it is expected will be installed next winter. This unit will be completely paid for in two years out of earnings and will give us ample capacity for several years and permit us to serve new industry. The electric load is increasing between fifteen and twenty percent each year and it is hoped that next year our finances will permit us to make a reduction in rates. Our planning involves the rebuilding of the switch board, considerable work on the overhead lines, new and better street lighting and underground installation of the lines in the Park.

Water Department

Last year we installed several hundred feet of new water main and have completed considerable maintenance, meters have been rebuilt and new ones installed. We have had several requests for new mains this year to take care of our large increase in new house construction. Last summer we had a breakdown of one of our pumps and had anything happened to the other one we would have been in very bad shape indeed, to correct this situation we have purchased an additional pump from Belaire and had it rebuilt. The motor is being rewound and control equipment will be purchased, this pump is of smaller capacity and horsepower and will not cause so much disturbance on the electric feeder. It is expected that a saving of \$1,500.00 will be effected on this installation. Plans are in effect for complete maps and a master plan for the extension and rebuilding of the water system. Most water mains were installed about fifty years ago and unfortunately were predominately four inch in size with very little larger feeder main, this situation must be corrected soon if we are to continue to grow and attract industry. So large a project will probably demand a bond issue and if so, meetings will be held and the proposal discussed and submitted to the citizens.

Streets

Our City is fortunate in having so many of its streets paved at least with blacktop but it takes a great deal of care to keep them up and do a good job without snow removal, this also takes a considerable amount of our money as you may see by consulting the budget. Last year we purchased a used street roller and this year we purchased a road grader which had been used by the City of Lansing. With this equipment we will be able to do a much better job on the streets and will not have to rent equipment. One more payment of \$7,250.00 will complete our obligation on the Petoskey Avenue paving and starting the next year we will have that much extra to use in improving the streets which now need attention. Dixon Avenue is in need of resurfacing and some of our blacktop streets should be ripped up and leveled off before surfacing again, also there are gravel streets in the City which should be black topped. A map of these streets will be made and they will be taken care of as funds permit.

Sewage and Sewerage Disposal

Our Sewage Disposal plant is now on a self sustaining basis and some long deferred maintenance is being taken care of, other than this the plant is in excellent condition thanks to the care of J. C. Marshall and will last for many years, it will also be completely paid for in three more years. Our City sewer system is not in such good condition as the tile having been laid too flat in some cases and in other instances the tile was sized too small. A master plan and maps are being made and when completed will give us something to plan on for the future needs of the City. Several requests have been made for extensions and a few of these have been installed, however we do not have a fund for all new installations and it is necessary that any new sewers be paid for when installed. It is unfortunate that we have had to permit the installation of some septic tanks due to the lack of street sewers, we hope that before this goes too far we will be able to install some additional sewers to care for the growing community needs.

Industrial Development

In striving to secure new industry a great deal of time and effort has been expended. Many contacts have been made, both through the Michigan Development Bureau and by direct negotiations with prospects. The very first hurdle to overcome is to get the prospect to visit Charlevoix so they can see what we have to offer. It must be brought to our attention that we have other problems to overcome such as transportation, distance from suppliers and a minimum of skilled workers. In addition we are operating in a very highly competitive field since other cities are in there trying to entice industry to their towns. We are now working with three different industries and hope that something will come out of these contacts, but a continual city-wide effort is necessary. Our existing industries are doing a fine job in providing the community with an annual payroll of around 3/4 of a million dollars. Community-cooperation and effort should be made to give them every encouragement for expansion. Let us all work together and boost for them and our City. Public opinion can be the greatest instrument in providing the necessary spark when talking to a new prospect. Therefore may I suggest that instead of knocking everything and anything in your community, BE A BOOSTER.

General

In closing I want to say that serving you for the past three terms as Alderman and Mayor has been a privilege and honor. It has been highly educational as well as a source of satisfaction in that we have been able to accomplish several needed projects and put into effect certain changes for the betterment of our City. It is with a great deal of regret that I find it will be necessary to resign from the Office of Mayor because of health reasons. The City is in a sound financial condition and we have a good working council that I am confident will follow through with any project and plans that will improve our community. Finally I want to thank the citizens for their excellent cooperation and advice during my tenure of office and if I can be of any assistance in the future I will be ready and willing to do whatever I can.

DEAN R. DAVENPORT,
Mayor

It Will Soon Be Gone

As much as we love the rugged beauty of the upreaching mountains, the durable loveliness of the "everlasting hills," the deathless splendor of sparkling stars, or the long-lasting, elegant grace of tall hemlocks standing by moss-carpeted forest aisles, there is a charm in nature that exceeds all of these enduring beauties. That charm is found in the attractiveness of things that are here today and gone tomorrow. Nothing in the world possesses quite the exquisite elegance of those things that soon will be gone.

Within the past few days I have seen a yellow lady slipper, shy resident of a boggy streamside, acres of white trilliums sparkling in the dark shadows of a forest, hundreds of yellow, white and blue violets timidly hiding beneath the spreading skirts of spruce and balsam and among unfolding ferns, Rose-purple and wine-red fringed milkwort blossoms and pure white wild strawberry blooms dot field and meadows where I have wandered. They all have one thing in common: they are short-lived. Unlike many of the cultivated plants of our summer gardens, wild spring flowers are evanescent. They blossom but for a few days. Then they are gone.

The charm of many a thing is found in its fleeting beauty. Let it stay forever and its loveliness wanes.

* A person who wears a perpetual smile becomes masklike after a time, theatrical. The charm of a smile is found in its evanescence. It won't always be there. Like a spring flower it blooms and fades, and then comes another springtime of the spirit when another smile will blossom in its place. But this particular smile will soon be gone.

* An opportunity for a job, or a girl, or a husband, or any other opportunity that pounds on your door day and night is tiring. But a chance that will soon be gone has a peculiar attraction.

* There is hardly a better incentive for treating our loved ones and acquaintances with kindness and consideration than the awareness that they will not always be with us. At its longest, a dear one's life is short. Enjoy it and cherish it while you can. It will soon be gone.

* Your own life here on earth is not forever. Rugged though your life may be, its real charm is in its evanescence. (Hardly any of us would want to live forever in these bodies of ours with their steady accumulation of infirmities.) Like the yellow lady slipper, the trillium, the violets, and fringed milkwort and wild strawberry blossoms, physical life is short. Look at it with wonder and fascination. Drink deeply of its beauty while you can.

Food stores want their customers to have a full selection of fresh merchandise every morning — so they call on trucks to stock their shelves and counters while you and most of Michigan sleep.

Without trucks, food stores just couldn't give the customer this sort of service. Without trucks — well, things just wouldn't be the same at all in any business and the people of Michigan just wouldn't be enjoying the modern comforts and conveniences they're enjoying today.

Local Lifeboat Station Answers Series Of Calls

The Charlevoix Lifeboat station has answered three calls in the last few days Robert Ashley, officer-in-charge, has announced. Sunday morning a 27-ft. cabin cruiser, Elgitana, owned by H. L. Eaton of Traverse City was towed into port here by the 40-ft. patrol boat after it had broken down two miles west of the station. Mr. Eaton had recently purchased the craft and was enroute to Traverse City with it.

On Sunday night the 25 ft. cruiser, Erg Folly II owned by Capt. M. Ferguson of Traverse City who had his family aboard went aground south of the south pier when he missed the channel entrance. The cruiser was pulled off the beach by the 40 ft. patrol boat and towed into the harbor. The craft was enroute to Charlevoix from Beaver Island.

On Tuesday the station received a call that a doe and a fawn were seen swimming in Little Traverse Bay and the patrol boat again answered the call. When they arrived they could find no trace of the animals. The incident occurred seven miles from the lifeboat station.

Rayders Place Second In C-D Petoskey Relays

The Charlevoix Rayders, defending Class C-D champions in the annual Petoskey Relays, placed second with 28 points in the fifth annual meet at Petoskey Tuesday night.

Grayling captured the 1955 title with 30½ points. Boyne City had 24; Gaylord, 16; Pellston, 10; Monticello, 6; Petoskey St. Francis, 4 and Ellsworth, 12/3 in Class C-D competition.

In Class A-B Traverse City was in first place with 63 2/3 points; Alpena in second with 52 2/3; the defending champions, Petoskey, in third with 48 2/3 points followed by Newberry with 29 and the Soo with 10.

The Rayders placed second in the C-D 440 and 880 relays; third in the 3/4 mile medley relay; fourth in the open mile relay and fifth in the open two-mile medley relay.

Penny Collectors Club Sees Movie

The Penny Collectors club went to Petoskey Sunday afternoon to attend the movie, "Pa and Ma Kettle at Wikaki". The trip which was climaxed by a treat concluded the club's social activities for the school year.

Citizenship Papers Given Mrs. Drewanz

Mrs. Elizabeth Mari Drewanz of Boyne City received her American naturalization papers at an impressive ceremony held during the regular session of circuit court here Monday. In the presence of Judge Charles L. Brown.

Following the ceremony she was presented with a copy of the Rev. Harold E. Kohn's "Feeling Low?" in lieu of an American flag which was presented to her husband, Paul, last August when he was naturalized. The presentation was made in behalf of the American Legion by Fenton R. Bulow, post commander.

Animal Shelter Ground Broken At East Jordan

Ground has been broken and construction of a small animal shelter has been started by the Charlevoix county Humane Society, Keith Stinchcomb of East Jordan, president of the Society, has announced.

The shelter is being built in Boyne City on property secured from Edward Erber who will become the first dog warden. He will be deputized to serve as dog warden and will enforce all Michigan laws regarding dogs. The initiation of the program is tentatively set for June 1.

The Society has received an appropriation of \$1,500 from the Charlevoix county board of supervisors. The cities of Charlevoix and Boyne City as well as several townships have pledged financial support. It is hoped that individual contributions and memberships will increase the income to meet the proposed budget for the year so the program can be carried out.

The Society is a private organization supported by contributions and memberships and is not under contract to the county or cities in the county.

At a recent meeting of the Society held here, Mrs. Wesley H. L'Huillier was named educational director.

She has planned an extensive program of familiarizing the public with the care and treatment of animals. As a part of the program plans have been announced regarding the organization of a Junior Membership group which will have its own charter and by-laws and officers. The dues for this group will be 10 cents a year and membership will be available to all boys and girls under 18.

Anyone interested in joining is asked to write to Mrs. W. H. L'Huillier RR 3 Box 190 Charlevoix, so they may be advised when and where the organizational meeting will be held. They should do so at once to be eligible for prizes to be offered for slogans, most unusual pets, posters and to participate in a summer pet parade.

Anne, second highest scoring freshman, placed in two individual events, the 100 yd. breaststroke and the 150 yd. individual medley, at the Suncoast Conference championship meet and then qualified at the Miami district championship meet for berths on both the medley relay and freestyle relay teams. She was the only freshman and one of the few girls or boys in any class to become an official entry in two State meet events, the maximum possible.

After the meet at Gainesville Saturday, Anne, accompanied by her parents, Mr. and Mrs. William Ratigan, were to leave directly for Charlevoix where she will finish the school year at the Charlevoix high school. They expected to arrive home Tuesday.

Queen Gail, Three Others On Tour Through The East

National Cherry Queen Gail Krahne (Mrs. Keith Evans) accompanied by three other Michigan queens, Marlene Burch of Brant, bean queen; Patricia Hanley of Dowagiac, blossom queen and Joan Barnett of Lum, dairy queen, are on a tour of the east during Michigan Week.

On Monday they attended a luncheon in Washington, D. C. sponsored by Michigan Department of Economic Development and Greater Michigan Inc. Later they were to visit New York and Boston during the second annual Michigan Week.

Queen Gail, now Mrs. Keith Evans, resides in Mason. She is the daughter of Mrs. Florine Krahne and H. O. Krahne of this city.

Michigan Week Is Time To Recognize Water, Land Value

Observance of Michigan Week this week affords an excellent opportunity to pay homage to the state's land and water, says conservation director Gerald E. Eddy.

As chairman of a Michigan Week committee on appreciation of natural resources, Director Eddy urged those in charge of local observances to call special attention to the role played by land and water in the development of their communities and state.

"Michigan is great for a number of reasons and among the most important are her land and water. Few if any states can boast such variability in land forms and such variety in lakes and streams," he commented.

"In Michigan there is land for agriculture, forestry, industry and recreation. Likewise, we have water for many industrial and recreational uses. These basic resources have influenced our state's progress for three centuries and their wise use now and in the years ahead will insure continued prosperity for countless generations to come," continued the director.

Communities throughout the state would do well, during Michigan Week, to take stock of the gifts nature has bestowed upon them and to consider those gifts in their relationship to needs of the future, the director concluded.

Lansing — The Conservation Department's weekly summary of law violators contained 119 names. Fish laws received most abuse, though a number of violators paid fines for burning rubbish or trash without first acquiring a burning permit.

Construction Of New St. Mary's School To Be Started Next Month

The present St. Mary's school located on South Bridge st. will be razed this spring and the construction of a new \$40,000 fireproof structure will begin next month, the Rev. Fr. E. Francis Denay, pastor of St. Mary's church here, has announced.

Bids for the razing of the 53-year-old frame building will be accepted until May 23 when the contract for the job will be awarded.

Bids for the construction of the new one-story building which will have a floor space of approximately 75 by 100 feet will be accepted until June 3. On that date the sealed bids will be opened and contracts awarded for the general construction, the mechanical construction which includes the heating, plumbing and ventilation and the electrical work.

The new building was designed by O. V. Weeks of Stappert-Pratt-Bulthuis and Sprau Inc. of Kalamazoo.

The one story building will be constructed of waylite block with

brick exterior and will be reinforced with structural steel. It will feature four classrooms to allow for future increased enrollment, a library, office, restrooms and locker space, a utility and storage room; plus a parish hall and kitchen. The corridors will be 10 feet wide. Entrances will be on Bridge st. to the east and Robinson ave. to the south.

In announcing the building plans, the Rev. Fr. Denay said that it is hoped that construction of the new school will be underway by June 15 and that the building would be ready for occupancy by mid-September.

The proposed new school which is being financed by contributions and pledges by parishioners will replace the present building which was started in 1902 and completed four years later. Records show that the initial contract was awarded to a John McCabe. It is not known how much the building cost but it is known that many of the early parishioners donated their services toward its construction.

When it was opened in 1906 there were 85 pupils enrolled in the first six grades. Later the enrollment included high school grades and several classes were graduated from the school between 1912 and 1926.

At the present time there are 78 students enrolled in the second through the eighth grades. Because of the lack of facilities last fall, 22 first graders were enrolled in the Charlevoix public school. Thirteen of the present enrollment will be graduated from the eighth grade next month and enter high school elsewhere.

Junior Coin Club Has Movie Party

Eight members of the Junior Coin club attended the movie "The Man Called Peter" in Petoskey Saturday.

They were accompanied by their adult advisor, Mrs. J. C. Marshall and John Norton and Mr. Marshall who drove their cars.

Later the group enjoyed a treat. This is the last social event for the current school year.

Diana Bartlett Is Given Party

Diana Bartlett was joined by the children in the afternoon kindergarten class in celebrating her sixth birthday anniversary Monday.

Her mother, Mrs. Bruce Bartlett brought a birthday cake, ice cream and favors to school for all the children in the class who then sang "Happy Birthday" to Diana.

Later in the day, there was a family gathering at the Bartlett home in honor of the anniversary. Janet Pease was a guest at the party.

City, County Officials Aid Safety Plans

The Charlevoix county Sheriff's and Police Departments are joining the State Safety Commission and the Michigan State Police in a 101-day traffic accident prevention program called "Slow Down and Live". Sheriff Glenn E. Rose and Police Chief Clarence Heise announced today.

It will run from Memorial Day weekend through Labor Day, a period when last year 535 people lost their lives in traffic accidents in the state.

The program is aimed at those driver behavior faults associated with "in a hurry" complex and the "me first" attitude on the highway, according to the law enforcement officers. They include the motorist who is speeding, excessive speed, or too fast for conditions; the driver who passes dangerously; the fellow who steals the right-of-way, and the person who follows too closely. National figures show that these were responsible for 90 per cent of the deaths.

They pointed out that the Slow Down and Live program purposely begins with the three-day Memorial Day weekend, which last year cost the lives of 20 people in Michigan traffic accidents. They urged all motorists to cooperate with the nation-wide Slow Down and Live campaign by getting off to a good start in being extra careful during the forthcoming weekend.

"Early in June," they warned, "schools close and children will be on the streets and highways without the protection of school safety programs. Thus, shortly after Memorial Day drivers should 'Watch out for Kids' and 'Slow Down for Kids'."

The officers called upon all residents of the county to heed the slogan SLOW DOWN AND LIVE, not only when driving within a community but when driving out in the country. "It is significant," they concluded, "that most of the people killed out on the highways in the country are people who live in cities."

Travel Editors To Visit City On June Tour

Travel editors of approximately 30 metropolitan newspapers and magazines of the middle west will visit Charlevoix and other sections of Charlevoix county June 22 and 23 during an eight-day tour of west Michigan vacation centers under the sponsorship of the West Michigan Tourist and Resort Association.

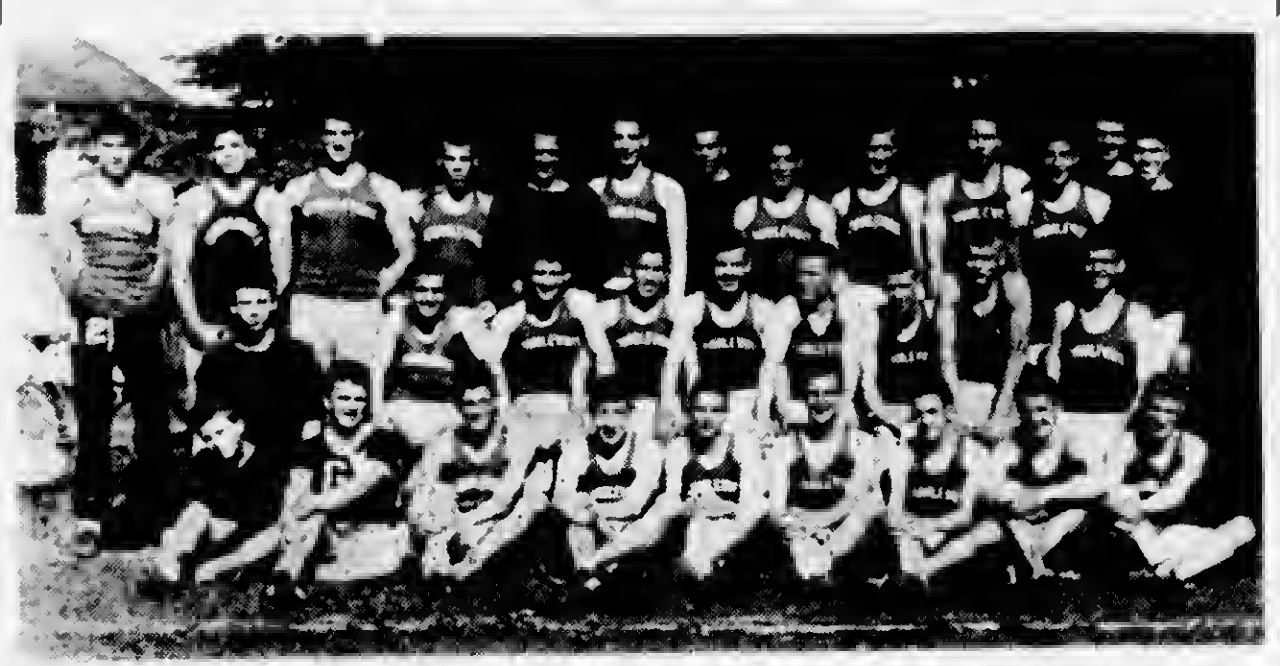

Arriving at Charlevoix in late afternoon of June 22, the editors will be guests of the Charlevoix Board of Commerce at a dinner, after which they will travel to Petoskey for an over-night stay. On June 23, the writers will go to Mackinac City, where they will be taken on a cruise of the straits area for a close-up view of construction operations of the Mackinac Straits bridge.

After the straits visit they will go to Harbor Springs for lunch and in the afternoon will tour the Walloon Lake region with a stop at Boyne Mountain Ski club for a ride on the chair lift and a scenic view of the area.

The tour group will be representatives of publications in Detroit, Chicago, Cleveland, Cincinnati, St. Louis, Kansas City, Des Moines, Milwaukee, Indianapolis and other midwestern cities. Last tour of editors in Michigan was under direction of the West Michigan Tourist and Resort Association in 1949.

Congregational Laymen To Hold Meeting Here

Congregational Christian Laymen of the Cheboygan and Grand Traverse Associations will hold a two-day conference at the First Congregational church here this weekend.

The meeting will open Saturday afternoon with registration from 2 to 4 p.m. followed by a business meeting conducted by M. E. Burket, president of the Michigan Congregational Christian Church Laymen's Fellowship.

George Gullen Jr. of Detroit, director of Industrial Relations, Detroit Controls Division of the American Radiator Corp. and vice president of the Michigan Society for Mental Health, will deliver an address entitled "A Layman Looks Around" at the dinner at Fellowship hall scheduled for 6:30 p.m.

Roy R. Robinson will give the invocation; the Rev. Harold E. Kohn, the benediction; C. A. Odmark will direct group singing and the Charlevoixes, Mrs. Charles Bellinger, Mrs. Charles J. Pontius and Mrs. E. D. Hawley will sing several selections.

A communion service at 8 a.m. Sunday with Dr. Harold N. Skidmore, superintendent of Michigan Congregational Christian Churches presiding will be followed by a breakfast at 8:30 a.m. in Fellowship hall.

Dr. Skidmore also will preach at the 11 a.m. service. "The dinner Saturday evening and the breakfast will be in charge of the Margaret Parker circle of the Congregational church.

Representatives of churches from Monistee north to the Straits of Mackinac are expected here for the two-day conference.

'Certified' Mail Service To Start Here On June 7

A new mail service to be known as certified mail will go into effect June 7, Postmaster Peter H. Timmer has announced.

A charge of 15 cents will be made for giving the patron a certificate of mailing and for having the letter carrier take a delivery receipt from the addressee. This is in contrast with the present minimum charge of 30 cents for registered mail.

In adopting the new service Postmaster General Arthur E. Summerfield stated that there is a need for varying the present registry service so that the patron could simply get proof of delivery without having to pay for the expense of guarding registered mail at every handling point as at present.

The new certified mail service will be used for first class mail for which no indemnity value is claimed. The 15 cent charge would be in addition to the regular first-class or airmail postage. Special delivery would also be available at the customary extra charge.

Stamp collectors desiring first-day cancellations may send a limited number of addressed envelopes with a money order remittance to cover the cost of stamps to be affixed to the envelopes (the cost of postage stamp plus the cost of the certified mail stamp) to Postmaster, Washington, 13, D. C. Mr. Timmer added. Stamps will be on sale at the local office after June 7.

City To Host Area Municipal League Meeting

Charlevoix will be host to the annual meeting Region VII of the Michigan Municipal League Thursday.

Approximately 70 representatives from communities in Antrim, Benzie, Charlevoix, Emmet, Grand Traverse, Kalkaska, Lake Leelanau, Manistee, Mason, Missaukee, Oshtemo and Wexford counties are expected here for the meeting which will open at 2 p.m. at the city hall.

J. Dean Stonley, formerly with the Michigan Finance Commission of Lansing, will address the group on the subject "Bonding for Municipal Improvements". A general discussion of city and village problems raised by officials of the area will follow. A representative of the State Highway Commission will be present to answer questions relating to municipal street programs.

After a dinner at the V.F.W. post home, the group will return to the city hall for an evening meeting which will include the election of new officers.

Following the election John Hess, secretary of the Michigan Municipal League will speak on legislative program relating to municipalities.

Roy R. Robinson, region chairman, will preside at the business meetings. Other officers are Richard G. Worden of Lake City, vice chairman and Mrs. Grace Coleman of Ludington, secretary.

Puff's Appliance Shop Will Open Here On Friday

Puff's Appliance and Floor Covering Shop, featuring General Electric appliances, large and small, and floor coverings including Armstrong products, will open tomorrow (Friday) at 107 American st. under the ownership and management of Alfred A. (Bud) Gill and his son-in-law, Fritz Puffpuff, who has moved here from Grand Rapids to join him in the business.

The shop, which has the General Electric franchise for Charlevoix county, will sell General Electric appliances in all the popular new colors including wood-tone brown, canary yellow, turquoise green, pink and white as well as the traditional white.

G. E. television, aereals and service for television sets will also be featured by the owners. A service department will also be a part of the business.

In the floor covering department, all types of floor coverings in a choice of colors will be available.

Mr. Gill is a native of Charlevoix and well known here. For the past 2½ years he has been employed as warehouse manager as well as floor covering and service department man for Hess Furniture.

Mr. Puffpuff has been associated with the General Electric organization in Grand Rapids for seven years. He was a member of the G. E. service department since 1948 and manager of the department for the past two years. He was accompanied here by his wife, the former Ann Gill, and their daughter, Colleen.

Complete Plans For Observing Memorial Day Here On May 30

A salute will be fired and taps will be sounded this Monday as Charlevoix observes Memorial Day 1955.

The observance will include the traditional Memorial Day parade through the business district to Brookside cemetery, where a formal program will be held. Enroute to the cemetery a brief pause will be made at Memorial Park.

The Rev. Wilson Rinker will deliver the Memorial Day address entitled "In Remembrance". The program at Brookside cemetery will open with the anthem, "America", played by the Charlevoix high school band under the direction of C. A. Odmark followed by an invocation by the Rev. Lloyd M. Schlopp, Fenton R. Bulow, post commander of Leslie T. Shepton Post No. 226.

Sunday has been proclaimed Memorial Sunday. All veterans including those who are members of the American Legion and the V.F.W. and their auxiliaries have been invited to attend the 11 a.m. service at the Community Church of God.

The veterans, veterans organizations and their auxiliaries are asked to assemble at 10:45 a.m. so they may enter the church in a body.

American Legion, who will serve as master of ceremonies, will lead the pledge of allegiance and Betty Berg will deliver the Gettysburg Address.

The floral tribute, salute and taps will follow the Memorial Day address by the Rev. Mr. Rinker. The playing of the National Anthem by the band and benediction by the Rev. George L. Majors will conclude the program.

The parade, which will assemble at 9:45 a.m., is scheduled to begin at 9:45 a.m. Led by the massed colors, the parade will continue on Bridge st. to Memorial Park where a wreath will be placed in memory (Continued on Page 8)

Garden Club Has Completed Spring Planting Project

The Charlevoix Garden club has completed its project for the spring, the planting of permanent flowering shrubs, P. G. hydrangea and Anthony Water spirea, in the islands on State st. between Park ave. and Antrim st. A total of five beds were planted.

The tulips which were formerly planted in the beds will be offered for sale this fall. Funds to finance the cost of the plantings were raised by the club through a variety of projects during the year.

The planting was done under the direction of Mrs. Arlo Wickersham, Mrs. Harley I. Ochs and Mrs. Roy R. Robinson.

It is the wish of the club that the residents and visitors of the community enjoy the new plantings.

Debby Stenman Has Birthday Picnic

Debby Stenman celebrated her fourth birthday anniversary at a picnic given Saturday afternoon by her parents, Mr. and Mrs. Everett Stenman at the home of Mr. and Mrs. Fred Bancroft.

Local Scouts Attend Scenic Trail Camporee At Cadillac

Forty-one Charlevoix Boy Scouts, four adult leaders and three junior assistant leaders were among the 931 Boy Scouts and adult leaders participating in the annual Scenic Trails Council Camporee at Cadillac Friday, Saturday and Sunday.

Camp fires on Friday and Saturday nights, a parade through Cadillac, a demonstration of camp abilities and a full weekend of outdoor camping and cooking highlighted the Atom-oree this year. Charlevoix Scouts did not remain for the games and competition on Sunday but return via Camp Grellick between Kingsley and Traverse City so the Scouts might see the camp.

The members of the following troops and their senior and junior leaders made the trip: Troop

11, Tip Riley, Scoutmaster; Charles Pierce, Junior assistant leader; Charles Seale, Jock Curtis, Jim VerWys, Raymond Schultz, Dan Schupert, George Schultz, Barry Pierce, Larry Cummings, Clifford Pierce, Jim Ladd and Clare Harwood.

Troop 134: George Farmer, junior assistant leader; Anthony Genla, Mike LaBlance, Steve Wells, John Farmer, John Martin, Joe Battle, Sam Supernaw, Albert Sharow, Buddy Balch, Scott Supernaw, David Schuchard, Terry Boss, Ron Fratrack and Bruce Kroll.

Troop 138: Jack Grubaugh and Lee Moerland, Scoutmasters; Paul Allers, junior assistant leader; Bob Balch, James Sneathen, James Dennis, Tom A. Louiselle, Tom U. Louiselle, Gerald Keiser, Rodney Ostrum, Carl Sneathen, John Reynolds, Peter Phillips, Doug Smith, Joe Beaudoin, Gerald Johnson, Edwin Louiselle, Chris Campbell, and John Hogard.

Leonard Burns of the camping and activities committee of the northern district committee of the Council accompanied the Scouts. He also drove the school bus. Karl Schultz transported a truck load of camping equipment and Harry Ladd a group of Scouts to the camp site.

Camp Daggett To Open June 20 At Walloon Lake

Camp Daggett on Walloon Lake will open on June 20 with Willard Splan of Petoskey, as Camp Director, and Mrs. Fletcher Johnson of Petoskey, as Girls' Camp Director.

All of the assisting counselors will be young men and women from Central Michigan college, at Mt. Pleasant, who are majoring in physical education and who have had special preparation for camp teaching. They will be accompanied by Dr. Lawrence Sweeney, head of the camping program at Central Michigan college, who will supervise their work. Instruction will be offered campers in swimming, handicraft, woodsmanship, archery, boating, fly casting, and many other camp activities.

Camp Daggett is sponsored by public-spirited citizens and service clubs of Petoskey. It is run as a non-profit organization and open to boys and girls ages 9 to 16 inclusive. The boys' sessions run from June 20 to July 2 and from July 4 to July 16. The remaining session open for girls is from August 1 to August 13.

Application blanks can be secured from the Public Letter Shop Petoskey.

• Mr. and Mrs. Alfred Scheid returned home Sunday from a four-day visit with relatives in Chicago.

Gymn Converted To Water-Wonderland For J-Hop

Shimmering, exotic fish, glamorous mermaids and tropical underwater flora caught in fishermen's nets will transform the Charlevoix high school gymnasium into an Under Water Wonderland for the annual J-Hop Saturday night.

Members of the 1955 graduating class and their guests will be guests of honor at the annual dance, one of the highlights of the spring season.

A dance band from Traverse City will furnish the music for the popular event.

Garden Club Is Entertained By Mrs. T. R. Miller

Mrs. T. R. Miller entertained the members of the Garden club at her home Tuesday.

The members present heard short articles on a variety of subjects presented by the following members: pine, cedar and spruce, Mrs. Marvey Campbell; lilacs, Mrs. Harley I. Ochs; tuberous begonias, Mrs. H. E. Faddock; roses, Mrs. Ralph V. Hess Sr. and African violets, Mrs. Roy R. Robinson.

A nominating committee was appointed and included Mrs. Fred Willis, chairman, Mrs. Allan Campbell and Mrs. Ross Alexander.

Plans were made for the next meeting, a potluck luncheon, at the home of Mrs. Arlo Wickerson on June 21. Officers will also be elected at this meeting.

Martin Johnson, president of the Junior class and his guest, Mr. and Mrs. Clifton Sundberg, will lead the grand march.

Chaperones for the party will be Mr. and Mrs. Roy L. Klipke, Mr. and Mrs. Robert Richards, Mr. and Mrs. Robert Hamilton,

Mr. and Mrs. Albert H. Smith, Mr. and Mrs. Donald Crump and Mr. and Mrs. Clifton Sundberg.

Dancing will begin at 8 p.m. and continue until midnight. The public is invited to attend the dance. Bids may be obtained by calling the high school.

On Memorial Day

Americans remember well:
They came from far and near,
The patriots who, fighting, fell...
We hold their memory dear.

Our thoughts are with them all, today.
Their earthly strife is past...
We bow our heads and humbly pray
That they know peace at last.

Queen Gail Tours In East

Congressman Victor A. Knox of Sault Ste. Marie is surrounded with Michigan Beauty following a Congressional luncheon at which the Michigan queens were the guests of honor. Pictured are: Gail Krahne, National Cherry Queen, Joanne Barrett of Lumb, Michigan Dairy Queen, Rep. Knox and Marlene Burch, Michigan Bean Queen.

Queen Gail is pictured presenting Rep. Knox with a gift of the cherry industry.

Gail Krahne (Mrs. Keith Evans), National Cherry Queen, was among the four Michigan agricultural queens who toured the east during Michigan Week to draw national attention to Michigan and its food products.

The quartet of beauties, who were accompanied on the trip by Joe Wells, assistant to the director of the state department of Agriculture and Mrs. Wells, returned to Lansing Saturday. Mr. Wells reported that the tour was successful beyond anything imagined.

The party concluded its tour in New York City, where Friday was Michigan Day at the weekly luncheon of the Advertising Club of New York. More than 250 people attended, including many of the leading advertising men of magazines and industrial corporations.

He told the advertising men that as proud as Michigan is of its automobile industry, which many Easterners think is its sole support, Michigan agriculture is a tremendously important industry, both to Michigan people and consumers throughout the nation.

He went on to say that its farmers take in 1 1/2 million dollars a year and that the state produces 23 varieties of fruit; grows 45 kinds of vegetables; processes 64 per cent of the red tart cherries; raises poultry worth \$94 million annually; is the nation's sixth dairy state; provides 92 per cent of the nation's navy beans and is among the top 10 states in the production of 20 major crops.

Thursday the queens were guests of the Massachusetts Department of Commerce on a tour of Boston which included a television interview as they stepped from the train.

Before going to New York and Boston the queens played host to the state's congressmen at a Michigan products luncheon in Washington Monday and planted a white pine, Michigan's official tree, on the Capitol lawn Tuesday under the sponsorship of the Michigan Society in Washington.

With Queen Gail on the tour were Joanne Barrett of Lumb, in Lapeer county, dairy queen; Marlene Burch of Grant, bean queen and Patricia Henley of Dowagiac, blossom queen.

Pictures of the queens and publicity about the products they represent have been in many Eastern papers during the week, and the girls appeared on several television programs. They were on one network show and on several food shows and news programs.

Capacity Crowd Enjoys Annual Spring Music Department Concert

A capacity crowd gathered at the Charlevoix high school auditorium Wednesday evening to hear the musical and vocal groups of the high school music department.

St. James School Commencement To Be Friday, June 3

St. James B. I. — Commencement exercises for the 1955 graduating class of St. James high school will be held at Holy Cross auditorium at 8 p.m. Friday, June 3.

At that time the seven members of the class will receive their diplomas from Charles A. Robinson, Charlevoix county superintendent of schools.

The Rev. Fr. Aiden Witte, O.F.M.C., will deliver the invocation and the benediction.

The graduates will enter the auditorium to the strains of "Pomp and Circumstance" played by Francis C. Partridge.

The Rev. Fr. Herp will celebrate Mass and deliver the Baccalaureate sermon at Holy Cross church at 8 a.m. Sunday morning.

Music will be by the Holy Cross choir directed by Sister M. Rene O.P.

Members of the graduating class are Alice Marie Dubiel, Eleanor M. Gallagher, Audrey I. Gatliff, John N. LaFreniere, Margaret A. LaFreniere, Margie M. Martin and William H. Vail.

The graduates will be honored at a reception immediately following the commencement exercises.

Capt. John Roen and daughter, Sonia, of Sturgeon Bay, Wis., visited here briefly Sunday with his sister, Mrs. Henry Isaksen, while enroute via plane to the Soc.

ment in their annual spring concert, under the direction of C. A. Odmark.

The high school girls' glee club, gowned in a rainbow of colors for the occasion, presented several familiar favorites, including selections from "Oklahoma", "Deep Purple", "My Reverie" and others.

The high school band played a program of familiar band selections concluding with the inspiring "Stars and Stripes Forever" by John Phillip Sousa.

Earlier in the program the beginning band, whose 22 members will join the Varsity band next fall, the eighth grade chorus and the Varsity band presented several selections which were well-received.

Jack Stebe, student director, led the band in one selection as the concert drew to a close.

Tom Swanson, president of the band, presented C. A. Odmark, band director, with a gift from the band, a wheelbarrow which was wheeled in by John Bingham with Dickie and Julie Odmark as "passengers".

Mr. Odmark also introduced the members of the band who are graduating. The list includes Betty Berg, Betty Blissett, Kenneth Boss, John Connolly, Tom Erber, Donna Iken, JoAnn Liston, Faye Meggison, Bard Miles, Carolyn Miller, Connie Oleksy, Connie Parli, Cora Paul, Anna Pontious, Barbara Smith, Jack Stebe, Tom Swanson, Roberta Swanson, Janet Todd, Carolyn VanderWall and Phyllis Williams.

Janet Todd is secretary and Faye Meggison treasurer of the band.

Senior members of the Girls' Glee Club who were introduced were Janis Arbuckle, Shirley Bascom, Roberta Case, Joyce Cunningham, Mona Davenport, Mary Foley, Donna Ikens, Mary Ann Kasky, Bonnie Lee Kipke, Carlene Left, JoAnn Liston, Velma McGinnis, Faye Meggison, Connie Paul, Alma Rayman, Barbara Smith, Roberta Swanson, Alice Thorp and Carolyn VanderWall.

Mary Foley and Mona Davenport are student co-directors. Bonnie Lee Kipke is secretary.

(Continued from Page 1)

of World War I dead.
The flag will be lowered and later raised by representatives of the Veterans of Foreign Wars Post No. 1153 and the Leslie T. Shapton Post No. 226, American Legion. The band will play "The Star Spangled Banner" during this ceremony.

The auxiliaries of the veterans organizations will cast flowers on the waters of Round Lake in memory of sailors and marine dead, a salute will be fired, taps sounded and the band will play "America the Beautiful".

The parade, with Don Meggison as parade marshal, will then proceed to Brookside cemetery for the formal program.

In the parade will be the color bearers, color guard, firing squad furnished by the 310th Ordnance Depot, The Charlevoix high school band, members of the American Legion and V.F.W., their auxiliaries, other veterans and servicemen, Girl Scouts, Boy Scouts, children on decorated bicycles, school children in school buses and decorated cars.

In the event of rain the program will be held at the high school auditorium.

The American Legion headed by Mr. Bulow and the V.F.W. with Harley Warner as post commander have issued a special invitation to all veterans, including Korean War veterans and servicemen home on leave, to don their uniforms and join the parade.

These two veterans groups have also asked that all spectators stand when the colors pass.

A floral tribute will be placed at the plaque at Memorial Bridge prior to the parade.

Flags will be placed on the graves of all veterans in both Brookside and St. Mary's cemetery by veterans groups over the weekend.

The parade and program have been planned by the local veterans groups and the Charlevoix Ministerial Association.

Caro of Thanks
I wish to express my thanks and appreciation to my friends, neighbors, and relatives for the cards, flowers, gifts, prayers, calls and many other acts of kindness, during my stay in the Charlevoix Hospital, also to the nurses, nurses aids, Dick, Dr. Grate and Dr. Saltonstall for the wonderful care given me.

Eleanor VanderArk Given Certificate

Eleanor K. VanderArk, valedictorian of the graduating class of the Ellsworth high school, has been given the Annual Award of the Reader's Digest Association for students who by their successful school work give promise of attaining leadership in the community.

Eleanor will receive an honorary subscription to the Reader's Digest for one year and an engraved certificate from the Editors, "in recognition of past accomplishment and in anticipation of unusual achievement to come."

The Reader's Digest Association has presented these awards yearly in senior high schools throughout the United States and Canada to the highest honor student of the graduating class.

The award to Eleanor, who is the daughter of Mr. and Mrs. Peter VanderArk, was made possible through the cooperation of Mr. Wood, Superintendent and the teaching staff. They selected Eleanor to receive the award, designed to stimulate scholarship, citizenship, and continued contact with good reading after graduation.

Sunday School Supper

The Pilgrim Holiness Sunday School enjoyed a planned potluck dinner in Ellsworth community hall, last Thursday night. This was the annual custom following the attendance contest in which the blue side led by Mrs. William Petter, won over the red side led by Mrs. Marvin Elzinga. A program including a religious film followed the serving of the dinner.

Veenstra - Bowling Marriage Vows Spoken In Double Ring Ceremony

Miss Frances Veenstra of Grand Rapids was united in marriage to Vernon Bowling Jr. also of Grand Rapids in a lovely spring wedding in the Atwood Christian Reformed church Saturday evening, May 21 at 8 o'clock. The bride is the daughter of Mr. and Mrs. Casey Veenstra of Central Lake and the groom is the son

Miss G. Griffith Is Speaker For P.T.A. Banquet

Miss Gladys Griffith of Central Michigan college at Mt. Pleasant was guest speaker at the annual banquet of Banks P.T.A. held Tuesday evening, May 17 in the school. Professor Griffith is Elementary Consultant with the Division of Field Services in the college and also teaches Education classes. Her remarks were based on the school as it should be; a school built by combined community effort, with the thought primary in our plans that the school should be a cooperative effort planned and built to be a vital function in our community where child, teacher, and parents can work together, learn together and live together. Our school should not be just a show place but a place that is used and lived in, with plenty of efficiently planned space, adequate equipment and teacher and parents working for the best interest of the child, that he might develop into a worthy citizen.

Grant Hastings served as toastmaster, musical numbers were provided by the vocal trio, Helen June Brown, Myrna Veenstra, and Frances Carpenter, the instrumental trio, Don Drenth, Everett Fikse and Bill Kooyer; by Mr. and Mrs. Marvin Shooks who sang a duet; and Mrs. Robert Klooster who sang a solo; Miss Virginia Kuiper and Mrs. Hans DeYoung were the piano accompanist. A humorous reading by Mrs. John DeYoung completed the program numbers.

Since it was Michigan Week, Harriet James, of Mr. Lathers speech class spoke briefly on the Michigan flag, which was on display.

Henry Ruiz, outgoing president, expressed appreciation and spoke briefly and Julius Essenberg, new president was introduced. He named his committees for the coming year: Program, Mrs. Morry Taylor, Mrs. Henry Ruiz, Walter Rood and Gerrit John Drenth; Ways and Means, Mrs. John DeYoung, Mrs. Hazel Lanoreaux, Mrs. Robert Smalley, Mrs. Lester Brooks, Mrs. Walter Hardy, Mrs. Harvey Essenberg and Mrs. Robert Barclay.

Membership, Mrs. Marvin Elzinga, Robert Smalley, Charles Edson and James Klooster; Equipment, Richard Wieland, John Drenth, Franklin Stucker and Paul Doctor; Publicity, Mrs. Grant Hastings.

The banquet committee was composed of Mrs. William Petter, Mrs. Ethan Edson, Mrs. Jake Torniga, Mrs. David Matchett and Mrs. John Campau.

Ellsworth Wins Two

The Ellsworth Lancers kept right on the trail of league leading Alha by winning a double header over Bellaire and Central Lake last Thursday. Ellsworth won against Bellaire 6-0 in the first game and downed Central Lake 7-2 in the final.

Rod DeYoung went all the way on the mound in the first game, Robert Drenth caught. Glen Taylor went the distance in the second contest with Vern Essenberg relieving.

Alha has beaten the Lancers once so the Lancers are league champion by a forfeit since Alha cancelled the game scheduled for Monday, May 23.

Work Bee

John Peebles, who has been handicapped with a lame back, keeping him from his field work, was given quite a boost last Friday when neighbors and friends gathered and prepared the field for the potatoes. The ladies helped Mrs. Peebles with the dinner at noon for the workers.

Sports

Ellsworth boys shone at Ann Arbor as William Elzinga, Rod DeYoung and Robert Doctor represented the Ellsworth track squad at the state track meet Saturday, in Ann Arbor.

Rod DeYoung gained first place in the high jump, jumping 5 ft. 8 1/2 inches; William Elzinga placed first in the pole vault at 10 ft. 8 inches; Robert Doctor placed fourth in the shot.

Thirty-five Class D schools competed in the meet.

Memorial Services Scheduled

Memorial Day services are scheduled at 10 o'clock May 30 in the Atwood cemetery and at the Ellsworth cemetery at 11 o'clock. The speaker at Atwood will be Rev. Neal Punt, the Ellsworth speaker will be Rev. H. Zwannstra. Everyone is welcome to attend these Memorial Day services.

You are also welcome to attend the other services in this area, when the Jensen-Richardson Post of the American Legion visits each cemetery to place flowers in memory of the war dead. Their schedule includes Norwood cemetery, at 9 a.m.; Antrim cemetery, 9:30 a.m.; Atwood, 10:00 a.m.; Ellsworth 11:00 a.m. and the Naval Memorial at 12:00 noon by Ellsworth Lake.

Built to Flash Ahead

(not just get by!)

New Dodge Custom Royal Lancer. Other Dodge models priced below many models in the "lowest price field."

Some things you can see right away that tell you this is the year of the big Dodge move. (Sales have doubled over last year!)

You can stack the new Dodge up against other cars in its field, and see how much larger and more luxurious it is: Up to 9 inches longer than competition.

You can see the distinction of new Dodge styling, with eager lines that are stealing the "OH's" from the costliest cars. The

swept-back sweep-around windshield. The "sparkle" of twin-jet taillights and three-tone color combinations. The beauty of Jacquard tapestry interiors.

But more important than this is the deep-down dependability engineered into every unseen part and feature of this great Dodge!

That is something you discover through the years and over the miles. It is your sure reward for choosing the new Dodge.

Local Postoffice Extends Service To Rural Patrons

Effective June 1 rural service at the Charlevoix postoffice will be extended to accommodate a number of families who are not now being served at their residences, Postmaster Peter H. Timmer announced this week.

Route 2, which is served by Floyd Black, will be extended a half mile on the Phelps cross road to give better service to three families, thus extending the route to the Burr Blanchard farm.

Patrons on West Garfield ave. west of the Norwood road will receive service by Rex Davis, Route 1 carrier. Beginning June 1 the carrier will go west one block from the Norwood road on Garfield ave., thence north on Lake st. for two blocks to Huribut ave. and back to the Norwood road.

Any patrons living in the area may receive the new service by erecting approved mail boxes on the above mentioned line of travel. Patrons will receive their mail about 1 p.m.

Mrs. B. Bartlett Is Honored With A Stork Shower

A stork shower honoring Mrs. Bruce Bartlett was given Tuesday evening by the members of the Community Church of God at the home of Mrs. Percy Durance.

Mrs. Bartlett, however, had given birth to a daughter at the Charlevoix hospital earlier that day and was unable to attend so Mr. Bartlett was drafted to appear in her place. He was joined by the Rev. George L. Majors and Peter H. Timmer.

Twenty-three guests enjoyed an evening of games followed by refreshments served at a table decorated in a stork motif by DeLora Richardson.

Mr. Bartlett was presented with a variety of gifts for the new daughter.

Mrs. Majors, Mrs. Thomas Maxwell, Mrs. Leo Berg, Mrs. Althea Ward, Miss Richardson and Ann Cunningham were in charge of arrangements.

Kay Fitch of the Polly Kay shop plans to leave Monday on a shopping trip in New York City.

Mrs. A. F. Novotny To Present Piano Pupils In Recital

Mrs. A. F. Novotny will present her piano pupils in a recital at the First Congregational church at 8 p.m. Tuesday, May 31.

Those appearing on the program will be Peter Phillips, Sharon Abfalter, Elva Leigh Trimble, Georgia LaBlance, Ann Phillips, and Monte Withers.

The program will be open to the public and everyone is invited to attend.

Playhouse Begins Preparation For Summer Program

Plans and preparations are now under way to bring to Petoskey and to Northern Michigan the second season of summer stock.

The Petoskey Playhouse, a favorite of area audiences, is now busy converting a three story apartment building into a permanent home for their annual eleven weeks of stage productions.

This season the emphasis will be on comedy and variety. Slated for production are the farces, "My Three Angels", "The Little Hut", "Ring Round the Moon", "The Importance of Being Earnest", "Harvey", "Moon Is Blue", and "Arsenic and Old Lace". Variety is offered in the form of the old-fashioned melodrama, "Uncle Tom's Cabin", the modern tragedy, "Death of a Salesman", and the recent Broadway hit musical revue, "Lend an Ear".

Playing from June 28 to Sept. 10 on one of the country's three major stages, and composed of twenty five professional actors, the Playhouse is committed to doing the best there is in recent and older proven entertainment hits.

Smelt "Dieoffs" Follow Spawning

Lansing — Conservation Department fisheries workers say so-called smelt "dieoffs" reported in northern waters are normal post-spawning season losses and nothing unusual.

Awards Offered Girls In 4-H Work

Over 1,100,000 girls are preparing for tomorrow through 4-H Club work. The knowledge and skills they acquire while "learning by doing" in 4-H provide them excellent background for every walk of life.

But practical training is not the only reward to be reaped from 4-H. Thousands of girls who do outstanding work in their 4-H projects and activities will be honored for their accomplishments with medals, trips, scholarships and other awards through national 4-H programs.

For example, girls who have

outstanding all-around achievement records in such projects as clothing, food preservation and preparation, home improvement, etc., are honored in the 4-H Girls' Record program. Any girl enrolled in a 4-H home economics project is eligible to participate. Judging of the records is based upon the individuals' accomplishments in all homemaking projects. For the 33rd consecutive year, Montgomery Ward is providing the awards, consisting of a medal for the county winner, a trip to the National 4-H Club Congress in Chicago, Nov. 27 to Dec. 1, for

the state winner, and college scholarships of \$300 each for six national winners.

4-H'ers are also recognized for outstanding work in individual projects. Top ranking members among the 650,000 taking part in the 4-H Clothing program will be honored for the 15th consecutive year by Coats and Clark Inc., awards donor.

Medals are offered to four winners in each county. State winners receive a trip to the National 4-H Congress, where 12 of the state winners will be presented \$300 scholarships as national winners.

Learning to sew and make attractive clothing is only a part of the value girls receive by participating in the program. Family clothing budgets are reduced considerably through their efforts.

Girls who enroll in Clothing projects are also eligible to take part in the 4-H Dress Revue. Through this program, a girl learns to determine individual clothing needs, dress appropriately, and to develop grace, poise, correct posture and good grooming habits. Medals are provided for blue-ribbon winners in County Dress Revues by the Simplicity Pattern Co., Inc. State winners receive an expense-paid trip to the National Congress and a leather-cased scissor set.

The award programs are arranged by the National Committee on Boys and Girls Club Work, and conducted by the Cooperative Extension Service. Full information is available from county Extension offices.

Kiwanis Club Is Host To County Service Groups

The Charlevoix Kiwanis club was host to a tri-city service club dinner and program Monday night at the V.F.W. post home. Guests were members of the Rotary clubs of East Jordan and Boyne City and their respective wives.

Robert Brackett of the University of Michigan field services with headquarters in Traverse City was the guest speaker. His topic was "America the Beautiful" which was highlighted by the showing of the film of the same name.

Keith Annear of East Jordan and James Davison of Boyne City presidents of the respective Rotary clubs, were served a "summons" for disorderly conduct and appeared before Justice H. E. Paddock who ordered the pair to

Mayor Dean Davenport pictured presenting copies of William Ratigan's historical novel, "Soo Canell" and the Rev. Harold E. Kohn's book, "Feeling Low?" to representatives of the village of Muir during the Mayor's Exchange day here last week.

They are (l to r) Arthur Rivett, Mayor Davenport, Bud Bullis and William J. Jeffers.

Mr. Rivett and Mr. Bullis are members of the village council and Mr. Jeffers is superintendent of the Lyons township school.

The presentation carried out the cultural theme of Michigan Week. The presentation was made at a dinner at the Argonne honoring the visitors and attended by Charlevoix city officials.

James Hiller, mayor pro tem, and Mrs. Hiller represented Mayor Davenport at Muir on Mayor Exchange Day.

provide one program apiece for the entertainment of the Charlevoix club. They have six months in which to furnish the program. The Teensters, Roberta Swanson, Mona Davenport and Faye Meggison sang several popular selections. Group singing was also enjoyed by the 124 club members and guests including 64 from out of town.

E. J. Edwards was toastmaster. Club president Charles J. Pontius presented Leonard Burns with his Past President's pin. Mr. Edwards and R. G. Bennett were program chairmen.

Softball Plans Announced For Summer Season

Plans have been completed for the six softball teams which will form the Senior League for the summer softball program, Dean H. Davenport, softball director, announced this week.

Teams are Carson-Bowman, defending champions, Freedman's, American Mold, U. S. Coast Guard, Cooper-Franklin Motor Sales and City Merchants.

The Carson-Bowman and the Coast Guard teams are all set as far as player rosters are concerned, Mr. Davenport said.

Freedman's however, is looking for a good pitcher and American Mold is in need of several players to complete its line-up. The City Merchants are also pretty well set at this time.

Efforts are being made to organize the teams soon so sponsors may order uniforms and have them here for the opening of the season late next month.

Anyone wishing to play softball this summer is asked to contact Dean H. Davenport, the softball director, or get in touch with the sponsors mentioned above.

Sponsors are still needed by the B league and the Girls league.

Cub Scouts Will Present A Penny Circus Tuesday

It will be Circus Time in Charlevoix next Tuesday when six Cub Scout Dens present a Penny Circus at the Charlevoix high school gymnasium at 7 p.m.

A parade of circus oddities, clowns and 'wild' animals led by the high school Varsity band and a Cub Scout band through the business district at 6:30 p.m. will precede the evening performance.

Admittance to the show, to which everyone is invited, is one penny with each game and other attractions along the midway also costing one cent.

There'll be a two-headed 'cub' a bare-back rider, a variety of wild animals, a tight rope act, the wonders of the world, a trip around the world, plus the traditional pink lemonade and popcorn and countless other attractions.

The circus and the brief presentation of awards which will follow will conclude the Cub Scout activities for the current school year.

Whitten's Team Takes First In Pistol Matches

Team No. 1 won the six week spring pistol matches completed last Thursday evening at the Charlevoix Rod and Gun club indoor range. Points scored by the six man team, headed by Dr. C. O. THE BIG Three have proposed to Russia that the Big Four heads-of-government meeting be held at Lausanne, Switzerland, in July. The exact date has not been divulged.

PLANS to release four United States fliers probably in Hong Kong this week, were disclosed by Red China, thus raising hopes that 11 other imprisoned United States airmen of the Korean War also may be freed shortly.

THE Agriculture Department has estimated the total market value of land and buildings making up the nation's farm real estate at \$91,300,000,000 on March 1. This is \$2,400,000,000 greater than the value a year ago and \$2,400,000,000 under the record peak in March, 1952.

A RECORD high number of persons died in celebration of the three-day Memorial Day weekend. Between 6 p.m. Friday and midnight Monday 368 died in traffic deaths, compared with a former high record of 363 in 1952. There also were 130 drowning and 92 deaths from miscellaneous causes making an overall total of 590.

PRESIDENT Eisenhower said this week the first phase of the anti-polio campaign, double inoculation of all first and second graders, "certainly" will be completed before the infantile paralysis season reaches its peak in August.

THE SUPREME Court this week handed state and local officials first responsibility for finding ways to end all racial segregation in public schools "as soon as practicable."

THE HOUSE has voted to give immediate effect to a bill raising Michigan's gasoline tax one and one-half cents a gallon.

MARSHALL Tito is reported to have sprung a Russian bid to link Yugoslavia with the Soviet eastern European satellite bloc.

THE AIR Force plans to ask Congress soon for more than 300 million dollars in extra funds to carry out its announced speedup in production of B-52 jet bombers.

THE LEGAL right of the State Highway Department to print 600,000 Michigan highway maps every year at a cost of \$34,200 taken from highway funds has been challenged. It is proposed that the State open bids to gasoline companies that make maps of their own and give the contract to the annual highest bidder.

FOURTEEN Republican senators have joined in support of President Eisenhower's proposals for speeding immigration under the 1953 refugee relief act. "The amendments suggested by the President are designed to relieve requirements which have proved not only excessively burdensome to administrators, but, as the President points out, often self-defeating in practice," they said.

MARSHAL TITO is reported to have put a half-billion dollar price tag on restoration of normal relations with Russia.

'Emerald Isle' To Make Two Saturday Trips To St. James

The Emerald Isle ferry operating between Charlevoix and Beaver Island will make two round trips on Saturdays during July and August and one round trip the other six days of the week, it has been announced by Robert Miller, business manager.

Operating on the summer Saturday schedule the ferry will leave Charlevoix at 9 a.m. and 4:30 p.m. and leave Beaver Island at 12:45 p.m. and 8:15 p.m.

Tax Allocation Board Adopts County Rates At Final Meeting

at the final meeting of the tax allocation board held at the courthouse here.

The tentative tax rates set May 13 were adopted for all tax units except Chandler township, where the rate was increased from one to two mills to meet the township's budget and in four school districts.

Major increase was in the Boyne Valley Rural Agricultural school district where the rate was hiked from eight to 12 mills to meet budget needs. In the Norwood school district, which is fractional with Antrim county, the rate was increased from eight

Sam Arbuckle Is New Chairman Of Municipal League

Sam Arbuckle, mayor of Boyne City, was elected chairman of Region VIII, Michigan Municipal League, at the annual meeting of the organization held here Thursday. He succeeds Roy R. Robinson, city superintendent of Charlevoix in the office.

Other new officers are vice-chairman, Chester Crago, mayor of Petoskey and secretary, Carl Johnson, clerk-treasurer of Frankfort.

J. Stanley Dean, formerly with the Michigan Finance Commission of Lansing, spoke on the subject "Bonding for Municipal Improvements" during the opening session of the conference held at the city hall. A panel discussion of various city problems followed.

Jack Schaub, special assignments engineer of the Michigan Highway Department, spoke on the new legislation regarding highways and what it would mean to municipalities. Robert Fryer, Allen Davis and Gilbert Shavenselle, Michigan Municipal League officials of Ann Arbor, also attended and answered questions regarding various phases of legislation affecting municipalities.

The 45 members attended a dinner at the V.F.W. post home before returning to the city hall for the evening meeting.

Bay City C. of C. Will Visit City On Annual Cruise

The Bay City Chamber of Commerce will visit the ports of Charlevoix and Harbor Springs on June 11 during its eighth annual goodwill and trade promotion cruise aboard the S. S. South American.

The cruise will begin in Bay City at 3 p.m. Thursday, June 9 with the ship making its first stop at the twin cities of Menominee, Michigan and Marinette, Wis., late Friday afternoon.

Sailing from there shortly after midnight the cruise ship will arrive here between 9 and 10 a.m. Saturday morning for a four-hour stop-over. The cruisers will be in Harbor Springs and Petoskey from 3 until 9:30 p.m. that day before sailing on the return trip to Bay City.

Plans are being formulated by the Charlevoix Board of Commerce to entertain the visitors during their stay here, S. E. Coleman, secretary of the Board of Commerce said.

Beaver Island Is Offered As Site For Jet Air Base

Beaver Island, located 34 miles northwest of here in northern Lake Michigan, has been offered by island officials as a site for the controversial \$13,000,000 jet defense air base the Air Force plans to build in Northern Michigan.

Telegrams urging that the island be considered as a site for the base were sent to Air Force Secretary Harold E. Talbot, Senators Charles E. Potter (R. Michigan) and Patrick V. McNamara, (D. Michigan) by Lloyd McDonough, secretary of the Beaver Island board of commerce.

In the messages he added that the 35,000-acre island, once a major commercial fishing and lumbering area, offers excellent possibilities for construction of an air base.

to nine mills. In the Bay Shore and Melrose township unit districts, which are fractional with Emmet county, the rates were decreased. In the Bay Shore district the rate was decreased from 13 to 11.5 mills and in Melrose township unit district from 12.5 to 12.4 mills.

The tentative rates were adopted for all other tax units and are as follows: St. James and Peaine townships on Beaver Island, five mills each; Bay, Boyne Valley, Evangeline, Hudson, Marlon, Norwood, South Ann and Wilson townships, two mills each; Eveline and Melrose townships, one mill each. Charlevoix and Ilaves townships, the village of Charlevoix, East Jordan and Boyne City received no millage.

Murray No. 1 school district was allocated 13 mills; North Bay No. 1, Chandler township, city of Charlevoix and city of East Jordan school districts, 12 mills each; City of Boyne City school district, 11 mills; Horton Bay No. 2, Ironton No. 4, Eveline Orchards No. 5 and St. James township school districts, eight mills each. Undine No. 3 and Peaine township school districts received no millage.

The county was allocated 8.5 mills for operational costs and one mill was allotted for the courthouse sinking fund.

The millage allocated to each tax unit will be levied on the county's equalized valuation of \$19,393,27.

The millage totals 23.67 mills on the county equalized valuation, which is comparable to 15 mills on the state equalized valuation of \$30,600,000.

Economic Development Groups Hear Report On Survey Of Area

A joint meeting of the Michigan Economic Development Commission and its Northern Lower Peninsula Advisory Board was held at Traverse City recently.

City superintendent Roy R. Robinson, Robert Bridge and Ralph V. Hess, chairman of the Charlevoix Industrial Development Corporation represented Charlevoix at the important one-day meeting.

Highlight of the meeting was the report on an area economic survey made by the Advisory Board in the counties lying north of the Mason-Oceana county line.

Purpose of the survey was to determine major economic factors adversely affecting growth and development of the area and recommendations for constructive development of the area.

The study revealed that the area is making progress in replacing an economy based on lumbering with more modern and diversified industries.

Listed among the major problems regarding this progress are a need for area-wide collaboration, especially in promotion of the area and assistance in communities; need for transportation systems to minimize shipping costs and effects of distance from population centers; need for additional resources of both equity and working capital; need for improved assistance to area residents for educational facilities and home financing and need of planning proper control of land for agriculture, recreation, residential, commercial and industrial use.

In making recommendations to cure these ills, the Advisory Board emphasized the fact that no outside agency can create jobs in the area and that development depends upon the united efforts of the citizens who live in the area.

For this reason it was advised that an area-wide group to coordinate common problems be established. Once this group is organized, the Board recommended that the area residents unite in meeting the challenge of the factors retarding the program.

In doing this it was advised that an administrator be made to create and administer a public relations program to develop a constructive attitude toward balanced development among the residents of the area; an attempt to reduce shipping costs; to work through existing financial agencies to bring outside sources of equity and local capital into contact with area investment opportunities; to assist area residents by expanding educational facilities, especially in community colleges, and by increasing educational services and by seeking financial agencies in broadening home loans with GI and FHA guarantees and to expand studies on the most economic use of lands in the area.

It is the opinion of the Advisory Board that the above recommendations will encourage growth. It is suggested that this opportunity be seized and growth accelerated by building on current success by promoting resort business into year-round family attraction; seeking to further diversify through industrial development by surveying communities where needed, setting aside promising industrial sites and organizing local industrial development funds; providing specialized assistance to help existing local industry grow and soliciting new industries; setting up a hard-hitting promotion campaign to sell the area advantages to outsiders and encouraging extended exploration and sound exploitation of notional resources.

Mrs. Earl Publow, Former Resident, Dies At Lansing

Mrs. Earl Publow of Lansing, formerly of Norwood and Charlevoix, died Wednesday morning in a Lansing hospital following a brief illness.

Funeral services will be held at two o'clock Friday afternoon at the Pontius chapel with interment in the Norwood cemetery. The former Hazel Richardson was born in Antrim county in 1897, the daughter of Mr. and Mrs. William Richardson and resided in both Norwood and Charlevoix with her parents. She was a graduate of the Charlevoix high school.

Married to the late Earl Publow in 1918, the couple made their home in Lansing where Mr. Publow was engaged to architectural engineering. For many years they have had a summer home at Norwood.

She is survived by one son, John of Detroit, two sisters, Mrs. Vern Baumbach of Grand Rapids and Mrs. Stanley Lord of Norwood, one brother, Martin of Buffalo, N. Y., and one grandson.

Legion To Elect Tuesday

The Leslie T. Shapton post No. 228, American Legion, will hold its annual election of officers at the next meeting scheduled for 8:30 p.m. Tuesday at the Legion hall.

Convention To Bring 300 Here June 20-21-22

The Michigan Section of the Sewage and Industrial Waste Association will hold its annual convention at the Beach Hotel June 20, 21 and 22, the Charlevoix City Council was informed at its regular meeting Monday night.

J. C. Marshall of this city and an officer in the association will be host to the group which is expected to bring some 300 members and guests here for the three-day conference.

Bids for fuel oil submitted by Aurora Oil Co., Roosevelt Oil Co. and the Oscola Oil Co. were opened and will be studied before the contracts are awarded.

A petition signed by Mrs. Mont Withers and Mrs. Earl A. Young asking that the alley between Clinton and Mason sts. and east of the north-south alley be closed was read. No action was taken and the request was referred to Norman D. Ance for study and a legal opinion. The alley in question opens on to Bridge st. between the former Fruit Market and the C. Cafe building. It has been closed for some time and has a chain across the entrance.

The concrete steps in the city park from Park ave. to the Lake Michigan beach were discussed. The city was authorized to re-cap and repair the steps if the cost did not exceed \$200.00.

The council approved an \$800.00 appropriation to the Charlevoix county Humane Society to be paid at the rate of \$100.00 per month for eight months. Keith Slinchcomb of East Jordan and Mrs. A. (Continued on Page 10)

C. L. Fairbanks Is Named Ishpeming Football Coach

Charles L. Fairbanks, former Charlevoix high school athlete who will be graduated from Michigan State college this week, has accepted a position as head football coach at Ishpeming high school.

He will succeed Lee Goodney who is leaving to accept a position with the Wayne county schools in the attendance division.

This is Fairbanks' first coaching position. He lettered last fall in football at Michigan State and played end on the North squad in the North-South game at Monticomey, Ala., on Christmas Day 1954.

He was graduated from the Charlevoix high school in 1951 after winning letters in three major sports, football, basketball and track.

He is married to the former Virginia Thomson of East Jordan. They have two children.

Palace Theatre Announces First Cinemascope Film

Cinemascope is coming to the Palace theatre in Charlevoix, L. I. Taylor, representing the owner, Mrs. Elizabeth Moon, has announced.

The new screen will be installed this week following an extensive remodeling program. The first film to be shown in the new medium will be "A Man Called Peter", which will be shown Thursday, June 9.

The present screen will be replaced by a new 12 by 30 ft. Walker seamless screen on which cinemascope or wide screen films may be shown.

The large columns on either side of the former screen have been removed to allow more space and the new screen will be set back approximately two feet.

Special new lenses for both wide screen and cinemascope will be added to the present projectors. The Palace theatre was first built about 1920 and was rebuilt in 1945 when a major part of the structure was destroyed by fire.

Local Ministerial Association Has Monthly Meeting

The Charlevoix Ministerial Association held its regular monthly meeting at the cottage of the Rev. Harold E. Kohn Tuesday.

At the business meeting following the luncheon, plans for the presentation of the film, "Souls in Conflict" portraying Billy Graham's London Crusade later this month by the Association were discussed.

The Rev. Kenneth Mitchell, who arrived here recently to become associate minister at the First Congregational church, was introduced to the members.

The Rev. Lyle Phillips, pastor of the Assembly of God church since September, who is leaving soon to enter the evangelistic field, was presented with a gift from the group.

The meeting was concluded with a tour of the property surrounding "Hidden Brook".

Rev. L. Phillips To Give Farewell Sermon On Sunday

The Rev. Lyle Phillips, pastor of the Assembly of God church here since September, will preach his farewell sermon Sunday prior to leaving the local church to enter evangelistic work.

A member of the state council and the general council with headquarters in Springfield, Mo., he expects to travel extensively through the eastern and mid-western states in his new work.

He will be accompanied by his wife and family.

Lake Construction To Raze St. Mary's

The contract for the razing of the 53-year old St. Mary's school has been awarded to Lake Construction Co., the Rev. E. F. Denay, pastor of St. Mary's church has announced.

The wrecking of the two-story frame building is expected to begin Monday.

Largest High School Senior Class Will Graduate Wednesday

The Charlevoix high school will graduate 68 seniors, the largest class in the school's 67-year history, at Commencement exercises to be held at the Charlevoix high school auditorium at 8 p.m. Wednesday, June 8.

Stephen S. Nisbet of Fremont, president of the State Board of Education, will deliver the Commencement address, "Guide Posts".

Bennie Lee Kipke will give the salutatory and Betty Berg the valedictory.

Mr. Nisbet will be introduced by R. G. Bennett, Superintendent of the Charlevoix schools.

The Class of 1955 will be presented by H. E. Bingham, high school principal. Bonnie Nickerson of the Charlevoix Board of Education will award diplomas to the 68 graduates.

The graduating class will enter the auditorium to the familiar processional, "Pomp and Circumstance", by Elgar played by the Charlevoix high school band, directed by C. A. Odmark.

Later in the program Mr. Odmark will direct the band in the selection, "In a Persian Market", by Ketelby and the Charlevoix high school girls' glee club in several selections including "You'll Never Walk Alone," Rodgers, and "This Is My Country," Jacobs.

The singing of the Alma Mater by the graduates and the playing of the National Anthem by the band will conclude the program.

The invocation will be given by the Rev. Harold E. Kohn and the benediction by the Rev. George L. Majors.

The Rev. Harold E. Kohn will deliver the baccalaureate sermon, "Now Altogether", at the baccalaureate service to be held at the high school auditorium at 8 p.m. Sunday.

A choral prelude will be presented by the Charlevoix Community Choir directed by Mrs. Odmark and accompanied by Mr. Leonard W. Burns. Selections by the choir will include "Beautiful Savior," Christiansen; "An Evening's Pastoral," Shaw; "Hallelujah Amen," Handel; "By Babylon's Wave," Gounod; "The Lord's Prayer," Malotte and "The Lord Bless You and Keep You", Lutkin.

The Scripture reading will be presented by the Rev. Wilson Rinker; a prayer by Rev. Majors; the invocation and benediction by the Rev. Lloyd M. Schlopp. The congregation will join in singing the hymn, "Love Divine, All Love Excelling".

Mrs. Burns will play the processional, "Pomp and Circumstance".

He discussed bills which have been passed and others that are to be presented before the current meeting of the state legislature is concluded this month.

Arlo Wickersham spoke briefly on Florida and showed slides taken there.

Shut-In Day Proclaimed

ODDS 'N' ENDS

By Fran Martin

MEMORIAL Day 1955 . . . dawned sunny but cool after two days of rain and tornado warnings for areas south of here Saturday . . . But it was good to see the sun and everyone scurried around to get downtown for the parade . . . for without a parade in Charlevoix it wouldn't be Memorial Day . . . The music of the band brought everyone to attention along the line of March as the colors, the honor guard followed by the firing squad headed up the parade . . . The stop at Memorial Park, named in honor of heroes of World War I . . . the flowers east on the water and as they floated away the salute with each shot echoed across Round Lake . . . And then the soft, sad notes of the bugle as taps was sounded . . . followed by the Star Spangled Banner by the band as the flag which had been at half-mast was lowered and then raised to the top of the pole . . .

AS THE parade marched past there were the veterans of World War I . . . men no longer young . . . World War II veterans . . . only a few who can still wear their war-time uniforms . . . and a handful of Korean veterans . . . just boys compared with the others . . . Cub Scouts and Brownie Scouts who had been practicing for days for this occasion . . . Boy Scouts and Girls Scouts . . . old timers in this business of marching . . . and decorated bicyclists . . . don't forget the bicycles for hours of work had been put on these . . . a lone pony and his proud rider . . . and the school buses with the little ones . . .

AND AT Brookside cemetery the traditional program . . . new faces bringing to those assembled the same program they'd heard for years . . . but without which it wouldn't be Memorial Day . . . Old friends meeting again for the first time, gathered here and there as the program ends . . . Memories recalled, friendships renewed . . . And another Memorial Day draws to a close . . . And hope in the hearts of all that perhaps we'd have peace . . .

THE SENIORS, back from a fairy tale trip to New York, will be spending the last few days in high school . . . Whether they realize it or not, they will be saying good-bye to the happiest days of their lives . . . Sure, there're grand things in store for them but never again will they know the carefree, easy-going days of high school . . . We hope that every-

one of the 68 members of the class has stored away in a special little chest all his or her dearest memories for perhaps, in the years ahead, you'll need something to brighten your days . . . And then you can open up the chest, pick out a special memory or two . . . And after you polish them, you'll find them more precious than ever . . . We know you don't believe that now, but just remember we said it for we're sure that sometime . . . maybe even years and years from now, you'll find it true . . .

EVERY YEAR we swear we're not going to wrap our heart up in a bunch of kids . . . But one might as well quit living, we guess . . . for when this class of '55 graduates next week, it will take with it, as so many classes before, a bit of our heart . . . That's one thing about Charlevoix . . . It has so many wonderful kids you love them all . . .

IN JUST another week you'll all receive your diplomas . . . which are they say, passports into a great wide, wonderful world . . . We hope you all use them well and that you'll find smooth sailing all the way . . . Things won't always be easy but not so tough that you can't take it and come up smiling . . . Graduation is an important milestone . . . but only a milestone . . . there'll be many more, each more important than the last . . . So congratulations to the class of '55 . . . (there were times when we wondered if some of you would make it) . . . Best wishes . . . And may God go with you . . .

SOMEONE called me the other day to air a gripe . . . And since it happens to be one of ours too we thought we'd mention it . . . As this person said . . . you get a letter with a familiar hand, a writing of someone you hadn't heard from in ages . . . You sit down, and open the letter, thinking at the same time . . . At last, news of Jenny or Joe, as the case may be . . . And what do you find? . . . A chain letter . . . threatening your life, your fortune and what have you if you break the chain . . . And after you get through fanning because this Jenny or Joe had taken the time and 3c to send you a good-for-nothing chain letter but couldn't take five minutes to say Hi, how are you? . . . And what happens to the letter? . . . You defy the gods and toss it into file 13 (the waste basket to you) . . . still threatening to have your say when you again see the sender of the letter . . . and still wondering how Jenny or Joe is . . . So don't waste your time and effort sending us chain letters . . . we don't like 'em . . . not even the kind that will bring you a fortune . . . And to those who were add on the idea last fall, may we ask . . .

August Wedding Is Announced By Joan McGuire

Mr. and Mrs. Clarence J. McGuire of Royal Oak have announced the engagement of their daughter, Joan Marie, to Elmer B. Kernan, Jr., son of Mr. and Mrs. Elmer B. Kernan of Price Hill, Cincinnati, Ohio.

The wedding will be an event of August 6 at St. Lawrence church, Price Hill, Cincinnati.

The bride-elect attended the Charlevoix high school and was graduated from Our Lady of Angels high school in Cincinnati. She is now a senior student at the Jewish Hospital School of Nursing. Mr. Kernan is a graduate of Elder high school and attended the University of North Carolina.

What fortune? . . .

WITH SO many of our summer residents here over the long weekend can summer be far behind? . . . Saw just seeds of 'em and heard of others who were spending a couple days or so here, making arrangements for cottages or decorating or what have you . . . All greeted their friends here with the news that they'd be back shortly for the summer . . . With this kind of weather it's hard to convince oneself that it's almost that time . . .

WE KNEW there were raccoons around but didn't think the cute little things ventured out along main highways . . . We'd only seen them along isolated country roads . . . But one of them, a little guy, was holding up traffic near the Loch Farm one night last week according to Mrs. Lawrence Korth and her daughters, Pam and Donna, who had to stop for the little ring-tailed fellow as he stopped in the middle of the road, probably blinded by the lights . . . It was the first time they'd seen one on a main road and were ever so surprised . . . Can't say as we blame them . . .

A PARCEL arrived at the Joe Smith home one day last week from their son, Dwight, stationed in Japan with the army . . . He'd mentioned sending home some trophies he'd won in sports there but his family was sure he'd sent more than that 'cause the parcel weighed only a few pounds less than a ton or so (?) . . . But when it was opened one could easily see why it was so heavy for it contained, along with an odd shaped trophy for winning the shot put in his district, two trophies of beautiful marble . . . each bearing a small gold plaque naming the sport for which it was

Births recorded at the Charlevoix Hospital recently include:

A son, Robert David, born to Mr. and Mrs. Robert Pearsall of East Jordan May 23.

A son, Wilson Ray, born to Mr. and Mrs. Lawrence Boss May 24.

A son born to Mr. and Mrs. Merle Karlskin of Boyne City May 28.

awarded . . . He received the trophies for playing with the top basketball team in that particular district . . . for two years . . . He's traveled all through the area with the basketball team . . . but couldn't travel with the track team this year because of other more urgent duties . . . the army, you know . . . Despite this, he'll have some wonderful reminders of happier days in the service . . .

BY THE way, what ever happened to the committees which were named to ferret out information about a band shell in East Park . . . Seems there were some named to find out costs, designers, etc. but we don't remember hearing a report of their findings . . . Since it's getting on toward summer and the hand will be presenting weekly concerts, we thought we'd ask . . .

Campus Comments

Sue Beaudoin, Bob Miles, Larry Burns and his guest, Chuck Shoop of Centraha, Ill., all students at Michigan State college spent the holiday weekend with their respective parents.

Robert Richards who has concluded his studies for the year at the Rochester Institute of Technology, Rochester, N. Y., arrived home Sunday to spend the summer with his parents, Mr. and Mrs. Robert Richards Sr.

Tom Bleha has been named to the Senior All-Campus Honorary Society at the University of Michigan. He is the son of Mr. and Mrs. Charles Bleha.

Carol Cross, student at Michigan State, was home for the holiday weekend with her guests, Jan Hughes of St. Johns and Barbara Lutz of Rock Island, Ill., classmates at State.

Among the other State students who were here were Joan Hess, George Haggard, Janet Krulik and Larry Petersen.

Karen Smith and her house guests, Doris Holaron of Wayland and Joan Burch of Battle Creek, have returned to their studies at Western State in Kalamazoo after spending the holiday weekend with the former's parents, Mr. and Mrs. George Smith.

Bill Bennett and Dick Smith, also students at Western, were here for the long weekend recess.

William Golden and his guest, Robert Wynn of Shelby have returned to their studies at Ferris Institute after spending the weekend with the former's mother, Mrs. Ada Golden.

Tom Fessenden, Jim Lewis and Howard Pearl have returned to their studies at Soo Tech in Sault Ste. Marie after spending the long weekend with their respective families.

Bernie Zeidler, a student at Central Michigan and his fiancée, Jean Schumaker of Ruth, spent the weekend with his parents, Mr. and Mrs. John Zeidler Sr. Dean Davenport, another Central student, was also here for the weekend with his parents, Mr. and Mrs. Dean Davenport.

Two unusual awards have come to Tom Bleha, who is completing his junior year at the University of Michigan.

Recently he became the first local student at the University to be named to Michiganian, an All-Campus Honorary Fraternity.

Early this week his aunts, Mr. and Mrs. Charles Bleha, were informed that he had been awarded a scholarship to the World Citizenship Seminar to be held in Washington, D. C. from July 1 through Sept. 2.

He is among 50 students with political science backgrounds from different areas of the United States who are brought together to study world problems under the leadership of statesmen and officials currently engaged in this work of the government.

Install New Flower Baskets

Charlevoix-the-Beautiful was made more beautiful Saturday when 50 flower baskets were suspended from bars attached to light posts in the business district from the top of south Bridge st. hill to the top of the north side hill.

With the installation of the flower-filled baskets, Charlevoix became the fourth city on the North American continent to utilize this means of beautifying

itself. The first was Vancouver, B. C., according to city superintendent Roy R. Robinson who promoted the idea here.

The moss-lined wire basket contain plantings of red geraniums, white petunias and vinea vines. The baskets are suspended over the sidewalk and create an unusual and pretty sight to visitors to the city.

Pictured above are James Martin (on ladder) and Wilbur Wells, of the City Street Department.

Junior Coin Club Ends Current Year

The Junior Coin Club held its last meeting of the current school year at the city hall Thursday.

The club was presented with a gift, a copy of the book, "Treasures of the World's Coins" written by Fred Reinfeld. The club's adult advisor, Mrs. J. C. Marshall, made the presentation in behalf of Herman Kays of Petoskey, a coin collector, who is planning to open a Stamp and Coin Shop in Petoskey this summer.

Requirements For Height Changed By State Police

The minimum height requirement of Michigan State Police officers has been reduced one inch to five feet, nine inches, which will open up the ranks to many more young men who want to become members, according to Sergeant Oscar M. Anderson, commanding officer of the Gaylord post. Sgt. Anderson commented on the change in connection with a current recruiting program to fill 65 anticipated positions.

"The change was decided upon only after long and careful research established that it would not affect the present physical standards of the department," Sgt. Anderson said. "Many very desirable men were being barred because they could not quite meet the previous five foot, 10 inch minimum."

Weight and build must be in proportion to height. Other requirements are that a recruit must be between the ages of 21 and 29, inclusive, in good health and of excellent character. He must have a high school education or its equivalent. Married men as well as single are accepted.

Plans are now going forward for the next recruit school, Sgt. Anderson said, and candidates are urged to hurry if they wish to enroll. May 20 is the deadline to have applications in for a Civil Service examination to be held June 4, and June 22 is the last date on which they will be received for an examination set for July 9. Applicants for the first examination, however, have the best chance of immediate employment.

Expert Tells How Dairy Cows Get Brucellosis Germ

When the health department says "You've got to slaughter that dairy cow because of brucellosis," it's usually too late to do anything about it. But most dairy farmers don't want to wait until it's too late, claims Ed Rebinan, Charlevoix county agricultural agent.

They want to know how the cow gets the disease. Here's how Glen W. Reed, extension veterinarian at M.S.C. explains the trouble.

Unlike mastitis, which cows seem to get in many ways, brucellosis comes from one specific germ. But that germ is in abundant numbers in the genital tract of reactor cows.

Reed explains that since the brucella organisms incubate for from 30 to 200 days, some cattle may be carrying the disease even if they test negative. These cattle may react even within a week after passing a test.

Brucellosis organisms get in the cattle mainly through the mouth. But also enter through eyes, skin and lungs. The germs are expelled during calving and heat periods to infect other animals in the herd.

Bacteriologist I. Forrest Hudson of M.S.C. has estimated that in each drop of fetal fluids at calving there are between 5 and 15 million brucella germs — and there may be several gallons of the material at calving. This, plus the germs spread by the calf to other cows in the herd, make up a large total of the cattle infected. Calves can carry the disease germs on the hair coat for as long as six weeks.

Marion Farmers Start Action On Drainage Project

A group of farmers in Marion township have agreed to cooperate among themselves in a watershed problem. Ed Reiman, county agricultural agent and secretary of the Charlevoix Soil Conservation District, stated today. These farmers have petitioned the Charlevoix Soil Conservation District to help them in their watershed control.

These farmers and representatives of the Departments of Agriculture attended a meeting recently at the Marion Grange Hall. The farmers who were present included Rowley Williams, Joa Seidel, John Pletka, Russell Doam, Floyd Black, Carlton Smith and Bert Meston. Two more land owners are located in this watershed area. They include Cecil Smith and W. J. Stevens.

Representatives of the Department of Agriculture included Carl Brown, Farmers Home Administration; Roy Hardy, ASC committee; Bill Grinnam and Everett Gulembo, Soil Conservation Service; and Ed Reiman, Cooperative Extension Service. Representatives of the Charlevoix Soil Conservation District who attended this meeting included John Wieland, Clayton Healey and Robert Seidel.

These Farmers have about 1300 acres of land in this watershed. Almost 200 acres of this is either under water or so wet in the spring that it is practically impossible to plant any crops. Other problems listed include drainage, pocketing, outlets, sod waterways and diversion terraces. Soil erosion was also a very important problem in as much as many of the low areas are now being silted in.

Bill Grinnam, farm planner for the Charlevoix Soil Conservation District, will make a temporary survey with a committee that was named at this meeting. This committee included Joe Seidel, Rowley Williams, John Pletka, and John Wieland. This group will walk the entire watershed, looking at all the problems, prepare a temporary report and then report back to the entire group.

There may be other watersheds in Charlevoix county that through cooperation of all farmers they can help themselves. If any assistance is needed in this they can either contact a director of the Charlevoix Soil Conservation District or Ed Reiman who is secretary of the District.

Do Something!

Why does a largemouth bass hit your lure with such explosive, gill-rattling power? You cast your plug by a shoreline stump in a deep cove and pull it tantalizingly over the weed beds. Suddenly a dark form surges upward and snatches the bait with an arm-wrenching jolt. You play it on the end of your fishing line, holding the lunker back from the sunken tree where he seeks safety, and from under the boat where he will attempt to saw the line in two on the boards' sharp edges or foul the line on the propeller blades of your outboard motor. At last he is yours, big, dark, glistening here and there in the sunlight. But why did he respond to your lure so suddenly?

Quick response to a stimulus is the way a bass stays alive, and the way he dies. There are dangers in such impetuosity, as every fisherman hopes to prove to a prize bass. But the big fellow now snapped to a stringer and floating in captivity in the shadow of the boat never would have achieved his present size had he not lived a life of quick responsiveness. When he was very young he had to flee instantly at the sight of larger fishes. Even his own parents would have gulped him down, had they the chance. The sudden shadows that fell over his watery home spelled terror to the young bass. They might mean a fish-catching osprey or a marauding crane with spear-like bill poised for a kill. Prompt flight meant survival. Hesitation meant death.

To fill his ever-hungry belly the bass has had to respond instantly to stimuli fate has pre-

sented to him. Minnows, insects, and even slow and leisurely worms will not wait forever to be seized. They are there for a moment, and then gone. The bass must snatch his opportunities while they are present. His only alternative is starvation.

For us, as for game fishes, hasty decisions can mean getting caught. They may bring about our spiritual or physical demise. Regarding all matters questionable we could use hesitation.

But when we are inspired by the good — the clearly good — we should then DO something, immediately, before the stimulus is gone. Like minnows fleeing from hungry bass, inspirations will not wait forever to be acted upon.

William James, famed philosopher and founder of an American school of psychology, once laid down the simple rule: When your good feelings are aroused, "DO something." When art or music or poetry or drama has appealed to your better nature and stirred you emotionally, put your feelings into action. Maybe say a decent word to your mother-in-law. Give a larger tip to the sous-chef waiter. Surprise your wife by offering to buy that long-desired hat for her. If the emotions are not allowed to express themselves in splendid deeds, they feed upon themselves and turn into toxins, poisoning our souls.

Saint James stated this principle of effective living in a memorable fashion, "... to him that knoweth to do good, and doeth it not, to him it is sin."

DO something!

New Short Course Plan To Be Tried

Michigan State college is offering a short course which allows students to see successful farm operations first hand, Ed Rebmam, Charlevoix county agricultural agent announced this week.

Agricultural Economist L. H. (Hi) Brown will conduct the class on the bus trip to outstanding Michigan farms. Dates are August 15-28.

The traveling short course starts at the M.S.C. campus, beginning with farms in southern Michigan, the class will travel through much of the lower peninsula, according to Rebmam. Farms elected for the course are those making the greatest use of modern ideas and methods, where records have been kept for several years. After each farm visit, an evening class session will be held to discuss the business in detail.

Those interested in enrolling for the course can obtain details at the county extension office at Boyne City or by writing the Short Course Department, Michigan State college, East Lansing.

Twenty-Eight Area Educators Enjoy Visit To Beaver Island

Twenty-eight Charlevoix and Emmet county educators were among the 110 passengers who boarded the motorship, Emerald Isle, Saturday for a visit to Beaver Island.

The trip, the first to the island for many, was the result of many weeks of planning on the part of both the island residents and the teachers on the mainland.

Shop Of The Gulls Opens For Season

The Shop of the Gulls, exclusive gift shop located on the lower level of the Weathervane Building, is now open for the season under the owner management of Mr. and Mrs. Paul J. Olson. This will be the second season for the shop which last summer established widespread popularity for its fine selection of the unusual in gifts, cards, imported crystal and pewter, leather accessories, etc.

Announcement will be made later regarding the date of opening for Carriage Trade, Inc., and Moss and Hoffman, other resort shops located in the Weathervane Building.

During the luncheon, the St. James school principal, Sister M. Genevieve, introduced two high school students, Audrey and Kathleen Galliff, who presented a most interesting account of the island history.

Promptly at 1:30 p.m. a caravan of cars appeared to provide transportation for a circuit of the entire island. Among those who interrupted their busy schedule to entertain the group were James W. Gallagher, Mr. Johnston, Karl Kuebler, Archie Lafreniere, Lawrence Malloy and Lloyd McDonough.

Stops were made at many scenic and historic points of interest. The teachers were especially interested in the account of Feodor Protar, a Russian who was banished from Siberia and eventually made his way to Beaver Island where he spent his last years administering to the ill of the island residents.

The teachers spent their final minutes of a busy, thrilling day over coffee and doughnuts as guests of their island hosts at the restaurant opposite the dock from where they sailed a 5 p.m.

The Emerald Isle left the harbor in a drizzling rain and headed into a dense fog.

Scattered about the deck, in the cabin and even in the hold were the passengers whose laughter and conversation added up to one thing: "I'd love to do it all over again."

I See by the Courier

• Marie Sipple and a guest, Mary Madden, of Lansing spent the weekend with the former's mother, Mrs. Margaret Sipple.

• Mr. and Mrs. Charles Burdick and daughter have returned to Detroit after spending the weekend with Mrs. Burdick's parents, Mr. and Mrs. Lawrence Swanson.

Mrs. Frank Dobbs, Former Resident, Dies In Wyandotte

Mrs. Frank Dobbs, 64, died Wednesday at the home of her daughter, Mrs. Harry Zurn, in Wyandotte, where she had resided for the past year.

The body has been returned to the Pontius Chapel here for graveside services at 10 a.m. Saturday at the Norwood cemetery. The Rev. Lloyd M. Schlopp will officiate.

Born in East Jordan, the former Maude E. Bergman was married to Mr. Dobbs, a carpenter and ship-builder, at Crandon, Wis., Dec. 25, 1907. They resided in Wisconsin and Arkansas until coming to Charlevoix in 1917. After a brief stay here they went to Port Clinton, Ohio, and later lived in Wyandotte before returning to northern Michigan in 1942. They resided in Norwood township until 1947 when they moved to Charlevoix. Mrs. Dobbs went to southern Michigan to live with her son-in-law and daughter, Mr. and Mrs. Zurn, following the accidental death of Mr. Dobbs on May 12, 1954.

Besides her daughter she is survived by three grandchildren and one great-grandchild.

Murdick's Candy Kitchen Is Open

Murdick's Candy Kitchen has opened for its third season in Charlevoix.

The Kitchen which features a variety of home-made candies including the famous fudge has been operated by a member of the Murdick family since 1887.

Announce New Hours For Liquor Store

Effective June 1 the State Liquor store at the corner of Bridge and Clinton sts. will be open from 10 a.m. to 10 p.m. daily except Sundays and holidays. Gerald Murdick, manager of the store has announced.

The hours will remain in effect through the summer months.

Convention To Bring 300 Here June 20-22

(Continued from Page 1)

Evers, president and treasurer respectively of the organization, presented the Society's budget and said that the Society now has headquarters in Boyne City where a small animal shelter is now under construction. The dog warden, Edward Erber of Boyne City, is now taking calls from 1 to 5 p.m. on week days and 9 a.m. to 1 p.m. on Sundays. The Society has also purchased a truck for use in picking up small animals.

A hearing on the rezoning of the Staley Grocery property on Antrim st. from residential 1 to Commercial 1 was held and approved when no objections were voiced.

Edward Kaskey who resides on Division ave. asked for a waiver of the zoning ordinance to permit him to add a room to the front of his house. The request was granted.

Permission was granted Chief of Police Clarence Heise to attend the annual Police Chiefs Convention to be held at St. Joseph June 27, 28 and 29.

T. R. Miller appeared before the council to inquire about plans for installing a sewer on Alice st. and Garfield ave. and Richard Fochtman of the Charlevoix Oil Co. inquired about the city's plans for purchasing a new police car.

Mrs. George Wolf Is Honored With Farewell Parties

A series of farewell parties are being given in honor of Mrs. George Wolf, who plans to leave Charlevoix June 15 and sail July 1 from San Francisco with her daughters Vicky and Dulcy McClure to join Major Wolf at Tokyo, Japan. Major Wolf is assistant chief engineer at the Tokyo Ordinance Depot.

An Oriental Tea was given recently by Mrs. L. E. Grate at her home on Prospect street. The guests, who arrived in various oriental attire, were entertained during the afternoon with selections by the famous Charlevoix "Croons." Mrs. William Fochtman and Mrs. Gordon Freedman also gave a brief humorous dramatic sketch. Refreshments were served from a large buffet table centered with a yellow and white floral arrangement.

Mrs. Wolf was also honor guest last week at a bridge luncheon given by Mrs. Ralph L. Hess and Mrs. J. Clark Dolliver at the latter's home on Dixon avenue. The spent the weekend with her parents, Mr. and Mrs. John Zeitler Sr.

• Mr. and Mrs. Thad Pearl and children have returned to their home in Dearborn after spending the holiday weekend with the former's mother, Mrs. T. L. Pearl, who returned home recently from southern Michigan where she spent the winter.

• Mrs. Louis Brune and son who arrived here May 10 from Denver, Colo. to visit her parents, Mr. and Mrs. William Heering, plan to leave late this week for Ruth-erford, N. J. to join Mr. Brune and make their home.

World in Review

THE BUREAU of Mines reports that the United States no longer can produce all the copper it needs for a healthy peacetime economy. This country became a copper importer in World War II, and this growing dependence resulted more from sharp expansion in consumption rather than from exhaustion of domestic reserves.

SECRETARY of State John Foster Dulles and India's roving ambassador V. K. Krishna Menon, will confer this month on prospects of obtaining release of more Americans held by Red China.

STATE Legislature ended its five-month session this week with a compromise that broke a three-day House-Senate deadlock. Michigan corporations were measured to carry \$92,500,000 of the State's tax burden which means seventy thousand taxpayers face a 62.5 per cent jump in Business Receipts taxes July 1.

AUSTRIANS and Germans returned from Communist captivity report there are "many" Americans in Russia's slave camps, including at least four United States airmen.

THE PUBLIC Health Service this week cleared approximately one million cubic centimeters of Salk polio vaccine, enough for about a million shots, for immediate distribution.

THE RUSSIAN Government, climaxing its campaign against West German rearmament has invited Chancellor Konrad Adenauer to visit Moscow.

SURGEON General Leonard A. Scheele has assured the nation that Salk polio vaccine now being released is as safe as science can make it. He said, in a nationwide radio and television broadcast, there is "always a possibility that small amounts of live polio virus may be present in Salk shots."

Two New Teachers Engaged For '55-'56 School Year Here

Two teachers have been engaged for the 1955-'56 school year in the Charlevoix public school, Supt. R. G. Bennett has announced.

Two vacancies in the elementary department and one in the junior high school remain to be filled, he added.

Miss Norma M. Spansoil of Niles, who will receive her teaching certificate from Central Michigan college this month, has been signed as assistant kindergarten teacher.

Due to increased enrollment in the manual arts department and the addition of new classes, it has become necessary to add another instructor to the department staff. Mr. Bennett went on to say that the school system was fortunate to engage a former teacher in the department, Uno Suomela, who left here two years ago to enter the industrial field. He is expected to teach mechanical drawing and woodworking. Robert Cook, the present teacher, will teach advanced shop and machine work.

Name John Curtis Assistant Chief

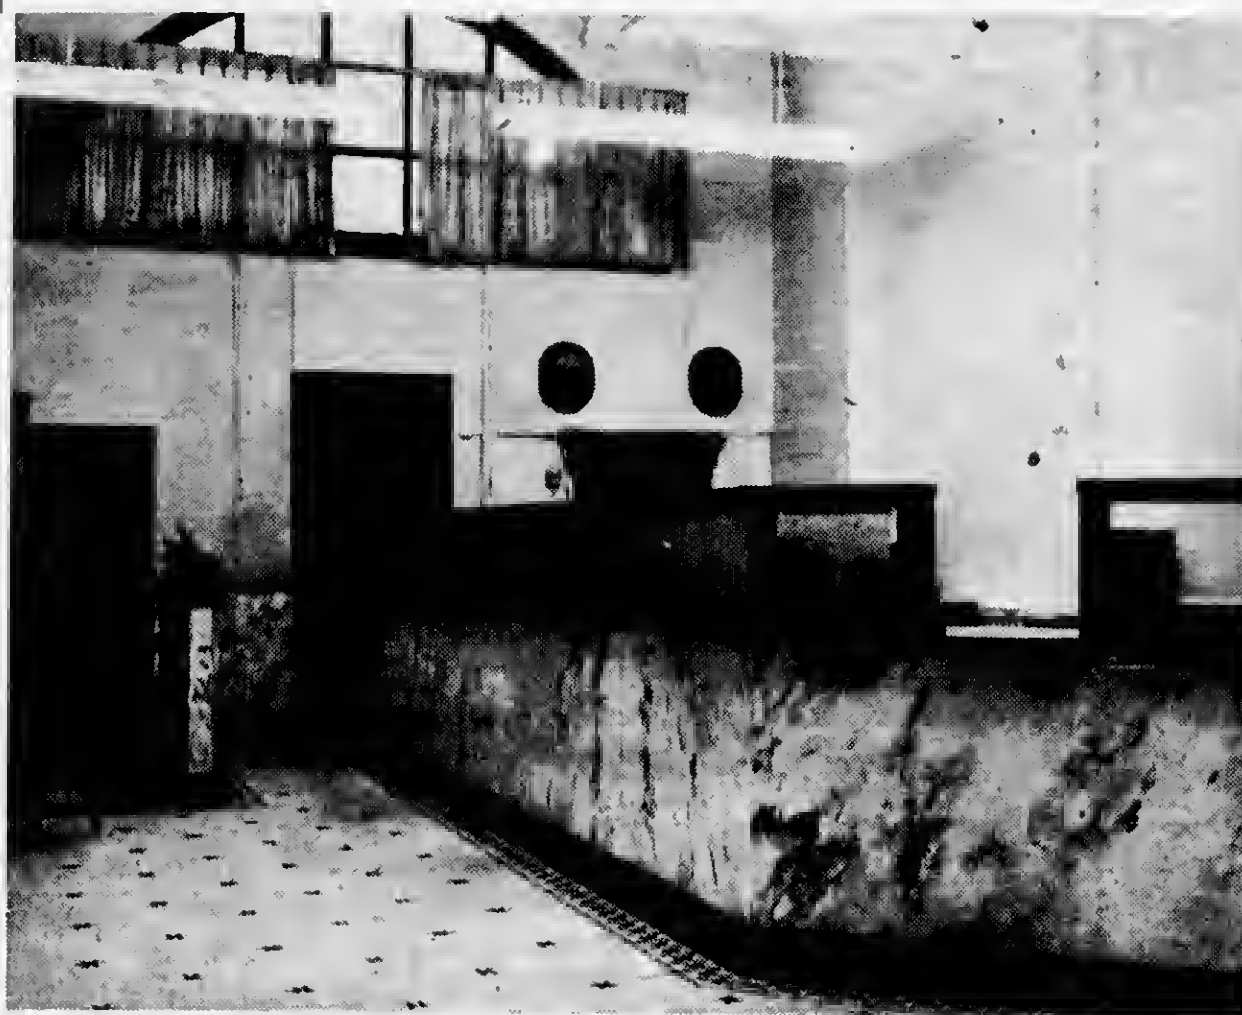

John Curtis, well-known local resident, has assumed the duties as the assistant fire chief to succeed Earl Crandall who has returned to the police force to fill the vacancy left by the dismissal of Peter Konoff recently.

The appointments are subject to the approval of the council.

Practice Sessions For Class 'A' Softball Teams To Start June 14

Practice sessions for the teams of the Class A division of the City Softball League will start Tuesday, June 14, Dean H. Davenport, softball director announced this week.

In order to avoid confusion, regular nights for practice have been assigned as follows: June 14, Carson-Bowman; June 15, Cooper-Franklin and June 16, U. S. Coast Guard. The remaining three teams, City Merchants, Freedman's and American Mold, will be assigned practice nights the following week. All practice sessions will end at 10 p.m. when the lights at the softball park will be turned off.

The regular league schedule is expected to get underway June 23.

Two of the six teams are still in the process of organizing. Freedman's has not completed its roster but will have a veteran pitcher, Fritz Puffert who pitched in the Grand Rapids league, as a nucleus for the team.

American Mold is being organized under the management of Mark White and should be ready (Continued on page 6)

Award Contract For County Road 630 Construction

The contract for the grading and drainage structure of 3.042 miles of county road No. 630 located on the north side of Lake Charlevoix between Charlevoix and Boyne City was awarded to Dan S. Parr of Manistee at the opening and awarding of contracts in Lansing Wednesday morning, T. B. Reynolds, Charlevoix county road commission engineer-superintendent reports.

Mr. Reynolds and Karl J. Erber, chairman of the road commission board, went to Lansing for the event.

The contract submitted by Mr. Parr was for \$45,621.04. Only other bid was entered by Hodgkiss and Douma of Petoskey for \$45,941.64.

Completion date on the project which is to begin within 10 days is October 31, 1955.

The project is the continuation of the work on the Charlevoix-Boyne City road started last year. This year's operation will start two miles west of Horton's Bay east in Charlevoix county.

Municipal Golf Course Is Open For 1955 Season

The Charlevoix Municipal Golf course has opened for the 1955 season, Keith Carey, manager of the club, has announced.

To open the season a mixed two-ball foursome event has been planned for Sunday. All participants are asked to be at the clubhouse at 2 p.m. for the drawing for partners. Prizes will be offered. All golfing men and women are invited to participate.

Because so many local women have expressed a desire to learn to play golf, plans are being made to encourage them and to help them get started. If enough interest is shown, Mr. Carey plans to give lessons in golf to a group after 6:30 p.m. during the next three weeks. Registrations for these lessons will be accepted at the club house through June 13.

An announcement regarding the dates for instruction and practice sessions will be published next week. The lessons will be free.

If interest by the women continues, efforts will be made to plan a ladies day.

Two Trustees Are Named By County Education Board

Two trustees were named to the Charlevoix county board of education at the biennial election of officers held Monday at Boyne City.

They are Horlon Ruback of Boyne City who was elected to succeed Ross V. Renwick of Walloon Lake and William A. Parsons who was re-elected. Both were named to six year terms.

Harry L. Smith, director of Undine No. 3 school district presided at the election in which directors or secretaries of the school districts in the county participated.

Other members of the county board of education are Mrs. Hazel Evers of Charlevoix, James H. Gallagher of St. James and G. W. Boswell of East Jordan. Charles A. Robinson is county superintendent of schools.

Road Group Holds District Meeting At The Argonne

A meeting of the 29th Senatorial district Road Commissioners was held at the Argonne Tuesday. Thirty-three members from eight northern Michigan counties attended the luncheon meeting.

C. B. Meggison, state representative of the Charlevoix district, and Clark Neidermeier of the Michigan County Road Association, spoke on recent legislation affecting roads. Both spoke at length on the recently-adopted Coleman bill.

Roy R. Robinson, city superintendent, welcomed the visitors who were present from Cheboygan, Emmet, Presque Isle, Alpena, Osego, Montmorency and Charlevoix counties, members of the association, and Missaukee county.

Lieberman's Plans Sale For First Anniversary Here

This marks the first anniversary of Lieberman's Department Store, which is being celebrated by a giant department-wide shoe sale, announces Robert Lieberman, owner-manager of Charlevoix's newest department store.

The anniversary days sale will begin today (Thursday, June 9th) and continue through Monday, June 13th and will include the sale of all men, women and children's spring and summer footwear. Other bargains will also be offered during the sale days.

Mr. Lieberman purchased the building on Bridge Street where the store is located from Mrs. R. L. Lewis in the spring of 1954.

He is survived by his wife, Alma.

'Feeling Low' By Rev. H. E. Kohn Chosen Religious Book Of Month

The Rev. Harold E. Kohn's recently published book, "Feeling Low", a selection of inspirational essays, has been selected as the religious book of the month by the CIHU Club of Inspirational Books, a subsidiary of Doubleday & Co., the author has been informed.

The book of nature parables illustrated with brush and ink drawings of nature scenes was published March 25 by William B. Eerdmans Publishing Co. of Grand Rapids.

It met with immediate success and was chosen last month

by the eastern book company as a book selection for fall.

More recently the Rev. Mr. Kohn was informed that it would be the December choice of the CIHU Club whose headquarters are at Lincoln, N. Y.

Among the members of the company's advisory board are Norman Vincent Peale, D.D., and Bishop Austin Purdie.

CIHU, incidentally, means "Can I Help You?"

The author, the Rev. Mr. Kohn, has been senior pastor of the First Congregational church here for the past 2 1/2 years. He came to northern Michigan because of ill health. He has been on loan to the local church by the Evangelical United Brethren church.

The success of the book "Feeling Low?" and its universal appeal can best be found in letters the author has received since the book was published two months ago.

M. N. Berger, D.D., of the Department of Home Missions and Church Extension of the Board of the Missions of the Evangelical United Brethren church of Dayton, Ohio, in a recent letter said that both he

'South American', Bay City C Of C, Will Visit City

The S. S. South American with the Bay City Chamber of Commerce aboard will visit Charlevoix Saturday. The occasion will mark one of the infrequent visits of the ships of the Chicago, Duluth and Georgian Bay Line to the local harbor.

On hand to greet the visitors on their eighth annual goodwill tour when they enter the harbor between 9 and 10 a.m. will be the Charlevoix high school band appearing under the direction of C. A. Odmark, and Charlevoix city officials.

Local residents having friends aboard the cruise ship are asked by S. E. Coleman, secretary of the board of commerce, to furnish transportation for the visitors.

Mr. and Mrs. E. L. Kramer of the Charlevoix Beach Hotel are planning to open the Marine Room at the hotel to the visitors for an Hors d'oeuvres party during the ship's stay here.

The cruise ship will leave Bay City at 3 p.m. Thursday and visit the twin cities of Menominee, Michigan and Marinette, Wis., before arriving here Saturday morning for a four-hour stay. After leaving here the ship will visit Harbor Springs before sailing at 9:30 p.m. Saturday for the return trip to Bay City.

Allie Moore Dies Following Long Illness

Capt. Allie Moore, 71-year-old former sailor, ship-builder and international roller skating champion, died early Wednesday at the Charlevoix hospital where he had been a patient since Monday.

He had been in failing health for the past two years.

Funeral services will be held at St. Mary's church at 9 a.m. Friday with the Rev. E. Francis Denay officiating. Burial will be in St. Mary's cemetery.

Born in Charlevoix, Sept. 3, 1883, Capt. Allie Moore packed several careers into his life-time. The son of Ed and Annie Hamilton Moore, he left home at the age of 13 years to become a deck hand on the Great Lakes. During the winter months he worked as a second cook in a logging camp.

In 1900 he met a family from St. Louis, Mo., who offered him a job after he had rescued their son who had fallen from a local dock. He returned to St. Louis with them and after getting a job in a roller rink found himself launched on a career which was to take him before all the crowned heads of Europe as a roller skating champion. In 1903 he toured the country with a roller skating team and in 1905 became world champion a title he held for nine years during which he went to Australia and later toured Europe. His last major appearance on the skating floor was in New York in 1914.

After this he returned to sailing and in 1920 built a flat-bottom square rigger called the Golden Rule. Later he built another sailing vessel, the Friendship, which was lost in a storm on Lake Huron in 1930. Capt. Moore and his wife were rescued by a passing freighter but the ship was wrecked after drifting to the Canadian shore.

For nine years beginning in 1932 he skippered the yacht, Sylvia G. for the late S. T. Gilbert of Detroit and until he became ill two years ago served as master of the sailing yacht, Panchero, owned by Judge Robert S. Marx of Cincinnati.

He is survived by his wife, Alma.

State Savings Bank To Hold Open House On 50th Anniversary

Commemorating its fiftieth year of service to the community the Charlevoix State Savings Bank will hold open-house Saturday in its recently remodeled building. In announcing the open-house, Archie Livingston, vice-president and cashier, has extended an invitation to the public to visit the bank between the hours of 10 a.m. and 2 p.m.

The bank was organized in 1905 and opened for business in June of that year at the corner of Bridge st. and Park ave., in the building now occupied by the Hess Furniture Co. The present building was constructed and occupied by the Bank in 1912.

Summer Season For Conventions To Open June 20

The summer convention season in Charlevoix will open Monday, June 20, when the Michigan Sewage and Industrial Wastes Association meets at the Charlevoix Beach Hotel for its thirtieth annual conference.

More than 300 members of the association and their guests are expected for the three-day meeting which will open with registration at 10 a.m. Monday, June 20, and close at noon the following Wednesday.

J. C. Marshall, a member and former officer of the Association, and Roy R. Robinson, city superintendent, will be convention hosts.

Mrs. Marshall and Mrs. Robinson will entertain the wives of association members during the three-day meeting.

Services Held For Philo B. Campbell, Lifelong Resident

Philo B. Campbell, 71, lifelong resident of this community, died Sunday at his home at 408 W. Garfield ave.

Death was self-inflicted by carbon monoxide poisoning according to Dr. L. E. Grate, coroner. The body was discovered by a neighbor, Edward Thorp, when he went to the Campbell house to investigate after Mr. Campbell had failed to appear during the day.

Graveside services were held at Brookside cemetery Wednesday with the Rev. George L. Majors officiating.

Born in Charlevoix March 23, 1884, Mr. Campbell was a painter and decorator by trade. He had been in ill health for some time. His wife, the former Agnes LaCroix of East Jordan, died April 21 of this year.

He is survived by a sister, Mrs. Winnie Wentz of Alpena and several nieces including Mrs. Emma DeWitt of this city.

Services Held For Charles Zeitler, Former Resident

Charles Zeitler, 43, a former resident who had lived in Flint for the past 20 years, was killed in a traffic accident as he crossed Saginaw ave. Sunday evening.

The body was returned here for funeral services at St. Mary's church Wednesday morning with the Rev. E. Francis Denay officiating. Burial was in St. Mary's cemetery. The Rosary was recited at the Pontius Chapel Tuesday evening.

Mr. Zeitler, who was a maintenance man of a number of Flint business places, was crossing the street in the 1600 block on Saginaw ave. when he was struck by a car. He was dead on arrival at Hurley hospital. He had been nicked by a car in the same spot the night before.

Born in Charlevoix Oct. 29, 1911, he had attended the St. Mary's parochial school and the Charlevoix public school before going to Flint where he was graduated from St. Mary's high school. He attended St. Michael's church there and was active in church affairs. He retained a home in Flint but had never married.

He is survived by his mother, Mrs. Andrew Zeitler of Charlevoix; one brother, Robert of this city and two sisters, Mrs. Cecil Drost of Charlevoix and Mrs. Harry Tik of Petoskey.

Charlevoix B Of C, Merchants, Invited To Beaver Island

The St. James, Beaver Island, Civic Association has issued an invitation to directors of the Charlevoix Board of Commerce and the members of the Merchants Division who entertained Beaver Island residents here April 24 to visit Beaver Island June 19 according to S. E. Coleman, secretary of the Charlevoix Board of Commerce.

The Charlevoix group is invited to make the trip aboard the Emerald Isle, attended at a dinner at the King Strang Hotel in their honor and to tour the island.

Further information regarding the proposed trip may be obtained from Mr. Coleman.

In the May 4, 1912, issue of the publication, Michigan Investor, was a story of the opening of the new home of the Charlevoix State Savings Bank.

According to the story the "Charlevoix State Savings Bank is now doing business in its handsome new banking house. . . . It is the most artistic building in Charlevoix and is a distinct addition to the business district of that progressive city. The new banking home, aside from its beauty, presents a substantial appearance in keeping with the institution it houses."

"Stone, cement, brick and marble," the account continues, "have been used with telling effect. An extremely beautiful front entrance is flanked by massive columns of Bedford stone. Passing through a vestibule, which gives one an inkling of what is to come, one enters the main banking room which is approximately 22 x 45 ft. in dimensions."

"As may be imagined, the spacious main banking room, which is in perfect accord in decorations and furnishings with the remainder of the bank, satisfies completely the most critical eye. It is finished in rich golden oak with beamed ceiling. The wainscoting is of Vermont American Papanazzo marble with base of verde antique marble, the latter harmonizing with the dark green border of the tiled floor. The lighting of this room is almost perfect, whether by natural or artificial light."

"The directors room is located in the west end of the main room. Its decorations of course, are in harmony."

"The bank is provided with the most modern vault and safe construction, a feature of the vault being safety deposit boxes."

Thus concludes an early account (Continued on page seven)

Report Is Given On Findings Of School Census

The school census completed recently by census takers reveals an increase in the number of the children, in the five through 19 year age group and a decrease in the pre-school registration, Supt. R. G. Bennett has announced.

The new figures show an increase to 1,021 as compared to 990 in the five through 19 age group.

A definite decrease was shown in the group under five years. Only 306 children were registered in this group in 1955 as compared to 336 in 1954.

Greatest decrease, which amounted to 50 per cent, was shown in the children one year or less. In 1954 there were 64 children in this category as compared with only 37 this year.

ODDS 'N' ENDS

By Fran Martin

IN DOING a story on the fiftieth anniversary of the Charlevoix State Savings bank, A. L. Livingston provided us with a cache of material including a 43-year-old issue of the Michigan Investor which contained not only info about the local bank but other things we found interesting. For instance, Boyne City had a bank at that time, the First National Bank of Boyne City with W. H. White as president, W. S. Sherr as vice president and S. C. Smith as cashier. Their capital stock was \$50,000. Boyne City was also advertising \$5,000 in refunding bonds (whatever they are). East Jordan was advertising for bids on \$15,835 in paving bonds. Petoskey had an airship plant known as the Petoskey Aero-Manufacturing Co. and plans were made for flights to various places in Michigan by the company's aero school. Petoskey was also concerned about losing its block plant. The Charlevoix Rock Product Co. plant here was scheduled to take on 125 employees and enlarge its plants. That, my dears, would be what we now call the old lime kilns.

CAN'T HELP but feel proud of the recent graduates... those kids who were seniors until last night... They all looked so grand in their caps and gowns... It's hard to believe that they're pretty much grown up and will soon be making adult decisions... Just in passing, we wonder where they'll be one year from today.

AND WITH graduation and class picnics behind us, it's time for Girl Scout troop camp and Brownie Day camp... a big time for everyone for they'll have loads of fun and learn many things... Kids sure are lucky that they've got generous adults who'll plan these wonderful things.

UNDERSTAND Carl Johnson got quite a shock when he met up with a real live porcupine, quills and all, in the alley behind the Kroger store one morning last week.

And speaking of wild animals reminds us of the Cub Scouts Penny circus last week... Don't know who had the most fun... the little kids or the big people... They sure had some clever things and the kids did themselves proud with their make-up... tight-rope walkers, strong men, animal trainers, animals, devils... name it and the Cubs had it... A bouquet to the den mothers for the grand job they've done with the Cubs this year.

YOU KNOW people who have that certain touch... an indescribable something that makes them better at some particular thing than anyone else... We've found two guys who not only talk about the ones that got away but bring home some pretty big ones too... They're Joe Williams and Ray Shearer who came home from Big Bay du Noc in the U.P. with 20... that's right... 20 wall-eyed pike... We

didn't know there were that many around.

BIRDS, we've found, are pretty smart little beings... Not long ago we noticed a bird disappear into the side of the Central Drug... At first we thought we were seeing things but since then we've discovered that some big nifty birds (don't ask us what)

MRS. Albert Edwards told us the other day about a little song sparrow that had built its nest in their green-house... Seems they leave the sky-lights open these warm days and little Mrs. Sparrow moved in, built herself (with the aid of her mate who prefers the out of doors a nest in a Christmas cactus plant stored there... Mr. Sparrow comes in during the day but at night stays outside... There's one egg in the nest and everyone's anxiously awaiting the time when the little one is hatched and to see what the mother is going to do with him... Maybe he'll end up another Cecil like in the funnies... 'Right Around Home'... Anyway, the mother bird sits on the nest and makes no effort to fly away as long as everyone goes about his business... But if you stop to stare or get too close she flies off the nest.

MRS. JACK Russell showed us a real heirloom the other day... an old fashioned sampler made by an umpteenth grandmother whose name was Phebe Fuller... It was completed in 1897 and the ancestor was 19 years old... Anyway the piece of linen, quite worn now, is some 147 years old... Mrs. Russell thinks she's the sixth generation since then.

ISN'T IT going to be like old times when the South American comes in Saturday... We understand a lot of effort was put forth to get the ship in here... One thing we found out... it's the North American that came in here so often... And no one had a picture of the South American when we tried to find one... Don't forget... Saturday morning between 9 and 10 a.m... And keep your fingers crossed that the weather's good.

THIS WEEK marks the end of another school year... Does it seem possible?... A word of warning... watch out for the kids for they'll be taking advantage of this new freedom and will be tearing everywhere until they settle down to the routine of the summer.

THE FILES of the John Knight Memorial Fund were closed this week when the \$139.94 remaining in the account was presented to the Charlevoix high school athletic association to be applied to the purchase of a whirlpool bath... Thus ends a successful venture started in March 1953... Kipke field was lighted and the entire installation presented to the school... We might add that it is with a great deal of pride that we of the Knight Memorial Fund say 'finis' to a job that many said couldn't be done.

Cadillac

Has Its Own Vocabulary!

Over the years there has come into being what amounts virtually to a special Cadillac vocabulary.

Certain words and phrases have so long and so often been used in association with Cadillac that they almost automatically call the car to mind.

When the talk is of motor cars, who can hear the word "prestige" without thinking of Cadillac?

It is likewise true of "distinction"... of "luxury"... of "pride of ownership"... of "satisfaction"... of "comfort"... of "long life and dependability"... of "beauty"... of "impressiveness"... of "value"—and of dozens of other words used to denote superiority.

In a sense, these are Cadillac words—and they actually sound strange when employed in any other connection. Even when used in the promotion of another automobile, they still suggest the "car of cars".

Naturally, words like these can become inseparable only from a product which deserves them. In the

case of Cadillac, it has taken half a century of the strictest adherence to the highest automotive standards to win this public approval.

Eternal vigilance is the price of this reputation.

Most people, of course, realize that these wonderful words apply to Cadillac. But too many have not yet personally found out why.

If you are among these—come in and see us today. We will give you the keys to a new 1955 Cadillac—and you'll know in a single hour why Cadillac has its own vocabulary.

You'll know, from personal experience, that when you speak of "prestige" and "distinction" and "luxury" and "pride of possession" and "value"—you are speaking of the Standard of the World.

We have the keys—and the car—and a real welcome waiting for you.

High School Graduating Class Enjoys Eventful New York Trip

The members of the 1955 graduating class of the Charlevoix high school returned home recently from their annual senior trip. Betty Berg, secretary of the class, has submitted the following account of the trip:

D.A.R. Chapter Holds Its Annual Breakfast Event

The Pe-to-se-ga chapter of the D.A.R. met Friday morning at the Indiana Point home of Mrs. Elizabeth Mellon for its annual breakfast. Eleven members and two guests were present for event. In keeping with the Founders Day program, Mrs. O. A. Porter of Petoskey gave a report on the accomplishments of the chapter from the historical notebook which revealed that the Pe-to-se-ga chapter was founded in 1910. Mrs. J. F. Reusch of Petoskey was the first regent. Only two charter members remain. They are Mrs. John Shields and Mrs. Hattie Lawton.

Mrs. Ernest Smith, Mrs. Mellon and Miss Jessie Fairfield, all of Petoskey, were named to the program committee for the coming year.

Plans were made for the next meeting, a co-operative picnic at the home of Mrs. Angus L. Fochtman June 24.

Sixty-six tired seniors will long remember our wonderful trip to New York City.

A long bus trip to Detroit was soon forgotten when we boarded our special cars on an all-senior train and ate a delicious dinner in the diner.

When it began to rain our spirits sank but with the thrill of the tumbling waters of Niagara the rain was soon forgotten. After leaving Niagara and passing Sing Sing prison, the long awaited dream came true . . . we were actually in New York City.

After a big breakfast, we were ready for the exciting day ahead . . . a look at New York from the world's tallest building, a yacht trip around Manhattan island and a marvelous evening at the Radio City Music Hall.

The next day we completed our New York life with a shopping spree and a bus tour of the city including Broadway, Wall street, Central park, Chinatown, the United Nations buildings, and the Cathedral of St. John the Divine.

Then, tired and happy, we left the giant skyscrapers and traffic jams to return to what we now realize is really home, sweet home.

Sixty-six of the 68 members of the class accompanied by their advisors, Mr. and Mrs. Delbert R. Terrill and Mr. and Mrs. Robert Cook made the trip east.

Marshall Family Holds Reunion At Rod And Gun Club

The Marshall family held a family reunion recently at the Charlevoix Rod and Gun Club. It marked the first time in 15 years that the entire family had been together.

Those attending were Mr. and Mrs. C. Y. Marshall who had as their guest, Karen Pierce; Mr. and Mrs. J. C. Marshall and son, Robert of Charlevoix; Mr. and Mrs. Russell Duffy and sons, Dick and Marshall of Barryton; Mr. and Mrs. Dick Marshall and daughter, Susan, of Grandville and Mr. and Mrs. John VonZon of Bellingham, Wash.

The VonZons left this week enroute to their home in Bellingham. They plan to visit briefly in Barryton and Grand Rapids before going to Miami, Fla., to spend a week with Mr. VonZon's father, Nick VonZon. They will then travel to California before going north to their home.

Annual Brownie Day Camp To Be Held Next Week

More than 60 Brownie Scouts will attend the annual Brownie Day camp to be held Monday through Friday of next week at the Charlevoix Rod and Gun club. Mary Roberts will return as camp director to head up a program which will feature nature study, folk dancing, singing, exploring, games, camp-craft and cook-outs.

Cynthia Smith will be art instructor; Mrs. Harry Stewart, camp story-teller; Mrs. E. D. Hawley, music director; Mrs. Joseph Williams, camp visitor; Mrs. L. E. Grate, camp nurse.

Brownie Scout leaders and other adults will assist with the program.

Brownies will meet at the city hall daily Monday through Thursday for transportation to camp by school bus which will return them to the city hall at 4 p.m.

On Friday the bus will leave the city hall at 2 p.m. for the camp site where an open house for parents and a party for the Brownie will be held from 6 to 7 p.m. Brownies will return home with their parents.

Brownies will bring a nose bag lunch each day. Milk for lunch will be provided at camp.

Mrs. H. E. Paddock, Day Camp chairman, has planned the program for the Brownie Scouts.

Jeanne Miller Is Guest At Shower

Jeanne Miller, whose marriage to Gerald Orcutt will be an event of June 12 at Onaway, was honored at a dessert shower given Thursday evening by Miss Frances Milner and Mrs. Ralph McRae at the latter's home.

A miniature bride and her attendants and spring flowers decorated the refreshment table, which held a bride's cake topped with a wedding bell.

A large gift was presented to her by the guests, women members of the faculty of the Charlevoix public school where Miss Miller has taught for the past two years.

Campus Comments

Northwestern University in Evanston, Ill., will award 2,584 degrees and diplomas at its ninety-seventh annual commencement exercises to be held at 11 a.m. Monday in McGaw Memorial Hall on the Evanston campus.

Clarence Randall, chairman of the Indiana Steel Co. board of directors, will be the commencement speaker.

Among those receiving diplomas will be Elaine H. Wojan who will receive a diploma as a graduate nurse. The daughter of Mr. and Mrs. John Wojan, she is completing her studies at Passavant Hospital in Chicago which is affiliated with the University.

William Golden, a 1954 graduate of the Charlevoix high school was among the members of Ferris Institute's first track team in the school's 71 year history to be honored at an All-Sports banquet held Tuesday. He was awarded a service certificate in track.

Marshall Dann, Detroit Free Press sports writer, was the guest speaker at the banquet.

Cynthia Smith, a student in the school of nursing at the University of Michigan, arrived Friday to spend two weeks with her parents, Capt. and Mrs. H. E. Paddock.

Gordon Mol and a guest, Mike Murphy of St. Charles, spent the weekend with the former's parents, Mr. and Mrs. John Mol. Both are students at Central Michigan college in Mt. Pleasant.

Karen Smith and Bill Bennett will complete their first year studies at Western Michigan College this week. They are expected home to spend the summer with their respective parents, Mr. and Mrs. H. E. Paddock.

Girl Scout Troop Camp To Open At Camp Sea-Gull This Sunday

Girl Scout Troop Camp for more than 100 Charlevoix Girl Scouts from the fifth through the eleventh grades, their leaders and assistants will open at Camp Sea-Gull on the north side of Lake Charlevoix at 3 p.m. Sunday.

The camping program will continue through the week until 1 p.m. Saturday and will be highlighted by a visitors' tea from 2 to 4 p.m. Thursday, when parents and friends may visit camp.

The camp will be operated this year under the direction of a Camp Council composed of the president of the Charlevoix Girl Scout Council, Mrs. Lester Smith; a waterfront director, Joan Nelson; program chairman, Mrs. Robert Bergmann and camping chairman, Mrs. Lloyd A. Arnold.

The program will feature nature study, swimming, camping skills, music, folk dancing, handicraft, archery and evening camp fires. Mrs. Aaron Brock will be in charge of camp craft which will include among other things aluminum and glass etching. Miss Nelson will teach not only swimming but other waterfront activities including boating and canoeing. Mrs. Alan Macdonell will teach archery. Mrs. Leonard Burns will serve as camp music instructor.

The day will begin at 7 a.m. for the campers with a full program planned for the entire day. A group singing period will be held before each meal. An evening activity program will include skits, folk dancing, stunts, treasure hunts and other activities for the entertainment of the entire camp.

Troop leaders who are planning to attend camp are Troop No. 1, Mrs. Smith; Troop 5, Mrs. Clifford Riley and Mrs. Arnold; Troop 6, Mrs. Robert Bergmann; Troop 9, Mrs. O. V. Cunningham and Mrs. Robert Reed; Troop 10, Mrs. Mark Cross and Mrs. Robert Gallagher. Several recent graduates and Senior Girl Scouts will assist as junior counsellors.

Mrs. George Bergmann will be in the east on a business trip.

Mrs. George Smith and Mrs. A. T. Bennett.

Patsy Ratigan has completed her freshman studies at Sarah Lawrence College, Bronxville, N. Y., and arrived home Saturday for the summer months. She returned with her parents, Mr. and Mrs. William Ratigan, who were in the east on a business trip.

Extension Group Elects Officers

Mrs. Robert Livingston was elected chairman of the Hill 'n' Dale Extension group held Wednesday at the Livingston home.

Mrs. Robert N. Pearl was named vice chairman; Mrs. Harold Totten, secretary-treasurer and Mrs. Jesse Penn leader.

The group concluded their program for the current year and finished work on their aluminum trays.

Charlevoix State Savings Bank Observes 50 Years Of Progress

★ ★ ★

The Charlevoix State Savings Bank, the city's oldest state bank, will observe its fiftieth anniversary Saturday, Archie L. Livingston, vice-president and cashier, has announced.

In observance of the anniversary the bank building where the banking house has done business since 1912 has been remodeled and redecorated. Modern lighting and furnishings with an eye to the convenience and comfort of the customer and staff have been installed.

An open house has been scheduled from 10 a.m. to 2 p.m. Saturday so the public may visit the bank on the occasion of its golden anniversary.

The bank was organized in 1905 when Charlevoix was a commercial fishing and lumbering center. The first home of the bank was the building at the corner of

Bridge st. and Park ave. now occupied by Hess Furniture.

F. E. Turrell was the first president and H. S. Harsha cashier and secretary of the board of directors. Both resigned their respective positions in 1908 and during the re-organization of the board of directors Mr. Harsha became second vice-president and Warren W. Rachow was appointed cashier at an annual salary of \$1,200.

In 1912 the bank was moved to its present building at 217 Bridge st. which was completed at that time.

The success of the bank under Mr. Rachow was shown by the fact that the bank was financially able to construct its own building and that its deposits had grown from \$30,000 in 1908 to more than \$200,000 in 1912.

The bank board at that time

was comprised of Reuben P. Foley, owner of the Seminola Inn, Winter Park, Fla. and manager of the Belvedere hotel, president; Mr. Harsha, real estate and loans, and G. C. Geiken, wholesale fish dealer, vice-presidents; Peter D. Campbell, steamboat owner, John Burns, capitalist, and J. L. Crane, dry goods, directors; Mr. Rachow cashier. This information was found in the May 4, 1912 issue of the Michigan Investor.

The following year, 1913, Mr. Livingston joined the staff as assistant cashier. A graduate of Mt. Pleasant high school and Ferris Institute where he completed a course in business and banking under Woodbridge N. Ferris who personally wrote letters to place him in his first position, he was first employed at Dr. Berry's private bank in Halletta and later went to the Exchange Savings Bank of Mt. Pleasant and the Fairview Savings bank of Detroit before coming to Charlevoix. He became cashier in 1921 and vice-president in 1951.

Mr. Crane, who operated a dry goods store here for many years, was elected president in 1913 to succeed Mr. Foley who resigned. He continued in the position until 1921.

In 1916 Mr. Rachow sold his interest to A. D. Crimmins who served as cashier until 1921 when Mr. Livingston assumed the position.

A. A. Swinton served as vice-president for a short time prior to his death in 1921.

Despite the depression years, the bank has grown steadily under the guidance of Mr. Livingston until today its resources exceed \$1,000,000.

On the board of directors today are the sons of two men who were original stockholders and directors. They are P. D. Campbell who joined the board in 1941 and C. D. Geiken who was named to the board in 1951. Mr. Campbell came to Charlevoix from Whitehall in

Muskegon county where he was born. He was graduated from the Charlevoix high school and attended Michigan State University for three years. He sailed on his father's boat, the Beaver, for 10 years and was second officer on the steamer, Manitou, for one year. He started his present boot shop in 1921 in the present location next to the bank of which he is now a director. Mr. Geiken was formerly a commercial fisherman like his father and later

was a partner of Fred Donckers and Sons of Marquette. He returned here in 1947 and now operates Geik's Gift store here.

H. A. Craig, secretary-treasurer and general manager of Argo Milling Co. from 1920-34, is president of the bank. He became a director in 1924, vice-president in 1931 and president in 1934. A graduate of Alma college and the University of Chicago, he was superintendent of the Charlevoix public schools from 1911 to 1920.

E. J. Edwards is the fifth member of the board which he joined in 1951. Like Mr. Foley, he is manager of the Belvedere Hotel. A native of Charlevoix, he was graduated from the Charlevoix high school and Albion college and served overseas with the A.E.F. during World War I. He was associated with his father and brothers in the vegetable and floral business until 1921 when he became manager of what is now known as the Birchwood

Ranch. He left there to become warden and manager of the Belvedere club and added the management of the hotel to his duties in 1950.

On the staff of the bank are Mrs. Dorothy Dixon who has been employed by the bank since 1943 and Robert B. Livingston who joined the staff in 1945, assistant cashiers, Mrs. Marjorie Plum and Mrs. Gertrude Curtis, tellers. Mrs. Plum joined the staff in 1953 and Mrs. Curtis in 1954.

Present Accomplishment Awards At A Special School Assembly

At a special assembly held Friday afternoon awards for accomplishments in journalism, music and sports were presented by faculty members of the Charlevoix high school.

Sharon Belding, a junior band student was given the annual Interloche scholarship sponsored by the Band Parents Association. The scholarship allows the recipient two weeks at the Notional Music Camp at Interlochen as a member of the Michigan State high school band.

The scholarship was awarded by C. A. Odomark, high school band director, who also presented awards to Barbara Smith and Connie and Cora Paul. Miss Smith received a first division award for her solo performances on flute and piccolo in the State Solo and Ensemble festival. The Paul twins received second division awards for their cornet duet.

D. C. Maltby presented journalism pins to Roberta Swanson, editor-in-chief of the high school publication, *Crimson Flash*, and 18 senior members of the staff. He also introduced Carolyn Steel who will head the staff next year, and who assisted in presenting

the awards. He also presented Betty Berg, editor in chief of the senior annual, the *Rayder*, with a special award and commended her and the members of her staff for the fine work on the year book.

H. E. Bingham, high school principal who was master of ceremonies at the assembly, presented special awards, copies of the book, "I Dare You," to Betty Berg and Bennie Lee Kipke, valedictorian and salutatorian respectively at the graduating class. Miss Berg also received a Reader's Digest award as honor student of her class. He also introduced the top salesmen in the magazine sales program, Carolyn Steel of the junior class and Connie Paul, Mona Davenport and Suzy Miller of the senior class. Each was presented with a special award. Miss Paul received the top award, a pen and pencil set.

Track Coach S. E. Coleman spoke briefly and presented a letter award to Ray Kolker of his 1955 conference and regional championship team. This was the only track award given this year as other members of the squad had lettered in other sports.

Coach Del Terrill presented letter awards to his 1954-55 basketball team. Thirteen letters, the largest number ever given in one year were presented to Dwain Walker, Tom LaBlanc and Jerry Shupert, seniors; Kit Carson, Charlie Dennis, Joe Etienne, Wall Poquette, Fred Putman, Guy Swanson, Garry Vandenberg and Quint Walker, juniors and Kenny Balch and Glennie Ikens, sophomores.

Trophies won by the teams during the current school year, 1954 football trophy, the 1954-55 conference and 1955 district and regional basketball trophies and the 1955 conference and regional track trophies were presented to the high school by members of the teams.

The assembly closed with the introduction of Fran Martin, representing the John Knight Memorial Fund, who presented a check for the amount remaining in the fund, \$139.94, to the Charlevoix high school Athletic Association to be applied to the purchase price of a whirlpool bath for the use not only of injured athletes but any other student who might benefit from such therapy treatments. Mr. Terrill accepted the gift for the Athletic Association.

Queen Joyce Will Participate In Lilac Festival

Charlevoix's queen, Joyce Cunningham, will go to Mackinac Island Sunday to participate in the annual Lilac Festival.

Queen Joyce will be among the candidates for the title of Lilac Queen.

She will be accompanied on the trip by Mrs. Joseph Arvilla.

Emerald Isle To Change Schedule

Effective Monday, June 13, the Beaver Island ferry, the Emerald Isle, will leave here daily at 9 a.m. and return at 5:30 p.m. daily Monday through Saturday.

The new schedule will give passengers a full three-hour stay on the historic island.

Until now the boat has left at 8 a.m. and returned at 4 p.m.

Card of Thanks

To the many friends who were so helpful and thoughtful during our recent bereavement we express our sincere thanks and appreciation.

High School '55 Seniors Graduate

The sixty-eight members of the 1955 graduating class of the Charlevoix high school were scheduled to receive their diplomas at the sixty-seventh annual commencement exercises at the high school auditorium last night (Wednesday).

Stephen S. Nisbet, president of the Michigan Board of Education, was to deliver the commencement address.

On Sunday evening the Rev. Lloyd M. Schlopp gave the sermon at the baccalaureate service at the high school auditorium in the presence of more than 500 parents, relatives and friends of the graduates.

Softball Practice To Start June 14

(Continued from page 1)

The defending champions, Carson-Bowman, have strengthened their line-up by adding Stan Knickerbocker, Michigan State football player who will spend the summer here, along with Charles Krahnke and Bruce Fairbanks. Other players from last year's championship team will be Chester Edison and Jim Bowman, co-managers, Kenny Balch, Guy Swanson, Kit Carson, Jr., Ted Potter, Quint Walker, Joe Etienne and Terry Davis.

Cooper-Franklin, a new entry in the league this year, will be managed by Del Terrill. With Bill Bennett, Glenn Ikens, Bill Barber, Norm Helms, Bob Mol, Stan Harwood, Jim Bolhuis, Bill Blain, Gary Smith, Walt Poquette, Bill Kolker and Charlie Dennis this team should have speed and be a tough one to beat.

The City Merchants represent a group of local merchants who have joined together to sponsor a team. They have lined up the following familiar players: Bill Golden, Tom LaBlance, Deano Davenport, Larry Petersen, Louis McKenzie, Ralph Hess Jr., Desmond Milligan, Howard Struthers, Butch Mullens and Don Morrow.

The U. S. Coast Guard could be the 'dark horse' of the league this season with a line-up of service-men stationed at the Charlevoix Lifesboat station which may be supplemented by local players. Ed Culbertson of Detroit will pitch for the team with Jerry Danbert behind the plate. Others on the squad will be Jim Alger, Bill Witt, Gary Kimberly, Bill Hummel, Jack Heaphy and Paul Staphan of the station personnel and Jim Houtmann, with Pat Martin as manager.

Last Saturday 56 eager youngsters reported at the softball field and were organized into four teams. Sponsors are needed for these teams.

Theodore Roetman, Kiwanis Official, Is Guest Speaker

Theodore Roetman, lieutenant Governor of Michigan Kiwanis Division 15, spoke at the weekly dinner meeting of the Charlevoix Kiwanis club held at the high school cafeteria Monday evening.

Two new members, Conrad Kiooster and Glenn Franklin, were inducted into the club.

Beginning June 27, the club will meet at the V.F.W. post home far weekly dinner meetings.

Mrs. Russell Palmer Entertains Niece

Mrs. Russell E. Palmer entertained Friday in honor of her niece, Constance Jean (Penny) Carter of Sault Ste. Marie, Ont., who spent last week here.

Penny and her guests attended the movie and returned to the Palmer residence for an impromptu recital of piano solos, singing and tap dancing followed by refreshments.

Chemical Control Keeps Unwanted Scrub Trees Down

Don't watch those fence-rows and drainage ditches grow up all summer with scrubby trees and undesirable bushes, urges Charlevoix county agricultural agent, Ed Rebmam.

And you don't have to go out chopping every little while to keep the trees and shrubs down. Chemical control of woody plants is the easiest method of keeping vegetation down, he insists.

There are several ways of killing undesirable trees and shrubs: Spraying the leaves, spraying chemicals on the base, and spraying stumps to prevent regrowth.

Now is the best time to use foliage sprays — especially on low brush and trees less than five feet tall. A combination containing both 2,4-D and 2,4,5-T — sold by a number of chemical companies as "Brushkiller" — is recommended. This product is used as a water spray for foliage. When basal sprays and stump treatments are to be applied, the "brushkiller" should be mixed in diesel oil or kerosene.

Foliage spraying can be done best between now and early August. But it's most effective early in the season. Tests run by Maurice Day, forester at Michigan State College's Dunbar experimental forest, showed that other methods of spraying can be done during any season.

Bowers-Timmer Marriage Vows Are Spoken In Double Ring Ceremony

The First Methodist church in East Jordan was the scene of a lovely wedding Friday evening, June 3 when Rose Mary Bowers, daughter of Mr. and Mrs. Franklin Stucker of Ellsworth was united in marriage to James Calvin Timmer, son of Mr. and Mrs. John Timmer also of Ellsworth.

Rev. Robert H. Moore, pastor of the church officiated at the double ring ceremony performed at 8 o'clock.

The church was decorated with baskets and vases of spring flowers and with the candelabra.

Miss Virginia Kuiper, classmate of the bride was organist,

playing the wedding music and also serving as accompanist for the soloist, Miss Nan Drapeau of East Jordan, who sang "The Lord's Prayer", as the young couple knelt, following the speaking of their vows.

The bride, given in marriage by her father, wore a nylon sheer wedding dress, ballerina length. She also wore matching mitts and her finger tip veil was held in place with an embroidered cap trimmed in rhinestones, lilies of the valley and tiny rosebuds. Her colonial banquet was fashioned of white rosebuds and lilies of the valley.

Miss Jeanne Dressel of East Jordan was her only attendant. She wore a ballerina length dress, turquoise blue, fashioned with a fitted bodice and full skirt. Her accessories were white and her colonial bouquet was of yellow carnations.

Harold Veldkamp, served as best man. Marvin Oosterbaan, a cousin of the groom and Martin Rubingh, seated the guests.

Mrs. Stucker, chose an ensemble of navy and white cheek street length dress and navy blue taffeta coat, with navy accessories for her daughter's wedding.

Mrs. Timmer wore a street length dress of navy crepe trimmed in pink, and accessories of pastel pink. They wore identical corsages of pink carnations.

Following the ceremony a reception for about 100 guests was held in the church parlors with the Misses Eleanor VanderArk, Betty Alward and Gale Pageau all of Ellsworth assisting with the serving of the cake, punch and sandwiches and coffee. Mary Ann Riddell assisted as the couple opened their gifts.

Mrs. Arthur Shepard of Midland, aunt of the bride and Mrs. Don Bowers of East Jordan, sister-in-law of the bride, and Mrs. Allan Klooster of Ellsworth also assisted at the reception.

Following the reception the young couple left on a short wedding trip into the upper peninsula. After June 9 they will be at home in Grand Rapids where the groom is employed.

Those from out of town for the wedding were Mr. and Mrs. Arthur Shepherd of Midland, Rev. Harry VanderArk and Mrs. VanderArk of Holland and Rev. Kenneth Snow and Mrs. Snow of Manelona and Victor Oosterbaan of T. 3 and Mrs. Oosterbaan of Key West, Fla.

count of the building which now houses the bank.

When visitors attend the open house Saturday they will find the interior decorated in a soft green above the terra tile floor and marbled wainscoting which is almost as beautiful today as when it was installed some 40 years ago. Eight large lights have been installed in the ceiling and well fixtures have been replaced with small fixtures of modern design.

Two booths for the convenience of safety deposit box holders have been installed to the left of the main lobby. Each has a desk and folding door.

New lined oak desks attached to the wall replace the old oak desks. Modern covers have been ordered for the radiators under the desks.

The tellers cages have been removed and the main counter modernized as can be seen in the picture.

A large folding door has been placed at the entrance of Mr. Livingston's office to the right of the main door. In the future a second small office with a matching door will be enclosed to the

left of the entrance. Modernistic furniture of leather and metal has been ordered for the lobby.

Through the years modern equipment has been added until today the early officers, if they were to return, would not recognize the banking house which in 1912, was described as being "fitted up in magnificent style".

"Feeling Low" Wins Book Of Month Title

(Continued from Page 3)

and Mrs. Berger had found the reading of "Feeling Low" very helpful.

His letter went on to say that "The author himself had such a deep appreciation of wild-life and beauties of nature around us that one constantly feels the breath of the Creator. The short, meaningful chapters bring healing to the troubled spirit. It will long be an excellent book to place in the hands of those who love nature and particularly those who need the healing ministry of quiet moments with nature's God."

Walter Bower, assistant supervisor of the Consumers Relation Department of the International Harvester Co., Chicago wrote: "I

have enjoyed it ((Feeling Low?)) thoroughly, not only for the fine sparkling drawings, which are his best I believe, but the whole book is refreshing. It is designed for pleasant reading both in style and content. It will lift the spirit of any reader, but particularly those "feeling low", I feel sure. The drawings alone gave me a lift, like a visit with nature in places he has depicted."

From still another field comes a letter from H. L. Dsblar, Ph. D. clinical and consulting psychologist at the U. S. Veterans Hospital, Gulfport, Miss., who wrote:

"Feeling Low"? meets a real need for many in our day who have unresolved personal problems and conflicts leading to feelings of disappointment, anxiety, frustration, despair and other disturbing emotional states. Its simple, meaningful parables of nature have a therapeutic effect and are psychologically and psychiatrically sound. I use it effectively with patients and clients for "home work" between therapy sessions. It has a helpful, quieting, reassuring, healing influence and aids one in gaining a positive outlook and a new lease on life."

THOUGHTS AFIELD

by
Harold E. Kohn

Prepared for Emergencies

We were fishing for bluegills on a small inland lake, my ten year old niece and I. The air was still. The cove where we fished was calm and quiet and sounds carried clearly across the unmoving water. We could hear the rap of hammers as carpenters nailed the roof boards on a distant lakeside cabin, and the raucous jeers of crows came to us from above the fields that lay beyond the woods which circled the lake like a green velvet collar.

Suddenly Barbara excitedly exclaimed, "Look, Uncle Harold! There's a doe!" Glancing quickly in the direction to which she pointed, I saw the deer gracefully bounding from the water's edge to the protection of a nearby growth of mixed conifers. She had doubtlessly been feeding on the lush brownings of young maple, whitecedar, and ferns that lined the lake, or seeking the choice, succulent yellow water lilies. She may have paused for a draught of the cold, clear water. But when her sensitive twitching ears caught the shrill piping notes of that ten year old fisherwoman, she was off. And at once! There was no need of waiting to generate energies sufficient for those tremendous leaps to safety amidst the evergreens. The power was there, stored at the near-edge of her need, ready for instant use.

No lesson from nature is clearer than this, that a kindly Creator has put within his creatures a capacity to respond to a crisis. Where few, if any, emergencies are anticipated, there may be little preparation — such as with kittens, puppies, and mice. In their wild states cats and dogs (like leopards and wolves) rear their young in well hidden sheltered dens. So there is no need for the infant animals to be strong on their legs at first. No crises are expected. But by the time they leave the refuge of their nursery, the young are quick and wise and ready for emergency situations. On the other hand, a lamb is a frisky little fellow on the dap of his birth, and a colt or a calf can run about with his mother within a few hours of his entrance into the world of living things. Why? Because their ancestors were wild animals, living in flocks and herds, browsing and grazing on open plains and exposed mountain pastures — open to attack from flesh-eating predators. They had to be prepared for emergencies, able to run with the rest of the herd when danger threatened.

Birds hatched in well-hidden nests, high in trees, such as orioles, or in deep holes in dead trees, such as woodpeckers, are likely to be naked and helpless for many days. Their emergencies are few so their preparation for crises is meager. But the ground-nesting partridge, turkey, and duck hatch out babies covered with soft fluffy down for warmth and quick sturdy legs for escape from danger.

Human beings, too, are by nature ready for emergencies. When we are frightened, adrenalin pours into our bloodstream, an emergency fuel for crucial situations. (A news magazine some time ago reported how a woman chased by her angry husband, accomplished the unlikely feat of hurdling a six-foot fence!)

Dr. Hadfield, noted psychologist, once supported this testimony of nature with a story concerning one of his patients. "One of my patients, suffering from an obstinate neurasthenia, asked for leave one day because his wife, the mother of six little children, had fallen ill with pneumonia — and, owing to the epidemic, could secure no doctor except for the one visit in which her condition had been diagnosed. He had been a most despondent and depressed individual, scarcely ever speaking to anyone else in the ward, still suffering from the tiredness and exhaustion typical of neurasthenia. He returned some days after, looking bright and cheerful, and almost his first words to me were, 'I shall never doubt the power of prayer again, sir.'"

In addition to the worry with the children, he had the great anxiety of nursing his wife through a very serious illness without the aid of a doctor, and had been up day and night in his devoted labors. It is only those who have passed through a strain of that kind who know what it means; but it is equally true that they alone know the mighty resources that come to our aid in time of extremity."

Hamlin-Boak Vows Exchanged Sunday In Millersburg

In a quiet ceremony solemnized at the First Methodist church in Millersburg Sunday, Mrs. Josephine Hamlin and Raymond C. Boak exchanged their marriage vows.

The Rev. John G. Guen, pastor of the church, read the service in the presence of the immediate family.

Mr. and Mrs. Vernard Hamlin of Millersburg, son and daughter-in-law of the bride, were their only attendants.

The couple has returned here to make their home at 212 Antrim st.

Charlevoix Churches Honor 1955 Graduates At Events On Sunday

1955 graduates of the Charlevoix public school were honored at their respective churches and at other events planned by church groups on Sunday.

At the Congregational church the graduates and their parents were honored at a reception following the worship service. They were also presented with copies of Bibles which were presented by the Rev. Kenneth Mitchell. Among the students honored were Gary Curtis, Thomas Erber, David Jullieret, Bennie Lee Kipke, Darlene Mason, Carolyn Miller, Michael Seymour, Barbara Smith, John

Stebbe and Janet Todd.

The Methodist church honored its graduates at a reception after services which the students had attended. They were also presented with gifts. Those attending were Joyce Cunningham, Mona Davenport, Jerry Foster, Sandra Gregory, Harriet Hooker, Dona Ikens, Jacqueline Leshar, Faye Meggison, Robert Sanford, Larry Swanson, Thomas Swanson, Roberta Swanson, Dwayne Walker, and Phyllis Williams.

The graduates and their families were guests at a dinner given at Fellowship hall by the mem-

bers of the Community Church of God.

Among the guests were the following graduates: Janis Arbuckle, Betty Berg, David Clarke, Michael Elzinga, Mary Foley, Bard Miles, Anna Pontious, Harriet Hooker, Roberta Powell, Velma McGinnis, Kenneth Boss, Bennie Lee Kipke, James Mort, Alice Thorp and Myrna Veenstra of Ellsworth.

Supt. R. G. Bennett, Mr. and Mrs. H. E. Bingham and Delbert R. Terrill were also guests.

More than 70 graduates of the local high school and of St. Mary's school and their parents, all members of St. Mary's parish, gathered at the Grey Gables Inn Sunday afternoon for a dinner honoring the graduates of both schools.

Here's where all that wonderful performance begins!

They're all true—all the wonderful things you hear about Pontiac's great performance.

The way it sweeps uphill or down with the same effortless ease. The tremendous burst of passing power that answers the nudge of your toe. The thought-quick response in stop-and-go traffic that makes the car seem part of you. The smooth, quiet way it goes about its business however hard or for you drive.

Lift the hood of a Pontiac and you'll be face to face with the reason. That compact power plant nestled there may look much like other V-8's—but that's where your eyes deceive you!

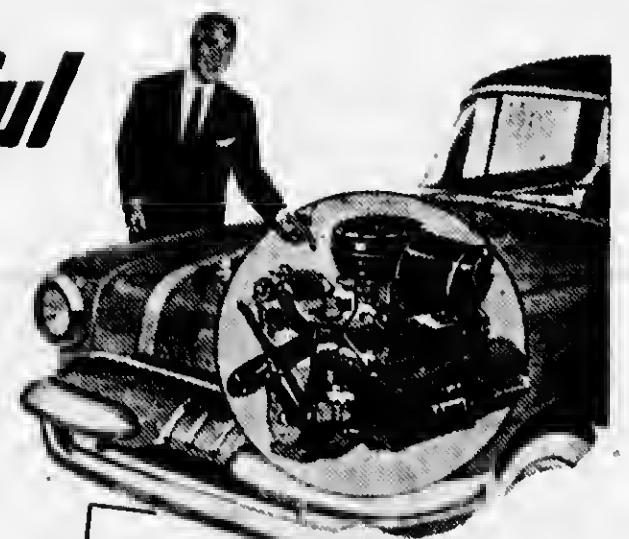

The Strato-Streak V-8 is in a class all by itself—filled with engineering "firsts" that make it the mightiest engine ever to appear

in Pontiac's price field. And it's one of the many Pontiac advantages you can't get anywhere else. Pontiac alone gives you the terrific drive of Strato-Streak performance.

This sensational performance, remember, comes in a distinguished, future-fashioned beauty that is tagged with a price any new-car buyer can readily afford.

Here's your wide-open invitation to come in and try the result—the fastest-selling Pontiac of all time. The car is ready whenever you are! Make it soon.

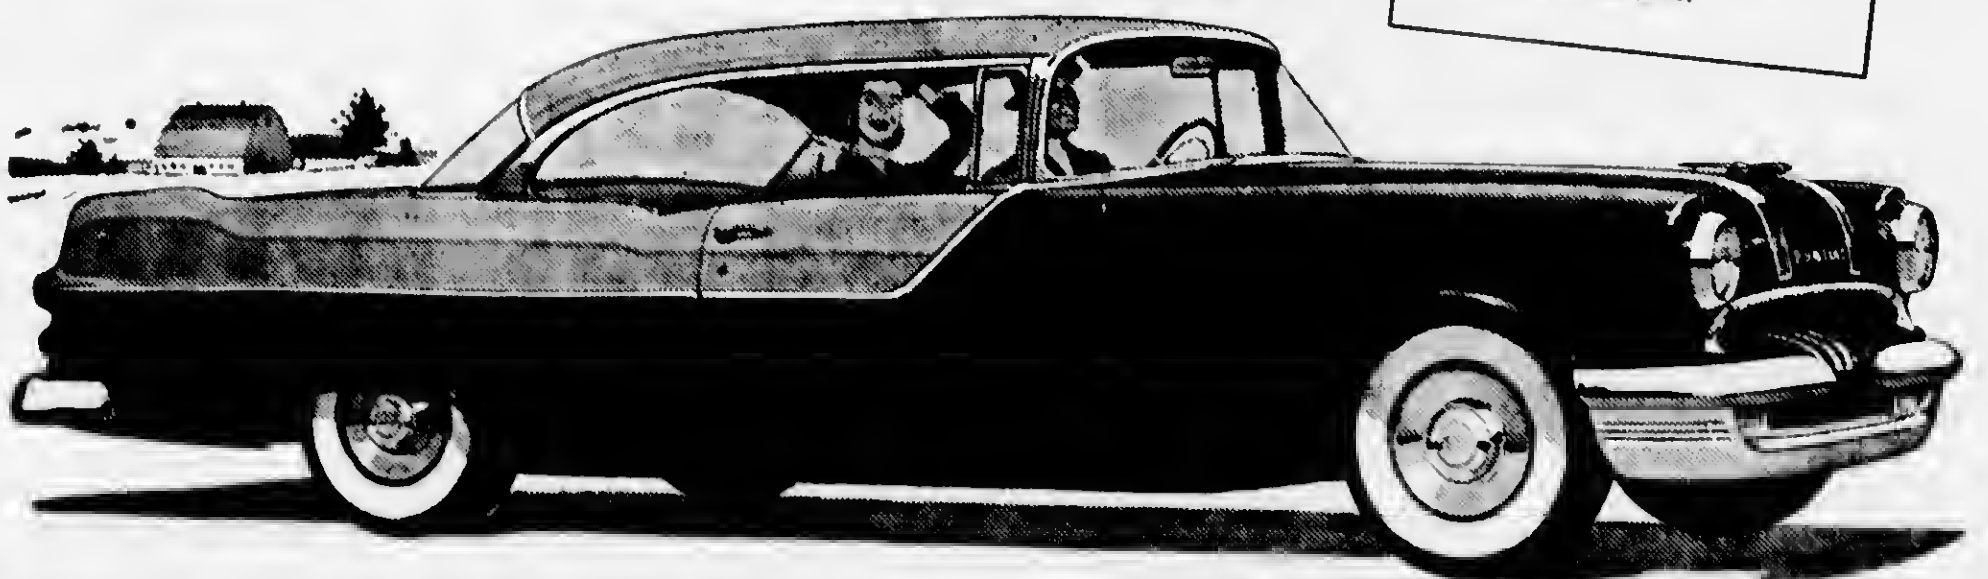

Pontiac

Most Modern Engine in Any Car

THE STRATO-STREAK V-8

The Strato-Streak V-8 is one of the great landmarks of automotive progress—the newest and most advanced engine you can buy. Standard with all three lines of Pontiac, it develops 180 H.P. and reaches a blazing 200 M.P.H. with the four-barrel carburetor, optional at extra cost. Either way you get the most power per dollar delivered by any car at any price.

No pillar or post

for this wide-open beauty

It's the new kind of hardtop—
The 4-Door Riviera!

There seems to be some confusion about what a hardtop really is, and we'd like to set the matter straight.

A hardtop is a car that looks like a Convertible with the top up—but has a solid steel roof overhead—and no center posts in the side window areas.

Up until just recently, it could be built in volume only with two doors—not more—because it would take wholly new structural principles to hinge another set of doors without floor-to-roof center posts.

But Buick came up with those new structural principles and is now building—in volume—hardtops with four doors.

You see one pictured here. It's the 4-Door Riviera. And it's taking the country by storm...

Because here, at long last, is an automobile with the sleek and sporty styling of a true hardtop—but with separate doors for rear-seat passengers, plus the added room of a full-size Buick Sedan.

On top of that, this beauty is all Buick—with the buoyant ride of Buick's all-steel springing—the walloping might of Buick's record-high V8 power—the whip-quick

getaway and sizable gas savings of Buick's spectacular Variable Pitch Dynaflow.*

And it's available in Buick's two lowest-priced Series—the budget-tagged 168-hp SPECIAL, and the high-performance 236-hp CENTURY, illustrated here.

Come visit us for a first-hand meeting with the 4-Door Riviera—and see how quickly and how easily the last word in automobiles can be yours.

*Dynaflow Drive is standard on Roadmaster, optional on other Buick Series.

Moisture Valuable In Grass Silage

Juices from grass silage are too valuable to be gushing out of the silo onto the ground, claims Charlevoix County agricultural agent Ed Reberman.

S. T. Dexter, farm crops specialist at Michigan State college, has devised a quick test to find out the moisture content of the silage. He uses a block and absorbent paper with the chopped grass between. By stepping on the block with different weights you can simulate the pressure at different heights in the silo.

A bulletin describing the test and the pressures that should be used is available at the M. S. C. bulletin office. Just write for Article 34-47.

Reberman claims that by figuring out the pressure on each load of silage, farmers could easily put in silage at the right moisture. For example, the silage at the top of the silo should be wetter than that on the bottom of the tall silo.

Deadline June 15 For Reporting On Wheat Acreage

Farmers who have a 1955 wheat crop in excess of their allotment or the 15 acre limitation have until June 15 to notify the ASC office of their disposal plans for the surplus, according to Leroy Hardy, chairman of the county Agricultural Stabilization and conservation committee.

Farmers who do not desire to participate in the price support program may raise up to 15 acres. Growers eligible for the support program must keep within the allotment assigned to them.

Information relative to disposal of a surplus may be obtained from the ASC office at Boyne City.

The first law making pasteurization of milk compulsory was enacted in Chicago 47 years ago.

New Assistance Conservation Plan Is Now Available

Eligibility for assistance under the 1955 Agricultural Conservation Program is no longer tied to acreage allotment compliance. This, according to Le Roy Hardy, chairman of the Charlevoix county agricultural Stabilization and Conservation committee, is the effect of the recently enacted legislation, repealing the provision of the law which limited conservation program assistance to those farmers not out of compliance with acreage allotments established for their farms.

What this means, that farmers may get assistance for carrying out approved Agricultural Conservation Program practices regardless of whether or not they limit their basic crops to the acreage allotments established for their farms.

The change in no way alters other requirements for cost-shar-

ing under ACP. To qualify for such assistance the farmer must select from the county list the practices most needed on his farm. The practices selected must be applied before work is started and must be approved by the county committee; and they must be carried out according to specifications established for the county. In the case of certain practices they must follow specific plans drawn up for the project.

Farmers in Charlevoix county

received a detailed list of approved practices earlier in the year. Lists will also be mailed on request. Any farmer wishing to begin a practice at any time during the year may request approval and receive a cost-share payment providing the funds remain available.

Don't argue with *this* baby!

All Chevrolet's competitors and most of the high-priced cars tried it recently in official NASCAR* trials—and took a licking!

Meet the champ! The new Chevrolet "Turbo-Fire V8"—the most modern V8 on the road today. Here's what happened—

Daytona Beach. NASCAR Acceleration Tests Over Measured Mile From Standing Start. Chevrolet captured the 4 top positions in its class! 8 of the first 11! And on a time basis Chevrolet beat every high-priced car, too—but one! But wait!—this is just the beginning!

Daytona Beach. NASCAR Straightaway Running. Open to cars delivered in Florida for \$2,500 or less. Chevrolet captured the first two places, 7 out of the first 11 places!

Daytona Beach. NASCAR 2-Way Straightaway Running Over Measured Mile. Open to cars from 250 to 299 cu. in. displacement. Chevrolet captured 3 of the first 5 places!

Columbia, S. C. NASCAR 100-Mile Race on half-mile track. Very tight turns. Chevrolet finished first!

Fayetteville, N. C. NASCAR Late Model Event. Chevrolet again finished first. Because of even tighter turns the driver chose to run the entire 150 laps in second gear! Yet no overheating or pit stops!

These facts you can't laugh off. Sales leader. Road leader. A crowning achievement of Chevrolet and General Motors. Try a Chevrolet... and live in a land of going-away where you win all the arguments! Soon, maybe?

From where I sit... by Joe Marsh

Sad Note From The Bugle

All of us on the *Clarion* were alarmed to learn that our principal rival in the newspaper field—the *Balesville Bugle*—might have to shut down.

Crops were bad in Balesville last year and one of their factories moved out of town. Just temporary hard times, of course—but the *Bugle* needs help now if it's to survive.

So, this paper is going to scrape up a little money to help tide them over, and we hope other local concerns will do the same. We've seldom agreed with them editorially over the years—but

we want their competition to keep us on our toes.

From where I sit, this country needs papers with different points of view—just as it needs people with different ideas and tastes. You may prefer iced tea as a hot-weather cooler... I generally choose a cold glass of beer. But if either of us couldn't express his opinion, and act on it, that would be "bad news" for the whole community.

The annual Department Encampment of the Veterans of Foreign Wars and its Auxiliaries will be held at Traverse City June 16 through 19, Mrs. Harley Warner, president of the local V.F.W. Auxiliary announced Thursday at the regular meeting of the organization at the V.F.W. post home.

Information regarding the schedule for the meeting may call Mrs. Warner or Mrs. Clarence Goldstick.

The group also planned to send gifts of jigsaw puzzles to Cerebral Palsy hospitals and the Northern Michigan Sanatorium at Gaylord.

Mrs. Warner expressed her thanks to members for their efforts in the recent Buddy Poppy sale and the Memorial Day parade.

A social hour with refreshments served by Mrs. Warner, Mrs. Sheridan Root and Mrs. Harry Stewart followed.

Public Schools To Close Today

The Charlevoix public schools will close today (Thursday) for the 1954-55 school year.

All students will report at school at 1 p.m. to receive report cards. The elementary school grades will also hold their annual school picnics.

The 1955-56 school term will open Sept. 12. St. Mary's parochial school closed last week.

Residents Asked To Observe Flag Day

Tuesday, June 14, is national Flag Day.

All residents of Charlevoix are asked to display the flag on Tuesday.

If anyone needs a flag they may obtain one by calling Fenton R. Bulow, commander of the local American Legion post.

Plans Announced For Shamrocks' Seventh Season

Patsy Ratigan, who returned this week from Sarah Lawrence college, announced that the Charlevoix Shamrocks will start their seventh season later this month.

Ann Ratigan will return as assistant director of the recreational and swimming program.

According to Patsy and Ann, arrangements have been made to erect last year's tent cottage at Camp Shamrock, adjoining the Charlevoix depot beach where both the junior and senior Shamrocks will have their own private grounds for cook-outs and other events in addition to the regular swimming and water ballet classes.

T-Shirts with the Shamrock emblem are on order and medals for swimming will again be awarded at the Water Show in August.

City Band Will Begin Rehearsals Monday Evening

The Charlevoix city band will begin intensive practice sessions Monday in preparation for the forthcoming summer concert series, C. A. Odmark, band director, has announced.

There are vacancies for adult musicians in the band and anyone wishing to play with the group is asked to call Mr. Odmark for further information.

Rehearsals are held at 7:30 p.m. Monday at the high school band room.

The summer concert series will begin June 29 and continue for 10 weeks.

Girls from four through ten years are trained to swim in the Shamrock program. A limited number are now being enrolled.

Sewage And Industrial Waste Group To Open Convention Monday

The Michigan Sewage and Industrial Waste Association will open its thirtieth annual conference at the Charlevoix Beach Hotel Monday. The meeting will continue through Wednesday noon with more than 300 members and guests expected to attend the event.

The convention will open the Beach Hotel for its tenth season under the management of Mr. and Mrs. E. L. Kramer who also own the business.

Dean Davenport will welcome the convention guests in behalf of the city at the luncheon scheduled for noon Monday following registration.

Herold M. Leonhard of Wyandotte, president of the Association, will preside at business meetings throughout the conference. Other officers are F. W. DuBois of Detroit, first vice president; Henry McEntee of

Mt. Clemens, second vice president; Donald M. Pierce of Lansing, secretary-treasurer. Members will attend meetings Monday afternoon and Tuesday morning and afternoon.

The annual banquet at 7 p.m. Tuesday will climax the conference. Entertainment will be presented by the Teensters Revue of 1955 of Charlevoix.

While members are attending conferences, their wives and other guests will be entertained by a committee composed of Mrs. J. C. Marshall, Mrs. Roy R. Robinson, Mrs. Davenport and Mrs. Ralph S. Hamilton.

A tour of local points of interest Monday afternoon and a style show by Polly Kay, Lieberman's, Fay's and Mailhot's Monday evening will highlight the entertainment Monday. Mrs. Harry Stewart will be the commentator and Mrs. Leonard Burns will play the background music for the show.

On Tuesday afternoon the group of 60 will be taken to Indiana River for a luncheon at the Indian River Inn. They will return for the annual banquet Wednesday evening.

Mr. Marshall, a former Association officer, and Mr. Robinson, city superintendent, have joined with the convention committee in planning the summer convention.

Carson-Bowman, Fochtman Motors To Play Saturday

The Carson-Bowman softball team is scheduled to meet the Fochtman Motors team of Petoskey on Kipke Field Saturday evening at seven o'clock.

Both teams rated with the best in their respective city leagues last year. Fochtman Motors placed second in the Petoskey league with 17 wins in 20 games. The Carson-Bowman team won the 1954 league championship in Charlevoix.

Co-managers of the Carson-Bowman are "Nubs" Edson and Jim Bowman. Players on the team include Ken Balch, Ted Potter, Guy Swanson, Joe Etienne, Quinton Walker, Kit Carson Jr., and John Swanson.

The Carson-Bowman team plans to schedule a series of games with out of town teams during the summer season in addition to playing in the Charlevoix league.

Mrs. Harris had resided in Boyne City until recent years. Her late husband was a well-known Boyne City attorney and probate judge.

City To Host Travel Editors Next Wednesday

Charlevoix will be host to travel editors of 30 metropolitan newspapers and magazines of the middle west Wednesday when the group visit here while on a 1,500 mile tour through western Michigan by chartered bus.

The visitors, accompanied by representatives of the West Michigan Tourist and Resort Association, are expected to arrive here at 5 p.m. They will be entertained at a dinner at the Nautical arranged by S. E. Coleman, secretary of the Charlevoix Board of Commerce, before touring points of interest in the community.

The travelers will continue to Petoskey where they will spend the night before going to Mackinaw City where the builders of the Straits bridge will take them on a cruise of the straits area for a close-up view of construction operations Thursday morning.

After the Straits visit they will lunch at Harbor Springs and tour the Walloon Lake-Boyne Mountain region before spending the night at Boyne City. They will return to Grand Rapids Friday after a brief stopover in East Jordan.

The trip will start in Grand Rapids Monday. Directors of the Charlevoix Board of Commerce and others interested in publicizing Charlevoix as a summer resort will attend the dinner at the Nautical at 5 p.m.

Stephen S. Nisbet Names Three Guideposts For 1955 Graduates

Education is an insurance policy for freedom and democracy, Stephen S. Nisbet, president of the state board of education, told a capacity crowd attending the sixty-seventh annual commencement at the Charlevoix high school auditorium Wednesday evening.

Addressing the class of 88 graduates who received their diplomas from Bonnie Niekerson of the Charlevoix board of Education, Mr. Nisbet said that the world today has guide posts which must be obeyed and listed the three most important as health, education and character.

Guide posts are meant to be followed, he said, and in the matter of health one must heed all warning signs and not cut inside the marker or suffer for the short cuts. One cannot do his best if his health is not the best. While one is young is the time to follow the rules and take care of this priceless possession.

Incumbent Board Members Will Run

E. D. Hawley and Albert H. Smith, incumbent members of the Charlevoix board of education will be unopposed in the July 11 school election.

No other candidates filed for the offices of trustees now held by the pair.

Mixed Doubles Golf Tournament Will Be Sunday

The mixed doubles golf tournament scheduled for last Sunday was postponed until 2 p.m. Sunday at the Charlevoix Municipal golf course. Keith Carey, manager of the course has announced. Inclement weather forced the postponement.

All local golfers are invited to participate in the event this week. Drawing will be made at the golf club at 2 p.m. Prizes will be offered.

Alvin Bennett Jr. won first prize and John Swanson second prize in the klicker's handicap tournament held Sunday for the men.

The golf clinic for women got underway Monday and will be continued through next week. Mr. Carey said that 16 women appeared for the initial lesson Monday and that more were expected Wednesday and Friday of this week. He is being assisted by William Supernaw.

City Council Names James Hiller Mayor; To Appoint Alderman

James Hiller, first ward alderman and mayor pro tem, was named mayor by the city council at its regular meeting Monday night.

He succeeds Dean Davenport whose resignation was accepted with regrets. He was beginning his third term in office when he resigned for reasons of health.

The naming of a first ward alderman to succeed Mr. Hiller was discussed and referred to a later meeting.

Gordon Freedman appeared before the council in behalf of a group of interested citizens regarding a playground on the northside. The possibility of opening such a playground on city property near the municipal golf course was discussed and referred to the recreation committee. The construction of tennis courts and a badminton court also entered the discussion.

Mr. Freedman also brought up the subject of the purchase of property near the Freedman Aircraft Corp. for expansion of present facilities.

The bid entered by the Charlevoix Oil Co. for a 180 hp. Chevrolet for \$445.00 and the 1954 police car was accepted. Only other bid received was from Parsol Brothers on an Oldsmobile for \$875.00.

The appointment of John Curtis as assistant fire chief was approved. He succeeds Earl Crandall who returned to the police force.

The bid submitted by the Osceola Oil Co. for fuel oil for the diesel plant was accepted. It was the lowest bid among the three submitted. The council was also authorized to advertise for bids on a carload (60 tons) of coal for the city hall. Bids will be accepted until June 27.

A communication from the International Brotherhood of Electrical Workers A.F. of L. requesting certain changes in working conditions and increase in salary for utility workers was read and referred to the utilities committee.

The hours at the Lake Michigan bath house were discussed and the issue referred to the park committee.

McKinley ave was closed following a hearing at which no objections appeared. A petition for the closing of the alley from the north-south alley between Mason and Clinton streets to Bridge st. was denied. The petition was entered by Mrs. Mont Withers and Mrs. Earl A. Young, whose properties border the alley.

Ted Miller was authorized to install a new sewer from Alice st. and Garfield ave. through his Meadowlane addition. Mr. Miller will pay the cost of the installation. A request for utilities on Oak st. made by Hal Forberg of Lake Construction Co. was referred to the utilities committee. The city would foot the bill for the water installation and Lake Construction for the sewer. The company has FHA commitments for two houses.

A motion to furnish a telephone and used typewriter in the office of the justice of the peace was approved.

Kenneth Forrest Speaks To Kiwanis On Child Welfare

The Charlevoix Kiwanis club heard Kenneth Forrest of the Michigan Children's Aid Society speak on the various agencies involved in the child welfare program in the state at its regular dinner meeting held Monday at the high school cafeteria.

Gordon Freedman also appeared before the club to ask its support of a playground on the northside. A committee composed of Bradley Stanton, Charles Cooper and U. B. Schofield was appointed to investigate the possibility and cost of such a project and report on their findings at the next meeting.

Charles J. Pontus, president of the club, appointed Conrad Klooster to the reception and Venetian Day committees and Glenn Franklin to the underprivileged children and White Elephant committees.

U. B. Schofield was named to the board of directors to succeed Angus L. Fochtman who has withdrawn from the club.

Guests included Mr. Freedman, F. Earl Edwards of Napoleon, Ohio, and Henry Methner of Ma-

Bay City Group Visits Harbor On 'South American'

Greeted by the Charlevoix high school band directed by C. A. Odmark, a group of local friends and local residents, the S. S. South American of the Chicago, Duluth and Georgian Bay Transit Co. with the Bay City Chamber of Commerce aboard visited the Charlevoix harbor Saturday.

The ship carrying the Bay City group on its eighth annual Goodwill cruise arrived from the twin cities of Menominee, Mich. and Marinette, Wis. at 9 a.m. and departed for Harbor Springs at 2 p.m.

During their visit here the visitors toured the community and were entertained at an hors d'oeuvres party at the Marine room of the Charlevoix Beach Hotel by Mr. and Mrs. E. L. Kramer. A bus load left shortly after the ship arrived for Petoskey and Harbor Springs where they played golf and boarded the ship at Harbor Springs for the return trip.

Beach Hotel Will Open Monday For '55 Summer Season

The Charlevoix Beach Hotel will open Monday for the annual conference of the Michigan Sewage and Industrial Waste Association. Mr. and Mrs. E. L. Kramer, owner-managers have announced.

A second convention, the Michigan Movers and Warehousemen Association, will follow June 24-25-26.

The hotel staff for the 1955 season will include Arnie L. Hamilton who is returning as chef for the second year after spending the winter at the Fort Harrison Hotel in Clearwater, Fla.

ODDS 'N' ENDS

By Fran Martin

WASN'T IT wonderful having the South American in Saturday? Almost like old times when Charlevoix was once the port of call for all lake steamers. But that was long ago and times have changed. But it was something to see the ship tied at the dock with all flags flying. Hope the Bay City cruisers enjoyed their stay here.

JUST A reminder... Sunday is Father's Day so don't forget to get Pop something he likes. Chances are he's footin' the bill, one way or another, so be sure you get him something he'll enjoy.

BETTER check your little book of rules that comes with the fishing license for sure but we think this is the weekend that the bass season opens. Don't know what there is about this kind of fishing but a lot of people sure enjoy it. Soon everyone will be taking off for their favorite grounds and returning with good catches. We hope. And chances are that Sol Marcus of Long Island and Bill Jenkins of Bedford, Ind., will be on hand for the event. They're just about the most rabid bass fishermen we know.

parents and were helped by brothers and sisters. To all parents graduation means a great deal but to these people it is a real accomplishment. A real one. Too bad that when diplomas are handed out there aren't special awards for parents. They really earn them. We hope some day that today's graduates will realize and appreciate what has been done for them.

BUTTERCUP is back... honest... Saw her myself Saturday... or perhaps we should say Buttercup II... Anyway the little yellow lamb is back at Sunset Lodge... following her owner, Mrs. William Butters around... and crying when she gets out of her sight.

Naval Reserve Ship Will Dock Here On Weekend

The U. S. Naval Reserve training ship, USS PCE 845 in command of Lt. Meredith W. Jones, will visit Charlevoix this weekend according to a communication from the office of the Ninth

Engineering.

Stewart Walker has concluded the school year at Tri-State college in Angola, Ind., and his arrival here to spend the summer months.

Naval District, Great Lakes, Ill. The ship with a crew of more than 60 officers and men is expected to dock here Saturday and Sunday.

The USS PCE 845 was built in Chicago in 1944 and has traveled half-way around the world as a convoy and weather patrol vessel in Caribbean and Pacific waters. Aboard her bridge the shack formerly used to launch weather balloons can still be seen.

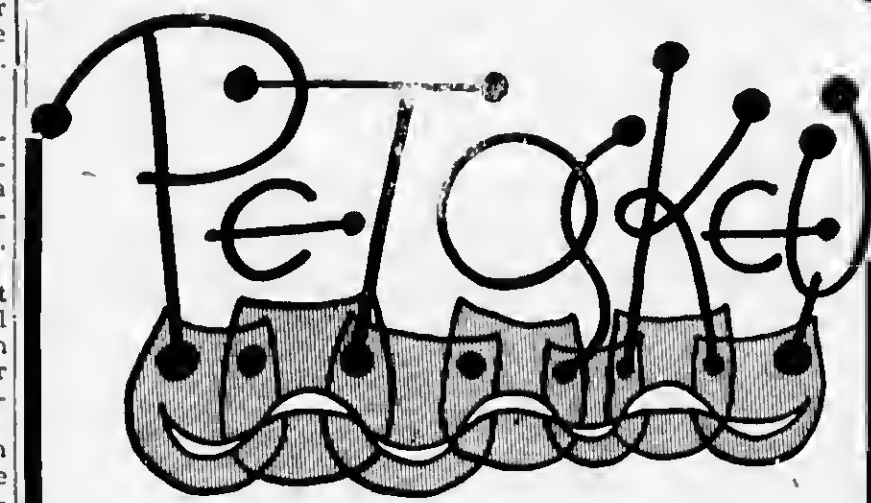

The 850-ton vessel has a beam of 33 ft., is 186 ft. long and draws about nine feet of water loaded. She is powered by twin 1,000 hp. diesel engines, driving two propellers which gives the ship an average cruising speed of 12.5 knots.

A 26 ft. motor whaleboat is used for liberty parties.

Doran-Hamilton Marriage Vows Spoken In Double Ring Ceremony

Anne Elizabeth Doran, daughter of Mr. and Mrs. John D. Doran of Muskegon, became the bride of Nicholas Vincent Hamilton, son of Mr. and Mrs. Ralph S. Hamilton at a ceremony solemnized at St. Joseph church in Muskegon Saturday morning.

The Rev. Fr. Albert Stratz, pastor of St. Joseph's church, performed the double ring ceremony during the nuptial high Mass in the presence of 200 guests. The altar was decorated with white carnations, daisies and peonies and palm and lighted tapers for the service.

Richard Sweet was the soloist and Mrs. Richard Walukonis the organist.

Given in marriage by her father, the bride chose a ballerina length gown of white embroidered organza for her wedding. It was fashioned with a fitted bodice, scooped neck, cap sleeves and a hooped skirt. A coronet of seed pearls secured the ballerina length veil of bridal illusion. She carried a bouquet of white cymbidium orchids.

Elinor Rowe of Muskegon was maid of honor and Sandra Weavers of Baldwin was bridesmaid. They wore identical waltz length gowns of light blue embroidered organza styled with scalloped V-necks, cap sleeves and full skirts and half-hats of blue straw trimmed with blue flowers. They carried bouquets of pink cymbidium orchids.

David Hamilton of DeKalb, Ill., assisted his brother as best man. William Wallace and Al Kapla of Muskegon were ushers.

Mrs. Doran chose a powder blue linen dress and white accessories

for her daughter's wedding. Mrs. Hamilton, mother of the bridegroom, wore a navy and white pin-stripe nylon dress and matching navy bolero jacket and navy and white accessories. Both had corsages of pink sweetheart roses.

A wedding breakfast for the bride and groom and 45 guests at the College Inn was followed by an afternoon reception for 200 guests. Nona Koon, Ardis Acker and Mrs. Christopher Lowney assisted.

For traveling on their wedding trip to New York City, the bride chose a navy and white print sheath dress and matching bolero jacket and navy and white accessories. The couple will return here to make their home.

On Friday evening Mr. and Mrs. Hamilton were hosts at a rehearsal dinner at the Dew Drop Inn in Muskegon.

The bride is a graduate of St. Joseph high school in Muskegon and the Mercy Central School of Nursing in Grand Rapids. She is a member of the nursing staff of the Charlevoix hospital. Mr. Hamilton was graduated from the Charlevoix high school and attended Western Michigan college in Kalamazoo. He is a veteran of one year service in the U. S. Navy and is on the staff of the East Jordan News-Herald.

Among those from Charlevoix who attended the wedding were Mr. and Mrs. Everett Stenman and daughter, Debby, and Mr. and Mrs. Robert Shanahan.

Mr. and Mrs. Henry Hyek and son, Henry B. have returned to Detroit following a recent visit with the former's brother, John Hyek, and with friends.

Carey Family In Detroit Area Has Reunion Recently

Members of the Carey family living in the Detroit area held a breakfast and reunion at Leva-good Park in Dearborn recently.

Honored guests were Mr. and Mrs. L. C. Carey of Washington, D. C., who were visiting members of their family and other relatives in southern Michigan.

Among those attending were Mr. and Mrs. James Carey, Mr. and Mrs. Paul Overly and sons, Tommy and Billy, Mr. and Mrs. G. H. Papineau, John W. Papineau, Mr. and Mrs. Charles Papineau and sons, Greg and Chris and daughter, Betsy, Mr. and Mrs. William See and sons, Bobby and Tommy, Miss Grace Papineau, Mr. and Mrs. W. A. Carey, Mr. and Mrs. Irving Carey, Mr. and Mrs. William R. Carey and son, Billy, Louis Guetchow, Mr. and Mrs. Roy McDonald of Port Huron, Mr. and Mrs. William Ripley of Cheboygan.

James J. Gibbons Given Degree At U. M. Graduation

The University of Michigan's 111th Commencement was held in Ann Arbor Saturday with Earl Warren, chief justice of the United States delivering the commencement address.

With 2,713 June graduates, the University's total of degrees for the year was increased to 4,531 since 1,818 qualified for degrees at the end of the 1954 summer session and at the end of the fall term in February.

Among those on whom U. M. President Harlan Hatcher conferred a degree was James J. Gibbons who was graduated from the school of medicine with a doctor of medicine degree.

He is the son of Dr. and Mrs. Gerald Gibbons of Charlevoix and Grayling.

Annual County 4-H Camp To Be Held Here Next Week

About 80 4-H Club boys and girls will attend the 10th annual Charlevoix county 4-H camp next week, from June 21 through June 24. This camp will again be held at the Church of God camp grounds two miles south of Charlevoix near the old Loeb school.

All boys and girls who have been enrolled in 4-H Club work during 1954 and 1955 have been invited to attend. If any present 4-H club member did not receive an invitation they should contact the Cooperative Extension office at Boyne City.

A fine program has been arranged which will include sports, crafts and other recreation. All campers will be insured in case of accident. K. C. Festerling, district 4-H club agent will be in charge of the recreation and crafts and Ed Reiman, county agricultural agent, will be camp manager.

Even A Millionaire Couldn't BUY BETTER-MADE MEDICINE

A little sung "miracle" of modern medicine is the way the cost of life-saving drugs has been brought down within the means of every one. Yes — nothing so valuable to you costs so little as prescribed medicine. It is a fact that your prescription dollar buys MORE CURE today than ever before. Recovery is surer — swifter — saving you the expense of a protracted illness and loss of income. Our policy of pricing prescriptions on the cost of the ingredients plus a nominal fee for professional service assures a fair and equitable price. Yet, even a millionaire couldn't buy better-made medicine.

From where I sit... by Joe Marsh

Handle With Care

Tractors are like horses—or mules—in more ways than one. They can be pretty tricky if you don't handle them right.

Too many tractor accidents happen because of carelessness. The day grows hot and drowsy, the job grows monotonous—and bingo! Someone forgets to throttle down when making a turn, or something, and there's a bad spill.

Credit Slim Hartman's misadventure for the fact that there's never been tractor trouble on their place. Midway through every morning and afternoon she brings him snacks. "He'll stay on

this alert," she says, "if I get him off the tractor for ten minutes."

From where I sit, carelessness can cause plenty of harm in our off-the-job personal lives, too. For instance, suppose a neighbor prefers a glass of beer with supper. You might not share this particular preference with him—but if you're careless about protecting his right to choose, your own freedom of choice is in danger of being "plowed under."

efforts to promoting Beaver Island as a summer resort, we would hardly offer the island (which is 17 miles long) as the site for a jet airbase", Mr. McDonough stated.

The Beaver Island Civic Association has worked diligently to promote the island as a summer resort. This year the Beaver Island Boat Co. was organized to finance the construction of the motorship, Emerald Isle, to furnish transportation for visitors to the island resort.

The news story stating that the island had been offered as a site for the jet air base appeared late last month and carried a St. James, Beaver Island, date-line although the story was not released there.

Sgt. And Mrs. Bridge Visiting His Parents

Sgt. Eugene Bridge who has been stationed at Camp Gordon, Ga., has arrived here for a visit with his parents, Mr. and Mrs. Robert Bridge before leaving for duty in Germany.

His wife and daughter, Barbara, accompanied him here and will go on to Minnesota for a visit before going overseas to join him later this year.

Charlotte McDonough Is Engaged To Wed Richard Sanderson

St. James, B. I. — The engagement of Charlotte Ann McDonough of St. James to Richard Sanderson of Ware, Mass., has been announced here.

Miss McDonough was graduated from St. James high school and later attended school in Kansas City, Mo. For the past 2½ years she has been in Athens, Greece, as a secretary with a government agency. Mr. Sanderson who attended Ware and Boston, Mass., schools and colleges has been in Athens as an electronic consultant.

The wedding will be an event of early September following the couple's return from Europe in late summer.

Mr. and Mrs. Hugh Connaghan left Friday to take a trip with Mr. and Mrs. Royce Welsh.

The senior class of St. James high were honored with two dinners. The first at the King Strang Hotel and the last they were the guests of Mrs. Elsie McCafferty at Elsie's lunch room. Both events were thoroughly enjoyed by the graduates.

Services Held For Jack Lee Straw

Jack Lee Straw, three-weeks-old son of Mr. and Mrs. Robert Straw, died unexpectedly at the family home in Hayes township Monday.

Graveside services were held at Brookside cemetery Tuesday with the Rev. George L. Majors officiating.

The infant was born at Lockwood General Hospital in Petoskey May 17.

Surviving besides the parents are three brothers, Donald, Larry and Michael and a sister, Jean, at home; the paternal grandparents, Mr. and Mrs. Sam Straw of Charlevoix and the maternal grandparents, Mr. and Mrs. Richard Erber of Boyna City.

Gains Through Pains

Deer tracks covered the brook bank when I visited the dam the other day. The slope bordering the laughing little stream was a printed apron of sand with a heart-shaped pattern stamped in varying sizes. Large, scuffed imprints, made by bucks, intermingled with the more delicate marks of the does and the smaller designs of fawns. The flag-tailed visitors had been many.

Not always have the whitetails been so plentiful on these acres, not even in the days before the white man came to America. While we usually think of prehistoric America as the Golden Age for all game animals, the scientists assure us we are mistaken. To be certain, many species of mammals were here in far greater numbers in those far-off days — buffalo, antelope, elk and beaver. The removal of forests by ax and fire made life impossible for many animals since it destroyed their only home. Others, like the buffalo, were pushed out of broad areas when agriculture took over the plains which they roamed and when wholesale slaughter, thinly disguised as hunting, brought them close to annihilation. But the same painful devastation which all nature-loving Americans have lamented has resulted in some gains, too, for the wild life populations. Robins and bluebirds, which love open fields more than deep woods, have increased their numbers.

As terrible as has been the massacre and mutilation of our forests by ax and saw and fire, these pains have wrought some gains among the mammals, too. Foxes, raccoons and the whitetail deer are probably more plentiful now

than ever before. The unbroken forests were not as suited to their needs as are the open places surrounded by woods. Especially is this true of the deer. It is a browser, preferring the tender shoots of young maples to almost any other food (with the possible exception of acorns), but also loving the browse of oak, sweet fern, willow, wintergreen, blackberry, blueberry, sumac, arborvitae and numerous other plants and shrubs which grow well in openings, but could not thrive in the virgin forests where the heavy foliage screened out much-needed sunshine. As the forests were thinned by ax and fire and the sunshine and the rains fell upon open areas and the food of the whitetail flourished, the deer, too, thrived. It has been estimated by government biologists that within the United States and Canada whitetail deer now inhabit 1,500,000 square miles of range and number about 6,000,000 animals — perhaps an all-time high. Nature's tragedies have yielded some triumphs, her pains some gains.

Hardship and trouble need never be fruitless. Always some gain can come from pain, if we will have it so. A sickly, asthmatic, nearsighted boy named Theodore became a dynamic power in government, known as Teddy Roosevelt. His strength was gained in overcoming his sickness. He became a leader through pain. Not in spite of it, but because of it. John Milton wrote some of the most sublime poetry in English literature after going blind. Millions of people make no pronounced impression upon their generation although possessed of all their faculties. Helen Keller, as a

Dyer-Chellis Vows In Double-Ring Wedding Saturday

A wedding of interest to local relatives and friends was solemnized Saturday afternoon at 2 o'clock in the United Brethren church at Horton's Bay when Var-don Chellis took as his bride, Miss Arlene Dyer. Mr. and Mrs. Hes-ton Dyer of Horton's Bay are parents of the bride and Mr. and Mrs. W. L. Chellis Sr. of Ellsworth are the parents of the groom.

The date chosen by the couple was the date of Arlene's grand-parents wedding.

The double ring ceremony was performed by Rev. Glenn Ball of Traverse City, pastor of the Evangelical United Brethren church.

Miss Patricia Waldron of Traverse City, organist, also accom-panied the soloist, Charles Ball of Traverse City who sang "Through The Years" and "The Lord's Prayer."

The church was decorated with bouquets of white and yellow glads.

The bride, given in marriage by her father, wore a wedding gown of Chantilly Lace over sat-in. Her finger-tip veil was held in place by a Juliet Cap trimmed with seed pearls. She carried a colonial bouquet of snap dragons and mums.

Attending the bride as matron of honor was her sister, Mrs. June Crall of Horton's Bay. She wore a Nile green formal ballerina length and her bouquet was fash-ioned of yellow carnations and white mums.

Miss Arlett Howe of Horton's Bay a friend of the bride, was her bridesmaid and wore a bal-lerina length formal in lavender with a bouquet of yellow carna-tions and white mums.

Best man was Duane Elsass-er of Edelstein Ill. an army buddy of the groom.

Ushers included W. L. Chellis Jr. of Ellsworth, brother of the groom, Gordon Ranney of Petoskey, brother-in-law of the groom and Elvin Lechrone of Midland, brother-in-law of the bride.

Larry Lechrone of Midland, nephew of the bride served as ring bearer.

Following the ceremony a re-ception for 175 guests was held in the church parlors.

The young couple left on a honeymoon trip into northern Canada, the bride travelling in a white linen suit with pink ac-cessories.

They will be at home in an ap-artment in Horton's Bay for the summer. Later they will move to Petoskey, where the groom is employed.

The bride is a graduate of Boyne City high school and has been employed by the J. C. Pen-ny Co. in Petoskey for several years.

The groom, a graduate of Banks Township high school in 1950, is a veteran of two years army service in Korea with a P.F.C. rating.

tiny girl, stricken blind, deaf and mute, regained her ability to speak and while lying in perpet-ual darkness and in tomb-like silence became one of the most radiantly happy personalities in all history. Besides those world-renowned individuals who have made great gains through pains, there are the unknown and un-sung thousands who have found triumph through tragedy, faith through failure and victory through vexation.

God has put at the heart of na-ture the capacity to translate pain into gain. The great souls of all time tell us it is so. Our everyday experiences tell us it is so. The innumerable tracks of whitetail deer at a brookside, where once towered the virgin forests, tell us it is so.

High time you discovered the difference in Dodge!

New Dodge Custom Royal Lancer 4-Door Sedan—most beautiful car on the road today.

Next time you're driving around town, just notice the number of gleaming new Dodge cars you see on the street!

Then ask yourself: "What is it these people have found out about the new Dodge that's causing this landslide of popular favor?"

Part of it, of course, is the new Dodge styling. You can see at a glance how much bigger and more luxurious this car is—up to 9 inches longer than its competitors.

But the real story behind the rush to Dodge is

this: People are discovering the difference in the way Dodge cars are engineered and built!

They discover it in the solid, substantial feel of the car—the way it handles and rides. They learn to appreciate it in the deep-down goodness of every part and feature: Doors that don't rattle. Body joints that don't squeak. Windows that work smoothly.

There is really no substitute for the dependability that is built into Dodge. Isn't it time you discovered this difference for yourself?

Explorer Scouts Enjoy Camping Weekend On North Fox Island

Members of Charlevoix Explorer Scout post 211 returned late Sunday afternoon from a weekend camping trip on North Fox island in northern Lake Michigan.

The group, composed of George Farmer, Paul Allers, Dave Arnold, Carl Sneathen, Raymond Schultz, Wayne Sundberg, Charles Pierce and Ted Miller, Explorer advisor, were transported on the 30 mile trip to the deserted island by the Charlevoix Lifeboat station 40-ft. patrol boat in charge of Robert Ashley.

The campers arrived at the island at 6 p.m. Friday night. The Rev. George L. Majors returned to the mainland aboard the Coast Guard boat.

Camp was established on the middle of the eastern side of the island which is about five miles long.

After supper the group settled down to an evening around the camp fire. Charles Pierce and Raymond Schultz hiked north along the shore, returning carrying a fish net and more than 60 aluminum floats found along the shore. During the weekend they recovered more than 200 floats.

That night Mr. Miller told the boys the story related by fishermen about the eerie sounds heard which led to the story that the island was haunted. He also told

them the story related to him by Roy Ranger of hearing the same sounds and tracing them to a large black bird. According to Mr. Ranger he shot at the bird but never was close enough to identify it.

The next morning the bird was sighted by Charles Pierce and later it was heard shrieking. During the two days there it was seen at a distance but it wasn't until late Sunday that it was finally identified as a black vulture.

While exploring the island Mr. Miller and the boys found a ramshackle fisherman's cabin, large sand banks on the west side, a fallen 20 ft. triangulation on the highest point of the island and many animal tracks, insects and flowers which were identified.

At noon the group stopped for lunch and several of the boys went swimming but found the water very cold.

That night everyone went to bed early with everyone sleeping in the tent but Charles Pierce.

A compass line was run across the island Sunday by Mr. Miller and several others while the remaining boys spent their time at the camp site.

Immediately after lunch the patrol boat arrived to pick up the Scouts. In the rough water the guardsmen got wet while loading up for the trip home. The group docked at 6:15 p.m.

The Scouts would like to express their appreciation and gratitude to Mr. Miller for a successful year and camping trip and to Mr. Ashley and the Coast Guard for supplying transportation to the island.

Withers - King Marriage Vows Are Spoken In Double Ring Ceremony

Bettie Withers, daughter of Mrs. Monte Withers and the late Mr. Withers, became the bride of Lyle S. King, son of Mr. and Mrs. Samuel King, former residents now of Phoenix, Ariz., at a ceremony performed at the home of the bride's mother at 209 Mercer Blvd. Saturday evening.

The Rev. Kenneth Mitchell read the double ring service before the white fireplace and candlelit mantle in the presence of their immediate families.

The bride was given in marriage by her brother, Robert Withers. Her champagne colored street dress was cut on simple princess lines with a bouffant skirt. She wore pink accessories and her only jewelry were pink flowered earrings and a pearl bracelet borrowed from her mother. Her colonial bouquet was of pink carnations and white stock.

Mrs. James Bolton of Flint, sister of the bride, was matron of honor. She wore a light blue scoop necked dress with a full skirt and a corsage of pink carnations.

Alvin T. Bennett Jr. assisted his brother-in-law as best man. Mrs. Withers chose a pink dress with blue piping for her daughter's wedding. Her corsage was of pink carnations.

Following the ceremony the newlyweds cut a three-tiered cake set on a table covered with a pink and silver cloth.

Arrangements of pink gladioli, white stock and pink peonies were used in bouquets throughout the house.

When the couple left on a short wedding trip through Wisconsin and Illinois, the bride wore a

cornflower blue suit lined in white silk, a matching blouse and red accessories.

The couple will return here to make their home.

• Barbara Kysella of Grand Rapids is spending some time at her Nettleton st. home.

Annual Summer Music Program Opens Monday

The eighth annual summer instrumental music program at the Charlevoix public school will get underway Monday under the direction of C. A. Odmak.

Sponsored by the Board of Education of the Charlevoix school district at no cost to the student, the program offers the opportunity for individual instruction on any of several band instruments.

Designed particularly for the younger student, a total of 95 local students have enrolled in the summer program. Each will receive individual instruction or instruction in a small group, something which is impossible during the regular school year because of the large number of students participating in the local instrumental program.

Mr. Odmak, in announcing the program, said that the older students will be placed in ensembles and that ensemble training will be one of the goals of this year's program.

Younger students will be taught the various technical phases of their particular instruments.

The program will continue for seven weeks ending August 5. Anyone living in the Charlevoix school district is eligible to participate. Anyone not enrolled who wishes to participate should contact Mr. Odmak at once.

New Owner Open Lighthouse Motel For 1955 Season

The opening of the Lighthouse Motel located at the intersection of Bridge st. and State st. on U.S. 31 south has been announced by the new owners, Mr. and Mrs. James Pomeranz, formerly of Toledo, Ohio.

The couple purchased the business from Mr. and Mrs. John Sloothaak who constructed the 10-unit motel early in 1953.

The new owners are now adding living quarters to the original installation.

Mr. and Mrs. Pomeranz and their eight-year-old daughter, Johanna, came to Charlevoix late last summer after seeing pictures of the area on a Detroit television station. They had gone to Canada on fishing trips via eastern Michigan highways and after seeing the pictures decided to see the western section of the state. On their first visit to the area they stayed at the motel which they purchased later in the year.

Large Group Will Be Guests Sunday On Beaver Island

More than 90 members of the Charlevoix board of commerce and local businessmen who joined in entertaining Beaver Island residents here in April following the maiden voyage of the motorship, Emerald Isle, have accepted an invitation extended by the Beaver Island Civic Association to visit the historic island Sunday, S. E. Coleman, secretary of the Charlevoix Board of Commerce who is in charge of local arrangements for the cruise, has announced.

The cruise is scheduled to leave the municipal dock at 9 a.m. and return at 5 p.m. While on the island the group will tour the island and attend a dinner as guests of the Civic Association.

Charles Evans, Daniel Melhorn Die From Car Crash Injuries

A Charlevoix man, Charles Evans, 72, died Tuesday night and his father-in-law, Daniel M. Melhorn, 82, of Joliet, Ill., died at noon Wednesday from injuries received in a two-car crash on US 131 north of Walloon Lake near the Charlevoix-Emmet county line shortly before noon Tuesday.

Rev. H. E. Kohn's Condition Told As Satisfactory

The condition of the Rev. Harold E. Kohn, senior pastor of the First Congregational church who underwent surgery at the University of Michigan hospital in Ann Arbor Monday is satisfactory, according to reports from Mrs. Kohn who is in Ann Arbor with him.

Mr. Kohn was hospitalized June 1 at the Charlevoix hospital and a week later was taken to the University hospital where examination revealed a tumor in the nasal passage which necessitated the operation Monday.

His address at the University Hospital is Room 6358. Mrs. Kohn's address is Pemberton-Welch in Ann Arbor.

In his absence the pulpit at the church is being filled by the Rev. Kenneth Mitchell, associate pastor of the church.

Prentiss Brown To Speak At Area Progress Meeting

Former U. S. Senator Prentiss M. Brown, chairman of Mackinac Straits Bridge Authority, will discuss the impact of the Straits Bridge upon Northern Lower Peninsula communities at Cadillac Friday.

He will speak at the area progress conference before representatives from 27 counties between the Straits and the Muskegon-Bay City line.

Planning to attend from Charlevoix are Roy R. Robinson, city superintendent, S. E. Coleman, secretary of the Board of Commerce and Clarence Rabach of the Charlevoix Industrial Development Corporation.

They will discuss recommendations based on an economic study of the region.

The meeting will open with a luncheon at the Cadillac high school and end late in the afternoon.

Queen Joyce To Participate In Cherry Festival

Joyce Cunningham, 18-year-old brunette and recent Charlevoix high school graduate, will represent Charlevoix in the annual Cherry Queen contest in Traverse City, Thursday, June 30, S. E. Coleman, secretary of the Charlevoix Board of Commerce has announced.

She will seek the title now held by another Charlevoix queen, Gail Marie Krahnke, now Mrs. Keith Evans, who has served as National Cherry Queen for the past year.

The contest will be held at the Traverse City high school auditorium June 30. Approximately 15 candidates representing communities in the northwest section of Michigan will seek the title in the annual contest.

Ground will be broken this week for the new one-story two-story St. Mary's school to be constructed at Bridge St. and Robinson ave. to replace the 53-year-old frame structure which was razed earlier this month.

The Lake Construction Co. of Charlevoix was awarded the contract for the general construction of the woyleite block, steel and brick building which will cost an estimated \$75,000. The Rev. E. Francis Denay, pastor of St. Mary's church has announced.

The Arms & Cole Co. of Traverse City was given the contract for the plumbing, heating and ventilation and Browe Electric of Charlevoix the contract for the electrical work. Amount of each contract was not made available.

The new school, which will hold four classrooms, a parish hall with complete kitchen, an office, locker and restrooms and a utility room, is being financed by contributions of parishioners. Completion date on the structure has been set for early fall. The Rev. Fr. Denay said it is hoped that the construction will be advanced to a point where classes can be held in the classrooms by mid-September.

Services Held For Mrs. A. J. Bolhuis Longtime Resident

Mrs. Allen J. Bolhuis, 80, resident of Marion township for many years, died Thursday at the Charlevoix hospital where she had been a patient for ten days. She had been admitted for treatment of a fractured hip suffered in a fall.

Funeral services were held at the Barnard Reformed church Saturday with the Rev. Wilson H. Rinker officiating. Burial was in the Barnard cemetery. The Pontius Chapel was in charge of arrangements.

Born in Banks township, Antrim county, Oct. 1, 1874, the former Mary Catherine Tulloch, the daughter of Robert and Elizabeth Parsons Tulloch, moved to Marion township and later to Charlevoix with her parents. She was graduated from the Charlevoix high school. On March 28, 1900, she was married to Mr. Bolhuis. A year later they moved to a farm in Marion township. In 1937 Mr. Bolhuis retired from farming but they continued to reside on the farm.

She was a member of the Barnard Reformed church and the Barnard Grange.

Besides her husband she is survived by three sons, Hugh of Grand Rapids, Robert A. of Muskegon and Emerald T. of Charlevoix and seven grandchildren. A daughter, Lilla A., died in infancy.

Ionia Escapee Is Captured By Sheriff, Deputy

Ionia reformatory officials were expected here Wednesday to return a former trusty, Francis Schocko, 20, of Leelanau county to the institution following his capture by Charlevoix county sheriff, Glenn E. Rose, and his deputy, Glenn Pemberton, Saturday morning.

The escapee was taken on a township road in Charlevoix township near Bell's Bay on Lake Michigan after two teen-age girls notified local authorities of his whereabouts. He was driving a car stolen at Cascade near Grand Rapids on June 15 at the time of his capture.

He told Sheriff Rose that he and Charles Noah, 19, of Charlevoix had walked away from a work project at the Ionia Reformatory June 10 and had stolen the car and driven to his home in Leelanau county before coming here Friday.

Noah is believed to be hiding out in the area although Schocko told conflicting stories about his whereabouts.

He admitted taking tools and clothing from a car stalled on the township road near where he was taken and gasoline from two other cars after arriving here Friday.

State Movers And Warehousemen To Hold Convention

The Charlevoix Beach Hotel will host its second convention of the 1955 season Friday when the Michigan Movers and Warehousemen's Association gather at the hotel for its annual conference June 24-25 and 26.

Howard C. Baessler of Kalamazoo is president of the Association which is expected to bring a minimum of 125 members and guests to Charlevoix for the three-day meeting. J. G. Fitch of Lansing is executive secretary of the organization.

Dean Davenport Area Supervisor In Grand Rapids

Dean Davenport, former Charlevoix mayor, has been named area supervisor for the Bankers' Life and Casualty Co. with headquarters in Grand Rapids. He will assume his new duties July 15.

He has been associated with the company as an agent for the past 4 1/2 years.

His territory will include five counties including Kent county in the Grand Rapids area.

His family will join him in Grand Rapids in September. In the interim he will commute on weekends between Grand Rapids and Charlevoix.

Midwest Travel Editors Visit City On Tour

Midwest Travel editors, representing 33 newspapers and magazines, were scheduled to arrive in Charlevoix late Wednesday via chartered bus for dinner at the Nautical at 5 p.m. as guests of the Charlevoix Board of Commerce.

Prior to arriving here the editors, accompanied by officials of the West Michigan Resort and Tourist Association, visited 44 communities in western Michigan since the tour started in Grand Rapids Friday.

After leaving here early Wednesday evening the party of editors was to go to Petoskey for a reception and to spend the night. A trip to Mackinaw City and a boat trip in the Straits area to view the progress of the Straits bridge, returning via the Lake Shore drive with stops at Cross Village, Good Hart and Harbor Springs with luncheon at the Par-4 will be concluded with a dinner at the Hotel Dillworth in Boyne City. After an overnight stay in Boyne City, the group will stop briefly at East Jordan Friday morning before returning to Grand Rapids.

Lifeguard Is Now At Depot Beach, Rest Start Sunday

A lifeguard has been stationed at the North side or depot beach since Sunday and guards at the Lake Michigan and Ferry ave. beaches will assume their duties Sunday. Leonard Burns, recreation director, has announced.

Gordon Mol assumed his duties at the North side beach Sunday when the warm weather brought out bathers earlier than in past years.

Steve Marovich, a recent graduate of Central Michigan college will be in charge of the Lake Michigan beach at the municipal bath house and Larry Burns, who is attending Red Cross Aquatic school for 10 days, will be stationed at the Ferry ave. beach. Lifeguards will be on duty from 1:30 to 5:30 p.m. daily including Sundays for the present. Beginning Monday the air and

Plans Underway For Recreation Summer Program

Plans are underway for the promotion of an extensive recreational program in the city. Leonard Burns, recreation director, has announced.

It is the aim of the recreation committee to have a varied program with something different every morning from 10 a.m. to 12 noon as well as other hours of the day.

It has been suggested that badminton courts be established; tennis and shuffleboard tournaments be arranged; bicycle hikes be planned; horseshoe throwing contests be organized; an archery program promoted and a fishing program for young people started.

Tentative plans for square dancing are also being considered.

If anyone has any suggestions regarding the recreation program, they are asked to forward them to Mr. Burns or to Roy R. Robinson, city superintendent.

Further information regarding the proposed promotions will be announced soon.

Water temperatures will be posted at the three beaches.

Swimming lessons will be offered to all youngsters at the North side and Ferry ave. beaches from 10 to 11 a.m. daily Monday through Friday. Registrations for the swimming classes will be taken Monday. At the time the lifeguards will inform the students when classes will start.

Softball League To Open 1955 Schedule Under Lights Tonight

The 1955 City Softball schedule will officially open under the lights at Kipke Field at 8 p.m. tonight (Thursday), Dean Davenport, softball director, has announced.

The Class A defending champions, Carson-Bowman, will meet a newcomer, Cooper-Franklin, to open the season. The game will be the first in a schedule of games by teams in Class A, Class B and a girls' league which will be played on Monday through Friday night every week during the summer months.

A brief ceremony with Billy Zeitler, a rabid softball fan, throwing out the first ball from his wheelchair will officially open the season. A student at Grand Rapids Orthopedic school, he returned home recently to spend the summer with his parents, Mr. and Mrs. Robert Zeitler.

Mr. Davenport will introduce the line-up of the participating teams over the public address system; the National Anthem will be played, and the flag raised in the outfield before the game will get underway.

The diamond is in top shape, the bleachers are up and the fence in the outfield has been moved in to allow for more home runs, Mr. Davenport reported.

Teams participating in the Class A league this season are Carson-Bowman, Cooper-Franklin, American Mold, Freedman's, City Merchants and U. S. Coast Guard; in Class B are four teams whose personnel is made up of the younger players, Edwards, Zephyr, Dutcher and Parsel and four teams in the girls' league.

The schedule for the coming week follows: Friday, 8:15 p.m. Parsel vs Zephyr Class B; 8 (Continued on Page 5)

Handicap Tourney To Be Sunday At Municipal Course

A Calloway handicap golf tournament will be played at the Charlevoix municipal golf course beginning at 2 p.m. Sunday, Keith Carey, club manager, has announced.

The tournament will be open to both men and women golfers. Prizes will be offered.

An invitation has been extended to all local golfers to participate in the event.

Winners in the two-ball foursome tournament held Sunday were also announced. Harold (Pete) Withers and Bobo Bennett placed first with a score of 42; Mrs. Dallas Henry and Robert Livingston second with 43; Guy Swanson and Fay Davis next with 44 and Mrs. Robert Livingston and James Bowman fourth with 48.

Mr. Carey also reported that the attendance at the golf clinic for women has been exceptionally good. It will be continued another week if there is a demand for more classes.

Mr. Carey and William Supernaw have had more than 25 women golfers attending the clinic held Monday, Wednesday and Friday for the past two weeks.

Delbert Ingalls Dies Following A Brief Illness

Delbert E. Ingalls, 86, retired Marion township farmer, died Saturday at the Charlevoix hospital following a brief illness. He had been a patient there for two days.

Funeral services were held at the Pontius Chapel Monday with the Rev. L. L. Lewis of Millington officiating. Burial was in Brookside cemetery.

Mr. Ingalls was born in Antrim county, Jan. 28, 1869, the son of Henry and Augusta Himebaugh Ingalls. He was married to the former Rosa Edison in Antrim county in 1898. They resided on a farm in Marion township until he retired and the family moved to their present home at 321 Mason st. He was a member of the Baptist church.

Besides his wife he is survived by a son, Glenn; two daughters, Mrs. Laverne (Ida) Heise and Mrs. Ethel Courier all of Charlevoix; three grandchildren and four great-grandchildren and a brother, J. M. Ingalls of East Jordan.

Summer Band Concerts Will Begin June 29

The 1955 season of "Concerts in the Park" will begin Wednesday when the Charlevoix City Band, under the direction of C. A. Odmark, will present the first in a summer-long series of concerts in East Park at 8:30 p.m. every Wednesday evening throughout the summer months.

The city band, while sponsored by the city of Charlevoix, is composed of 39 musicians who have spent many hours rehearsing during the past months in preparation for the summer series.

All are donating their time and talents, the only reward being one of satisfaction in conducting.

Island Group Is Host To A Large Local Contingent

The Beaver Island Clive Association rolled out the shamrock green welcome mat for 75 members of the Charlevoix Board of Commerce, other business and professional men and their wives Sunday when the group arrived aboard the Emerald Isle as guests of the island association.

Cars met the visitors at the dock and took them on a tour of the historic island before entertaining them at a dinner at the King Strang Hotel at noon.

The ferry arrived in Charlevoix on the return trip at 8 p.m. after an enjoyable trip under ideal weather conditions.

The invitation was extended by the Civic Association in return for the welcome given the island residents on the occasion of the maiden voyage of the new motorship, Emerald Isle, when the Charlevoix Board of Commerce entertained the island visitors at a dinner at the Windsock Grill.

The visit to the island was the first in 47 years for Harbormaster Joseph F. Howard who, for many years, has been in charge of or associated with the municipal dock here where all passengers, supplies and freight are loaded aboard the Beaver Island ferry. Will Bellinger was another old-time resident who made the trip.

ODDS 'N' ENDS

By Fran Martin

YELLOW seems to be the color this year . . . at least, that's the color 'motif' the utility crew has selected for all the fire hydrants in town . . . We haven't checked but we imagine it's because that's the easiest color to detect under all weather conditions . . . that's why your school buses are now painted that shade . . .

DON'T know if we're mile slow and can't keep up with things but doesn't it seem as tho' summer's arriving a little early this year? . . . There are more summer people here . . . the Beach Hotel was lit up like Christmas Sunday night for its first convention, the Naval training ship was in over the weekend, the Travel editors from the Midwest were here, summer camps are opening this weekend . . . Maybe it's just 'cause we've waited so long we can't believe our eyes . . .

AFTER almost tripping over 'white caps' off the naval training ship from Great Lakes all weekend, we talked with some of the boys of the Naval Reserve Sunday night . . . Seems they come from all over the Ninth Naval district which extends, they told us from North Dakota through Texas and states in between plus Illinois, Wisconsin and we don't know how many more . . . They had grand things to say about Lt. Jones, their C.O. . . and from what we've heard the boys were good Joes too . . . One boy from near Lake Geneva, Wis., we talked to had found a boat here he thought his family would like and he thought they'd be back later in the summer to look at it . . . They liked Charlevoix as a liberty town and had a good time here, our informants reported . . .

The C. G. bouy tender, Tupelo, was also in . . . The ships from Toledo, we're told, and was en route to its home port after having radar equipment installed, checked or something . . . It's one of the ships rarely seen in these parts.

HEARD the fire whistle the other night but didn't hear the fire truck so concluded my ears were deceiving me . . . They weren't tho' because when we went through town there was water going sky high (almost) at the city dock . . . We investigated, naturally, and found that a fire drill had been called by Chief Martin Elzinga to try out the new 2 1/2 inch lines (four of 'em) and the pumping machine on the new fire truck . . . And if you've any idea that they don't work, come around the next time Chief Elzinga calls a drill . . . If you'd like your car washed, park it on the hill to the dock . . . you'll get a good job, of course the upholstery might be saturated, but the car will be clean . . .

BUTTERCUP was interviewed one day last week . . . That's right by none other than an author of children books, of Kalamazoo . . . of course, asked Buttercup all the usual questions . . . place and

time of birth, weight, parentage, etc . . . A little reluctant at first, (You know, a lady can't be too careful these days, talking to strangers, and all), Buttercup finally admitted, among other things, her age . . . So, if one of these days you see a little yellow lamb on a book jacket . . . that'll be our Buttercup . . . Mrs. William Butters, her mistress, has promised to tell us about it so you can all get an autographed copy or should we say 'hoof'ograph? . . .

THIS has been the week when we've called the resort operators in our community for our annual story on such facilities . . . It's been good to welcome them 'home' again . . . and to see them around after an absence of several months . . . They're all looking forward to a good summer . . . And if the weather holds we're sure they'll have it . . . Like everyone else, we're keeping our fingers crossed and hoping for the best . . .

A WARM 'welcome home' to our summer residents who are arriving daily from points south, east and west . . . It's grand to have you back and we'll be seeing you around . . . We've missed you . . .

A BELATED birthday greeting to a gal in Columbia, S. C., Sandy VonDohlen, who'll soon be here for the summer . . . And don't forget the starfish . . .

YOU WON'T believe this but Mrs. Eva Smith at the Tower Hotel has proof of it . . . Among the squirrel population on Park ave. is an old mother squirrel who returns each spring to the hotel . . . Mrs. Smith was late in opening this year so the squirrel went elsewhere but when Mrs. S. scoured the neighborhood speaking to all the squirrels she saw, she soon found her old pet . . . who, you guessed it, is now living at 209 Park ave . . .

MRS. William Heering observed her birthday anniversary last week . . . It was just another birthday until the mail arrived and then things were different . . . For the mail contained close to 70 cards and during the day other friends dropped in for a brief visit, bouquets of flowers and other remembrances . . . We'd like to add our belated wishes to a grand lady . . . and add our own personal wishes for a speedy recovery . . . We miss you . . .

IF YOU want to see something beautiful, stop by for a look at the roses at the Lakeview . . . that is, if the Jim Flynn's haven't cut them all so there'll be more later this summer . . . We've never seen lovelier blooms any place . . . And the pretty red roses on the wall at the Weatherlane add that important touch of color . . .

A NOTE to the mothers . . . The lifeguard will be at the north side or depot beach all this week and starting Sunday, if the weather's good, at the other beaches . . . Lake Michigan and Ferry ave . . . And why not have your youngster learn to swim . . . there'll be lessons offered at the North side and Ferry ave. beaches beginning Monday . . .

ADD THIS to your list of embarrassing moments . . . The Ray Ashdon's took off last Wednesday

Brownies Enjoy Many Camp Activities

★ ★ ★

Fifty-four Brownie Scouts participated in the annual Brownie Day camp held at the Charlevoix Rod and Gun Club Monday through Friday of last week. Mary Roberts was camp director. She was assisted by Brownie leaders and mothers during the weeklong program.

Camp started each day when the girls checked on the school bus which left the city hall daily except Friday at 9 a.m. for the trip to camp. All the way out they sang such familiar songs as "I've been working on the railroad." There were 10 in bed and "Once there were three fishermen". After the trip they deposited their nose-hag lunches, and sit-upon in the clubhouse, and assembled for the flag ceremony conducted by Miss Roberts and four Brownies.

On the opening day the troops selected Indian names. The youngest Brownies, the Little Moccasins, had Mrs. Robert Pearl as leader and Mrs. Elmer Gibson and Mrs. Leslie Ball as assistant leaders; the third troop, the Pocahontas, had Mrs. Ray Wood as leader and Mrs. Edwin McCann as her assistant and the older group, the Chippewas, had Mrs. H. E. Paddock as leader. She was assisted by troop mothers.

Each troop had a special campsite where lunches were eaten or food prepared over the campfire. One troop enjoyed spaghetti and meat balls and the Chippewas learned the hard way how to make chili over an open fire. A

trip to Detroit to see their granddaughter, Kay Dalton, graduate from high school . . . Imagine Mrs. A's embarrassment when they arrived in Detroit . . . only to find that she had left the traveling bag with all their clothes on the bed at home . . . A hurried trip to the closest store was in order Thursday morning . . .

THE BASS were biting at Hog Island over the weekend . . . We weren't there but we know people who were . . . And as a result we had some perfectly wonderful bass for supper Sunday night . . . Thanks to Jake White . . . Seems Jake took a gang of eight including Carl Kohler over for the weekend . . . Everyone caught bass and some had pike that long . . . according to Carl.

Brownie Scout camp was a bee-hive of activity at all times during the week-long camping period.

Pictured above are Mrs. Ray Wood adjusting an Indian dress for Judy Walker while Suzette Smith looks on. Others in the foreground are (l to r) onnie Wales, Betty Reynolds, Teri Freedman, Barbara Sugden and Barb Clarke, wearing hobo day costumes. In the background are Mrs. Robert O. Pearl, Danna Kaskey, Elaine Merlin and Joan Riley and three other unidentified Brownies.

Mary Roberts was camp director. Day camp was held at the Charlevoix Rod and Gun club.

special treat called 'Sommores' was enjoyed by everyone. They are made by toasting a marshmallow, then sandwiching it between two graham crackers and a square of Hershey chocolate.

Thursday was Hobo day with prizes offered for the best costumes. Teri Freedman, Laurie Torr and Sue Ellen Cooper won.

Miss Roberts taught the girls several new games including the Red Hot Ball, Black Feather, and Deer, Deer, Come Home as well as folk dances. She also worked out all details of the camp program.

A special daily feature enjoyed by everyone was the story hour conducted by Mrs. Harry Stewart. The girls were so quiet as they listened to mystery stories and fairy tales that one could have heard a cricket chirp.

On Friday the Brownies came at 2 p.m. and prepared for the evening program given for the parents. The Chippewa troop had a fly-up ceremony at its campsite. Mrs. Paddock pinned on their wings and Mrs. Arnold Wadas, their leader, presented the girls with their badge sashes and Girl Scout pins. After a potluck supper at the clubhouse, the girls assembled by troops to don the Indian dresses and hand decorated capes and macharoni beads they had made earlier. After the parents were seated, all the little 'Indians' came dancing out of the clubhouse to the music of their coffee can tom-tom drums. Miss Roberts led them in singing and then introduced each troop which presented a dance.

The Day Camp program, one of the Girl Scout Council's most successful, owes its success to the assistance and cooperation of the volunteer workers, Mrs. Paddock, camp chairman, said. Without their able assistance we could not have completed our program. We of the council are especially grateful to Mrs. L. E. Grate who served as camp nurse during the entire program, to Mrs. Joseph Williams the camp visitor; and to the following program consult-

Saturday Marked Opening Of New Texaco Station

Saturday marked the opening of a new Texaco station located on South Bridge st. between Carpenter ave. and State st., on US 31 south.

Constructed by the Stevens Oil Co. of Traverse City, the station has been leased to Harvey Hamilton of this city, who was formerly associated with the South Side Service Station. He will be assisted in the operation of the business by Lloyd Cummings.

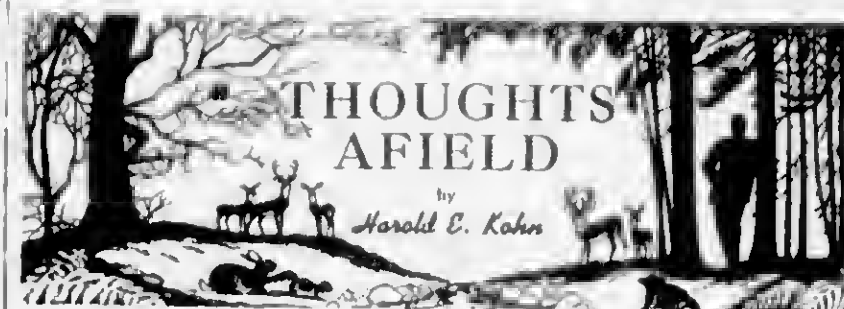

The station which will feature all Texaco products including gasoline, oil, lubricants and accessories is built of cement block painted white with the familiar Texaco green trim.

The Friendly Dark

The setting sun has bathed the western sky with splendor. Twilight has mellowed and darkened the vivid flush, and now that the sun has dipped the required eighteen degrees below the horizon, night has come.

Some moments ago a hen ruffed grouse completed an evening meal of beechnuts and buds. Then having quenched her thirst at the nearby brook, she lifted her head skyward, chose a rugged, twisted branch on a nearby maple and there settled down for the night.

Darkness came and with the blankness of the night there settled upon this gamey denizen of the forest a deep peace akin to trust. No marauding fox could see her now, nor reach her. Nightfall silenced the thundering gale of hunters and the menacing prowling of their dogs. Goshawks, those bloodthirsty pirates of the air, put to port at day's end and must await dawn before plunging their talons into the flesh of more ruffed grouse. Melted into the shadows and shielded by surrounding limbs, the hen is safe too from the clutches of the horned owl. She rests. She stirs slightly and then becomes still again. The alert eyes close, and she falls to sleep sheltered by the friendly dark.

Beneath her scamper the gem-eyed mice, white feet leaving a delicate embroidery of elfin tracks on the dust of fallen leaves. Most of the day they tremble in fear of their many enemies — foxes, hawks, butcher birds, prowling cats from neighboring farms.

Three prospective lifeguards who will be stationed at beaches in their respective communities in Charlevoix county this summer are attending the annual Red Cross Aquatic School at Camp Beard near Whitehall for ten days beginning June 15.

The trio is attending the school under the sponsorship of the Charlevoix county Red Cross chapter which is financing their training.

They are Larry Burns of Charlevoix, Joe Hammond of East Jordan and Lucinda Burns of Walloon Lake.

Sandra Weaver, William Wallace Exchange Marriage Vows in Baldwin

St. Ann's church in Baldwin was the scene of the wedding ceremony Saturday morning of Miss Sandra Weavers and William L. Wallace.

The bride is the daughter of Mr. and Mrs. F. D. Weavers of Baldwin and Mr. Wallace is the son of Mr. and Mrs. Louis L. Wallace of this city.

The Rev. Fr. Tadeous Snidowski officiated at the ceremony during the nuptial Mass before an altar decorated with bouquets of white seasonal flowers and candelabra. White bows and greens marked the pews.

Leonard Keller of Baldwin played the traditional wedding music and accompanied the soloist, Mrs. Jack McIsaac of Grand Rapids.

The bride, escorted to the altar by her father, chose a white gown of white Chantilly lace over satin for her wedding. The basque bodice featured a self-scarped neckline and long sleeves which tapered to points over the wrists. Layers of illusion and a V lace fell over the underskirt of satin. A matching lace cap embroidered with seed pearls secured her fingertip veil of bridal illusion. She carried a cascade bouquet of pink rosebuds, stephanotis and ivy.

Mrs. Nicholas V. Hamilton of Charlevoix was maid of honor and Mrs. Ronald Edwards of Baldwin was bridesmaid. They wore identical waltz length gowns of light blue embroidered organza and matching blue hats and carried shadow baskets of California daisies.

Maureen Corby of Lansing, as flower girl, wore a white nylon dress styled with a hoop skirt and a blue daisy headdress. She carried a shadow basket of blue daisies.

William Barber of Charlevoix assisted the bridegroom as best man. Mr. Hamilton and Larry Petersen, also of Charlevoix, were ushers. Bud Weavers, brother of the bride, and Kenneth Selesky of Baldwin were altar boys.

For her daughter's wedding Mrs. Weavers selected a pink and white French chambray with lace inserts and white accessories. Mrs. Wallace, mother of the bridegroom, wore a gray and white print dress, matching gray duster and white accessories. Each had a corsage of white roses.

A wedding luncheon and reception followed at the home of the bride's parents. Mr. and Mrs. Glenn Bratt of Baldwin were master and mistress of ceremonies.

The couple will reside in Lansing after June 22 when they return from a northern Michigan wedding trip. For traveling the bride wore a blue and white polished cotton dress with white accessories and a corsage of pink rosebuds.

The bride is a graduate of Baldwin high school and the Mercy Central School of Nursing in Grand Rapids and for the past year has been a member of the nursing staff at the Charlevoix Hospital. Mr. Wallace, a graduate of the Charlevoix high school, is enrolled in the school of engineering at Michigan State college after two years in the U. S. Army.

Among the wedding guests were Nancy Wallace, Mrs. Florine Krahne, Shirley Clement, Jill Cross, Nona Koon and Mr. and Mrs. Ralph S. Hamilton of Charlevoix.

County Wheat Growers To Ballot On
Referendum At Marion Hall Saturday

The referendum to determine whether or not the marketing quota program will be in operation for the 1956 wheat crop will be held on June 25.

Le Roy Hardy, chairman of the Charlevoix County Agricultural Stabilization and Conservation Committee, advises that arrangements for holding the referendum have been made. The referendum this year will be held in the Marion Township Hall, the same place as in the past two referendums.

In a similar referendum held a year ago, the national vote was close, 208,623 for and 76,023 against — a favorable vote of 73.3 percent compared with the necessary 66 2-3 percent. In Michigan, the vote was 3,685 for and 4,350 against, and in Charlevoix county the seven votes cast favored

quotas. Many of the small acreage wheat growers in the county are not permitted to vote on the program due to the eligibility requirements although they are required to abide by the program if it is adopted.

The polling place, Marion Township Hall, will be open from 9:00 in the morning until 8:00 in the evening, June 25.

City Golf Trophy Is Presented In Memory Of Frank B. Poole

Keith Carey, (left) golf pro and manager of the Charlevoix Municipal golf course, is pictured accepting the Charlevoix City Championship Frank B. Poole trophy from Robert Livingston, who made the presentation in behalf of Mrs. Poole.

The name of Frank B. Poole, golf pro and manager of the Charlevoix municipal golf course from 1948 through 1953, will be perpetuated in a Charlevoix city championship trophy given recently in his memory by Mrs. Poole, who now resides at Miami, Fla.

Robert Livingston, local golfer and friend of the family, made the presentation recently to Keith Carey, present manager. The trophy is now on display at the local club house.

Mr. Poole, a native of Charlevoix, had divided his time between Charlevoix and Miami for many years. An ardent golfer, he had been pro and manager of the local course from 1947 through 1953 when he became ill. He died in December, 1954.

Mr. Carey said that anyone who has established a handicap at the Charlevoix municipal course will be eligible to participate in the city championship tournament. The winner's name will be engraved on the trophy, which will be kept at the clubhouse.

The tournament is scheduled to get underway July 3 and continue for six weeks. All first round matches must be played in the first week of the tournament between July 3 and 9.

The tournament will be played in matched play. No more than an 18 stroke handicap will be allowed. There will be prizes for the flight winners who will then play on a handicap basis for the city title.

A small entry fee will be charged. All entries must be in by July 1 at the clubhouse.

Church Young People Enjoy Hayride Party

The young people of the Community Church of God enjoyed an old-fashioned hayride party at the Leo Berg farm in Hayes township Friday night.

Two hay-filled wagons were drawn by tractors over hills and through woods to the shores of Susan Lake where the group participated in games, refreshments and devotions around a roaring camp fire.

L. McGhans Observe Wedding Anniversary

Mr. and Mrs. L. E. McGhan observed their thirty-sixth wedding anniversary recently at a family dinner at the home of the latter's parents, Mr. and Mrs. George Meggison.

Others present were Mr. and Mrs. C. B. Meggison.

Ideal Weather Aids In Making Girl Scout Troop Camp Success

Saturday, when Troop Camp closed at Camp Sea Gull on the north side of Lake Charlevoix, marked the conclusion of another year's successful camping experience for 100 Charlevoix Girl Scouts and Scout Leaders.

Ideal camping weather from Saturday when the camp opened through Saturday added much to the enjoyment of the week-long camping period and allowed a more varied camp program.

For the first time the camp was operated under the direction of a Camp Council composed of Mrs. Lester Smith, council president; Jean Nelson, waterfront director; Mrs. Robert Bergmann, program chairman and Mrs. Lloyd Arnold, camping chairman.

A full program of camp crafts, handicrafts, nature study, water front activities and games was climaxed by evening programs of skits and plays by various troops, the annual leaders' skit, badge ceremony, square dancing, outdoor campfires and evening dips.

The craft hall was supervised by Mrs. Aaron Brock who instructed girls in the making of tin can centerpieces, Aluminum bracelets, tray etching and glass etching, the making of footstools from planks and lanyards for whistles, knives, bracelets, ties, key chains and necklaces made from "craft-strips".

The waterfront in charge of Miss Nelson, assisted by Susie Miller and Bessie Kipke, was well populated every morning and afternoon. Rowboats and canoes were in use at all times and Kay Ulrich and Janice Burns passed the requirements for the canoeing badge.

Carol Smith, Celestine Burley, Carla Riley, Janet Edison, Roberta Zeiter, Connie Kolker and

Andrey Krulik passed the Beginner's swimming tests; Sally Harrington, Sharon Abfalter, Karen Pierce and Judy Russell passed the Intermediate swimming test and Carol Belfy, Sandy Richardson, Marilyn Navak, Julie Schofield, Janice Burns, Kay Ulrich, Cynthia Curtis, Nancy Cook, Kathy Oleksy, Margie Albright and Georgia LaBlance passed the Swimmers test.

Troop leaders were assisted by the following Senior Scouts who served as assistant leaders: Sandra Gregory, Bessie Kipke, Connie Oleksy, Susie Miller, Janet Todd and Phyllis Williams.

Mrs. Robert Bergmann assisted by Jill Stewart was in charge of the infirmary where small cuts, bruises and minor injuries were treated; Mrs. Leonard Burns assisted by Marylee Baker directed the music program; Mrs. Alan Macdannel taught archery; Mrs. Lester Smith was stakekeeper; Mrs. George Bergmann was camp cook and Mrs. C. A. Odmark, camp visitor.

Mrs. O. V. Cunningham was in charge of games for the camp and included in her program several "wide games". She also planned a nature trail for groups to follow, marking various bushes and trees with their correct names.

The Scouts of Troop 9 under Mrs. Cunningham conducted a nursery group for the small children of leaders who found it necessary to bring their children to camp in order to help with camp activities. During the swimming periods girls from Troop 6 assisted with this program.

Assisting in the kitchen were the following mothers who each contributed a day to the program: Mrs. Walter Jarvis, Mrs. Jerry Green, Mrs. Thomas Murphy, Mrs.

Ardeth Howe And Thomas Wieland Married In Ceremony At Boyne City

Baskets of white peonies and yellow gladioli decorated the altar of the First Methodist church in Boyne City for the Saturday evening wedding of Ardeth M. Howe and Thomas Garth Wieland. The bride is the daughter of Leslie Howe of Undine and the late Mrs. Howe. Mr. Wieland is the son of Mr. and Mrs. John Wieland of Charlevoix.

The Rev. Elmer Fritchard of Horton Bay, assisted by the Rev. Forrest Mohr, pastor of the Boyne City church, officiated at the double ring ceremony in the presence of 300 guests seated in pews marked with white satin bows and ivy. Mrs. Iana DeYoung of Atwood played a program of traditional music and the wedding march and accompanied June Howe of Royal Oak who sang "Because" and "The Lord's Prayer".

Escorted to the altar by her father, the bride selected a gown of white nylon tulle and lace over satin for her wedding. It was styled with a fitted tulle bodice, long lace sleeves and a bouffant skirt of tulle with lace inserts. Her fingertip veil fell from a matching lace cap. She carried a bouquet of white daisies.

Vonda Howe of Petoskey was her sister's maid of honor and Mrs. Varden Chellis of Horton Bay was bridesmaid. They wore gowns of tulle over satin in light blue and light green respectively. They were fashioned with strapless bodices and full skirts of tiered tulle worn with matching stoles. They wore headresses of yellow daisies and carried bouquets of the same flowers.

Kathy Wieland of Ellsworth, niece of the bridegroom, as flower girl, wore a pink nylon dress, a bandeau of pink flowers and carried a nosegay of the same flowers. Her brother, Danny Wieland, as ring bearer, carried the rings to the altar on a satin pillow.

Richard Wieland of Ellsworth assisted his brother as best man and ushers were Kenneth Steenhagen of Muskegon, Edward Howe of Royal Oak, Mr. Chellis of Horton Bay and Herbert Boss of Charlevoix.

Mrs. Wieland, mother of the

bridegroom, wore a rose crepe dress, white accessories and a corsage of pink flowers.

A reception followed in the church parlors. Mrs. Harlan Rubeck and Mrs. Mohr presided at the refreshment table. The Wesleyan Guild of the church assisted. The parlors were decorated with

bouquets of yellow and white garden flowers for the occasion.

After an extended wedding trip in the upper peninsula, the couple will reside in Charlevoix. For traveling the bride chose a beige summer suit and white accessories.

Mrs. Wieland is a graduate of

Michigan State college and last year taught in the Boyne City schools.
